PRINCE2 FOUNDATION TRAINING MANUAL

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

THE PATHS WE CHOOSE

A MEMOIR

Godsmack's founder and front man Sully Erna has been immersed in the world of rock ever since he got his first drum set. Given his achievements, that early start might suggest that his career was a straight shot to the top. The truth is, Erna took so many detours during the years between his first instrument and Godsmack's first contract that, more than once, he nearly forgot his destination. In *The Paths We Choose*, he relates the turbulent story of his life before the platinum albums and packed arenas. Sully's story shows us that whatever hardship we may face, ultimately, our choices determine our destiny. He's made the most of every advantage and obstacle he has faced, and reminds us that we can, too. For Sully, success is not an ultimate destination. Every day brings a new fork in the road, another path to choose
