A Novel

Open Road Media From the National Book Award-winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy's trip through history. Half Native American and half Irish, fifteen-year-old "Zits" has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he's felt alienated from everyone, but, thanks to the alcoholic father whom he's never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, "he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes" (*The New York Times Book Review*). Sherman Alexie's acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the New York Times bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn, combining magical realism with his singular humor and insight. Ten Little Indians

Stories

Open Road Media Los Angeles Times Book Prize Finalist: A "stellar collection" of stories about navigating life off the reservation, filled with laughter and heartbreak (People). In these lyrical, affectionate tales from the author of *The Absolutely True Diary of a Part-Time Indian* and *The Lone Ranger and Tonto Fistfight in Heaven*, characters navigate the crossroads of culture, battle stereotypes, and find themselves through everything from politics to basketball. Richard, the narrator of "Lawyer's League," grows up in Seattle, the son of "an African American giant who played defensive end for the University of Washington Huskies" and "a petite Spokane Indian ballerina." A woman is caught in a restaurant when a suicide bomb goes off in "Can I Get a Witness." And Estelle Walks Above (née Estelle Miller), studies her way off the Spokane Indian Reservation and goes on to both enjoy and resent the company of the white women of Seattle—who see her as a shamanic genius, and look to her for guidance on everything from sex and fashion to spirituality. These and the other "warm, revealing, invitingly roundabout stories" in *Ten Little Indians* run the gamut from earthy wit to sobering emotional truth, mapping the outer reaches of the human heart (The New York Times Book Review). From a New York Times-bestselling and National Book Award-winning author, these tales, "rambunctious and exuberant, bristle with an edgy and mordant humor" (Chicago Tribune). This ebook features an illustrated biography including rare photos from the author's personal collection.

Bone

Hachette Books "We were a family of three girls. By Chinese standards, that wasn't lucky. In Chinatown, everyone knew our story. Outsiders jerked their chins, looked at us, shook their heads. We heard things." In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the source of a brave young girl's sorrow. Oldest daughter Leila tells the story: of her sister Ona, who has ended her young, conflicted life by jumping from the roof of a Chinatown housing project; of her mother Mah, a seamstress in a garment shop run by a "Chinese Elvis"; of Leon, her father, a merchant seaman who ships out frequently; and the family's youngest, Nina, who has escaped to New York by working as a flight attendant. With Ona and Nina gone, it is up to Leila to lay the bones of the family's collective guilt to rest, and find some way to hope again. Fae Myenne Ng's luminous debut explores what it means to be a stranger in one's own family, a foreigner in one's own neighborhood--and whether it's possible to love a place that may never feel quite like home.

The Absolutely True Diary of a Part-Time Indian

Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

War Dances

Stories and Poems

Open Road Media The bestselling, award-winning author's "fiercely freewheeling collection of stories and poems about the tragicomedies of ordinary lives" (O, The Oprah Magazine). Winner of the PEN/Faulkner Award for Fiction, *War Dances* blends short stories, poems, call-and-response, and more into something that only Sherman Alexie could have written. Ordinary men stand at the threshold of profound change, from a story about a famous writer caring for a dying but still willful father, to the tale of a young Indian boy who learns to value his own life by appreciating the deaths of others. Perceptions change, too, as "Another Proclamation" casts a shadow over Abraham Lincoln's Emancipation Proclamation, and "Invisible Dog on a Leash" limns the heartbreak of shattered childhood illusions. And nostalgia for antiquated technology is tenderly rendered in "Ode to Mix Tapes" and "Ode for Pay Phones." With his versatile voice, Alexie explores love, betrayal, fatherhood, alcoholism, and art in this spirited, soulful, and endlessly entertaining collection, transcending genre boundaries to create something truly unique. This ebook features an illustrated biography including rare photos from the author's personal collection.

Indi'n Humor

Bicultural Play in Native America

Oxford University Press Drawing upon history, psychology, folklore, linguistics, anthropology, and the arts, this book challenges "wooden Indian" stereotypes to redefine negative attitudes and humorless approaches to Native American peoples. Moving from tribal culture to interethnic literature, Lincoln covers the traditional Trickster of origin myths, historical ironies, Euroamericans "playing Indian," feminist Indian humor at home, contemporary painters and playwrights reinventing Coyote, popular mixed-blood music and Red English, and three Native American novelists, Louise Erdrich, James Welch, and N. Scott Momaday. Indi'n Humor documents and interprets the contexts of laughter among Native Americans, as they see and are seen by the rest of the world. The study comes to focus comically on the poets, visual artists, playwrights, and novelists who make up the cultural renaissance of the past twenty years.

One Native Life

Douglas & McIntyre One Native Life is Richard Wagamese's look back at the long road he traveled in reclaiming his identity. It's about the things he's learned as a human being, a man, and an Ojibway. Whether he's writing about playing baseball, running away with the circus, listening to the wind, or meeting Johnny Cash, these are stories told in a healing spirit. Through them, Wagamese shows how to appreciate life for the remarkable learning journey it is.

Embers

One Ojibway's Meditations

D & M Publishers "Life sometimes is hard. There are challenges. There are difficulties. There is pain. As a younger man I sought to avoid them and only ever caused myself more of the same. These days I choose to face life head on—and I have become a comet. I arc across the sky of my life and the harder times are the friction that lets the worn and tired bits drop away. It's a good way to travel; eventually I will wear away all resistance until all there is left of me is light. I can live towards that end." —Richard Wagamese, Embers In this carefully curated selection of everyday reflections, Richard Wagamese finds lessons in both the mundane and sublime as he muses on the universe, drawing inspiration from working in the bush—sawing and cutting and stacking wood for winter as well as the smudge ceremony to bring him closer to the Creator. Embers is perhaps Richard Wagamese's most personal volume to date. Honest, evocative and articulate, he explores the various manifestations of grief, joy, recovery, beauty, gratitude, physicality and spirituality—concepts many find hard to express. But for Wagamese, spirituality is multifaceted. Within these pages, readers will find hard-won and concrete wisdom on how to feel the joy in the everyday things. Wagamese does not seek to be a teacher or guru, but these observations made along his own journey to become, as he says, "a spiritual bad-ass," make inspiring reading.

The Language Police

How Pressure Groups Restrict What Students Learn

Vintage If you're an actress or a coed just trying to do a man-size job, a yes-man who turns a deaf ear to some sob sister, an heiress aboard her yacht, or a bookworm enjoying a boy's night out, Diane Ravitch's internationally acclaimed *The Language Police* has bad news for you: Erase those words from your vocabulary! Textbook publishers and state education agencies have sought to root out racist, sexist, and elitist language in classroom and library materials. But according to Diane Ravitch, a leading historian of education, what began with the best of intentions has veered toward bizarre extremes. At a time when we celebrate and encourage diversity, young readers are fed bowdlerized texts, devoid of the references that give these works their meaning and vitality. With forceful arguments and sensible solutions for rescuing American education from the pressure groups that have made classrooms bland and uninspiring, *The Language Police* offers a powerful corrective to a cultural scandal.

Vida

Open Road + Grove/Atlantic A New York Times Notable Book, an NPR Best Debut of the Year, and a PEN/Hemingway finalist. These linked stories follow Sabina as she navigates her shifting identity as a daughter of the Colombian diaspora, and struggles to find her place within and beyond the net of her strong, protective, but embattled family. In "Lucho," Sabina's family—already "foreigners in a town of blancos"—is shunned by the community when a relative commits an unspeakable act of violence, but she is in turn befriended by the town bad boy, who has a secret of his own. In "Desaliento," Sabina surrounds herself with other young drifters who spend their time looking for love and then fleeing from it—until reality catches up with one of them. And in "Vida," the urgency of Sabina's self-imposed exile in Miami fades when she meets an enigmatic Colombian woman with a tragic past. "Vida calls to mind some of the best fiction from recent years. Like Elizabeth Strout's *Olive Kitteridge*, Engel uses stories about connected characters to illuminate her main subject, in this case Sabina, who moves with her family from Bogotá, Colombia, to New Jersey. Engel brings Sabina's family and culture to life with a narrative style reminiscent of Junot Díaz's *The Brief Wondrous Life of Oscar Wao* . . . Vivid, memorable . . . An exceptionally promising debut." —The Cleveland Plain Dealer
