Fiesta!

Harper Collins **Horns, airplanes, and tops. Whistles, gum, and rings. What toys should the children choose? How many candies will they buy? And what will they do with all the things they buy? Open this book to find out and to count with them—in English and in Spanish. It's easy! hr Trompetas, aviones y trompos. Silbatos, chicle y anillos. Cuáles juguetes elegirán los niños? Cuántos dulces comprarán? Y, qué harán con las cosas que comprarán? Abre este libro para contestar esta pregunta y para contar con ellos—en español y en inglés. Verás que es fácil!**

Auto Repair For Dummies

John Wiley & Sons **Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.**

Ford's Feisty Capri

European Sporting Coupes 1969-1987

Enthusiast Books The fabulous success of Ford's Mustang in America inspired Ford's British and German branches to do likewise. The sporty coupe they created, the Ford Capri, was launched in 1969 as the first joint production of the brand-new Ford of Europe. Billed as "The car you always promised yourself", the Capri was a signal success with almost 1.9 million made when production ended in 1987. Its rakish lines, keen pricing and broad power offerings gave the Capri wide appeal not only in Europe but also in America, which imported the Mark I and II versions from 1970 to 1977 for sale through Lincoln-Mercury dealers. The Mark III for Europe followed in 1978. No paper tigers, these classy coupes were formidable rally and racing cars as this book's illustrations reveal. A Capri insider, former Ford of Europe executive Karl Ludvigsen introduces the Capri saga and illuminates the many rare images from his world-famous Ludvigsen Library. A feast for fans of the Blue Oval, this book's pages bring to life the exciting story of one of the best-loved Fords of all time.

Automotive Diagnostic Fault Codes Techbook

Crashed and Byrned

The Greatest Racing Driver You Never Saw

Icon Books This is the thrilling, warts-engine-oil-and-all autobiography of the only racing driver Ayrton Senna ever feared - the 200mph flawed genius of Tommy Byrne. It tells the surreal tale of a poverty-stricken Dundalk kid's rise to become the only racing driver the great Ayrton Senna ever feared - and how it all went wrong from there. For a brief moment Tommy Byrne was arguably the world's greatest driver, the motor racing equivalent of George Best and Muhammad Ali rolled into one - A racer, a thief, a raconteur. This is the story of his improbable escape, his rapid rise and his spectacular and bizarre fall from grace. Peppared with dark humour and a cast of ridiculous characters, it is the antithesis of a fairytale - and it's all true. Hold on tight, the tale of Tommy Byrne is quite a ride - from fending for himself as the runt of a big Catholic litter in the '60s, running the gauntlet of the sectarian violence in the '70s, troubling Ayrton Senna and making it to F1 in the '80s, resorting to drugs in the aftermath and driving for a deluded billionaire madman and then gun-toting Mexicans in the '90s. It's raw, passionate, and - with Byrne's ability to tell it like it is - not for the faint-hearted.
