Forever Charmed The Halloween Laveau Series From bestselling author, Rose Pressey, comes *Forever Charmed*, the first book in an all new series! Halloween LaVeau is descended from a long line of witches. Yes, her name is Halloween. The cosmic universe is definitely playing some kind of sick joke on her. She's the ultimate witch cliché, complete with a black cat and spooky house. Thank heavens she's missing the warts and flying broom. When Halloween inherits her great-aunt's manor, she decides to put the house to good use as a bed-and-breakfast. Her first guest is the sinfully good-looking Nicolas Marcos, but he's not here for the continental breakfast. Halloween discovers a ratty old book in the attic. It's written in an unfamiliar language. Halloween soon learns this is not an ordinary spellbook. The tome brings her a new talent, but her new skills come with a catch. When a rival witch comes after the book, Halloween doesn't know who to trust—the sexy vampire who says he wants to save the day, or the warlock who says he can destroy the book once and for all. **Murder Can Confuse Your Chihuahua** *Kensington Cozies* There's a killer in the picture . . . Celeste Cabot has a flair for painting—and a touch of paranormal talent too. She's just arrived to sell her artwork at a big craft fair in North Carolina, complete with rides, games, and deep-fried everything. But the sunny landscape takes on a darker hue when her Chihuahua, Van Gogh, leads her to the riverbank—and to a body that was definitely not part of her design. With help from a handsome fellow artist, Celeste sets out to draw the brazen killer onto her canvas. She'll need to balance the victim's past, a suspected love triangle, and a long-ago accident—and also consult with a medium and a spirit—to try to paint a murderous fiend into a corner . . . Then Ian left on a mission for the Crown, and Bethany was forced to put her heart aside. . . until one glittering night when she spies him across a crowded ballroom, and the feelings she once felt come rushing back. But she has her secrets. . . . and so does he. Sir Ian Rockwell has led a dangerous life and is now a suspect in a crime he did not commit. He never imagined the naïve girl he knew so long ago could be the beauty standing before him now, or that she would be the one who could help him prove his innocence. But in a world of glamour and intrigue, where nothing is as it seems, their perilous game of seduction soon turns into a night of sin, a night where they both discover the only thing more dangerous than passion is falling in love. **Murder Can Mess Up Your Masterpiece** *Kensington Cozies* Haunted art is in the eye of the beholder . . . Artist Celeste Cabot welcomes the chance to show her paintings at a craft fair in her hometown of Gatlinburg, Tennessee, where she and her Chihuahua, Van Gogh, can park her vintage Shasta trailer and sell her creations, too. Andrew Ranulf Blankenship is a stylish nonconformist with wry wit, a classic Mustang, and a massive library. He's also a recovering alcoholic and a practicing warlock. His house is a maze of sorcerous booby traps and escape tunnels, as yours might be if you were sitting on a treasury of Russian magic stolen from the Soviet Union thirty years ago. Andrew has long known that magic is a brutal game requiring blood sacrifice and a willingness to confront death, but years of peace and comfort have left him more concerned with maintaining false youth than with seeing to his own defense. Now a monster straight from the pages of Russian folklore is coming for him, and frost and death are coming with her. **Haunt Couture and Ghosts Galore** *Haunted Vintage Mysteries* A hot-ticket charity fashion show is the perfect chance for Cookie Chanel, proud owner of *It's Vintage Y'All*, to show off her stylistic savvy for a good cause. unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing, but her dentist is dead—and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda a man and keep her from being locked up behind bars. As if that weren't enough distraction, two gorgeous men are vying for Gladie's attention: Spencer, the playboy chief of police, and Holden, Gladie's secretive, gorgeously muscled neighbor. Still, Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult. She may have met her match—and if she's not careful, it could be her last.
