Because the Time is Near

John MacArthur Explains the Book of Revelation

Moody Publishers The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Our Sufficiency in Christ

Crossway Too many Christians have displaced their true spiritual resources with watered-down beliefs like mysticism, pragmatism, and psychology. Here is a renewed understanding of what it means to be complete in Christ.

Jesus' Pattern of Prayer

How to Survive in a World of Unbelievers

Jesus' Words of Encouragement on the Night Before His Death

Thomas Nelson How should Christians conduct themselves in an increasingly secular society? Jesus answered this troubling question on the eve of His death with some of the most poignant, powerful teaching in His entire ministry. During those hours He taught His apostles and, consequently, all believers throughout history, How To Survive in a World of Unbelievers. Respected pastor, teacher, and author John MacArthur, plumbs the depths of Jesus' final words of encouragement to us, based on John 13-16. By studying this valuable book, you will find answers to these and other difficult questions: How can you remain pure-hearted and spiritually sound in a church seemingly full of hypocrites? How do you help your children stay morally pure when they want to "fit in" with school friends who prefer objectionable activities? How can you keep your family anchored to Christ in a society that is drifting far away from His teaching on family issues, such as divorce, homosexuality and abortion? How do you retain your Christian ethics when

you boss asks you to lie or cheat? How can you keep your life focused on glorifying Christ in a society that proclaims self, pride, and personal achievement as marks of success?

The Truth about Grace

David C Cook Spiritual warfare is a divisive subject for today's church. Standing Strong offers a balanced, biblically sound approach to spiritual warfare in the life of a believer. A trusted and renowned pastor and author, MacArthur examines key scriptures to debunk modern fallacies, define true spiritual warfare, and share what that looks like for believers today. The Fulfilled Family

God's Design for Your Home

Thomas Nelson In a world of divorce, casual sex, and homosexual unions, "family"—once the bedrock of our culture—is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book. There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur's *The Gospel According to Jesus* is one of those books. Trusting God

NavPress Why is it easier to obey God than to trust Him? Because obeying God makes sense to us. In most cases, His laws appear reasonable and wise, and even when we don't want to obey them, we usually concede that they are good for us. But the circumstances we find ourselves in often defy explanation. Before long, we begin to doubt God's concern for us or His control over our lives. We ask, "Why is God allowing this?" or "What have I done wrong?" During such a time of adversity, Jerry Bridges began a thorough Bible study on the topic of God's sovereignty. What he learned changed his life, and in *Trusting God* he shares the fruit of that study. As you explore the scope of God's power over nations, nature, and even the details of your life, you'll find yourself trusting Him more completely—even when life hurts. This new edition replaces both *Trusting God* (paperback ISBN 9781600063053) and the study guide (paperback ISBN 9781600063060) by combining both resources into one volume!

The Book on Leadership

Thomas Nelson More than ever, people are talking about leadership. But much of today's discourse is advancing the same old misconceptions. In **The Book on Leadership**, best-selling author, pastor, and teacher **John MacArthur** sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership—the kind that refuses to bend to a shifting, fickle world—comes from a much deeper source. Based on the writings of one of the most effective spiritual leaders of all time—the apostle **Paul**—MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership.

The Power of Suffering

Strengthening Your Faith in the Refiner's Fire

David C Cook In today's modern world of convenience and comfort, suffering can seem senseless. This idea has even crept into the church, where many believe that if we make the right choices and do the right things, pain can be avoided. So it's little wonder that when do encounter tough situations, we face even tougher questions: Why does God allow suffering? Where is God when I'm hurting? **The Power of Suffering** takes an in-depth, honest look at the reality of pain and hurt in the life of a believer. Filled with rich Biblical truths and fresh insights, this study explores how God ultimately uses suffering for good in the lives of His children, and offers encouragement and hope for the heavy heart.

Includes a guide for both personal and group study and features discovery questions, suggestions for prayer, and activities, all designed to connect life-changing truths with everyday living.

Strange Fire

The Danger of Offending the Holy Spirit with Counterfeit Worship

Thomas Nelson What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Slave

The Hidden Truth About Your Identity in Christ

Thomas Nelson A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it’s been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It’s powerful. It’s controversial. And with new eyes you’ll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE “We have been bought

with a price. We belong to Christ. We are His own possession.” Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC
