IDEA MAN

A MEMOIR BY THE COFOUNDER OF MICROSOFT

Penguin By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

HORSE TRADING IN THE AGE OF CARS

MEN IN THE MARKETPLACE

JHU Press The trading, selling, and buying of personal transport has changed little over the past one hundred years. Whether horse trading in the early twentieth century or car buying today, haggling over prices has been the common practice of buyers and sellers alike. Horse Trading in the Age of Cars offers a fascinating study of the process of buying an automobile in a historical and gendered context. Steven M. Gelber convincingly demonstrates that the combative and frequently dishonest culture of the showroom floor is a historical artifact whose origins lie in the history of horse trading. Bartering and bargaining were the norm in this predominantly male transaction, with both buyers and sellers staking their reputations and pride on their ability to negotiate the better deal. Gelber comments on this point-of-sale behavior and what it reveals about American men. Gelber's highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century, in the process adding a colorful and interesting chapter to the history of the automobile.

THE MAN WHO PLANTED TREES

A barren region in France is brought back to life by the efforts of Elzeard Bouffier who, with great determination, plants 100 acorns everyday over thirty years

POPULAR SCIENCE**STYLE MANUAL****COMPUTER****BIT SLICES FROM A LIFE****76 MINUTES****MY SEARCH FOR ANDREW, ALEXANDER AND TANNER SKELTON**

Three young Michigan brothers disappeared in 2010. Their father says they will "hibernate until they graduate" but police believe it's a triple homicide. Eight years later, this remains one of the biggest unsolved mysteries in the United States, stretching from Michigan to Montana, and national coverage from John Walsh to Nancy Grace have yet to turn up a clue. If police are right, Andrew, Alexander and Tanner Skelton were the victims of a personal war between John Russel Skelton and his ex-wife. If they are wrong, the boys live among strangers cut off from the world and everything they had ever known. John Skelton is the only one who knows what happened and he still controls the fate of his sons. Silence is his victory. Reporter Lynn Thompson has covered this story since the day the boys disappeared. Based on what he has learned, and drawing from his newspaper and U.S. Army experience, Lynn exposes the elements of control to narrow the search, speed the recovery and bring the boys back home. Now retired, Don Allison served as author Lynn Thompson's editor at The Bryan Times as the story unfolded. "Lynn Thompson has doggedly followed the disappearance of Andrew, Alexander and Tanner Skelton since day one," Don says "It is more than just another story to Lynn - two of the missing boys are the same age as his own sons, and he has made the quest to find them a personal one. With the eye of an experienced crime reporter and the compassion of a parent, Lynn weaves a compelling insightful narrative."

SELF-INQUIRY - DAWN OF THE WITNESS AND THE END OF SUFFERING (EBOOK)**AYP Publishing** Self-Inquiry - Dawn of the Witness and the End of Suffering provides practical methods for making use of abiding inner silence (the Witness) cultivated in Deep Meditation, resulting in increased inner stability and happiness amidst the ups and downs of life. The practice of Self-Inquiry

also aids us in realizing the ultimate truth of existence - the Oneness that we are and the Unity of all that exists. With the dawn of the Witness, we develop an increasing ability to observe our thoughts as objects. As our sense of self shifts from our thoughts to the silent Witness within, the grip of suffering is ended. Yogani is the author of two landmark books on the world's most effective spiritual practices: *Advanced Yoga Practices - Easy Lessons for Ecstatic Living*, a comprehensive user-friendly textbook, and *The Secrets of Wilder*, a powerful spiritual novel. The AYP Enlightenment Series makes these profound practices available for the first time in a series of concise instruction books. *Self-Inquiry* is the seventh book in the series, preceded by *Diet*, *Shatkarmas* and *Amaroli*, *Samyama*, *Asanas*, *Mudras* and *Bandhas*, *Tantra*, *Spinal Breathing Pranayama*, and *Deep Meditation*.

UNDERSTANDING WILLIAM STAFFORD

Kitchen (English, SUNY-Brockport) views Stafford's works chronologically, identifying themes and techniques, considering his prose writings and career as a teacher, and offering a comprehensive reassessment of Stafford as a major and distinctive poet of the second half of the century. 5x7 Annotation copyrighted by Book News, Inc., Portland, OR

AUTO REPAIR FOR DUMMIES

John Wiley & Sons Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

SID SNYDER'S REMARKABLE LIFE IN GROCERIES & GOVERNMENT

BACK 4 MORE!

Itchygooney Books Don't these boys get it? How many times must they get into trouble before they catch on? Best friends William and Thomas are back at it again with even more action and adventure. The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you couldn't handle it!

U.S. GOVERNMENT PRINTING OFFICE STYLE MANUAL

AN OFFICIAL GUIDE TO THE FORM AND STYLE OF FEDERAL GOVERNMENT PRINTING

WWW.Militarybookshop.CompanyUK This, the 30th edition of the "United States Government Printing Office Style Manual," is the first revision to this authoritative style manual since 2002. The "GPO Style Manual, as it is popularly known, is issued under the authority of section 1105 of Title 44 U.S.C., which requires the Public Printer, as head of the GPO to "determine the form and style in which the printing...ordered by a department is executed...having proper regard to economy, workmanship, and the purposes for which the work is needed." The Manual is prepared by the GPO Style Board, composed of proofreading, printing, and Government documents specialists from within GPO, where all congressional publications, and many other key Federal Government documents are prepared. The first "GPO Style Manual" appeared in 1894. It was developed originally as a printer's stylebook to standardize word and type treatment and remains so today. Through successive editions, however, the "GPO Style Manual" has come to be widely recognized by writers and editors both within and outside the Federal Government as one of the most useful resources in the editorial arsenal. This new, revised version of the "GPO Style Manual" has been thoroughly redesigned to make it more modern and easier to read, and the content has been updated generally throughout in keeping with current usage.

ONLY THE DANCE

ESSAYS ON TIME AND MEMORY

An autobiographical tapestry explores the world through texts from writers as diverse as Thomas Hardy and Sylvia Plath, taking the reader to intersections of the dimensions of life--past and present, political and personal, literary and literal. UP.
