Understanding Exposure

How to Shoot Great Photographs With Any Camera

Random House LLC Now refreshed with current technologies and terms, and more than 25 percent new images and an all-new chapter, this bestselling guide shows readers how to shoot great photographs with any type of camera.

In Camera: How to Get Perfect Pictures Straight Out of the Camera

Ilex Press With amazing low-light capabilities, incredible definition, intelligent autofocus and a host of other features, digital cameras have now become so powerful that they have left their users behind. Most photographers can take competent shots in a range of conditions, or fix imperfect exposures in Photoshop or Lightroom, but very few have the skill to push their cameras to the limit and capture the perfect shot, under all conditions, with no post-processing required. In Camera is the perfect way to take your photography to that level; to master your camera, understand light, exposure and composition, and make amazing photographs, whatever your camera, without cheating after the event. One hundred of Gordon's beautiful photos are given with his own expert commentary; full settings and camera details are included, and a host of tips and tricks let photographers of any level learn something from every example. The shots are taken with a wide range of cameras, and the emphasis is on getting results by improving your own skills, not wasting money on expensive equipment.

The Political and Economic Thought of the Young Keynes

Liberalism, Markets and Empire

Routledge A century ago, John Maynard Keynes entered the Treasury to serve his country during the First World War, but as is well known, appalled by the terms of the end-of-war Treaty of Versailles, he abandoned the British delegation, outlining the predictable adverse results in the Economic Consequences of the Peace, published in 1919. Far less well known is his personal and political development that led him to be called to service even before Great Britain entered the conflict. Starting from Keynes's early political activity, Carlo Cristiano charts the stages through which Alfred Marshall's young pupil rapidly rose to be one of his country's major experts on monetary issues. The very young Liberal Imperialist was soon to become a staunch supporter of the liberal government, strongly committed to Lloyd George's 1909 'people's budget'. Moreover, the good relations he had established during his two years at the India Office of London and his growing expertise in money and finance, made him one of the few who genuinely grasped the functioning of the pre-war gold standard, and an ally of the Treasury and the Bank of England in the struggle within the City for control and management of London's gold reserves. Abandoning the stereotyped image of Keynes in his early years, so often described as a young connoisseur interested in philosophy and with little inclination

for politics, this book sees his perfect fusion of political vision and economic competence in the era of 'New Liberalism' as the true wellspring of Keynesianism.

Behind Photographs

Archiving Photographic Legends

"Behind Photographs began as the personal quest of photographer Tim Mantoani to document and preserve noted photographers together with their images. "We have come to a point in history where we are losing both photographic recording mediums and iconic photographers," Mantoani comments. "While many people are familiar with iconic photographs, the general public has no idea of who created them. This book became a means to do that, the photographer and their photograph in one image."--Publisher's website, <https://www.channelphotographics.com/behindphotographs.php>, viewed February 6, 2012.

Finding It

A Novel

Harper Collins Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.

The Science of Photomedicine

Springer Science & Business Media Although the history of photomedicine dates back thousands of years, with even preliterate cultures appreciating the healing properties of sunlight, for many workers in the discipline photomedicine is associated with the observation about 100 years ago of Niels Finsen, a Danish physician. Finsen recognized that people with tuberculosis who lived in Norway and who had very little exposure to sunlight often developed facial lesions (lupus vulgaris) which would decrease and sometimes disappear during the summer months. This very observant physician reasoned that artificial light ought to produce the same effect as sunlight and began utilizing the radiation from the newly available carbon arc. At first, he used a glass lens to concentrate the radiation, but since this produced considerable burning, he replaced this with a hollow glass lens filled with water. However, while this reduced the heat burns, it did not actually duplicate the effect of direct sunlight. Finally, using a hollow lens filled with water but equipped with quartz windows, Finsen was able to imitate, even improve upon, the effect of sunlight. As a result, lupus vulgaris was practically eliminated from the Scandinavian countries.

Writing as Freedom, Writing as Testimony

Four Italian Writers and Judaism

Judaic Traditions in Literatur In *Writing as Freedom, Writing as Testimony*, Sergio Parussa explores the relationship between Judaism and writing in the works of four twentieth-century Italian writers: Umberto Saba, Natalia Ginzburg, Giorgio Bassani, and Primo Levi. Parussa examines the different ways in which each author's work responds to Judaism and the notion of Jewish identity. With great detail, he shows how their writings reflect a change in attitude toward Judaism that occurred in Italian society between the mid-nineteenth and mid-twentieth centuries, from a perception of Jewish identity as a constraint to one's freedom to an understanding of it as a tool of intellectual freedom that can contribute to one's sense of identity. For these authors, the recovery of Judaism consists not only of telling stories with Jewish subject matter but also of the repeated act of remembering, a process by which, as Parussa puts it, "the past is salvaged from oblivion by means of its reactualization in the present." Through memory, one becomes free to affirm difference and to make Jewish traditions an integral part of Italian culture.

Greetings From Afghanistan, Send More Ammo

Dispatches from Taliban Country

Penguin "Raw, direct, and powerful...This work is vitally important."—Ken Stern, former CEO of National Public Radio As a captain in the Army National Guard, Benjamin Tupper spent a year in Afghanistan. Separated from most of his unit, Ben, along with his partner Corporal Radoslaw "Ski" Polanski, served in an Embedded Training Team, teaching, training, and leading into combat the green Afghan troops. But what they experienced went well beyond the assigned mission, and the war proved to be a mix of drudgery, absurdity, and ever-present dangers. Writing and recording from a remote outpost, Tupper began to share his stories with Americans back home. His boots-on-the-ground dispatches were broadcast on NPR's Morning Edition and published on Slate.com's military blog, The Sandbox. In *Greetings from Afghanistan: Send More Ammo*, Benjamin Tupper's chronicling of life under fire pulls the reader into the realities of war with poignancy, humor, and vivid reality, offering a unique and compelling firsthand view of the Afghan people, their culture, and a battle for survival that began long before the Americans arrived.

A Purrfect Match

Dreamspinner Press When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future—not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.

Petey (new cover)

Hyperion In 1922, at the age of two, Petey's distraught parents commit him to the state's insane asylum, unaware that their son is actually suffering from severe cerebral palsy. Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home." Through the decades, he befriends several caretakers but is heartbroken when each eventually leaves him. Determined not to be hurt again, he vows to no longer let hope of lifelong friends and family torment him. That changes after he is moved into a nursing home and meets a young teen named Trevor Ladd; he sees something in the boy and decides to risk friendship one last time. Trevor, new to town and a bit of a loner, is at first weary of the old man in the wheelchair. But after hearing more of his story, Trevor learns that there is much more to Petey than meets the eye. Petey is a touching story of friendship, discovery, and the uplifting power of the human spirit.
