Gasp [Simon and Schuster](#) After narrowly surviving two harrowing tragedies, Jules now fully understands the importance of the visions that she and people around her are experiencing, and that it is on Jules and Sawyer and their friends to once again prevent disaster. **Crash** [Simon and Schuster](#) If what you see is what you get, Jules is in serious trouble. The suspenseful first in a series from the New York Times bestselling author of the Wake trilogy. Jules lives with her family above their restaurant, which means she smells like pizza most of the time and drives their double-meatball-shaped food truck to school. It's not a recipe for popularity, but she can handle that. What she can't handle is the recurring vision that haunts her. Over and over, Jules sees a careening truck hit a building and explode...and nine body bags in the snow. The vision is everywhere—on billboards, television screens, windows—and she's the only one who sees it. And the more she sees it, the more she sees. The vision is giving her clues, and soon Jules knows what she has to do. Because now she can see the face in one of the body bags, and it's someone she knows. Someone she has been in love with for as long as she can remember. In this riveting start to a gripping series from New York Times bestselling author Lisa McMann, Jules has to act—and act fast—to keep her vision from becoming reality. **The Unwanteds** [Simon and Schuster](#) In a society that purges thirteen-year-olds who are creative, identical twins Aaron and Alex are separated, one to attend University while the other, supposedly Eliminated, finds himself in a wondrous place where youths hone their abilities and learn magic. **Dead To You** [Scholastic UK](#) Ethan was abducted when he was just seven. The second "dramatic, quick-paced thriller (Kirkus Reviews)" in a series from the New York Times bestselling author of the Wake trilogy. Jules should be happy. She saved a lot of people's lives and she's finally with Sawyer, pretty much the guy of her dreams. But the nightmare's not over, because she somehow managed to pass the psycho vision stuff to Sawyer. Excellent. Feeling responsible for what he's going through and knowing that people's lives are at stake, Jules is determined to help him figure it all out. But Sawyer's vision is so awful he can barely describe it, much less make sense of it. All he can tell her is there's a gun, and eleven ear-splitting shots. Bang. Jules and Sawyer have to work out the details fast, because the visions are getting worse and that means only one thing: time is running out. But every clue they see takes them down the wrong path. If they can't prevent the vision from happening, lives will be lost. And they may be among the casualties... **Cryer's Cross** [Simon and Schuster](#) Seventeen-year-old Kendall, who suffers from obsessive-compulsive disorder, lives with her parents on a potato farm in a tiny community in Montana, where two teenagers go missing within months of each other, with no explanation. **Visions** **Crash; Bang; Gasp** [Simon and Schuster](#) Jules lives with her family above their restaurant, which means she smells like pizza most of the time and drives their double meatball?shaped food truck to school.
