OUR FAITHFUL GOD STUDENT WORKBOOK 3RD - 4TH

ILLUMINATE BIBLE SERIES VOLUME 2

? Get to the heart. Bible study material for children often focuses only on the "whats" and "whens." It is good to learn facts about what the Bible tells us, but we think you can do more than memorize facts. It is our goal to get your mind accustomed to seeing the reasons why people do things and how God works. That is why you will find questions in this workbook that probe deeper than simple facts. We aim to help you focus on meaningful issues. In short, we want God's Word to speak to your heart and help you follow Jesus every day.? Color-coded questions. Each daily lesson has several questions to be answered. You will notice that the days have specific colors. Use the Discovery Guide and your Bible to find the answers to the questions.? Active hands, engaged minds. The daily lessons you will learn in this book are valuable and worth remembering. A great way to ensure that they are remembered is to give you something to do or create that relates to the truth you have learned. Days 2 and 5 in this workbook offer craft and activity ideas that are meant to keep the lesson in your memory for years to come. They are simple enough to be done with household supplies. In most cases, the activity for every workbook is the same. If you have brothers, sisters, or other students learning with you, you can all do the activities together! Ready for anything! Each Bible lesson is a building block. As one-by-one they are set in place, they provide an increasingly effective defense against the stealthy attacks of our enemy. As you work through the questions and activities in this workbook, you will find yourself prepared to joyfully follow the Lord and meet the challenges of life.This Student Workbook is part of the Illuminate Bible Series. Some scriptural truths seem simple on the surface, and yet the deeper you explore, the more spiritual riches are brought to light.

Many of the answers will contain Bible references. The book Deep Foundations will help every reader to see the historic context and proper interpretations to understand the biblical answers to the important questions found in the Workbook.

JESUS' WORDS FOR TEENS--STANDING TALL

TEEN WORKBOOK

Dtj Press Are you a teen who's ever questioned the strength of your faith? Have you wondered about following without question authority figures such as government officials, teachers, or even pastors who may be hypocritical or even blindly leading others? What about marriage and divorce? Does God's Word differ from today's definition of these, and if so, how and why? Have you ever been faced with any of the above or with personal or governmental persecution? All of these are huge issues today that need to be examined in relation to Scripture to discover how God wants you to live. After eight to fifteen weeks of digging in, you will know what God says, but what really matters is answering the question, "Will I live in obedience to God's Word because I love Him, have a deep heart relationship with Him, and want to glorify and please Him always?" Can I say, "I trust You with all I am, Father, and no matter what life brings, I will follow You because I believe in Your Word, Your Son Jesus Christ as my Savior, and in the power of the Holy Spirit." The answers to all these require standing tall, and this is the journey on which Jesus' Words for Teens--Standing Tall will take you.

GRACE

A WORKBOOK

Covenant Books, Inc. Grace. We use the word often. We "say grace" before meals. "There but for the Grace of God go I." But do we know what it is? Do we fully understand the many dimensions of how Grace works? For many, the answer is "not really." Hence, Grace: A Workbook. Dr. Clark brilliantly incorporates the theology of Grace with the psychology of every day experiences, always focusing on the core of the Gospel. Grace: A Workbook is an invaluable tool to help us become the dynamic people that God has planned for us to be. It is a one-of-a-kind workbook written with a deep passion for

the excitement of God's love and Grace. At the end, readers will come out with a fresh sense of Grace, as well as a fresh look at themselves and what we can become through the power of Grace. The goals of *Grace: A Workbook*, - To gain an in-depth understanding of Grace in an easy-to-read, easy-to-understand interactive format: This Workbook came about as a result of teaching for a year on Grace in her adult Sunday school class. In preparation, she read many excellent books about Grace. However, she realized that many people, because of their life experiences, may have confusion and/or uncertainty about how to incorporate Grace into their daily lives. Thus, these "lessons" were conceived. Each week in her class, as the lessons challenged the students to comprehend the power of God's love and Grace, they left feeling uplifted and excited to live their lives with a deeper faith and purpose in their Christian walk. *Grace: A Workbook* is interactive. It can have great benefit for someone to use individually, or, even more so, in a group setting. "Dr. Mary Clark knows from her personal journey, as well as from her vast clinical experience, how damaging it is to live under a veil of shame, law, and fear of punishment. Unfortunately, all too often, that is the crippling message conveyed by the church. *Grace-A Workbook* is a fragrant and thoroughly practical breath of fresh theological air, reconnecting us to the true heart of our gracious Father and his radically loving Son! Dr. Clark brings us not only the "grace insights" of a veteran Bible student but also compellingly addresses how grace can heal our brokenness, past and present. Thank you, Mary, for lifting up God's spectacular, unbelievable, life-giving unmerited favor!" -J. Kevin Butcher, Pastor, Author, *Choose and Choose Again: the Brave Act of Returning to God's Love* (Navpress, 2016)

STUDENT WORKBOOK FOR AN EASY DIG THRU 39 ANCIENT SITES

Xulon Press Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College-High School in Portland, Oregon in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington in 1969, and B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961 while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't do it again or recommend it, saying "It was chronologically distracting." Otto has taught many Sunday School classes to both teenagers and adults. This work emerged out of those life experiences. The more Otto read the scripture the more he became excited about what he "discovered." It was quite a surprise to him to learn so many believers had never read the whole Bible through once. Filled with a hunger to encourage others to read and find the "gems" he found in the Scripture, in 1985 he wrote and taught this Bible Study with a twist. The emphasis is on "discovering the gems," not theology or doctrine. It is fast paced, fun, and simple. Its primary purpose; to encourage believers to apply Romans 10:17, "faith comes by hearing and hearing by the Word of God."

LIVING IN THE EXCELLENCE OF JESUS

Urban Ministries Inc The leader's guide is designed to be a helpful tool to assist adult Bible study group leaders in conducting stimulating discussions that will encourage students to become the dynamic spirit-filled witnesses for God that He is calling for them to be. Through the presentation of true-to-life as well as Bible stories, students will be taught how to apply biblical principles to everyday living.

STUDENT ACTIVITY WORKBOOK FOR BREAKTHROUGH! THE BIBLE FOR YOUNG CATHOLICS

GETTING TO KNOW JESUS

Saint Mary's Press Getting to Know Jesus student activity workbook contains fourteen worksheets that explore the life of Jesus and his teachings. Each worksheet contains a creative learning activity on one side that requires reading from the Gospels to complete. The worksheet's other side contains additional background information, reading suggestions, and reflection questions.

THE DISCIPLER

Tate Publishing & Enterprises Becoming a follower of Jesus Christ is much more than simply responding to an "altar call," praying the sinners' prayer to be "saved," or even joining an assembly. Christian Discipleship is the God-ordained method of learning and living the truths Jesus taught. Those tenets include believing the gospel of the kingdom, repentance and baptism, the Lordship of Christ, and the indwelling of the Holy Spirit, spiritual gifts, stewardship, and the joy of discipling others. All these concepts are introduced and carefully explained in the Discipler-An Introduction to a Life of Following Jesus. Are you a new believer, a long-time church member, or a leader feeling the need to fully grasp what it means to be a disciple of Jesus Christ? Well, you can in twelve units of concise, interactive studies of the primary doctrines of the faith in the Discipler-An Introduction to a Life of Following Jesus. Christian Discipleship is a distinct transformative process that significantly alters the life of a believer helping him/her to grow from doubt and fear to courage and faith from being an initiate to discipling others. Yet too many churches lack a decisive program designed to mature their members in their faith. The Discipler answers this need, introducing believers to their lifelong journey of following Jesus with concise, easy to understand language free from denominational dogmas but filled with the fundamentals of the faith.

DEEP FOUNDATIONS WORKBOOK

STUDENT EDITION

The Workbook for Deep Foundations has two editions, one for teachers and one for students. The student edition will have 435 thought provoking questions that can be answered on a separate paper and or discussed in class.The Teachers Edition of the Workbook for Deep Foundations will have the questions as well as the answers. Most of the answers are found in the Bible. Many of the answers will contain Bible references. The book Deep Foundations will help every reader to see the historic context and proper interpretations to understand the biblical answers to the important questions found in the Workbook. Here is an example answer to a question found in Psalm 11:3 of the Bible? If the foundations be destroyed, what can the righteous do? We need to trust and apply God's Word. God's Word is the foundation that cannot be destroyed (1 Peter 1:23-25). If we build on any other foundation than God's Word then it will be shaken and destroyed (1 Corinthians 3:11-15). To establish an indestructible foundation to support a blessed life we need knowledge of God's Word and then we need to build on that foundation (Luke 6:47-48). The importance of knowledge is mentioned 7 times in the 3 short chapters of 2 Peter.Deep Foundations helps us to envision, opportunities and challenges as well as take a closer look at our past traditions and assumptions in the light of our ultimate authority, the Word of God.

STUDENT ACTIVITY WORKBOOK FOR BREAKTHROUGH! THE BIBLE FOR YOUNG CATHOLICS

AN INTRODUCTION TO PEOPLE OF FAITH

Saint Mary's Press The student workbook covers the same people as the teaching activities manual. Each biblical figure has a puzzle for the young person to work with that guarantees that they have the basics of the story down, encouraging them to read about each person. A second page has a short

introduction to the character that explains their place in salvation history. This page also contains reflection questions for the young people to consider as they make connections between this biblical figure and their own lives.

ONE STEP TO JESUS STUDENT WORKBOOK

VICTORY OVER SIN

One Step to Jesus is a Bible study for those who struggle with bad habits like substance abuse, anger, depression, eating disorders, gambling, pornography, and other addictive behaviors. It is simplistic. The curriculum will ask questions about sin and instruct you to read the Bible to find the answer. This book leaves space to jot down the Scripture. The lessons have a logical sequence that builds upon one another: Chapter 1 introduces repentance and forgiveness. Here we learn that spiritual birth is necessary for victory. Chapter 2 presents a plan of initial restoration with God and with others. We learn if we do not have the right relationship with God, we will not have a right relationship with people. This is a new way of thinking. Chapter 3 exposes sin so we can recognize it. We learn why accountability and a daily devotional life are essential in making good choices and sidestepping the wrong ones. Chapter 4 teaches obedience to God's Word. This chapter reveals our faith by being a doer of the Bible. Chapter 5 is all about spiritual warfare. Now that we are a part of God's family, as His children, we will always have an enemy that is against us. This chapter teaches us how to gain victory in and through Jesus. Chapter 6 compares the works of the flesh with the fruit of the Spirit. Even though it is the longest chapter, it's important to understand what each spiritual characteristic is to overcome our old way of living. Chapter 7 concludes with God's Faithfulness. If we have faith in God, then we can be assured that His faith will deliver us from temptation. We can trust God as being sovereign over all things. Also included: Understanding Addiction, Warning Signs of Addiction, and Is Using Marijuana a Sin? Jesus made this amazing statement. "Therefore if the Son makes you free, you shall be free indeed" (John 8:36). Jesus will free us from life-dominating sin. We don't have to manage it. We can be set free. When we receive Jesus as our Lord and Savior, we're inviting Him to rule our lives. We now have a relationship where God comes and lives inside of us and changes us from the inside out. We accept that addictive and compulsive behaviors are sinful and wrong. James 4:8 says, "Draw near to God and He will draw near to you." When you take one step to Jesus, His step toward you makes victory possible.

HE SHALL CRUSH HIS HEAD STUDENT WORKBOOK

OLD TESTAMENT

The Story Of Your Life starts in Genesis, continues past Jesus, past your breakfast this morning, and goes on to the day when heaven comes to earth in the New Jerusalem. And then it really takes off. Who are we? What is our purpose? In the biblical Story, God answers these questions and more. Learn how our people struggled against the kingdom of darkness, clinging to an impossible promise that one day, a Redeemer would come and set everything right. Hear the stories. Sing the songs. Meditate on the laws and the proverbs. Anticipate with them, and then follow Jesus as He fulfills all that a human being was meant to be. Marvel at His miracles, struggle with His parables, learn to live His teachings. Go to the cross, where Jesus took every weakness, every sin, every sorrow, and even death into Himself. When He died, they died too, and He raised us all to new life-resurrection life for the

whole world. When He returns, a new day dawns on the whole creation. We live in between. The darkness is passing away, and the true light is already shining. Learn to navigate the in-between times with wisdom and grace, to be an agent of God's blessing to those around you, to see His hand at work in the world, to hear His voice, and to live in light of the biblical Story. Your Story. The only Story.
