### He Found Me

*CreateSpace* **\*\*Please note: this novel contains mature subject matter and is not suitable for those under eighteen years of age.\*\*** When I was seventeen, I disappeared. I walked out the door of my apartment with a backpack and never looked back. I left the life of Cora Mitchell behind, seeking freedom from my real-life nightmare. But my freedom came with a cost. I lived a fictitious life for the next six years, never letting anyone close enough to see underneath the façade that was Andra Walker. I was content with my simple little life. Until I met Julian. And the moment I started allowing myself to open up, allowing someone to see through the superficial, was the very same moment the Monster from my past would return to find me.

### He Saved Me

Julian! I've come to understand that I'll always find her. She's my north star, my sense of direction. In her, I've found my home. She tells me I saved her. But the truth is, she saved me. But nothing good can ever last. Andra's keeping secrets. She's holding something back. I'm trying, desperately, to anchor her. To let me in, to let me help. But will all my efforts end up with a ghost of a girl I love? Andra! I'm used to disappearing. Vanishing into thin air, without a trace of who I've been or where I've gone. But it's so much harder to do with a broken heart and no hope for a happy ending. Sometimes the only people who can put all the pieces of us back together are the ones we least expect to. That's what Julian did for me. Julian found me. But now, all Six wants is to keep me locked up, away from the world, away from the Monster. I can't live like that. It's not living at all. Because I still have unfinished business. And I'm going to make sure the Monster gets what's coming to him.

### The Weight of Life

*Createspace Independent Publishing Platform* Mila "Don't let go." Those were my first words to him, as I hung over the side of a London bridge. The words I would soon say again, in a moment that didn't involve bridges, but something much more fragile: my heart. He held onto me for three weeks, in a time when I needed to be held. Needed to connect to someone who understood how loss tunneled unrepentantly through the fabric of your soul. Although he said he'd stay, we both knew he wouldn't. I had already survived one loss-I didn't know if I'd survive another. Ames She spun into my life like a tornado of smiles and chatter and everything else I'd long avoided, with a persistence that I admired, albeit begrudgingly. She broke down each neat wall I'd constructed without even trying. Her presence alone caused me to remember what it felt like to smile, to look forward to what the day would bring. But it was only supposed to last three weeks. "Don't let go," she'd pleaded. I'd promised her I wouldn't-but I would. I didn't have a choice.

### One Little Dare

Truth or dare? I always choose a dare. And no matter the dare, I always follow through. Even if it means walking down a busy street in my bathrobe and hair curlers. Or recreating that iconic When Harry Met Sally deli scene while on a crowded subway. Or hitting on a handsome stranger in a bar. And then ... marrying that stranger. While in Vegas. But the one thing I'm not supposed to do is fall in love with this man. That wasn't part of the dare. Only my heart never got that memo.

## The Sounds of Secrets

*Createspace Independent Publishing Platform* I've been in love with him forever. But to him, I've always been off-limits. Until the night that changed everything. Maybe it was the alcohol. Maybe it was the secrets we shared. Maybe he finally opened his eyes and saw me. By the time the sun rose, I'd lost him again, my heart shattering on his parting words: "It was a mistake." So I ran. Ran until I was thousands of miles away, in a country I didn't know, surrounded by people who only made me miss him more. I never expected him to follow me ... or to pry more secrets from my soul. In exchange, he gave me more of his secrets too. The more he let me into his heart, the more I loved him, but I'm afraid that some secrets may be too big to overcome.

## Bitter Sweet Love

*R.C. Stephens*

## Stupid by Choice

A novel about the adventures and regrets of a Texas Oil Princess's quest for finding love... Melanie St. John is a beautiful, smart, rich Texan daddy's girl born to a bold, high-powered lawyer in the oil business who helps Melanie grow into someone who is both worldly and capable. But once she leaves college and enters the privileged world of dating highly sought-after "men of leisure," she is catapulted in and out of the wealthiest places on the globe while hoping to get married and start a family with one of them. But these mostly destructive love affairs soon become a dynamic exploration of wealth and love, with all the highs and lows. And to complicate matters she is surrounded by her older, free-wheeling, wildcat sister (and her sister's exotic but destructive best friend) as well as her own two completely opposite best friends, and each of them also hopes to find their own Prince Charming-which all only adds to the competition, adventures, and scandals. But throughout each relationship Melanie explores the deeper, more prevalent themes of family, friendship, love, intimacy, freedom, betrayal, motherhood, and most of all, inner strength. Have a book club? Stupid By Choice would be a great topic of discussion about love, family, and relationships! You could even have a themed "T.O.P. Champagne Party" (that's short for "Texas Oil Princess Champagne Party") for it. Visit [StupidByChoice.net](http://StupidByChoice.net) for menu suggestions and recipes... Have fun!

## Six Feet Under

*Createspace Independent Publishing Platform* Six wasn't the hero I needed. But he was the man I wanted. And it was my selfish craving, the desire to own him, that would be our undoing. No one tells you that love is a disease. An infection that tears your heart apart, leaving you half the person you were before. A malady that leaves open wounds. An invisible disorder tracing scars in the places you couldn't see if you weren't looking for them. I was sick, but love didn't heal me. Instead, it festered in my marrow, and drove me to unforgivable mistakes. Six was my first mistake, but he wouldn't be the last.

## Pretty Pink Ribbons

Laney Jacobs moves back home to tell the man she loves (and broke his heart) how much he means to her before it's too late.

## Heart and Seoul

*Penguin* One woman learns that the price of belonging is often steeper than expected in this heart-wrenching yet hopeful romantic novel and first in the Seoul duology by USA Today bestselling author Jen Frederick. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her family—not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat's new wife and new "real" son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love—a forbidden love that will either welcome Hara home...or destroy her chance of finding one.

## On the Way to You

*Createspace Independent Publishing Platform* What makes you happy? That was the question Emery Reed asked me the day we met, and I couldn't give him a single answer. I could have said my dog, or my books, or yoga - but I just stared. And then, I got in his car. It was crazy to take a road trip with a stranger, but after years of standing still, he was my one-way ticket to a new life, and I wasn't going to miss it. We shared the same space, the same car, the same hotel room - and still, we were strangers. One day we'd be laughing, the next, we wouldn't speak. Emery was surrounded by

impenetrable walls, but I wanted in. Discovering his journal changed everything. I read his thoughts, words not meant for anyone's eyes, and the more I learned about him, the harder I fell. It turned out nothing made Emery Reed happy, and I wanted to change that. I earned his trust by violating his privacy, and as wrong as it was, it worked - until one entry revealed a darkness I never knew existed, a timer I never knew was ticking. Suddenly, what made me happy was saving Emery from himself. I just didn't know if I could.

## Like You Love Me

*Montlake Romance* Two childhood friends are playing house--and maybe playing for keeps--in USA Today bestselling author Adriana Locke's funny, sexy, and unpredictable marriage-of-convenience romance. To save her Tennessee bed-and-breakfast, Sophie Bates needs a fast-cash miracle. Holden McKenzie, her childhood best friend, needs to prove to a prospective employer that he's a committed man. Their fortunes on the line, Holden proposes...a solution. He'll take care of Sophie's bills if she agrees to a temporary marriage of convenience. And why not? They're comfortable together, they have fun, and they trust each other. It's as simple as saying "I do." But the off-the-cuff wedding has all of Honey Creek talking--and Sophie and Holden realizing that their perfect arrangement is working too well. If they're not careful, this marriage could turn into a love story.

## The Cad and the Co-Ed

## Secret Baby Sports Romance

*Cipher-Naught* Keeping a secret this big is going to take lots of balls. Specifically, rugby balls. THE CAD Bryan Leech is a cad. Or, he *was* a cad. No one is quite certain. Once the quintessential playboy, Bryan claims he's done with wild parties and weekend benders. No more one night stands leading to mornings he can't remember; no more binges and blackouts; no more exploits plastered all over the tabloids and rag sheets. According to Bryan, he's cleaning up his act.

The only problem is, no one believes him. THE CO-ED Eilish Cassidy never thought she'd be a mother at nineteen or still in college at twenty-four. Cut off from every member of her family except her favorite cousin, she's finally managed put her life back together. Stronger and wiser, Eilish enters her last semester of university determined to stand on her own. Now she just needs to find an internship. The only problem is, her best option—by far—places her directly in the path of her son's father, and he doesn't remember her at all. THE PLAN Bryan is determined to prove he's changed. Eager to settle down with the right woman, he's got his sights set on the gorgeous redhead who seems terribly familiar. Eilish is determined to hide her secret. She'll do anything to keep her child safe, even if that means ignoring her own wishes and desires. But what happens when Bryan starts to remember? And what will it take for Bryan to convince the girl he forgot that she's unforgettable?

## Cocktales

### Punk 57

*Createspace Independent Publishing Platform* From *New York Times* Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

# Goodbye Unicorns

## Based on a True Story.

*Createspace Independent Publishing Platform* "Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?

## Climate Change 1992

*Cambridge University Press* An essential reference and companion to the 1990 IPCC Report on Climate Change.

## The Checklist

*Montlake Romance* In an energetic debut novel about personal and professional chaos, author Addie Woolridge introduces a multicultural cast whose exploits are redefining the modern rom-com. Killing it at work? Check. Gorgeous boyfriend? Check. Ambitions derailed by an insecure boss? Sigh--check. Things were going a little too well for Dylan Delacroix. After upstaging her boss on a big account, she gets dispatched to the last place she wants to be: her hometown, Seattle. There, she must use her superstar corporate-consulting skills to curb the worst impulses of an impossibly eccentric tech CEO--if she doesn't, she's fired. The fun doesn't stop there: Dylan must also negotiate a ceasefire in the endless war between her bohemian parents and the straitlaced neighbors. Adding to the chaos is a wilting relationship with her boyfriend and a blossoming attraction to the neighbors' smoking-hot son. Suddenly Dylan has a million checklists, each a mile long. As personal and professional pressures mount, she finds it harder and harder to stay on track. Having always relied on her ability to manage the world around her, Dylan's going to need a new plan. She may be down, but she's definitely not out.

## Ever After Always

Buckle up for an emotional journey of hijinks, heartache, and a hot slow-burn in this marriage-in-crisis romance about going the distance to make love last. Aiden I've spent twelve years loving Freya Bergman and twelve lifetimes won't be enough to give her everything she deserves. She's my passionate, tender-hearted wife, my best friend, and all I want is to make her happy. But the one thing that will make her happiest is the one thing I'm not sure I can give her: a baby. With the pressure of providing and planning for a family, my anxiety's at an all-time high, and I find myself pulling away, terrified to tell my wife how I'm struggling. But when Freya kicks me out, I realize that pulling back has turned into pushing too far. Now it's the fight of a lifetime to save our marriage. Freya I love my cautious, hard-working husband. He's my partner and best friend, the person I know I can count on most. Until one day I realize the man I married is nowhere to be found. Now Aiden is quiet and withdrawn, and as the months wear on, the pain of our growing distance becomes too much. As if weathering marriage counseling wasn't enough, we're thrown together for an island getaway to celebrate my parents' many years of perfect marriage while ours is on the brink of collapse. Despite my meddling siblings and a week in each other's constant company, this trip somehow gets us working through the trouble in paradise. I just can't help worrying, when we leave paradise and return to the real world, will trouble find us again? Ever After Always is a marriage-in-crisis, opposites-attract romance about a sensitive, fierce-loving woman and her resilient husband who has anxiety disorder. Complete with island vacation antics, a sibling prank gone wrong, and a steamy slow burn, this standalone is the third in a series of novels about a Swedish-American family of five brothers, two sisters, and their wild adventures as they each find happily ever after.

## Bastards and Angels

*Createspace Independent Publishing Platform* I'm a bastard and she is the angel who loves me. Wanting her was never part of the plan. She came into my life when I needed to be saved. She saved me from a loveless marriage and myself. She doesn't know how much she's changed my life in a few years, but I owe her everything. They say you can't change a whore into a housewife, but to me she was never a whore. She was my escape, the one good thing in my life. We are like oil and water. We fight, we fuck, and we make up. She tells me I'm a bastard and she's right, I am. I don't disagree. She knows exactly the type of man I am. I will go to hell and back to protect what's mine, and she is mine. She may not realize it yet, but I'm not letting her go. Your past is never really gone. Trust me I learned the hard way. My past wanted all of me and I wasn't ready to give up yet. Fighting for her and my family is the only thing that I am good at, and I won't back down.

## All about the D

Temptation has never come in a hotter package. You know how people say you can never believe what you read on the interwebs? That a hot guy online is probably a creeper with a beer gut and a shoe fetish, not the sexy beast he pretends to be? So I had no clue that the anonymous blogger who contacted my law firm about his naughty website would be droolworthy in real life. Not that I'm interested in him in that way. Attorneys can't go around sleeping with their clients. Not even if he is the most beautiful man I've ever met and so ridiculously smart he makes my nerdy-girl heart sigh. Besides, he has too much on the line to risk taking a chance on the insane chemistry building between us. We both do. I've always followed the rules. Too bad he makes me want to break each and every one of them.

## Violent Triumphs

*Jessica Hawkins* The “heartstopping” conclusion to the USA Today bestselling White Monarch series. I’ve become a queen to the forsaken, a leader to thieves, and the wife of a man who instills fear in all who cross his path. He was the husband I didn’t want. Now, I can’t fathom life without my king. I should’ve been ready for anything. Like the caterpillar that feeds on poison during metamorphosis, I was raised in the dangerous world of cartel crime. But nothing could’ve prepared me for Cristiano de la Rosa, his brother’s poison, or the Calavera cartel. This is still a story about a love strong enough to topple households, unite enemies, and divide brothers. Resilient enough to bring down those who would try to destroy it . . . and selfless enough to make the ultimate sacrifice. But I was warned, and so were you. Death’s day always comes. This time, it will find what was once a caterpillar is now a butterfly—and hell hath no fury like the White Monarch.

Now a successful co-owner in a local pet grooming business, she’s made a life for herself in this idyllic community, and has real friends. Thanks to her past, the only thing she hasn’t mastered yet is a real relationship. And when circumstances lead her to finally let her guard down with sexy Mac Collins, he completely ghosts her. Her first instinct is to close herself off again, but she decides to confront him instead—and that fateful decision puts her directly in the crosshairs of a killer. Others can destroy you... Mac has wanted Adeline since the moment they met, but she made it clear that she didn’t want a relationship. So he kept his distance. When they’re trapped together in a remote cabin, things change between them. But Mac’s past has come back to haunt him, so he pushes her away to protect her. Unfortunately, it’s already too late. Adeline is now a target too. To save her, Mac has no choice except to end the threat. Only then can he try to win over the woman he can’t live without. But winning over the feisty Adeline might prove to be harder than stopping a killer. Verona Bay Series: Dark Memento, #1 Deadly Past, #2 Silent Protector, #3 Author note: All books in the Verona Bay series may be read as stand-alones.

## Crowne of Lies

### A Marriage of Convenience Romance

Logan Crowne needs one year from Ella. Twelve months living in his house, holding his hand, wearing his ring on her finger, and in exchange, she'll get her father's company in the divorce settlement. They have one year to convince his skeptical parents that they're happily in love, and he's settled enough to run Crowne Industries. Ella wants the company badly enough to live with a man who will never love her. She'll sleep in his room and kiss him for show. Her heart may melt whenever he's around, and his touch may ignite a fire inside her, but surrender will break her heart. She's sure she can last a year without giving him her body. She's wrong.

### Broken Silence

*CreateSpace* It has been four years since Oakley, her mum, and brother fled to Australia. With the trials looming, she makes the decision to return to England. Oakley is desperate for closure so she can put the past behind her and move on with her life. How will she cope when she comes face to face with the two people that hurt her the most, and the one person that she hurt the most? Her love for Cole never faded, but how will he react to her return after so long? Will they be able to put everything behind them in order to have a happy ending?

### The Girl in the Painting

Ansel Bray, an artist known around the world for his tragic hiatus from the canvas. Ansel Bray, a broody, handsome man not known by me, at all. Long dark hair, blue eyes, and dimpled cheeks. I've never met her, but her image is imprinted in my mind. An angel muse who inspires me to paint again. There is something about him. Something that spurs a need to be as close to him as possible. A need to find out why. There is something about her. Something that draws me in. Something that urges me to find out what her presence means. Why does the girl in his painting look so much like me? Who is this girl, and why can I see her so vividly? I shouldn't fall in love with him. I shouldn't fall in love at all. But fate plays her hand. But fate has other plans. The lines of my life will blur. The needs of my heart will change. What a beautiful mess we've made.

### Hooked

### A Love Story of Criminal Proportions

X and I were probably doomed from the start. That's what happens when you meet in court-mandated group therapy and then try to steal from him to pay off your blackmailing drug dealer. Former drug dealer, thank you very much. I'm turning over a new leaf and all that. Which is why I should leave him alone. Except he tempts me to do things I swore I'd stop doing. It's that whole gruff, grumbly, anti-social thing he has going on. Him, flame. Me, moth. Something about him calls to me, makes the blood hum in my body. And I don't want that feeling to end. Lucy Connors is straight-up insane. She looks like a Disney princess and tries my patience in more ways than I thought possible. Besides the fact that I have to save her cute little ass from jail, I can't quite figure out how to leave her alone. Even when she's trying her hand at *Breaking and Entering*. Especially when it's my house she's burglarizing. Yeah, we were probably doomed from the start. But that's the thing about being hooked on something so good, and so bad for you—you don't walk away when you should.

### The Greatest Risk

*St. Martin's Griffin* A woman unable to connect, struggling to hide another part of her. A man burning to learn her truth, and make her whole. Through explosive passion and deep exploration, they are about to take the greatest risk of all. But will they be able to take that leap, and come out on the other side together? In this next passionate novel in the Honey series, New York Times bestselling author Kristen Ashley delivers a stunningly romantic and intensely sexy novel that will stay with you long after you turn the final page.

### The Truth of Tristan Lyons

Heartbreaker. I understand why I have the nickname. What can I say? I like women. All women. It doesn't matter what shape, size, or color. I'm even into sharing. I've done it all, seen it all, but I'm at an all-time low. Who wouldn't be? My best friend is missing. My uncle's an asshole. I don't know who I am without *The Nights*. And everyone in the band is falling for the oldest trap: love. Love is a lie. It's painful. It hurts. I need a break. I want to be alone, so I'm not prepared for her. She tells me to call her Ireland. I tell her I'm Tristan. I don't want to believe she doesn't recognize me. Bass guitarist for *The Nights*, come on? After a while, we both play the game. Too soon, our fantasy will crash to reality. Secrets catch up to you. The truth lives to be told. It confirms what I already know: Love is a lie. Until her.

## The Good Lie

*Thomas & Mercer* **Six teens murdered. A suspect behind bars. A desperate father. In a case this shadowy, the truth is easy to hide. Psychiatrist Dr. Gwen Moore is an expert on killers. She's spent a decade treating California's most depraved predators and unlocking their motives--predators much like the notorious Bloody Heart serial killer, whose latest teenage victim escaped and then identified local high school teacher Randall Thompson as his captor. The case against Thompson as the Bloody Heart Killer is damning--and closed, as far as Gwen and the media are concerned. If not for one new development... Defense attorney Robert Kavin is a still-traumatized father whose own son fell prey to the BH Killer. Convinced of Thompson's innocence, he steps in to represent him. Now Robert wants Gwen to interview the accused, create a psych profile of the killer and his victims, and help clear his client's name. As Gwen and Robert grow closer and she dives deeper into the investigation, grave questions arise. So does Gwen's suspicion that Robert is hiding something--and that he might not be the only one with a secret.**

## Until Tomorrow Comes

## A Dark Mafia Romance

*Independently Published* **Rafael I came for war. I left with an obsession. With one look, Isa captivated me. She consumed me, drawing me into her world without ever knowing the dangers of mine. I intend to make her mine, no matter what lies I need to tell to manipulate her into falling in love with El Diablo. It should be simple enough, but secrets lurk in the depths of her multicolored eyes, and I'll do anything to understand what broke her before I had the chance. Because she's mine to break. Isa Rafael Ibarra tore through my life like a raging inferno. Consuming every part of me he touches, he promises to show me passion and the real Ibiza. Though our tryst can never be anything but temporary, I never want to leave the man who makes me wish things were different. But there's a nightmare hiding within his multicolored gaze, a phantom rattling at the cages who wants to devour me, to take me and claim me as his. He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets...I will never tell him my own.
