## New Headway: Beginner: Workbook (without Key)

OUP Oxford **New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.**

## American Oxford Primary Skills: 5: Skills Book

OUP Oxford Oxford Primary Skills gives you extra support teaching reading and writing skills in the classroom. The topics and order of the units have been specially designed to complement what your students are learning in language lessons, making it the perfect partner for your current course book. The wide variety of entertaining and 'real' text types such as websites and magazine articles ensures you get material students will want to read. The interesting content motivates students to develop essential skills such as reading for detail and reading for gist, and each reading comprehension is thoroughly supported with a pre and post reading activity. The writing tasks give students the opportunity to write about themselves. This increases their confidence and enthusiasm to write. Each task is carefully designed so students receive the right amount of support and challenge to improve their writing skills. The model text helps students to structure their writing, and the pre-writing exercise enables them to practice punctuation, syntax and text structuring. Vocabulary exercises give students the chance to practice the new words they have learnt alongside familiar vocabulary items from their

course book.
