HEAT LIGHTNING - BOOK 2 - VIRGIL FLOWERS

Homicide Detective Virgil Flowers doesn't think much can surprise him anymore. He's wrong. It's a hot, humid summer night in Minnesota, and Flowers is in bed with one of his ex-wives when the phone rings. It's Lucas Davenport. There's a body in Stillwater, two shots

to the head, found near a veterans' memorial. And the victim has a lemon in his mouth. Exactly like the body they found last week. The more Flowers works the murders, the more convinced he is that someone's keeping a list - and that list could have a lot more names on it. If he could only find out what connects them all ... But when he does start to piece the clues together, he discovers that this case leads down a lot more trails than he thought it did - and every one of them is booby-trapped.

BLOODY GENIUS

Penguin Virgil Flowers will have to watch his back--and his mouth--as he investigates a college culture war turned deadly in another one of Sandford's "madly entertaining Virgil Flowers mysteries" (New York Times Book Review). At the local state university, two feuding departments have faced off on the battleground of science and medicine. Each carries their views to extremes that may seem absurd, but highly educated people of sound mind and good intentions can reasonably disagree, right? Then a renowned and confrontational scholar winds up dead, and Virgil Flowers is brought in to investigate . . . and as he probes the recent ideological unrest, he soon comes to realize he's dealing with people who, on this one particular issue, are functionally crazy. Among this group of wildly impassioned, diametrically opposed zealots lurks a killer, and it will be up to Virgil to sort the murderer from the mere maniacs.

ESCAPE CLAUSE

Penguin Whenever you hear the sky rumble, that usually means a storm. In Virgil Flowers' case, make that two. The exceptional new thriller from the writer whose books are "pure reading pleasure" (Booklist). The first storm comes from, of all places, the Minnesota zoo. Two large, and very rare, Amur tigers have vanished from their cage, and authorities are worried sick that they've been stolen for their body parts. Traditional Chinese medicine prizes those parts for home remedies, and people will do extreme things to get what they need. Some of them are a great deal more extreme than others--as Virgil is about to find out. Then there's the homefront. Virgil's relationship with his girlfriend Frankie has been getting kind of serious, but when Frankie's sister Sparkle moves in for the summer, the situation gets a lot more complicated. For one thing, her research into migrant workers is about to bring her up against some very violent people who emphatically do not want to be researched. For another...she thinks Virgil's kind of cute. "You mess around with Sparkle," Frankie told Virgil, "you could get yourself stabbed." "She carries a knife?" "No, but I do." Forget a storm--this one's a tornado.

STORM FRONT

Penguin #1 New York Times Bestseller An ancient relic is unearthed during an archaeological dig. A Minnesota college professor is keeping a secret that could change the world's history as we know it. For Virgil Flowers, the link between the two is inescapable--and his investigation, more dangerous and far-reaching than he can possibly imagine.

DEADLINE

Simon and Schuster From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. "Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' "They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. "'It's unanimous,' Barns said." In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the meeting will be closed, due to personnel issues. "Issues" is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim is a local reporter...

OCEAN PREY

Penguin Fan-favorite heroes Lucas Davenport and Virgil Flowers join forces on a deadly maritime case in the remarkable new novel from #1 New York Times bestselling author John Sandford. An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behavior from a nearby boat. It's a snazzy craft, slick and outfitted with extra horsepower, and is zipping along until it slows to pick up a surfaced diver . . . a diver who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense unless there's something hinky going on, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They're federal officers killed on the job, which means the case is the FBI's turf. When the FBI's investigation stalls out, they call in Lucas Davenport. And when his case turns lethal, Davenport will need to bring in every asset he can claim, including a detective with a fundamentally criminal mind: Virgil Flowers.

HOLY GHOST

Penguin A #1 New York Times Bestseller Virgil Flowers investigates a miracle--and a murder--in the wickedly entertaining new thriller from the master of "pure reading pleasure" (Booklist). Wheatfield, Minnesota: a metropolis of six hundred souls and change, for which the word "moribund" might have been invented. Nothing ever happened there and nothing ever would--until the mayor of sorts (campaign slogan: "I'll Do What I Can") and his precocious teenage buddy come up with a scheme to put Wheatfield on the map. Should something dramatic occur--say, that the apparition of the Virgin Mary miraculously appeared at the local Catholic Church--the whole town would be turned into a shrine, attracting thousands of pilgrims. And all those pilgrims needed food, shelter, all kinds of crazy things. The town would get rich! What could go wrong? Then the shootings begin. And as they--and Virgil Flowers--are about to discover, that's only the beginning of their troubles. . . .

DEEP FREEZE

Penguin Class reunions: a time for memories--good, bad, and, as Virgil Flowers is about to find out, deadly--in this New York Times bestselling thriller from John Sandford. Virgil knows the town of Tripton, Minnesota, a little too well. A few years back, he investigated the corrupt--and as it turned out, homicidal--local school board, and now the town's back in view with more alarming news: A woman's been found dead, frozen in a block of ice. There's a possibility that it might be connected to a high school class of twenty years ago that has a mid-winter reunion coming up, and so, wrapping his coat a little tighter, Virgil begins to dig into twenty years' worth of traumas, feuds, and bad blood. In the process, one thing becomes increasingly clear to him. It's true what they say: High school is murder.

BURIED PREY

Penguin For twenty-five years the unsolved kidnapping of two young girls has haunted Minneapolis homicide detective Lucas Davenport. Today, the bodies have been found. Today, he returns to a crime--and a nightmare--darker than any before... A block on the edge of the Minneapolis loop is being razed when a macabre discovery is made: two girls buried under a rotted old house. Lucas Davenport knows how long they've been there. In 1985, he was part of the manhunt to track down two kidnapped sisters. They were never found--until today. With the bodies discovered, Davenport has the chance to return to the crime that has haunted him for years. The deeper he probes, the more one thing becomes clear: It wasn't just the bodies that were buried. It was the truth.

STOLEN PREY

Penguin A senseless slaughter leads Lucas Davenport down a twisted path in this thriller from the #1 New York Times bestselling author. Lucas Davenport has seen many terrible murder scenes. This is one of the worst. In the Minnesota town of Wayzata, an entire family has been killed--husband, wife, two kids, dogs. On the wall, in blood: "Were coming." No apostrophe. There's something about the scene that tugs at Lucas's cop instincts--it looks an awful lot like the kind of scorched-earth retribution he's seen from Mexican drug gangs. But this is a seriously upscale town, the husband ran a modest software company, the wife dabbled in local politics. None of it seems to fit. Until it does...

SHOCK WAVE

[Simon and Schuster](#) ****Don't miss the new pulse-pounding Virgil Flowers thriller, *Bloody Genius*. Out now in paperback and eBook**** The fifth Virgil Flowers novel by internationally bestselling author John Sandford The superstore chain PyeMart has its sights set on a Minnesota river town, but two very angry groups want to stop it: local merchants, fearing for their businesses, and environmentalists, predicting ecological disaster. The protests don't seem to be slowing the project, though, until someone decides to take matters into his own hands. The first bomb goes off on the top floor of PyeMart's headquarters. The second one explodes at the construction site itself. The blasts are meant to inflict maximum damage - and they do. Who's behind the bombs, and how far will they go? It's Virgil Flowers's job to find out . . . before more people get killed. ***** Praise for John Sandford and the Virgil Flower novels ***** 'Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character' Publishers Weekly on *Deep Freeze* 'A knowing portrait of small-town life layered into a very well plotted mystery. THE INVESTIGATOR

[Penguin](#) Letty Davenport, the brilliant and tenacious adopted daughter of Lucas Davenport, takes the investigative reins in the newest thriller from #1 bestselling author John Sandford. "Sandford fans rejoice! Davenport next generation has arrived and Letty is exactly the kind of cool-eyed, smart-mouthed, lethally dangerous heroine we've been waiting for." --Lisa Gardner, author of *One Step Too Far* By age twenty-four, Letty Davenport has seen more action and uncovered more secrets than many law enforcement professionals. Now a recent Stanford grad with a master's in economics, she's restless and bored in a desk job for U.S. Senator Colles. Letty's ready to quit, but her skills have impressed Colles, and he offers her a carrot: feet-on-the-ground investigative work, in conjunction with the Department of Homeland Security. Several oil companies in Texas have reported thefts of crude, Colles tells her. He isn't so much concerned with the oil as he is with the money: who is selling the oil, and what are they doing with the profits? Rumor has it that a fairly ugly militia group—led by a woman known only as Lorelai—might be involved. Colles wants to know if the money is going to them, and if so, what they're planning. Letty is partnered with a DHS investigator, John Kaiser, and they head to Texas. When the case quickly turns deadly, they know they're on the track of something bigger. Lorelai and her group have set in motion an explosive plan . . . and the clock is ticking down.

THE DEVIL'S BED

[Simon and Schuster](#) From the creator of the critically acclaimed, award-winning Cork O'Connor mystery series comes a haunting, atmospheric, conspiracy thriller. When President Clay Dixon's father-in-law—a former vice president—is injured in a farming accident, First Lady Kate Dixon returns to Minnesota to be at his side. Assigned to protect her, Secret Service agent Bo Thorsen soon falls under Kate's spell. He also suspects the accident is part of a trap set for Kate by David Moses, an escaped mental patient who once loved her. What Bo and Moses don't realize is that they're caught in a web of deadly intrigue spun by a seemingly insignificant bureaucratic department within the federal government. Racing to find answers before an assassin's bullet can kill Kate, Bo soon learns that when you lie down with the devil, there's hell to pay.

FIELD OF PREY

[Simon and Schuster](#) The extraordinary new Lucas Davenport thriller from the number one New York Times-bestselling author and Pulitzer Prize winner John Sandford. 'He knows where the bodies are buried.' A familiar expression, often said with a laugh. But in Lucas Davenport's line of work, it's sometimes all too true.... When a county deputy is called out to an abandoned farmhouse in the cornfields of Minnesota by a couple of terrified teenagers, he finds that a body has been stuffed down a cistern. And then another, and another. By the time Lucas Davenport is called in, the police are up to fifteen bodies, and counting. And when Lucas begins to investigate, he makes some disturbing discoveries of his own. The victims have been killed over a great many years, one every summer, regular as clockwork. How could this have happened without anybody noticing? Because one thing was for sure: The killer has to live close by. He is probably even someone they see every day...

RULES OF PREY

[Penguin](#) #1 New York Times bestselling author John Sandford's “haunting, unforgettable, ice-blooded thriller”* that introduced Lucas Davenport... The killer was mad but brilliant. He left notes with every woman he killed. Rules of murder: Never have a motive. Never follow a discernible pattern. Never carry a weapon after it has been used...So many rules to his sick, violent games of death. But Lucas Davenport, the cop who's out to get him, isn't playing by the rules. “Terrifying...Sandford has crafted the kind of trimmed-to-the-bone thriller that is hard to put down...scary...intriguing...unpredictable.”—Chicago Tribune “Rules of Prey is so chilling that you're almost afraid to turn the pages. So mesmerizing you cannot stop...A crackle of surprises.”—*Carl Hiaasen “Sleek and nasty...A big scary, suspenseful read, and I loved every minute of it.”—Stephen King “A cop and a killer you will remember for a long, long time.”—Robert B. EXTREME PREY

Penguin An extraordinary Lucas Davenport thriller from #1 New York Times–bestselling author and Pulitzer Prize winner John Sandford. After the events in *Gathering Prey*, Lucas Davenport finds himself in a very unusual situation—no longer employed by the Minnesota BCA. His friend the governor is just cranking up a presidential campaign, though, and he invites Lucas to come along as part of his campaign staff. “Should be fun!” he says, and it kind of is—until they find they have a shadow: an armed man intent on killing the governor...and anyone who gets in the way.

A GOOD KILL

Penguin An electrifying mystery featuring a troubled small-town police detective faced with three interwoven crimes that reveal sinister secrets about his community--and the deaths of his family, by the Edgar Award-and Thriller Award- short-listed author whose novels have been described by the New York Times Book Review as "pretty much perfect." In the years since the mysterious deaths of his wife and child, P.T. Marsh, a police detective in the small Georgia town of Mason Falls, has faced demons--both professional and personal. But when he is called to the scene of a school shooting, the professional and personal become intertwined, and he suspects that whoever is behind the crime may be connected to his own family tragedy. As Marsh and his partner Remy investigate the shooting, they discover that it is far from straightforward, and their search for answers leads them to a conspiracy at the highest levels of local government--including within the police force. The stakes in the case become increasingly high, culminating in a showdown that has Marsh questioning everything he knows, and wondering if some secrets are better left undiscovered.

INVISIBLE PREY

Penguin “A crackling addition to [the] Prey series” (Entertainment Weekly) from #1 New York Times bestselling author John Sandford. In a wealthy Minneapolis neighborhood, two elderly women are bludgeoned to death. They are apparent victims of a random robbery, though nothing of value appears to have been stolen. But when Lucas Davenport looks deeper, he fears that the victims weren’t so random, and the items stolen were far from invaluable. As a pattern emerges it leads Lucas to...certainly not where he expected. Which is too bad, because the killers are expecting him. And that’s only the first surprise...

THE WANTED

Penguin THE NEW YORK TIMES BESTSELLER Investigator Elvis Cole and his partner Joe Pike take on the deadliest case of their lives in the new masterpiece of suspense from #1 New York Times–bestselling author Robert Crais. It seemed like a simple case—before the bodies started piling up... When single-mother Devon Connor hires Elvis Cole, it’s because her troubled teenage son Tyson is flashing cash and she’s afraid he’s dealing drugs. But the truth is devastatingly different. With two others, he’s been responsible for a string of high-end burglaries, a crime spree that takes a deadly turn when one of them is murdered and Tyson and his girlfriend disappear. They stole the wrong thing from the wrong man, and, determined to get it back, he has hired two men who are smart and brutal and the best at what they do. To even the odds, Cole brings in his friend Joe Pike, but even the two of them together may be overmatched. The police don’t want them anywhere near the investigation, the teenagers refuse to be found, and the hired killers are leaving a trail of bodies in their wake. Pretty soon, they’ll find out everything they need to know to track the kids down—and then nothing that Elvis or Joe can do may make any difference. It might even get them killed.

CHOSEN PREY

Penguin He seems like such a nice man. You’d never guess what was going on in his mind... Then one day, he goes a step further and... well, one thing leads to another. Qatar has no choice. He has to kill her. And you know something? He likes it. When Deputy Chief Lucas Davenport takes the case, he assumes it’ll be straightforward police work. He couldn’t be more wrong. As the investigation trail takes some unexpected turns, it becomes clear that nothing is straightforward about this killer, his victims, or his motives. And to stop him Lucas has no choice but to walk right into his lair. WITH A NEW INTRODUCTION BY JOHN SANDFORD

SHADOW PREY

Penguin A series of ritualistic murders committed across the United States draws Lucas Davenport into an unimaginable conspiracy of revenge in this “classic” (Boston Globe) thriller in the #1 New York Times bestselling series. A slumlord butchered in Minneapolis...A rising political star executed in Manhattan...A judge slashed to death in Oklahoma City... Each victim has a history of bad behavior, but the only thing the killings have in common is the murder weapon—a Native American ceremonial knife—and a trail of blood that leads to an embodiment of evil known only as Shadow Love. Recruited to be the lethal hand of a terrorist campaign, Shadow Love has his own bloody agenda, one he will do anything to achieve. Enlisted to find him are Minneapolis police lieutenant Lucas Davenport and New York City police officer Lily Rothenburg. But despite the countrywide carnage they needn’t look far. Because Shadow Love is right behind them.

CELEBRATION OF DISCIPLINE

THE PATH TO SPIRITUAL GROWTH

Zondervan In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities—and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. *Celebration of Discipline* will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

PREY

Penguin A terrifying Lucas Davenport thriller from #1 New York Times–bestselling author and Pulitzer Prize–winner John Sandford. They call them Travelers. They move from city to city, panhandling, committing no crimes—they just like to stay on the move. And now somebody is killing them. Lucas Davenport’s adopted daughter, Letty, is home from college when she gets a phone call from a woman Traveler she’d befriended in San Francisco. The woman thinks somebody’s killing her friends, she’s afraid she knows who it is, and now her male companion has gone missing. She’s hiding out in North Dakota, and she doesn’t know what to do. Letty tells Lucas she’s going to get her, and, though he suspects Letty’s getting played, he volunteers to go with her. When he hears the woman’s story, though, he begins to think there’s something in it. Little does he know. In the days to come, he will embark upon an odyssey through a subculture unlike any he has ever seen, a trip that will not only put the two of them in danger—but just may change the course of his life.

RIGHTEOUS PREY

Penguin Lucas Davenport and Virgil Flowers are up against a powerful vigilante group with an eye on vengeance in this stunning new novel from the #1 New York Times bestselling author. “We’re going to murder people who need to be murdered.” So begins a press release from a mysterious group known only as “The Five,” shortly after a vicious predator is murdered in San Francisco. The Five is made up of vigilante killers who are very bored...and very rich. They target the worst of society—rapists, murderers, and thieves—and then use their unlimited resources to offset the damage done by those who they’ve killed, donating untraceable Bitcoin to charities and victims via the dark net. The Five soon become popular figures in the media ...though their motives may not be entirely pure. After The Five strike again in the Twin Cities, Virgil Flowers and Lucas Davenport are sent in to investigate. And they soon have their hands full--the killings are smart and carefully choreographed, and with no apparent direct connection to the victims, the killers are virtually untraceable. But if anyone can destroy this group, it will be the dynamic team of Davenport and Flowers.

A NOVEL

Ballantine Books The ancient order of the Knights Templar possessed untold wealth and absolute power over kings and popes . . . until the Inquisition, when they were wiped from the face of the earth, their hidden riches lost. But now two forces vying for the treasure have learned that it is not at all what they thought it was—and its true nature could change the modern world. Cotton Malone, one-time top operative for the U.S. Justice Department, is enjoying his quiet new life as an antiquarian book dealer in Copenhagen when an unexpected call to action reawakens his hair-trigger instincts—and plunges him back into the cloak-and-dagger world he thought he’d left behind. It begins with a violent robbery attempt on Cotton’s former supervisor, Stephanie Nelle, who’s far from home on a mission that has nothing to do with national security. Armed with vital clues to a series of centuries-old puzzles scattered across Europe, she means to crack a mystery that has tantalized scholars and fortune-hunters through the ages by finding the legendary cache of wealth and forbidden knowledge thought to have been lost forever when the order of the Knights Templar was exterminated in the fourteenth century. But she’s not alone. Competing for the historic prize— and desperate for the crucial information Stephanie possesses—is Raymond de Roquefort, a shadowy zealot with an army of assassins at his command. Welcome or not, Cotton seeks to even the odds in the perilous race. But the more he learns about the ancient conspiracy surrounding the Knights Templar, the more he realizes that even more than lives are at stake. At the end of a lethal game of conquest, rife with intrigue, treachery, and craven lust for power, lies a shattering discovery that could rock the civilized world—and, in the wrong hands, bring it to its knees. **BONUS:** This edition contains an excerpt from Steve Berry’s *The King’s Deception* and a Cotton Malone dossier.
