*Taunton Presents nearly 500 photographs of kitchen interiors, along with advice in planning a kitchen.*

## The Sum of Us

# What Racism Costs Everyone and How We Can Prosper Together

*One World* **NEW YORK TIMES BESTSELLER** • **LONGLISTED FOR THE NATIONAL BOOK AWARD** • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. **WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD** • **ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal** • **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL** • “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee’s specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world’s advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the *Solidarity Dividend*: the benefits we gain when people come together across race to accomplish what we simply can’t do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

## What Is Amazing

*Wesleyan University Press* Inspired by a voracious curiosity about humans and other subjects, the poems in Heather Christle’s *What Is Amazing* describe and invent worlds in an attempt to understand through participation. The book draws upon the wisdom of foolishness and the logic of glee, while simultaneously exploring the suffering inherent to embodied consciousness. Speakers play out moments of bravado and fear, love and mortality, disappointment and desire. They socialize incorrigibly with lakes, lovers, fire, and readers, reasoning their way to unreasonable conclusions. These poems try to understand how it is that we come to recognize and differentiate objects and beings, how wholly each is attached to its name, and which space reveals them. *What Is Amazing* delights in fully inhabiting its varied forms and voices, singing worlds that often coincide with our own.

## Blood in the Water

# The Attica Prison Uprising of 1971 and Its Legacy

*Vintage* **PULITZER PRIZE WINNER** • **NATIONAL BOOK AWARD FINALIST** • The definitive history of the infamous 1971 Attica Prison uprising, the state's violent response, and the victim's decades-long quest for justice. “Gripping ... deals with racial conflict, mass incarceration, police brutality and dissembling politicians ... Makes us understand why this one group of prisoners [rebelled], and how many others shared the cost.” —*The New York Times* On September 9, 1971, nearly 1,300 prisoners took over the Attica Correctional Facility in upstate New York to protest years of mistreatment. Holding guards and civilian employees hostage, the prisoners negotiated with officials for improved conditions during the four long days and nights that followed. On September 13, the state abruptly sent hundreds of heavily armed troopers and correction officers to retake the prison by force. Their gunfire killed thirty-nine men—hostages as well as prisoners—and severely wounded more than one hundred others. In the ensuing hours, weeks, and months, troopers and officers brutally retaliated against the prisoners. And, ultimately, New York State authorities prosecuted only the prisoners, never once bringing charges against the officials involved in the retaking and its aftermath and neglecting to provide support to the survivors and the families of the men who had been killed. Drawing from more than a decade of extensive research, historian Heather Ann Thompson sheds new light on every aspect of the uprising and its legacy, giving voice to all those who took part in this forty-five-year fight for justice: prisoners, former hostages, families of the victims, lawyers and judges, and state officials and members of law enforcement. *Blood in the Water* is the searing and indelible account of one of the most important civil rights stories of the last century. (With black-and-white photos throughout)

### Lizzy and the Magic Garage

*Createspace Independent Pub* Heather Sutherland brings us a joyful and enchanted tale about a family of children who discover an abandoned garage and embark on an adventure that is literally out of this world. The garage is no ordinary place. Home to a lonely car called Lizzy and a rather grumpy spider, they find magic, music and secrets within its walls. As a special friendship develops the children find that Lizzy needs their help and when the owner of the garage returns at last, an amazing journey begins. The owner, a funny, strange old man called Old Sutho has discovered some ancient magic. When the garage reveals its ultimate secret they realise they're going to need that magic if they are to make it to the North Pole and back in time. After all, millions of children are relying on them to make the most important delivery of their lives. If only old Sutho had realised that old friends are the best friends! Now it's all up to Lizzy.....

## Malice

### A Novel

*Del Rey* A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. *Book One of the Malice Duology*

### 150 Best New Kitchen Ideas

*HarperCollins* A comprehensive, full-color handbook, packed with hundreds of photographs that showcase the latest in beautiful, welcoming, and efficient kitchen design. *150 Best New Kitchen Ideas* offers an in-depth look at exemplary new kitchen designs from today's most renowned architects and designers. Covering a diversity of current trends, *150 Best New Kitchen Ideas* is an indispensable design and decorating resource filled with inspirational ideas for the homeowner, designer, interior decorator, and architect.

### Taunton's New Kitchen Idea Book

## Misrule

### Book Two of the Malice Duology

*Del Rey* Does true love break curses or begin them? The dark sorceress of "Sleeping Beauty" reclaims her story in this sequel to *Malice*. "Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology."—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? *Book Two of the Malice Duology*

## Stonescaping Idea Book

*Taunton Press Filled with hundreds of beautiful photographs and ideas, this colorful series of design handbooks for the do-it-yourselfer inspires readers with creative ideas for every taste and budget and innovative solutions to a variety of home decor, landscaping, and outdoor living challenges.*

## The Overnight Guest

### A Novel

*Harlequin NEW YORK TIMES BESTSELLER "Fully realized, wholly absorbing and almost painfully suspenseful...The journey is mesmerizing." —New York Times* A woman receives an unexpected visitor during a deadly snowstorm in this chilling thriller from New York Times bestselling author Heather Gudenkauf. True crime writer Wylie Lark doesn't mind being snowed in at the isolated farmhouse where she's retreated to write her new book. A cozy fire, complete silence. It would be perfect, if not for the fact that decades earlier, at this very house, two people were murdered in cold blood and a girl disappeared without a trace. As the storm worsens, Wylie finds herself trapped inside the house, haunted by the secrets contained within its walls—haunted by secrets of her own. Then she discovers a small child in the snow just outside. After bringing the child inside for warmth and safety, she begins to search for answers. But soon it becomes clear that the farmhouse isn't as isolated as she thought, and someone is willing to do anything to find them. And don't miss these other great stories by Heather! *The Weight of Silence These Things Hidden Little Mercies Missing Pieces Not a Sound Before She Was Found This is How I Lied*

## Decorating Ideas That Work

### Creative Design Solutions for Your Home

*Taunton Press More than five hundred full-color photographs and drawings highlight a definitive showcase of fresh decorating ideas for every room of a house, with information on both contemporary and traditional styles that spotlights quick fixes, tricks of the trade, and elements of design for every style and budget. Original. 40,000 first printing.*

## I'll Meet You There

*Henry Holt and Company (BYR)* If seventeen-year-old Skylar Evans were a typical Creek View girl, her future would involve a double-wide trailer, a baby on her hip, and the graveyard shift at Taco Bell. But after graduation, the only thing standing between straightedge Skylar and art school are three minimum-wage months of summer. Skylar can taste the freedom—that is, until her mother loses her job and everything starts coming apart. Torn between her dreams and the people she loves, Skylar realizes everything she's ever worked for is on the line. Nineteen-year-old Josh Mitchell had a different ticket out of Creek View: the Marines. But after his leg is blown off in Afghanistan, he returns home, a shell of the cocksure boy he used to be. What brings Skylar and Josh together is working at the Paradise—a quirky motel off California's dusty Highway 99. Despite their differences, their shared isolation turns into an unexpected friendship and soon, something deeper.

## When We Meet Again

*Simon and Schuster* Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she's seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she's been keeping locked inside for years. Will this journey

bring her the strength to confront them at last?

## What They Don't Tell You About Menopause: A Gynecologist's Unofficial Guide to Premenopausal, Perimenopausal and Postmenopausal Life

*Atlantic Publishing Company* Women have always struggled with the idea of how much better life would be if they had a better body, a better exercise routine, a better life. This can make it difficult for women to grasp that aging is both a normal and natural part of life. With over 40 years of experience working as an obstetrician gynecologist (OBGYN), Dr. Heather Johnson is equipped with the knowledge to help women of all ages mature gracefully. In *What They Don't Tell You About Menopause*, Dr. Johnson discusses the various stages of menopause and what to expect throughout this natural aspect of life for women. From perimenopause to postmenopause, and everything in between, this book will be your guide through this daunting period of womanhood.

## The Dispatcher

### A Novel

*Penguin* From the author of the award-winning debut crime novel *Good Neighbors*—a white-knuckle thriller about the lengths a man will go to for his daughter. The phone rings. It's your daughter. She's been dead for four months. So begins East Texas police dispatcher Ian Hunt's fight to get his daughter back. The call is cut off by the man who snatched her from her bedroom seven years ago, and a basic description of the kidnapper is all Ian has to go on. What follows is a bullet-strewn cross-country chase from Texas to California along Interstate 10— a wild ride in a 1965 Mustang that passes through the outlaw territory of No Country for Old Men and is shot through with moments of macabre violence that call to mind the novels of Thomas Harris.

## What They Don't Tell You About Having A Baby: An Obstetrician's Unofficial Guide to Preconception, Pregnancy, and Postpartum Life

*Atlantic Publishing Company* Bringing a baby into the world is one of the most beautiful, natural parts of life, but that certainly doesn't mean it's easy! Dr. Heather L. Johnson has been a practicing OB-GYN (obstetrician gynecologist) for 40 years, helping expectant mothers through the pregnancy process and delivering their babies. In *What They Don't Tell You About Having a Baby: An Obstetrician's Unofficial Guide to Preconception, Pregnancy, and Postpartum Life*, she shares what she has learned throughout her career to assist parents and parents-to-be of all ages. This guide covers everything from tips and tricks for a smooth conception, how much caffeine is really okay during pregnancy, how to survive those first several confusing postpartum weeks and everything in between. Dr. Johnson shares the lessons she's learned from years of experience and includes conversations she's had with her own patients along with her "Dr. J's pearls" in an effort to help others. Babies don't come with an owner's manual, but *What They Don't Tell You About Having a Baby* is a great start.

## Quintessential Kitchens by Matthew Quinn

### New Bathroom Idea Book

### Taunton Home

*Taunton Press* The bathroom continues to be one area of the house that homeowners are willing to spend money on. This all-new edition of *Bathroom Idea Book*—a virtual designer's notebook of ideas, inspiration, and information—will be a homeowner's first step in turning a dream bath into a real one, whether it's new construction or a remodel. Lavishly illustrated with 325 photos and 15 illustrations, *New Bathroom Idea Book* provides design options for all areas of the bathroom, from vanities and countertops to fixtures, flooring, and finish details. Up-to-the-minute information on new trends like digital integration in the bathroom, new materials that mimic natural materials, accessibility and aging-in-place options, and code changes that mandate water and energy conservation make this the go-to resource for all things bathroom.

## Evaluating the Brain Disease Model of Addiction

*Routledge* This ground-breaking book advances the fundamental debate about the nature of addiction. As well as presenting the case for seeing addiction as a brain disease, it brings together all the most cogent and penetrating critiques of the brain disease model of addiction (BDMA) and the main grounds for being skeptical of BDMA claims. The idea that addiction is a brain disease dominates thinking and practice worldwide. However, the editors of this book argue that our understanding of addiction is undergoing a

revolutionary change, from being considered a brain disease to a disorder of voluntary behavior. The resolution of this controversy will determine the future of scientific progress in understanding addiction, together with necessary advances in treatment, prevention, and societal responses to addictive disorders. This volume brings together the various strands of the contemporary debate about whether or not addiction is best regarded as a brain disease. Contributors offer arguments for and against, and reasons for uncertainty; they also propose novel alternatives to both brain disease and moral models of addiction. In addition to reprints of classic articles from the addiction research literature, each section contains original chapters written by authorities on their chosen topic. The editors have assembled a stellar cast of chapter authors from a wide range of disciplines – neuroscience, philosophy, psychiatry, psychology, cognitive science, sociology, and law – including some of the most brilliant and influential voices in the field of addiction studies today. The result is a landmark volume in the study of addiction which will be essential reading for advanced students and researchers in addiction as well as professionals such as medical practitioners, psychiatrists, psychologists of all varieties, and social workers.

## Listening with My Heart

*WaterBrook* The first physically handicapped woman to win the Miss America Pageant tells the story of her deafness, love of ballet, education, and challenge to fulfill her God-given potential

## Girl Last Seen

*Albert Whitman & Company* Kadence Mulligan's star was rising. She and her best friend, Lauren DeSanto, watched their songs go viral on YouTube, then she launched a solo career when a nasty throat infection paralyzed Lauren's vocal chords. Everyone knows Lauren and Kadence had a major falling-out over Kady's boyfriend. But Lauren knows how deceptive Kadence could be sometimes. And nobody believes Lauren when she claims she had nothing to do with the disappearance. Or the blood evidence... As the town and local media condemns Lauren, she realizes the only way to clear her name is to discover the truth herself. Lauren slowly unravels the twisted life of Kadence Mulligan and sees that there was more to her than she ever knew. But will she realize she's unknowingly playing a part in an elaborate game to cover up a crime before it's too late?

## Books Promiscuously Read

## Reading as a Way of Life

*Farrar, Straus and Giroux* The critic and scholar Heather Cass White offers an exploration of the nature of reading Heather Cass White's *Books Promiscuously Read* is about the pleasures of reading and its power in shaping our internal lives. It advocates for a life of constant, disorderly, time-consuming reading, and encourages readers to trust in the value of the exhilaration and fascination such reading entails. Rather than arguing for the moral value of reading or the preeminence of literature as an aesthetic form, *Books Promiscuously Read* illustrates the irreplaceable experience of the self that reading provides for those inclined to do it. Through three sections—*Play*, *Transgression*, and *Insight*—which focus on three ways of thinking about reading, *Books Promiscuously Read* moves among and considers many poems, novels, stories, and works of nonfiction. The prose is shot through with quotations reflecting the way readers think through the words of others. *Books Promiscuously Read* is a tribute to the whole lives readers live in their books, and aims to recommit people to those lives. As White writes, "What matters is staying attuned to an ordinary, unflashy, mutely persistent miracle; that all the books to be read, and all the selves to be because we have read them, are still there, still waiting, still undiminished in their power. It is an astonishing joy."

## Important Parts

## A Coloring Book for the Crotch Enthusiast

*Heather Edwards* This book is for anyone with a crotch. There are cock-n-balls and vajayjays all over it, so a good sense of humor will really help you enjoy your coloring time. If you have a complicated relationship with your crotch, this book is here to help with fun and approachable images. I empower you at the beginning to learn about the parts that you'll be coloring with suggestions for standard anatomical terms, and then terms that are less common but still legit - but gender neutral. Next, I invite you to draw your own custom crotch. Finally, I give you a bunch of my fantastical genital doodles that span the gender spectrum and also the anatomical variation spectrum, so no matter who you are, there should be something that feels good. Have fun with it!

## To Make Men Free

## A History of the Republican Party

*Basic Books* When Abraham Lincoln helped create the Republican Party on the eve of the Civil War, his goal was to promote economic opportunity for all Americans, not just the slaveholding Southern planters who steered national politics. Yet, despite the egalitarian dream at the heart of its founding, the Republican Party quickly became mired in a fundamental identity crisis. Would it be the party of democratic ideals? Or would it be the party of moneyed interests? In the century and a half since, Republicans have vacillated between these two poles, with dire economic, political, and moral repercussions for the entire nation. In *To Make Men Free*, celebrated historian Heather Cox Richardson traces the shifting ideology of the Grand Old Party from the antebellum era to the Great Recession,

revealing the insidious cycle of boom and bust that has characterized the Party since its inception. While in office, progressive Republicans like Teddy Roosevelt and Dwight Eisenhower revived Lincoln's vision of economic freedom and expanded the government, attacking the concentration of wealth and nurturing upward mobility. But they and others like them have been continually thwarted by powerful business interests in the Party. Their opponents appealed to Americans' latent racism and xenophobia to regain political power, linking taxation and regulation to redistribution and socialism. The results of the Party's wholesale embrace of big business are all too familiar: financial collapses like the Panic of 1893, the Great Depression in 1929, and the Great Recession in 2008. With each passing decade, with each missed opportunity and political misstep, the schism within the Republican Party has grown wider, pulling the GOP ever further from its founding principles. *Expansive and authoritative, To Make Men Free* is a sweeping history of the Party that was once America's greatest political hope -- and, time and time again, has proved its greatest disappointment.

## Included in Christ

### Living A New Story from Ephesians (A Bible Study)

*Moody Publishers* A new kind of Bible study... After the success of her first two books, Heather Holleman received many requests to write a Bible study. And as a college English instructor, she wanted to make sure it really taught and didn't simply inform. So she surveyed several women about what their dream study would look like, then got to work. The result is *Included in Christ*, a narrative-driven study where you can bring your life before Scripture in the context of community. Together women will discern their personal shadow narratives—ways they are living outside of their identity in Christ—and then rewrite those narratives according to biblical truth. This in-depth, 8-week study in Ephesians will equip women with six "signature stories" of God's work in their lives—helping them combat exclusion, loneliness, weakness, decay, emptiness, and silence. Designed to facilitate honest sharing and help you internalize biblical truth, *Included in Christ* will provide community and connectedness as well as spiritual nourishment. It will also guide you in how to share your story and the hope of Christ with someone who doesn't yet know Him.

## Abide

### A Pathway to Transformative Healing and Intimacy With Jesus

*Ave Maria Press* In this personal healing retreat from Heather Khym, cohost of the popular *Abiding Together* podcast, you are invited to break through the barriers that prevent you from trusting and experiencing the deep love of Jesus and be transformed by the freedom that comes when we vulnerably bring our entire selves to the foot of the Cross. Rooted in the teaching of Khym's Vancouver-based ministry, *Life Restoration*, *Abide* shares scripture, essential Catholic teaching, and the author's personal healing journey to reintroduce you to God as the Divine Healer, Restorer, and Miracle Worker. Khym offers you a compass to navigate your past as you dig into difficult memories that have disoriented your understanding of God and made you afraid to trust him. She challenges you to cast off your self-protective tendencies and to recognize your need for healing so you can be the person you were created to be. Jesus says, "Abide in me as I abide in you. Just as the branch cannot bear fruit by itself unless it abides in the vine, neither can you unless you abide in me. I am the vine, you are the branches. Those who abide in me and I in them bear much fruit because apart from me you can do nothing" (John 15:4-5). We are meant to abide in Jesus, to unite ourselves to him. Yet over the course of our lives, we experience brokenness and loss, which lead us to doubt God's presence. Khym challenges you to step outside your comfort zone so that you can authentically: recognize God as a loving father who desires your happiness; practice spiritual and emotional vulnerability with Jesus; invite the Divine Healer into your past and relationships; acknowledge that you have an enemy who battles for your heart; and overcome false beliefs about God and learn to trust Jesus as a compelling, captivating, and trustworthy lover of your soul. Each chapter includes practical reflection-based exercises that help you recall troublesome memories, identify the roots of your feelings, and meditate on excerpts from scripture and the Catechism of the Catholic Church. You'll come away with a renewed hope in the power of God to bring freedom to your fearful heart as you start to live a life restored in Christ, one that begins with and is sustained by an intimate relationship with Jesus.

## Streetwise

### How Taxi Drivers Establish Customer's Trustworthiness

*Russell Sage Foundation* A taxi driver's life is dangerous work. Picking up a bad customer can leave the driver in a vulnerable position, and erring even once can prove fatal. To protect themselves, taxi drivers must quickly and accurately assess the trustworthiness of complete strangers. In *Streetwise*, Diego Gambetta and Heather Hamill take this predicament as a prototypical example of many trust decisions, where people must act on limited information and judge another person's trustworthiness based on signs that may or may not be honest indicators of that person's character or intent. Gambetta and Hamill analyze the behavior of cabbies in two cities where driving a taxi is especially perilous: New York City, where drivers have been the targets of frequent and violent robberies, and Belfast, Northern Ireland, a divided metropolis where drivers have been swept up in the region's sectarian violence. Based on in-depth ethnographic research, *Streetwise* lets drivers describe in their own words how they seek to determine the threat posed by each potential passenger. The drivers' decisions about whom to trust are treated in conjunction with the "sign-management" strategies of

*their prospective passengers—both genuine passengers who try to persuade drivers of their trustworthiness and the villains who mimic them. As the theory that guides this research suggests, drivers look for signs that correlate closely with trustworthiness but are difficult for an impostor to mimic. A smile, a business suit, or a skullcap alone do not reassure drivers, as any criminal could easily wear them. Only if attached to other signs—a middle-aged woman, a business address, or a synagogue—are they persuasive. Drivers are adept at deciphering deceitful signals, but trickery is occasionally undetectable, so they must adopt defensive strategies to minimize their exposure to harm. In Belfast, where drivers are locals and often have histories of paramilitary involvement, "macho" posturing often serves to deter would-be criminals, while New York cabbies, mostly immigrants who view themselves as outsiders, try simply to minimize the damage from attacks by appeasing robbers and carrying only small amounts of cash. For most people, erring in a trust decision leads to a broken heart or a few dollars lost. For cab drivers, such an error could mean losing their lives. The way drivers negotiate these high stakes offers us vivid insight into how to determine another person's trustworthiness. Written with clarity and color, *Streetwise* invites the reader to ride shotgun with cabbies as they grapple with a question of relevance to us all: which signs of trustworthiness can we really trust? A Volume in the Russell Sage Foundation Series on Trust*

## Red Comet

## The Short Life and Blazing Art of Sylvia Plath

*Vintage With a wealth of never-before-accessed materials—including unpublished letters and manuscripts; court, police, and psychiatric records; and new interviews—Heather Clark brings to life the brilliant daughter of Wellesley, Massachusetts who had poetic ambition from a very young age and was an accomplished, published writer of poems and stories even before she became a star English student at Smith College in the early 1950s. Determined not to read Plath's work as if her every act, from childhood on, was a harbinger of her tragic fate, Clark evokes a culture in transition, in the shadow of the atom bomb and the Holocaust, as she explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her conflicted ties to her well-meaning, widowed mother; her troubles at the hands of an unenlightened mental-health industry; her Cambridge years and thunderclap meeting with Ted Hughes, a marriage of true minds that would change the course of poetry in English; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promotes a deeper understanding of her final days, with their outpouring of first-rate poems. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.*

## Perla

*Vintage A coming-of-age tale set in post-dictatorship Buenos Aires finds privileged Correa safeguarding the interests of her family by hiding her beloved father's military past from others until an uninvited visitor forces her to confront the unease she has suppressed her entire life.*
