Homeschooling with a Meek and Quiet Spirit Homeschooling for the Rest of Us How Your One-of-a-Kind Family Can Make Homeschooling and Real Life Work [Bethany House](#) Homeschooling parents are under great pressure. Besides trying to balance teaching responsibilities and family life, they often face unrealistic expectations from relatives, churches, other homeschoolers, and society at large. Even parents considering homeschooling sense the need to be perfect. Sonya Haskins doesn't want any more families to give up on homeschooling. In this book she shares affirming stories and practical ideas from dozens of everyday families who successfully deal with cluttered schedules, academic struggles, sibling squabbles, and other real-life issues. Instead of learning a one-size-fits-all approach, readers will discover how to evaluate their own family's strengths and weaknesses and set their own goals for success. Just Around the Corner "These articles were originally written to encourage and support their local homeschool groups. However, they have been so well received that they are now requested via e-mail every month by thousands of homeschool families. Because most of these articles deal with family life in general, many Christian non-homeschool families find them useful as well. Topics addressed ... include: anger, depression, child training, submission, and husbands loving their wives."--Cover page 4. KJV, Homeschool Mom's Bible, eBook [Zondervan](#) Heartfelt Inspiration to Revive, Encourage, and Strengthen the Homeschooling Mom If you're on an airplane, you're instructed, in the event of a loss of cabin pressure, to put on your own oxygen mask before helping your child. The reason? If you don't have a supply of oxygen, you won't be able to help anyone else. The same is true for the rest of life: you can't give what you don't have. And as a homeschooling mom, you pour yourself out every day for the sake of your children. Yet how do you fill yourself up? Where do you get your spiritual oxygen? Now you can be filled and restored by the original Bible for homeschool moms—with a full year's worth of encouraging daily devotions placed alongside the beloved text of the King James Bible. These heartfelt, practical readings written by Janet Tatman, a former homeschooling mom, cover topics such as finding strength to keep motivated, avoiding burnout, staying focused and committed, navigating the needs of toddlers while educating siblings, managing schedules, delegating tasks and chores, setting boundaries, and most importantly, maintaining proper soul care while juggling educational and household responsibilities. The words of these devotions will breathe life into your soul so that you can successfully run the race. Features: • 365 daily meditations with prayers written by Janet Tatman, a veteran homeschooling mother with more than 25 years of experience homeschooling • The full text of the classic King James Version (KJV) Bible • Foreword from Vickie Farris, author, homeschool mom, and wife of Michael Farris, founder of the Homeschool Legal Defense Association • Topical index Easy Homeschooling Companion Exhortation, Encouragement & More Easy Ideas [God's Gardener](#) Provides homeschooling parents with tips and strategies for fully educating their children and instilling Christian values. Sweet Journey A Bible Study "Whether you are struggling with anger, fear, worry, depression, loneliness, or just want a closer relationship with Jesus, Sweet Journey is a Bible study leading you in the right direction. As a Tutus 2 woman, Teri Maxwell shares her biblical, and personal, experience in the foundations of a sweet journey with Jesus Christ. You will develop the basis for what makes the journey sweet and discover direction for solutions to your problems, whether those problems are simple or seemingly impossible. Sweet Journey is written in Bible study format and can be used by individuals, groups, and moms with their daughters."--Page 4 of cover. Keeping Our Children's Hearts Our Vital Priority [Communication Concepts](#) Steven and Teri Maxwell believe the key factors in raising children in the nurture and admonition of the Lord (Ephesians 6:4) are whether or not the parents have their children's hearts and what they are doing with those hearts. Keeping Our Children's Hearts offers direction and encouragement on this critically important topic. --from publisher description. Keep a Quiet Heart [Revell](#) When life gets too busy, too impersonal, and too much to handle, it's time to turn to God for some peace and quiet. Keep a Quiet Heart is a unique collection of some of Elisabeth's best work from her newsletter. More than 100 short passages offer a bit of relief from everyday life as they point the reader toward the everlasting love and peace of God. Becoming MomStrong Bible Study A Six-Week Journey to Discover Your God-Given Calling [NavPress](#) A six-week guided journey of learning to trust God with your deepest parenting questions. There's nothing wrong with good advice—but today's moms need so much more than that. We moms are crying out for true wisdom and strength that will teach us how to parent our kids well, and to help us navigate challenges and cultural issues previous generations never saw coming. Packed with Biblical truth, it opens up opportunities for honest discussion of vital issues with all your children. *From Patriarchs to Prophets A Poetic Anthology of the Old Testament* [WestBow Press](#) Are you looking for a new way to experience your Bible? Then this book is for you! *From Patriarchs to Prophets* presents a classic rendering of the great stories of the Old Testament expressed through poetry. These delightful poems are sure to help you capture and experience the Bible in a captivating and easy-to-understand way. Whether read alone or in correlation with devotional or Sunday school materials, *From Patriarchs to Prophets* delivers stunning spiritual insights and sound scriptural guidance while remaining engaging and easy to read. It is a must-have for any poetry collection. *Girl, Arise! A Catholic Feminist's Invitation to Live Boldly, Love Your Faith, and Change the World* [Ave Maria Press](#) Is it possible to be both a Catholic and a feminist? Claire Swinarski, writer and creator of *The Catholic Feminist* podcast, believes it is: "I'm a feminist for the same reason I'm bold and honest and sometimes ragey: because Jesus was all of those things." In *Girl, Arise!*, Swinarski reconciles the two identities by demonstrating the strength and abilities women have to share with the Body of Christ, the importance of women throughout the history of the faith, and how the love you experience through Christ and the Church can change you and the world around you. In *Girl, Arise!: A Catholic Feminist's Invitation to Live Boldly, Love Your Faith, and Change the World* Swinarski points out that while both "feminism" and "Catholicism" can mean different things to different people, both feminists and Catholics desire to make the world a better, fairer place. And she shows that by treating women with dignity equal to that of men—by calling them his friends and teaching them—Jesus acted as a feminist as well. With humor and sass, Swinarski addresses her frustration with the traditional concerns churches ascribe to women, as shown by the many talks directed at women focused on marriage and modesty rather than social justice. But she pinpoints the areas where modern feminism goes too far, arguing against abortion and exploring what it means to serve others rather than focus on our own needs first. Swinarski also tells the stories of holy women—including Vashti in the book of Esther, Sts. Thérèse of Lisieux and Joan of Arc, Mary Magdalene, and the Blessed Virgin Mary—to show how their faith influenced their actions, even when those actions went against traditional norms and roles of women. You will be empowered to embrace your God-given abilities as you follow the women who have gone before you in faith who—by announcing Christ to his disciples, believing in God's promises, and being faithful in hardship—changed the world. *Religion's Cell Doctrines of the Church That Lead to Bondage and Abuse* [AuthorHouse](#) *Religion's Cell* by Cynthia McClaskey is a masterful exploration of the ways in which organized religion has, through the centuries, systematically denied woman her proper role in the church and the world. Beginning with a firsthand account of her own subjugation within a fundamentalist sect, McClaskey moves forward with detailed and extensively referenced explanations of the God-intended role of woman. Along the way, she provides explanations of how man, in seeking to retain power and authority in both religion and the world, has relegated woman to a subservient position in both areas, in violation of God's intended plan. McClaskey's evidence is compelling and her logic flawless as she argues against the God-as-stern-judge mentality that permeates most modern religious sects and emphasizes the true nature of God as a loving father --a father who wants only the best for both genders of His crowning creation. She points out that Christ surrounded himself with women and that women played major roles in the early years of Christianity, providing copious scriptural support for her position. In *Religion's Cell*, McClaskey has issued a clarion call for true gender equality, both inside and outside organized religion. This is a book women will want to read and men should be required to read. *Internment* [Little, Brown Books for Young Readers](#) An instant *New York Times* bestseller! "Internment sets itself apart...terrifying, thrilling and urgent."--*Entertainment Weekly* *Rebellions* are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, *Internment* challenges readers to fight complicit silence that exists in our society today. *The Four-Hour School Day How You and Your Kids Can Thrive in the Homeschool Life* [Zondervan](#) Giving your child a quality education experience for a life of happiness and purpose is possible--and it only takes four hours a day or less! The Successful Homeschool Family Handbook A Creative and Stress-free Approach to Homeschooling [Thomas Nelson Incorporated](#) A creative and stress-free approach to homeschooling. Formation of Character [Simon and Schuster](#) Formation of Character is the fifth volume of Charlotte Mason's Homeschooling series. The chapters stand alone and are valuable to parents of children of all ages. Part I includes case studies of children (and adults) who cured themselves of bad habits. Part II is a series of reflections on subjects including both schooling and vacations (or "stay-cations" as we now call them). Part III covers various aspects of home schooling, with a special section detailing the things that Charlotte Mason thought were important to teach to girls in particular. Part IV consists of examples of how education affected outcome of character in famous writers of her day. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by s Hints on Child-training As Christmas approaches, Katie makes time to help others find the Christmas spirit as the magic wind first switches her with a Christmas tree farm employee, then with an unusual character at North Pole Winter Fun Park. Curriculum Theory Conflicting Visions and Enduring Concerns [SAGE Publications](#) The Second Edition of Curriculum Theory: Conflicting Visions and Enduring Concerns by Michael Stephen Schiro presents a clear, unbiased, and rigorous description of the major curriculum philosophies that have influenced educators and schooling over the last century. The author analyzes four educational visions—Scholar Academic, Social Efficiency, Learner Centered, and Social Reconstruction—to enable readers to reflect on their own educational beliefs and more productively interact with educators who might hold different beliefs. The Mother's Book Parents and Children Homeschool Bravely How to Squash Doubt, Trust God, and Teach Your Child with Confidence [Moody Publishers](#) Quiet the voices of "not good enough" and step courageously into guilt-free homeschooling Many homeschool parents have a long-term relationship with self-doubt. "Did I make the right decision?" "Could someone else do this better?" "Am I robbing my kids of something by not sending them to 'regular school'?" What if there's a better way? Not a 3-step technique or a shiny, new curriculum, but a change in perspective that transforms the way you plan, teach, and homeschool? Homeschool Bravely teaches you to see homeschooling as a calling, helps you overthrow the tyranny of impossible expectations, and guides you through the common bumps in the road, including how to: juggle school and parenting with toddlers at home teach a struggling learner plan with the end in mind accept your own limitations without feeling guilty stay the course even in the face of criticism Reclaim your hope, renew your purpose, and transform your homeschool. Because the truth is: God will use every part of your homeschool, even your fears, faults, and failures, to weave good plans for your kids. Create a Better Brain Through Neuroplasticity A Manual for Mamas [No Greater Joy Ministries](#) What if you could equip your child's brain so they can be happier, more self-disciplined, self-confident, and self-motivated? It's a Numberful World How Math Is Hiding Everywhere [The Experiment](#) 2021 Mathical Honor Book Why aren't left-handers extinct? What makes a rainbow round? How is a pancreas . . . like a pendulum? Publisher's note: It's a Numberful World was published in Australia under the title Woo's Wonderful World of Maths. These may not look like math questions, but they are—because they all have to do with patterns. And mathematics, at heart, is the study of patterns. That realization changed Eddie Woo's life—by turning the "dry" subject he dreaded in high school into a boundless quest for discovery. Now an award-winning math teacher, Woo sees patterns everywhere: in the "branches" of blood vessels and lightning, in the growth of a savings account and a sunflower, even in his morning cup of tea! Here are twenty-six bite-size chapters on the hidden mathematical marvels that encrypt our email, enchant our senses, and even keep us alive—from the sine waves we hear as "music" to the mysterious golden ratio. This book will change your mind about what math can be. We are all born mathematicians—and It's a Numberful World. Critical Pedagogy and the Everyday Classroom [Springer Science & Business Media](#) Critical Pedagogy addresses the shortcomings of mainstream educational theory and practice and promotes the humanization of teacher and student. Where Critical Pedagogy is often treated as a discourse of academics in universities, this book explores the applications of Critical Pedagogy to actual classroom situations. Written in a straight-forward, concise, and lucid form

by an American high school teacher, drawing examples from literature, film, and, above all, the everyday classroom, this book is meant to provoke thought in teachers, students and education activists as we transform our classrooms into democratic sites. From grading to testing, from content area disciplines to curriculum planning and instruction, from the social construction of knowledge to embodied cognition, this book takes the theories behind Critical Pedagogy and illustrates them at work in common classroom environments. For Instruction in Righteousness The Bible contains everything we need to know about child training. For Instruction in Righteousness is simply a handbook to help you use the Bible as you train up your children for the Lord. Use this book as a quick reference during everyday discipline situations, as a manual for family worship, as a guide to personal Bible study. Find out what God says about sins, what he promises will happen to the sinner, how he blesses those who obey. Take those truths from scripture and use them as a pattern for practical discipline and reward ideas to use with your children! - Back cover. Cleverlands The secrets behind the success of the world's education superpowers [Unbound Publishing](#) As a teacher in an inner-city school, Lucy Crehan was exasperated with ever-changing government policy claiming to be based on lessons from 'top-performing' education systems. She resolved to find out what was really going on in the classrooms of countries whose teenagers ranked top in the world in reading, maths and science. Cleverlands documents Crehan's journey around the world, weaving together her experiences with research on policy, history, psychology and culture to offer extensive new insights into what we can learn from these countries. God's Harvard A Christian College on a Mission to Save America [HMH](#) Behind the scenes at Patrick Henry College: "A deft and honest narrative of evangelical education . . . historical background, close observation and skeptical wit" (Publishers Weekly). One of the Christian Science Monitor's annual "Books We Liked Best" Take a walk down the halls and into the dorms and hearts of tiny Patrick Henry College, a Christian school just outside the nation's capital, where ambitious young evangelicals are groomed to become tomorrow's conservative elite. The future front lines of politics, entertainment, and science will be commanded by these idealistic graduates, who plan to lead the battle in reclaiming a godless nation. God's Harvard reveals the evangelical movement at a moment of crisis and climax, its future leaders struggling to resist the temptations of modern life even as they try to remake the world in their image. This is a vibrant, insightful look at kids who may very well be in charge of our country one day. "A rare accomplishment for many reasons—perhaps most of all because Rosin is a journalist who not only reports but also observes deeply." —San Francisco Chronicle "Rosin is at her best when chronicling sympathetically the lives of these young evangelicals, as ambitious as their secular peers but single-minded in their focus on politics." —Chicago Tribune "Nuanced and highly readable . . . With her feisty, richly detailed prose." —The Washington Post Mother, Mother A Novel [Broadway Books](#) The disturbing fate of a runaway older sister is gradually revealed in a tale told from the perspectives of the Hurst family, including a teen girl whose drug use has landed her in a mental ward, an autistic youth, an alcoholic father, and an insidiously manipulative mother. Raising Godly Tomatoes Loving Parenting with Only Occasional Trips to the Woodshed Vintage Jesus Timeless Answers to Timely Questions [Crossway Books](#) Great for nonbelievers and new Christians, this work of popular-level theology introduces the person and work of Christ by answering a series of questions about Jesus. Now in paperback. Encyclopedia of Early Childhood Education [Routledge](#) This Encyclopedia is a reference work about young children in the USA, designed for use by policy makers, community planners, parents of young children, teacher and early childhood educators, programme and school administrators, among others. The field of early childhood education has been affected by changes taking place in the nation's economy, demographics, schools, communities and families that influence political and professional decisions. These diverse historical, political economic, socio-cultural, intellectual and educational influences on early childhood education have hindered the development of a clear definition of the field. The Encyclopedia provides an opportunity to define the field against the background of these influences and relates the field of early childhood education to its diverse contexts and to the cultural and technological resources currently affecting it. Teach Your Own The John Holt Book of Homeschooling [Da Capo Press](#) Focuses on how to raise children as learners more than how to create a school within one's household. Searching for Home [HarperCollins Australia](#) They have almost everything in common...except the thing that could keep them apart. Much to her Amish mother's exasperation, Bay Stutzman isn't looking for a husband. That is, until a buggy accident on a stormy night leads to meeting handsome greenhouse owner David Jansen — who might just be Bay's perfect match. The only problem? David is a Mennonite. Now Bay is torn between her life among the Amish...and the man she can't envision a life without. Mills & Boon Love Inspired — Heartfelt stories that show that faith, forgiveness and hope have the power to lift spirits and change lives. Biblical Womanhood A Study Guide This is a twelve-week course intended to teach young women what God wants them to be taught about biblical womanhood. The Church needs older women to step up to the plate and begin obeying God in this area. What if older women feel disqualified? If you are a godly, older woman, you ARE qualified according to God! Here are the qualifications for older women: "that they be in behavior, not false accusers, not given to much wine, teachers of good things" (Titus 2:3) and the "good things" they are commanded to teach are listed in Titus 2:4, 5. "That they may teach the young women to be sober, to love their husband, to love their children, to be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed."
