Composite materials have extensively been used in engineering problems. Quasi-brittle materials including concrete, cement pastes, rock, soil, etc. all benefit from these developments. Layered materials and especially thin film/substrate systems are becoming important in small volume systems used in micro and nanoelectromechanical systems (MEMS and NEMS). Nanostructured materials are being introduced in our every day life. In all these problems fracture mechanics plays a major role for the prediction of failure and safe design of materials and structures. These new challenges motivated the author to proceed with the second edition of the book. The second edition of the book contains four new chapters in addition to the ten chapters of the first edition. The fourteen chapters of the book cover the basic principles and traditional applications, as well as the latest developments of fracture mechanics as applied to problems of composite materials, thin films, nanoindentation and cementitious materials. Thus the book provides an introductory coverage of the traditional and contemporary applications of fracture mechanics in problems of utmost technological importance. With the addition of the four new chapters the book presents a comprehensive treatment of fracture mechanics. It includes the basic principles and traditional applications as well as the new frontiers of research of fracture mechanics during the last three decades in topics of contemporary importance, like composites, thin films, nanoindentation and cementitious materials. The book contains fifty example problems and more than two hundred unsolved problems. A "Solutions Manual" is available upon request for course instructors from the author. Short-Straw Bride (The Archer Brothers Book #1) Baker Books Lighthearted Historical Romance From a Rising Star No one steps on Archer land. Not if they value their life. But when Meredith Hayes overhears a lethal plot to burn the Archer brothers off their ranch, a twelve-year-old debt compels her to take the risk. Fourteen years of constant vigilance hardens a man. Yet when Travis Archer confronts a female trespasser with the same vivid blue eyes as the courageous young girl he once aided, he can't bring himself to send her away. And when an act of sacrifice leaves her injured and her reputation in shreds, gratitude and guilt send him riding to her rescue once again. Four brothers. Four straws. One bride. Despite the fact that Travis is no longer the gallant youth Meredith once dreamed about, she determines to stand by his side against the enemy that threatens them both. But will love ever be hers? Or will Travis always see her merely as a short-straw bride? Solutions Manual to Accompany Intermediate Public**

Economics *MIT Press (MA)* A solutions manual for all 582 exercises in the second edition of *Intermediate Public Economics*. **Hands Off My Gun Defeating the Plot to Disarm America** *Center Street* Respected conservative talk show host, blogger and TV commentator Dana Loesch gives her views on the history and intent of the Second Amendment and discusses what she believes gun confiscation would mean to Americans' basic rights as citizens. How many people in America today are truly well-versed in the history of the Second Amendment, and why it was included in the Bill of Rights? In **HANDS OFF MY GUN**, Dana Loesch explains why the Founding Fathers included the right to bear arms in the Bill of Rights, and argues that "gun control" regulations throughout history have been used to keep minority populations under control. She also contends that current arguments in favor of gun control are primarily based on emotions and fear. This narrative is a must-read for every Second Amendment supporter. Dana Loesch is a determined and fierce advocate for those rights and shouts out: hands off my gun! **RoSPA Road Safety Engineering Manual** *Distributed Databases Principles and Systems* **America's Cheapest Family Gets You Right on the Money** *Your Guide to Living Better, Spending Less, and Cashing in on Your Dreams* *Currency* Do you have too much month at the end of your money? Against the Grain A Carpentry Manual for Women *Iowa City Womens Press* **The Commander of the Faithful: the Moroccan Political Elite --a Study in Segmented Politics** *Studies of post-colonial government have had great difficulty in establishing either an intellectual standpoint from which to depict, or a moral one from which to judge. Waterbury's view of Morocco's political elite depicts a part of the politics of the early 20th century. The authors tells about the political elites and their various backgrounds. There is also a history of the political system as well as the creation of political parties in Morocco. Heal Your Headache* *Workman Publishing* **Based on the breakthrough understanding that virtually all headaches are forms of migraine--because migraine is not a specific type of headache, but the built-in mechanism that causes headaches of all kinds, along with neck stiffness, sinus congestion, dizziness, and other problems--Dr. Buchholz's Heal Your Headache puts headache sufferers back in control of their lives with a simple, transforming program: Step 1: Avoid the "Quick Fix." Too often painkillers only make matters worse because of the crippling complication known as rebound. Step 2: Reduce Your Triggers. The crux of the program: a migraine diet that eliminates the foods that push headache sufferers over the top. Step 3: Raise Your Threshold. When diet and other lifestyle changes aren't enough, preventive medication can help stay the course. That's it: in three steps turn your headache problems around. The Shadow of His Wings** *Ignatius Press* **We had to do it. We had to reprint this book. Rarely has a book had such an impact on so many of us here at Ignatius Press. It is one of the most powerful and moving books we have come across. If you can only buy one book this season, this must be the one. Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II. Without betraying his Christian ideals, against all odds, and in the face of Evil, Gereon Goldmann was able to complete his priestly training, be ordained, and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war. How it all came to pass will astound you. Father Goldmann tells of his own incredible experiences of the trials of war, his many escapes from almost certain death, and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith. What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love, prayer, faith, and sacrifice.
