How Great Women Lead A Mother-Daughter Adventure into the Lives of Women Shaping the World [Hachette UK](#) In boardrooms and lecture halls, on the field and at home, strong female leaders are making a statement around the globe. In **How Great Women lead** Bonnie St. John and her teenage daughter, Darcy Deane, explore the qualities that motivate some of the world's most powerful women. Through engaging, out-of-the-spotlight interchanges, the authors discover commonly held values, behaviors, and attitudes, as well as the subtle, special skills inherent in female leaders. From the ethics of Dr. Condoleeza Rice to the fortitude of Hillary Rodham Clinton to the enthusiasm of Teach for America founder Wendy Kopp and the discipline of Geena Davis, each woman in this book shares the exciting story of her rise to the top and the unique qualities it took to get there. **Mother Daughter Me A Memoir** [Random House Trade Paperbacks](#) The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence" with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for **Mother Daughter Me** "The most raw, honest and engaging memoir I've read in a long time."—KJ Dell'Antonia, *The New York Times* "A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read."—Abraham Verghese, author of *Cutting for Stone* "Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine."—Cathi Hanauer, *Elle* "[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative."—Steven Winn, *San Francisco Chronicle* "A touching saga that shines . . . We see how years-old unresolved emotions manifest."—Lindsay Deutsch, *USA Today* "[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness."—Erica Jong, *People* "An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening."—*Harper's* "Heartbreakingly honest, yet not without hope and flashes of wry humor."—*Kirkus Reviews* "[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again."—*O: The Oprah Magazine* (Ten Titles to Pick Up Now) **Mothers, Daughters, and Body Image Learning to Love Ourselves as We Are** [Post Hill Press](#) When women are told that what is important about us is how we look, it becomes increasingly difficult for us to feel comfortable with our appearance and how we feel about our bodies. We are told, over and over—if we just lost weight, fit into those old jeans, or into a new smaller pair—we will be happier and feel better about ourselves. The truth is, so many women despise their appearance, weight, and shape, that experts who study women's body image now consider this feeling to be normal. But it does not have to be that way. It is possible for us as women to love ourselves, our bodies, as we are. We need a new story about what it means to be a woman in this world. Based on her original research, Hillary L McBride shares the true stories of young women, and their mothers, and provides unique insights into how our relationships with our bodies are shaped by what we see around us and the specific things we can do to have healthier relationships with our appearance, and all the other parts of ourselves that make us women. In **Mothers, Daughters, and Body Image** McBride tells her own story of recovery from an eating disorder, and how her struggles led her to dream of a new vision for womanhood—from one without body shame, negative comparisons, or insecurities, to one of freedom, connection, and acceptance. **Because I Love Her** [Harlequin](#) This profound and poignant collection highlights some of the best literary writers of our time in an era when the roles of mothers and daughters are constantly being questioned and redefined. **Because I Love Her** explores the deepest bonds and truths of motherhood by sharing stories

and secrets of becoming a mother and grandmother. Ranging from established and bestselling authors to exciting new voices, these women reveal what their mothers taught them, what they in turn hope to impart to their daughters and, finally, what they've learned as a bridge between the two. **The Mothers and Daughters of the Bible Speak Lessons on Faith from Nine Biblical Families** [HarperCollins](#) God always keeps His promises, but not always in the way we expect.... "Have faith" is a phrase we hear all the time. But what does it actually look like to live it out? In **The Mothers and Daughters of the Bible Speak**, Shannon Bream examines the lives of biblical women to see how God's plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son, Moses, from Pharaoh. Could Jochebed have imagined that God's actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son's place in history. And a daughter, Michal, struggled to keep her faithless father, Saul, from sin, while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family—and how God's unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. **The Mothers and Daughters of the Bible Speak** shows that faith is more often a twisting road than a straight line. Yet, as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine. **Supplemental enhancement PDF accompanies the audiobook.** **Women of Color Mother-Daughter Relationships in 20th-Century Literature** [University of Texas Press](#) Interest in the mother-daughter relationship has never been greater, yet there are few books specifically devoted to the relationships between daughters and mothers of color. To fill that gap, this collection of original essays explores the mother-daughter relationship as it appears in the works of African, African American, Asian American, Mexican American, Native American, Indian, and Australian Aboriginal women writers. Prominent among the writers considered here are Toni Morrison, Alice Walker, Maxine Hong Kingston, Cherrie Moraga, Leslie Marmon Silko, and Amy Tan. Elizabeth Brown-Guillory and the other essayists examine the myths and reality surrounding the mother-daughter relationship in these writers' works. They show how women writers of color often portray the mother-daughter dyad as a love/hate relationship, in which the mother painstakingly tries to convey knowledge of how to survive in a racist, sexist, and classist world while the daughter rejects her mother's experiences as invalid in changing social times. This book represents a further opening of the literary canon to twentieth-century women of color. Like the writings it surveys, it celebrates the joys of breaking silence and moving toward reconciliation and growth. **The Mother Daughter Connection Building a Lifelong Bond with Your Daughter** [Thomas Nelson](#) The Mother Daughter Connection is a book designed to help mothers form intimate, working relationships with their daughters by giving mothers an insider's view of their daughters' thoughts and feelings. The editor of *Brio* magazine for girls and a veteran youth expert, Susie Shellenberger helps mothers understand the angst and confusion teen girls feel when coping with such issues as body image, fashion envy, dating, fear of failure, and sharing one's faith. With creative questions, conversation starters, and diary entries, mothers are given the tools to not only help their daughters, but also to learn the "stuff they gotta know" to help their daughters survive the teenage years. **The Mother-Daughter Book Club** [Simon and Schuster](#) Acclaimed author Heather Vogel Frederick will delight daughters of all ages in a novel about the fabulousness of fiction, family, and friendship. The book club is about to get a makeover.... Even if Megan would rather be at the mall, Cassidy is late for hockey practice, Emma's already read every book in existence, and Jess is missing her mother too much to care, the new book club is scheduled to meet every month. But what begins as a mom-imposed ritual of reading *Little Women* soon helps four unlikely friends navigate the drama of middle school. From stolen journals, to secret crushes, to a fashion-fiasco first dance, the girls are up to their Wellie boots in drama. They can't help but wonder: What would Jo March do? Here for **You Creating a Mother-Daughter Bond That Lasts a Lifetime** [Bethany House Pub](#) "Encouragement and advice for building and strengthening a lifelong bond between moms and their teen daughters. Draws from biblical examples and the authors' own experience in working with teen girls"--Provided by publisher. **Of Women and Salt A Novel** [Flatiron Books](#) AN INSTANT NEW YORK TIMES BESTSELLER THE WASHINGTON POST NOTABLE BOOK OF 2021 A GOOD MORNING AMERICA BOOK CLUB PICK WINNER of the Isabel Allende Most Inspirational Fiction Award, She Reads Best of 2021 Awards • FINALIST for the 2022 Southern Book Prize • LONGLISTED for Crook's Corner Book Prize • NOMINEE for 2021 GoodReads Choice Award in Debut Novel and Historical Fiction A sweeping, masterful debut about a daughter's fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the daughter of a neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From 19th-century cigar factories to present-day detention centers, from Cuba to Mexico, Gabriela Garcia's *Of Women and Salt* is a kaleidoscopic portrait of betrayals—personal and political, self-inflicted and those done by others—that have shaped the lives of these extraordinary women. A haunting meditation on the choices of mothers, the legacy of the memories they carry, and the tenacity of women who choose to tell their stories despite those who wish to silence them, this is more than a diaspora story; it is a story of America's most tangled, honest, human roots. **A Voice Becoming A Yearlong Mother-Daughter Journey into Passionate, Purposed Living** [FaithWords](#) In **A VOICE BECOMING**, Beth Bruno helps mothers cast a Godly vision for their daughters and chart a course that will prepare their daughters for womanhood. What if you as a mother concentrated on your daughter for one year? Who might she become? **A VOICE BECOMING** is for moms who want to usher their daughters into womanhood but know they need more than tips, techniques, and programs.

This is for moms who to desire to chart a course for their daughters that helps them know the story of God they are entering and the global sisterhood of women they are joining. A VOICE BECOMING is written by a fellow sojourner, still in the middle of the journey, processing her own story as she casts a vision for her daughter to discover hers. Sometimes road maps are too restrictive and a friend is needed who has made the journey already. Beth Bruno seeks to activate moms by infusing them with hope and vision. Readers will join Beth in a yearlong journey of teaching their daughters that women lead, women love, women fight, women sacrifice, and women create. Moms learn how to use film and books, tangible experiences, volunteering, interviewing other women, traveling, and more in a creative and life-altering way to help solidify these important concepts in the mind and life of their young teen. **Becoming My Mother's Daughter A Story of Survival and Renewal** [Wilfrid Laurier Univ. Press](#) **Becoming My Mother's Daughter: A Story of Survival and Renewal** tells the story of three generations of a Jewish Hungarian family whose fate has been inextricably bound up with the turbulent history of Europe, from the First World War through the Holocaust and the communist takeover after World War II, to the family's dramatic escape and emigration to Canada. The emotional centre and narrative voice of the story belong to Eva, an artist, dreamer, and writer trying to work through her complex and deep relationship with her mother, whose portrait she cannot paint until she completes her journey through memory. The core of the book is Eva's riveting recollection of the last months of World War II in Budapest, seen through a child's eyes, and is reminiscent in its power of scenes in Joy Kogawa's *Obasan*. Exploring the bond between generations of mothers and daughters, the book illustrates the struggle between the need for independence and the search for continuity, the significant impact of childhood on adult life, the reshaping of personality in immigration, the importance of dreams in making us face reality, and the redemptive power of memory. Illustrations by the author throughout the book, some in colour, enhance the story. **Her Mother's Daughter A Novel** [Open Road Media](#) Famed feminist Marilyn French's life-affirming saga celebrates the love and sacrifices of four generations of Polish-American mothers and daughters. With Bella Dabrowski close to death, her daughter Anastasia, who has reinvented herself as Stacey Stevens, is trying to penetrate the longstanding barriers between them to understand the woman who gave her life. Through the eyes of Stacey, a divorced, feminist New York photographer, we get to know Bella, a remarkable woman, wife, and mother. The daughter of Polish immigrants, Bella, who renamed herself Belle, clawed her way out of poverty and settled into a middle-class existence. Shifting perspectives between the two women, the reader is drawn into Belle's life through the lean years of the Depression as well as Stacey's recollections of her youthful marriage, a lesbian affair, and her tempestuous relationship with her own daughter, Arden. From the groundbreaking author of *The Women's Room*, **Her Mother's Daughter** explores past and present to reveal the complex, indestructible bonds between daughters and mothers. **The Mother-Daughter Puzzle A New Generational Understanding of the Mother-Daughter Relationship** Rosjke Hasseldine, an international expert on the mother-daughter relationship, provides a step-by-step guide on how to map your mother-daughter history, claim your voice, and enjoy an emotionally connected, mutually supportive mother-daughter bond. **8 Great Dates for Moms and Daughters How to Talk About True Beauty, Cool Fashion, and...Modesty!** [Harvest House Publishers](#) With all the pressures and influences of today's world, Christian moms worry about their little girls and how they will grow up. Quality time between a mom and a daughter can be the greatest protection against the world's pressures to make a girl mature too quickly. Knowing this, Dannah Gresh, popular speaker and founder of the Secret Keeper Girl conferences, has developed a host of dating ideas to help moms invest the time needed to deeply connect with their daughters. **8 Great Dates** includes fun mother-daughter get-togethers, perfect one-on-one or for a small group of moms and their energetic 8-12 year-old daughters. Each date focuses on one topic surrounding beauty and modesty and is full of fun while at the same time imparting a life and faith-enhancing message. The book provides a mom with everything she needs to plan and carry out the activities and includes topics such as: The power of true beauty—what makes a girl beautiful? Truth or bare fashions—how to balance fashion and godly modesty Hair, makeup and clothes—who should be your model? Here's the secret to bringing up healthy, grounded, and spiritually rich girls! **Somebody's Daughter A Memoir** [Flatiron Books: An Oprah Book](#) **INSTANT NEW YORK TIMES BESTSELLER NBCC John Leonard Prize Finalist Indie Bestseller** "This is a book people will be talking about forever." —Glennon Doyle, #1 New York Times bestselling author of *Untamed* "Ford's wrenchingly brilliant memoir is truly a classic in the making. The writing is so richly observed and so suffused with love and yearning that I kept forgetting to breathe while reading it." —John Green, #1 New York Times bestselling author One of the most prominent voices of her generation debuts with an extraordinarily powerful memoir: the story of a childhood defined by the looming absence of her incarcerated father. Through poverty, adolescence, and a fraught relationship with her mother, Ashley C. Ford wishes she could turn to her father for hope and encouragement. There are just a few problems: he's in prison, and she doesn't know what he did to end up there. She doesn't know how to deal with the incessant worries that keep her up at night, or how to handle the changes in her body that draw unwanted attention from men. In her search for unconditional love, Ashley begins dating a boy her mother hates. When the relationship turns sour, he assaults her. Still reeling from the rape, which she keeps secret from her family, Ashley desperately searches for meaning in the chaos. Then, her grandmother reveals the truth about her father's incarceration . . . and Ashley's entire world is turned upside down. **Somebody's Daughter** steps into the world of growing up a poor Black girl in Indiana with a family fragmented by incarceration, exploring how isolating and complex such a childhood can be. As Ashley battles her body and her environment, she embarks on a powerful journey to find the threads between who she is and what she was born into, and the complicated familial love that often binds them. **Daughters Affected by Their Mother Issue A nonfictional account** [Covenant Books, Inc.](#) This book is a breath of fresh air to those women who suffer uncontrollable (non PMS related) emotional upheavals that appear as grief, anger, depression or even consistent broken relationships. An orphan phenomenon occurs when a person feels consistently abandoned, and this may even be experienced as an adult. To any woman suffering this affliction, you are not crazy, but it's likely your circumstances were. This book allows you to be a vicarious witness to dysfunctional circumstances that introduced an orphan spirit

into the lives of those abandoned. The thief who steals, kills and destroys causes the withholding of the love we all need to survive. This work is written from the author's personal autobiographic perspective to identify poisonous dysfunction in mother-daughter relationships. Therapists agree that unidentified and unresolved emotional issues with the mother (of a woman or man) may lead to a debilitation that is difficult to overcome. The author takes a thoughtful look at her own mother-daughter dynamic, with the hope it may help other women. It is likely that many a daughter (or mother) has gone for professional counseling to find relief, and bravo for those who realized victory in therapy. However the author notes the majority of her epiphanies came from within, and not as a result of counseling. Something identified as a help to her perspective were the years she spent working as a psychological evaluation transcriptionist for five therapists and a psychiatrist. The author transcribed the therapist's psychological evaluations of adolescent girls in the court mandated group home. The author came away knowing therapists are usually caring people, who have their own set of problems, and clay feet. We all are desperately in need the love of Jesus Christ. Our brokenness cannot be counseled away, and refuses to be hidden. **Mother/daughter Dyads Female Identity Construction in Three Contemporary Female Bildungsromane** In many contemporary female coming-of-age novels written by women, the mother-daughter relationship is depicted as one of the most significant factors that influence female identity. In these novels, as the adolescent female begins to mature and distance herself from the mother in an attempt for individuation, the mother-daughter relationship is characterized by conflict as the mother impedes the weakening of the mother-daughter bond. Because women are defined as relational and mothers are often overly attached to their daughters, the mother perceives her daughter as an extension of herself instead of a separate individual. As a result, the mother projects her unfulfilled aspirations onto her daughter which inhibits the daughter from achieving any real sense of agency. To a large extent, how a daughter is mothered will determine the woman she becomes. Three particular female Bildungsromane, April Sinclair's *Coffee Will Make You Black*, Lorrie Moore's *Who Will Run the Frog Hospital?*, and Danzy Senna's *Caucasia*, exemplify the adolescent female's attempt for self-identity despite the mother's hindrance. This study applies a psychoanalytical approach to explain the complexities of the mother-daughter dyad. In addition, social forces, such as race and class, which influence the mother-daughter relationship, are also considered since mothers and daughters do not live in a social vacuum, but rather, the social context in which the mother-daughter relationship is formed will to some extent determine the relationship. **The Mother Daughter Legacy How a Mother's Love Shapes a Daughter's Life** [Gospel Light Publications](#) Mothers will discover the legacy they can offer their daughters on a daily basis. Carole Lewis and her granddaughter, Cara Symank pay tribute to their own mothers who provided them a rich heritage both by word and example. Spanning the lives of four generations for women. **The Mother-Daughter Legacy** reveals how mothers can have a lasting impact on all areas of her daughter's life. In spite of the mistakes, times when you feel you have let your child down, all can be redeemed by God, yielding room for growth and betterment. **Will I Ever be Good Enough? Healing the Daughters of Narcissistic Mothers** [Simon and Schuster](#) A resource for daughters of mothers with narcissistic personality disorder explains how to manage feelings of inadequacy and abandonment in the face of inappropriate maternal expectations and conditional love, in a step-by-step guide that shares recommendations for creating a personalized program for self-protection and recovery. 50,000 first printing. **The Silent Female Scream** [Womens Bookshelf Pub](#) Through case studies and discussion, the author exposes that women's sense of self-worth and entitlement to speak their needs, especially in relationships, is an area that feminism has ignored to its peril. **(Women's Issues) Forging a Strong Mother-Daughter Bond Beyond Manipulation and Control** [New Growth Press](#) Moms want to be close to their daughters. Daughters (for the most part) want a good relationship with their moms. But when that relationship is strained by one person's attempt to control and manipulate, closeness is replaced by hurt, disappointment, anger, and fear. Leslie Vernick shares two stories of moms and daughters who learned how to move beyond the cycle of manipulation and control and give and share love honestly and without fear. By revealing how Christ calls and empowers us to love, she offers hope and practical help in breaking these destructive patterns of relating. **Every Mother Is a Daughter The Neverending Quest for Success, Inner Peace, and a Really Clean Kitchen (Recipes and Knitting Patterns Included)** [Ballantine Books](#) Mothers and daughters go through so much-yet when was the last time a mother and daughter sat down collectively to write a book together about it all? Perri Klass and her mother, Sheila Solomon Klass, both gifted professional writers, prove to be ideal collaborators as they examine their decades of motherhood, daughterhood, and the wonderful, if sometimes fraught, ways their lives have overlapped. Perri notes with amazement how closely her own life has mirrored her mother's: Both have full-time careers (Perri is a pediatrician; Sheila is recently retired from a long career as a college English professor but goes on teaching); both have published books, articles, and stories; each has three children; they both love to read, and to pass books back and forth. They also love to travel-in fact, they often take trips together (and live to tell the tale). But in truth, the harder they look at their lives, the more Perri and Sheila acknowledge their profound differences in circumstance and temperament. **A Child of the Depression**, Sheila was raised in Brooklyn by Orthodox Jewish parents who considered education an unnecessary luxury for girls. Starting with her college education, she has fought for everything she's ever accomplished. Perri, on the other hand, grew up privileged and rebellious in the New Jersey suburbs of the 1960s and 1970s. For Sheila, fanatically frugal, wasting time or money is a crime, and luxury is unthinkable while Perri enjoys the occasional small luxury, but has not been successful at enticing her mother into even the tiniest self-indulgence. Each writing in her own unmistakable voice, Perri and Sheila take turns exploring the joys and pains, the love and resentment, the petty irritations and abiding respect, that have always bound them together. Sheila recounts the adventure of giving birth to Perri in a tiny town in Trinidad where her husband was doing anthropological fieldwork. Perri confesses that she can't tame her domestic chaos even though she knows it drives her mother crazy. Sheila rhapsodizes about the bliss of becoming a grandmother. Perri marvels at her mother's fearless navigation of the New York City subways. Together they compare thoughts on bringing up children and working, confess long-hidden sorrows, relish precious memories-and even offer family recipes and knitting patterns. Looking

deep into the lives they have lived separately and together, Perri and Sheila tell their mother-daughter story with honesty, humor, zest, and mutual admiration. A memoir in two voices, *Every Mother Is a Daughter* is a duet that resonates with the experiences that all mothers and daughters will recognize. **The Mother-Daughter Project How Mothers and Daughters Can Band Together, Beat the Odds, and Thrive Through Adolescence** [Penguin](#) Few things are more meaningful—or more complicated—than mother-daughter relationships. This helpful parenting guide helps moms navigate their relationships with their daughters to create strong ties and a close, respectful connection that will last a lifetime. SuEllen Hamkins, MD, and Renée Schultz, MA, originally created the Mother-Daughter Project with other women in their community in the hopes of strengthening their bonds with their then seven-year-old girls. The group met regularly to speak frankly about such issues as friendships and aggression, puberty, body image, drugs, and sexuality. The results were amazing: confident, assertive teenage girls with strong self-images and close ties to their moms. Equally important, the mothers navigated their own concerns about adolescence with integrity and grace. From their dedication and efforts arose *The Mother-Daughter Project*, an incredibly useful parenting handbook that details the success of the Project's groundbreaking model, providing mothers with a road map for staying close with their own daughters through adolescence and beyond. **Your Special Gift A Preteen Primer to the Facts of Life** [Celestial Press](#) Having “the talk” can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in *Your Special Gift*, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. *Your Special Gift* is well-suited for children in the 8-to-12 year-old range. **Too Long a Child The Mother-daughter Dyad** [Free Assn Books](#) **Discovering the Inner Mother A Guide to Healing the Mother Wound and Claiming Your Personal Power** [HarperCollins](#) Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound—the systemic disenfranchisement of women by the patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, *Discovering the Inner Mother* revolutionizes how we view mother-daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately create a more equitable society for all. **Mildred's New Daughter Like mother, like daughter? How career women influence their daughters' ambition** [Policy Press](#) Women are encouraged to believe that they can occupy top jobs in society by the example of other women thriving in their careers. Who better to be a role model for career success than your mother? Paradoxically, this book shows that having a mother as a role model, even for graduates of top universities, does not predict daughters progressing in their own careers. It finds that mothers with careers, whilst highly influential in their daughters' choice of career path, rarely mentor their daughters as they progress. This is partly explained by ‘quiet ambition’ - the tendency of women to be modest about their achievements. Bigger issues are the twin pressures from contemporary motherhood and workplace culture that ironically lead career women's daughters to believe that being a ‘good mother’ means working part-time. This stalls career progress. Based on a large, cross-generational qualitative sample, this book offers a timely and original perspective on the debate about gender equality in leadership positions. **Mother Daughter Bond** [Xlibris Corporation](#) A story of a mother's unconditional love for her daughter. **The Gospel According to Mamma** [Annette Bridges](#) *The Gospel According to Mamma* is a collection of twenty-one extraordinary lessons the author learned from her charming and captivating mamma. These “mamma teachings” are packed with sassy inspiration, practical insights and real-life anecdotes. Leaving Georgia with her mamma late one September night when her daddy was en route to end their lives marked the beginning of a lifetime of instruction. How to maintain faith in God and yourself, love the hell out of folks and be happy when there's no obvious reason to be are just a few of the messages you'll find in this book. **PRAISE FOR THE GOSPEL ACCORDING TO MAMMA** “Annette's first book is a winner! She picked the perfect subject - her irrepressibly joyous mother, who has given her daughter important and inspiring words of wisdom to cherish. If you yearn to help your daughter navigate life experiences with assurance and spunk, give her *The Gospel According to Mamma*.” —Mary Jo Beebe, coauthor of *Jesus' Healings and New Testament Healings* “If only there were more mothers like Annette Bridges' mamma: always encouraging, always believing the best of her children, a ‘steel magnolia’ whose motherly advice is based on the Bible and common sense. Remembering events in her own past, Annette gives us 21 valuable life lessons based on the wisdom of her indefatigable Southern mamma.”—Renee Corley, former editor at UPI's [religionandspirituality.com](#) “Once

you get to the end of reading about Mamma and her wonderful lessons, you will walk away a little wiser. Annette puts life in perspective. She lives a fulfilling life, just as her Mamma taught her. Whether to find your faith, believe in your self or master the ability to see the good in others, Mamma lessons help you find the positive. There is much to learn from these strong and inspiring women.” —SingleMom.com “A look into the heart and soul of Annette Bridges. It could be anyone’s story, but it couldn’t be told any better.” —Bob Belcher, Managing Editor, Corsicana Daily Sun “For anyone who has ever had a mother (and you know who you are), synthesizing that experience can leave many of us speechless. It is ‘good news’ that Annette Bridges is at no loss for words. She liberally shares her mom’s gospel in deep drafts of down-to-earth good sense and faith, liberally laced with Southern humor.” —Susan J. Cobb, author of *Virgin Territory: How I Found My Inner Guadalupe* “Irresistibly heartfelt. Perfect for all mothers and daughters, past, present and future!” —Jennifer Bridges, author’s daughter and Ph.D. student “I have been hearing stories about Nellie, Annette’s Mamma for the last 25 years. Annette makes you feel like you are sitting down with her in her ranch house or on that beach she talks about going to while she shares her Mamma with you from her perspective, with the insights she has gained over her lifetime. I hope you enjoy getting to know Nellie and Annette, 2 Georgia peaches transplanted to Texas. I love the way Annette brings the Bible into her daily life and shares it with us so that we can feel the love of God that is so present today in her life and illustrates how the Bible can show us how to go in ours. Way to go Girlfriend... you finally did it! You wrote a book and it’s a winner! I can’t wait to share this with my family and friends!” —Kathy Glover, friend to both Annette and her mamma

The Mother / Daughter Plot Narrative, Psychoanalysis, Feminism [Indiana University Press](#) Mothers and daughters -- the female figures neglected by classic psychoanalysis and submerged in traditional narrative -- are at the center of this book. The novels of nineteenth- and twentieth-century women writers from the Western European and North American traditions reveal that the story of motherhood remains the unspeakable plot of Western culture. Focusing on the feminine and, more controversially, on the maternal, this book alters our perception of both the familial structures basic to traditional narrative -- the Oedipus story -- and the narrative structures basic to traditional representations of the family -- Freud's family romance. Confronting psychoanalytic theories of subject-formation with narrative theories, Marianne Hirsch traces the emergence and transformation of female family romance patterns from Jane Austen to Marguerite Duras.

Confident Moms, Confident Daughters Helping Your Daughter Live Free from Insecurity and Love How She Looks [Revell](#) Every mother wants her daughter to love the skin she's in, to be free of insecurity and poor body image. But no matter how much we try to tell our daughters that they are beautiful and lovable as they are, words are not enough. And if we're honest, we don't always set the best example of being body confident. Until we truly see ourselves as good enough, our girls will struggle. With deep compassion, Maria Furlough delves into the root causes of our insecurity, offers biblical guidance for seeing ourselves as God sees us, and shows how to model our newfound confidence to our impressionable daughters. Speaking as a daughter, a youth leader, and a mother, Furlough shares her own struggles and triumphs, as well as expert advice from a pediatrician, a nutritionist, a Christian counselor, and more. What we say to our daughters might last a moment. What we show our daughters lasts a lifetime. With God's help, we can put aside our obsession with bodily perfection and refocus on becoming and raising godly women.

The Heroines Club A Mother-Daughter Empowerment Circle Offering nourishing guidance and a creative approach for mothers and daughters, 7+, to learn and grow together through the study of women's history. Each month focuses on a different heroine-including Frida Kahlo, Amelia Earhart, Anne Frank, Maya Angelou and Malala Yousafzai as strong role models to learn about, look up to, and be inspired by. Mother Daughter Wisdom [Hay House, Inc](#) With such groundbreaking bestsellers as *Women’s Bodies*, *Women’s Wisdom* and *The Wisdom of Menopause*, Dr. Christiane Northrup is one of today’s most trusted and visionary medical experts. Now she presents her most profound and revolutionary approach to women’s health. . . .The mother-daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships—with food, with our children, with our mates, and with ourselves—is a reflection of those beliefs. Once we understand our mother-daughter bonds, we can rebuild our own health, whatever our age, and create a lasting positive legacy for the next generation. *Mother-Daughter Wisdom* introduces an entirely new map of female development, exploring the "five facets of feminine power," which range from the basics of physical self-care to the discovery of passion and purpose in life. This blueprint allows any woman—whether or not she has children—to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter, it will help her be the mother she has always wanted to be. Written with warmth, enthusiasm, and rare intelligence, *Mother-Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women.

Mother-daughter Wisdom Understanding the Crucial Link Between Mothers, Daughters, and Health [Bantam](#) Provides a new approach to women's health that draws on the unique bonds between mother and daughter to ensure a healthy future. **The Complete Mother-Daughter Book Club Collection** *The Mother-Daughter Book Club; Much Ado About Anne; Dear Pen Pal; Pies & Prejudice; Home for the Holidays; Wish You Were Eyre* [Simon and](#)

Schuster A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. **A Feminist Glossary of Human Geography** Routledge A Feminist Glossary of Human Geography is the first guide to the main theories, concepts and terms commonly used in geographical debates about gender relations. Written by key contributors to feminist theory, it contains over 400 lively and accessible definitions of the terms found in feminist debates which students of geography need to know. Four levels of entry are used - from 50 to 1500 words - taking account of the varying degrees of complexity of the terms covered. From 'AIDS' to 'witch', from 'abortion' to 'whiteness', this 'Glossary' is cross-referenced throughout and includes a comprehensive bibliography. It is an invaluable reference for anyone studying geography and gender, enabling them to approach the terminology of feminist theory and ideas with confidence. **Walking Together A Mother and Daughter's Journey Through Aging and Alzheimer's** White Poppy Press
