Illusions II The Adventures of a Reluctant Student *CreateSpace* This is the author's account of his near death and recovery from injuries received in the crash of his seaplane, Puff, in 2012. **Illusions The Adventures of a Reluctant Messiah** In the cloud-washed airspace between the cornfields of Illinois and blue infinity, a man puts his faith in the propeller of his biplane. For disillusioned writer and itinerant barnstormer Richard Bach, belief is as real as a full tank of gas and sparks firing in the cylinders...until he meets Donald Shimoda--former mechanic and self-described messiah who can make wrenches fly and Richard's imagination soar.... In Illusions, the unforgettable follow-up to his phenomenal bestseller *Jonathan Livingston Seagull*, Richard Bach takes to the air to discover the ageless truths that give our souls wings: that people don't need airplanes to soar...that even the darkest clouds have meaning once we lift ourselves above them... and that messiahs can be found in the unlikeliest places--like hay fields, one-traffic-light midwestern towns, and most of all, deep within ourselves. **There's No Such Place as Far Away** When she was about to turn five, a little girl named Rae Hansen invited Richard Bach to her birthday party. Though deserts, storms, mountains, and a thousand miles separated them, Rae was confident that her friend would appear. "There's No Such Place As Far Away" chronicles the exhilarating spiritual journey that delivered Rae's anxiously awaited guest to her side on that special day--and tells of the powerful and enduring gift that would keep him forever close to her heart. Written with the same elegant simplicity that made "Jonathan Livingston Seagull" a bestselling phenomenon, "There's No Such Place As Far Away" has touched the hearts of thousands of readers since its first publication in 1979. Richard Bach's inspiring, now-classic tale is a profound reminder that miles cannot truly separate us from friends...that those we

love are always with us--every moment of the infinite celebration we call life.

Biplane *Simon and Schuster* Biplane is the story of Richard Bach's solo flight into the American skies—a flight that became a personal quest to discover everything that lies beyond the ordinary. Includes an introduction by Ray Bradbury. **One Dell** In his latest novel One, phenomenally bestselling author Richard Bach asks the questions--what if we could meet the people we are destined to be in twenty years? What if we could confront the people we were in the past, and those we are right now in parallel lifetimes, in alternate worlds?

Illusions The Adventures of a Reluctant Messiah *Delta* In the cloud-washed airspace between the cornfields of Illinois and blue infinity, a man puts his faith in the propeller of his biplane. In Illusions, the unforgettable follow-up to his phenomenal bestseller Jonathan Livingston Seagull, Richard Bach takes to the air to discover the ageless truths that give our souls wings: that people don't need airplanes to soar...that even the darkest clouds have meaning once we lift ourselves above them... and that messiahs can be found in the unlikeliest places--like hay fields, one-traffic-light midwestern towns, and most of all, deep within ourselves.

Messiah's Handbook Reminders for the Advanced Soul In Richard Bach's best-selling book Illusions, the mysterious hero Donald Shimoda seems to carry the keys to the universe with him as he barnstorms the Midwest in a Travel Air biplane. Shimoda's secret is a small book, bound in what appears to be suede, called the Messiah's Handbook. This slim volume, which the hero frequently quotes, is said to contain "whatever you need to know." All Shimoda has to do is hold a question in his mind, close his eyes, open the book at random, open his eyes-- and the answer is there. Here, at last, is the "lost book" from Illusions--the Messiah's Handbook. Within these pages, you will find the answers to all your most important questions as well as answers to questions that you may have never thought to ask--until now.

Jonathan Livingston Seagull The Complete Edition *Simon and Schuster* "Includes the rediscovered part four"--Cover. **Out of My Mind** *Open Road Media* Thirteen stories of the past, present, and future from the Hugo Award-winning author of Stand on Zanzibar. In Out of My Mind, John Brunner, in mid-career, selects a double-handful and more of what he considers his best work to date, thirteen stories that represent—under the three categories in which he classifies them: Past, Present, Future—his most challenging and entertaining stories, from present-day fear of nuclear annihilation to a loving, yet also terrifying infinite loop in time that includes a sideways step outside the universe as we know it. Put yourself in the hands of a master and take your imagination for a series of thrill-rides. "One of the most important science fiction authors. Brunner held a mirror up to reflect our foibles because he wanted to save us from ourselves." —SF Site **Running from Safety An Adventure of the Spirit** *Random House Digital, Inc.* Fifty years after promising-- and forgetting--to come back through time and teach himself what he has learned about life, Richard meets nine-year-old Dickie Bach, who reminds him of the promise

Out of My Mind The Discovery of Saunders-Vixen STRANGER TO THE

GROUND *Simon and Schuster* Richard Bach's first book, *Stranger to the Ground* is above all else an insight into the character of a man whose great compulsion is to measure himself against storm and night and fear. On the surface it is the tale of a memorable mission of a young fighter pilot utilizing his skills in a lonely duel with death. Yet between the lines emerges the portrait of the airman as a breed, probing outward, but even more significantly, inward.

Life with My Guardian Angel

Rainbow Ridge Let's pretend that I was killed on that day, when I wasn't. The day when my guardian angel managed to throw my F-86F half a second from becoming a fireball in the desert, up into a clear sky, way above what would have been the impact point. If she hadn't done this, if she hadn't spared my life time after time in the 80-some years that we've been together, I wouldn't have written this book that brings those strange times together, and suggests why we choose any lifetime in the first place. For 78 of those years, I had no idea that she existed, hadn't heard about guardian angels and what their job might be. Hadn't heard that our angel stays with us from the minute we're born till the time that our mission is done, and we come home to the place we call heaven. Today I've just about finished a lifetime, and at last I can understand what it is that we do as mortals, and why we choose these over all the other possibilities. Thank you, dear guardian angel, and please consider that with your consent and signature, our contract will extend to yet another lifetime.

Illusions *Random House* When two barnstorming adventurers meet in the fields of the Midwest one of them begins to learn about the realities of his world and what caused a real Messiah to abandon his mission.

Nothing By Chance *Simon and Schuster* In *Nothing by Chance*, Richard Bach shares the adventure of one magical summer he spent as an old-fashioned barnstormer flying an antique biplane. The journey is another soaring adventure of wonder and insight from the author of *Jonathan Livingston Seagull*.

Travels with Puff A Gentle Game of Life and Death

More God Seeing The Blessings Through The Pain

WestBow Press On June 3rd, 2007, right after competing in his first surfing contest, Nate Lytle sensed that surfing may have become a distraction in hearing from God. As he drove home that night, Nate made a commitment to God that he wouldn't surf for a whole year. The next day Nate fell from the top of a ten foot ladder, shattering his skull and leaving him with a severe brain injury. Nate was not expected to live, and even if he did survive, the doctors said he would never walk, talk, or communicate again. As word spread about Nate's condition, his surfing buddies urged one another on with the phrase "Pray for Nate." *More God* tells the compelling story of how God brought back Nate from the brink of death and put him in the very unique position of speaking truth into the lives of those who cannot speak for themselves.
