INTERNATIONAL MARKETING STRATEGY

THE COUNTRY OF ORIGIN EFFECT ON DECISION-MAKING IN PRACTICE

Springer Nature Consumers in most parts of the world now have global access to products beyond those offered in their countries and cultures. This new space for comparison defined by globalization can result in very different purchasing behaviors, including those influenced by the 'country of origin'. This book investigates this effect, one of the most controversial fields of consumer literature, from a company perspective. In particular, it demonstrates the strategic relevance of the country of origin in creating and making use of the value in foreign markets. It also addresses the challenges connected with utilizing the value of the country of origin by considering different entry modes and international marketing channels. Further, it considers the role of international importers and international retailers' assortment strategies in terms of value creation in foreign markets. Combining theory and practice, the book features diverse company perspectives and interviews with importers and retailers.

INTERNATIONAL MARKETING

STRATEGY DEVELOPMENT AND IMPLEMENTATION

Routledge Expanding an organisation internationally presents both opportunities and challenges as marketing departments seek to understand different buying behaviours, power relations, preferences, loyalties and norms. International Marketing offers a uniquely adaptable strategy framework for firms of all sizes that are looking to internationalise their business, using Carl Arthur Solberg's tried and tested Nine Strategic Windows model. Compact and readable, this practical text offers the reader insights into: The globalisation phenomenon Partner relations And Strategic positioning in international markets. Solberg has also created a brand new companion website for the text, replete with additional materials and instructor resources. This functional study, complete with case studies that demonstrate how the theory translates to practice, is an ideal introduction to international marketing for advanced undergraduates and postgraduates in business and management. It also offers a pragmatic toolkit for managers and marketers that are seeking to expand their business into new territories.

GLOBAL MARKETING

CONTEMPORARY THEORY, PRACTICE, AND CASES

Routledge Global Marketing, 3rd edition, provides students with a truly international treatment of the key principles that every marketing manager should grasp. International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment. Alon et al. provide students with everything they need to rise to the challenge: Coverage of small and medium enterprises, as well as multinational corporations, where much of the growth in international trade and global marketing has occurred; A shift toward greater consideration of services marketing as more companies move away from manufacturing; A shift from developed markets to emerging markets with more dynamic environments A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present; Chapters on social media, innovation, and technology teaching students how to incorporate these new tools into their marketing strategy; New material on sustainability, ethics, and corporate social responsibility; key values for any modern business; Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world; Covering key topics not found in competing books, Global Marketing will equip today's students with the knowledge and confidence they need to become leading marketing managers. A companion website features an instructor's manual with test questions, as well as additional exercises and examples for in-class use.

GLOBAL MARKETING STRATEGY

AN EXECUTIVE DIGEST

Springer This book has been written for experienced managers and students in postgraduate programs, such as MBA or specialized Masters programs. In a systematic yet concise manner, it addresses all major issues companies face when conducting business across national and cultural boundaries, including assessing and selecting the most promising overseas markets, evaluating market entry alternatives, examining the forces that drive adaptation versus standardization of the marketing mix. It looks at the various global marketing challenges from a strategic perspective and also addresses topics not usually found in international marketing texts, such as aligning marketing strategies with global organizational structures, managing the relationship between national subsidiaries, regional headquarters and global headquarters, as well as corporate social responsibility challenges, and pertinent future trends that are likely to affect global business.

INTERNATIONAL MARKETING: ANALYSIS AND STRATEGY 3RD ED.

INTERNATIONAL BUSINESS STRATEGY

Cambridge University Press Verbeke provides a new perspective on international business strategy by combining analytical rigour and true managerial insight on the functioning of large multinational enterprises (MNEs). With unique commentary on 48 seminal articles published in the Harvard Business Review, the Sloan Management Review and the California Management Review over the past three decades, Verbeke shows how these can be applied to real businesses engaged in international expansion programmes, especially as they venture into high-distance markets. The second edition has been thoroughly updated and features greater coverage of emerging markets with a new chapter and seven new cases. Suited for advanced undergraduates and graduate courses, students will benefit from updated case studies and improved learning features, including 'management takeaways', key lessons that can be applied to MNEs and a wide range of online resources.

THE LANGUAGE OF GLOBAL MARKETING

TRANSLATE YOUR DOMESTIC STRATEGIES INTO INTERNATIONAL SALES AND PROFITS

A domestic strategy and only one language means lost revenue and missed opportunities. Your business could be exploding on a global level. If your business wants international growth across borders into global industries, pursuing buyers without considering their culture or by using a machine translation hurts your efforts. A solid strategy with high-quality, culturally adapted content and translations connects you to prospective buyers online and leads to completed sales. To convert more website visitors into loyal customers and increase profits, you need the correct content in the globalized or localized language for your target audience. In *The Language of Global Marketing*, Rapport International President Wendy Pease provides the roadmap for business-builders to find new revenue from a global audience with the right quality content and tools. Filled with easy-to-understand strategies and solutions to real-life situations, this is your guide to successful international expansion through global inbound marketing and translation services. You'll discover: How to align your expansion plans, communications, and brand with your company's digital marketing plan Four key components to build a successful Translation Management Plan Secrets to receiving better quality and more culturally appropriate translations from your translator Nine tactics to optimize your website and translate data for global SEO in your target market Interpreter options when you need to speak to your customers Huge advantages of cultivating a diverse workforce while expanding globally Connect with your buyers across every language and culture - no passport or overseas travel necessary. Get *The Language of Global Marketing* now and speak the language of success for your organization!

PRODUCT-COUNTRY IMAGES

IMPACT AND ROLE IN INTERNATIONAL MARKETING

Routledge This is the first-ever book about product and country images. It goes considerably beyond what was known until now about these images on buyer behavior and international market strategy. Thousands of companies use country identifiers as part of their international marketing strategy and hundreds of researchers have studied the ways in which these identifiers influence behavior. As markets become more international, the more prominently the origin of products will figure in sellers' and buyers' decisions. The time is ripe for practitioners and academicians to delve into the insights offered in this seminal volume so as to better prepare for meeting the competitive challenges of the global marketplace. National stereotyping and consumer biases in favor or against countries, based on image, have been known for some time to influence their marketplace decisions. Businesspeople who want to learn how to use country identifiers effectively, when to use them and when to avoid them, and how country images affect the behavior of consumers in their target markets will want to read this book cover to cover. *Product-Country Images* discusses the nature and role and influence of product-country images in international marketing strategy and consumer behavior. It is a wide-ranging and state-of-the-art book offering specific information and case studies to further understanding of the various aspects of this complex topic. Written by the world's preeminent researchers in the field from both academic and business sectors--a total of twenty-nine researchers from eleven countries--*Product-Country Images* presents the work of some of the best minds in the area--Johansson, Morello, Nebenzahl and Jaffe, Crawford and Lumpkin, Yaprak, Liefeld, and Wall, and the editors, Papadopoulos and Heslop, who have also authored some of its chapters. The chapters cover areas related to the main theme from both theoretical and practical perspectives and address questions of international marketing strategy, public policy, and research methodology. The subject is treated at a level suitable for business executives, public policymakers, academic researchers, and university students. Generally, the influence of product country images is so pervasive that this will be an indispensable reference and guidebook to anyone interested in understanding better, and/or enhancing the effectiveness of, international consumer behavior, international marketing, and international marketing strategy. Academic researchers specializing in country-product images, international marketing, and

other fields, such as decisionmaking, cultural anthropology, international behavior, and perhaps most importantly, social psychology for international relations, will find readily applicable information and new directions for further research. International business marketing practitioners and public policymakers will find the practical information on the role and importance of country image in attracting foreign investment, promoting a nation's exports, protecting domestic markets from imports, and capitalizing on major international events for promoting national image immediately useful in formulating strategies and policies. International marketing/business students will be better prepared for a competitive world from being exposed to this field of knowledge and its implications which are relevant to many subdisciplines. The made-in notion is a matter of tremendous importance in international marketing strategy, public policymaking, and research. With this in mind, editors Papadopoulos and Heslop take special care to achieve a blend of practice and theory and of the strategic, policy, and research perspectives. As such, *Product-Country Images* is divided into five main sections so that readers will be able to find the information they need: In the first section, the chapters that introduce the subject, provide an overview of the field,

GLOBAL MARKETING STRATEGY

Intended for those taking an advanced course in international marketing, this book deals with issues facing today's global marketing managers. It aims to provide readers with the competitive orientation and strategies necessary for initial market entry, market expansion and global rationalization. The text is supported by numerous real-company examples, as well as six in-depth cases that consider business activities in North America, Europe and Asia.

INTERNATIONAL MARKETING

STRATEGY AND MANAGEMENT

EXPORT MARKETING STRATEGY

TACTICS AND SKILLS THAT WORK

Business Expert Press If you find that the domestic market is saturated, exporting is a very important strategic initiative, and you need this book to understand everything inherent in export marketing. This book describes the steps necessary to achieve success in export marketing. It is a step-by-step guide to the art and science of export marketing, from initial discovery to researching new markets, to the financial aspects, to managing ongoing operations.

INTERNATIONAL MARKETING

SAGE A marketing first approach to exploring the inter-relatedness of the key components that impact any international marketing venture - markets, the 4Ps, culture, language, political, legal and economic systems, and infrastructure - to support an understanding of the synergies between international marketing and international business. The book covers the incorporation of sustainability and bottom-of-the-pyramid markets within each chapter, along with 'International Incident' boxes encouraging the reader to engage with the ethical and cultural dimensions of international marketing and decision-making. It is also supported by vivid, real-world case studies from a varied cross section of international companies such as Alibaba.com, Best Buy, Facebook, DHL, Kikkoman, Tesco, McDonalds, Nintendo, KitKat in Japan, Mobile Communications in Africa, India's ArcelorMittal Steel, Wind Turbines in Finland, Uniqlo, and Banana Republic. New to this edition: A more global focus through examples, case studies and the experience brought by new co-author Barbara Czarnecka Chapter on "Culture and Cross-Cultural Marketing", featuring political unrest, the Syrian refugee crisis, the recent return to nationalism (e.g. Brexit and the Trump presidency) and further coverage of developing countries. Chapter feature, "Practitioner Insight", which provides applied insights from industry insiders. Coverage of digital advances and social media. Updated theory and methods, including S-DL, CCT, and Netnography. Additional videos supplementing the comprehensive online resource package for students and lecturers. A wealth of online resources complement this book. These include a test bank of 50-65 questions per chapter, PowerPoint slides, sample syllabi, interactive maps, country fact sheets, flashcards, SAGE journal articles, and guidelines for developing a marketing plan. Suitable reading for students of international or global marketing modules on Marketing, International Business and Management degrees.

INTERNATIONAL MARKETING MIX MANAGEMENT

THEORETICAL FRAMEWORK, CONTINGENCY FACTORS AND EMPIRICAL FINDINGS FROM WORLD-MARKETS

Logos Verlag Berlin GmbH For years academicians and marketing directors have debated the marketing standardisation versus adaptation of international marketing strategy. Despite the great importance of the topic, the debate remains unresolved. At the same time, the continuing globalisation of markets and the growing importance of the emerging BRIC markets make an optimal management of international marketing efforts a necessity. Therefore, this study offers - on the basis of a solid theoretical framework and sound methodological operationalization - empirical findings on how to successfully manage both, the international marketing mix and the related marketing process in world markets. In particular, the marketing strategy pursued by multinational corporations are analysed and compared as well as empirical findings relating to financial and non-financial performance measures are provided.

INTERNATIONAL MARKETING ,FOURTH EDITION

PHI Learning Pvt. Ltd. This well-established book, now in its Fourth Edition, provides the latest information and data on International Marketing with emphasis on the Indian context. Retaining all the strengths of the previous editions, the new edition includes significant updates in the case studies, namely, • Infosys Technologies Limited • SAP India • Global Marketing in Wipro—Growing in Strength • I-Flex Solutions (Currently Oracle Financial Software Solutions) • Ace Designers • Gillette India • Mysore Sales International Limited These case studies presenting the facts and data explicitly, familiarise the readers with the latest developments and changing scenario of international marketing. Now, the text highlights a wide variety of aspects relating to the business environment, with specific focus on competition, product development, market strategy and international business. Primarily intended for postgraduate students of management, the book would also greatly benefit managers attending various management programmes.

GLOBAL BUSINESS STRATEGY

MULTINATIONAL CORPORATIONS VENTURING INTO EMERGING MARKETS

Springer This book presents theories and case studies for corporations in developed nations, including Japan, for designing strategies to maximize opportunities and minimize threats in business expansion into developing nations. The case studies featured here focus on Asia, including China and India, and use examples of Japanese manufacturers. Five case studies are provided, including Hitachi Construction Machinery and Shiseido in China and Maruti Suzuki in India. These cases facilitate the reader's understanding of the business environments in emerging economies. This volume is especially recommended for business people responsible for international business development, particularly in China and India. In addition, the book serves as a useful resource for students in graduate-level courses in international management.

GLOBAL MARKETING STRATEGY

Ft Press Designed for courses in international and global marketing at undergraduate and postgraduate diploma level, this text offers an overview of the theory and implementation of global marketing strategies.

Practical in its orientation, the text equips students with the tools needed to make strategic marketing decisions and find solutions in a global business environment. Key features include: A full-colour text design with photos to help bring the content to life and enhance students' learning 'Spotlight on Research' and 'Expand Your Knowledge', introducing students to some of the seminal scholarly research undertaken in the field 'Real World Challenges' offering additional engaging practice-led examples to Case Studies in chapters and providing a scenario for students to analyse and reflect upon via questions A companion website (<https://study.sagepub.com/farrell>) offering a range of instructor and student support materials including PowerPoint slides, a testbank for instructors and quizzes for students

INTERNATIONAL MARKETING

STRATEGY, PLANNING, MARKET ENTRY & IMPLEMENTATION

Topics include international marketing research, entering foreign markets, export methods and procedures, international product policy and international advertising. Case examples and a regional analysis of individual world markets are provided.

GLOBAL MARKETING

Routledge Strategic, comprehensive, and concise, the fifth edition of this popular textbook introduces students to the important concepts of global marketing today, and their managerial implications. Increasingly, marketing activities must be integrated at a global level. Yet, the enduring influence of culture requires marketers to adapt local strategies in light of cultural differences. Global Marketing takes a strategic approach, recognizing the need to address both the forces of globalization and those of localization. Key updates include: Extensive real-life examples and cases from developed and emerging markets, including Africa, Latin America, and the Middle East; New topics such as digital distribution options, the participation of customers, and the rise of social media, including Twitter, Facebook, and TikTok; Updated exploration of often overlooked topics, such as China's state-owned enterprises, the importance of diasporas as target markets, the threat of transnational criminal organizations to legitimate marketers, and new tensions among trading partners; A stronger recognition of the need for a growth mindset, value orientation, and innovation. Written in a student-friendly style, this fully updated new edition continues to be the textbook of choice for students of global marketing.

EBOOK: INTERNATIONAL MARKETING, 5E

"International Marketing continues to be an essential subject in any business or management degree. Ghauri and Cateora's book, now in its fifth edition, provides a most up-to-date and authentic evolution of the subject." George S. Yip, Emeritus Professor of Marketing and Strategy, Imperial College Business School. Professor Pervez Ghauri teaches International Business at Birmingham Business School. He is Founding Editor for International Business Review (IBR) and Consulting Editor for Journal of International Business Studies (JIBS). Philip R. Cateora is Professor Emeritus at the University of Colorado. His teaching spanned a range of courses in marketing and international business from fundamentals through to doctoral level.

FUNDAMENTALS OF GLOBAL STRATEGY

A BUSINESS MODEL APPROACH

Business Expert Press The globalization of the competitive landscape has forced companies to fundamentally rethink their strategies. Whereas once only a few industries such as oil could be labeled truly global, today many—from pharmaceuticals to aircraft to computers—have become global in scale and scope. As a consequence, creating a global competitive advantage has become a key strategic issue for many companies. Crafting a global strategy requires making decisions about which strategy elements can and should be globalized and to what extent.

GLOBAL MARKETING

CONTEMPORARY THEORY, PRACTICE, AND CASES

Routledge Global Marketing provides students with a truly international treatment of the key principles that every marketing manager should grasp. International markets present different challenges that require a marketer to think strategically, and apply tools and techniques creatively in order to respond decisively in a fiercely competitive environment. Alon et al. provide students with everything they need to rise to the challenge: Coverage of small and medium enterprises, as well as multinational corporations, where much of the growth in international trade and global marketing has occurred. A shift toward greater consideration of services marketing as more companies move away from manufacturing. A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present. Chapters on social media, innovation, and technology teach students how to incorporate these new tools into their marketing strategy. New material on sustainability, ethics, and corporate social responsibility; key values for any modern business. Short cases and examples throughout the text show students how these principles and techniques are applied in the real world. Longer cases provide instructors and students with rich content for deeper analysis and discussion. Covering key topics not found in competing books, Global Marketing will equip students with the knowledge and confidence they need to become leading marketing managers. A companion website features an instructor's manual with test questions, as well as additional exercises and examples for in-class use.

MANAGING GLOBAL STRATEGY

DEVELOPING AN EFFECTIVE STRATEGY IN INTERNATIONAL BUSINESS

Routledge This concise, practical textbook clearly explains how to go about developing and implementing a global strategy for any organization, from Born Global start-ups, to more established large companies struggling to manage their global extensions, to nonprofits including non-governmental organizations (NGOs) and charities. Written clearly and concisely, this volume brings together multiple tools, models and frameworks into one resource to guide a successful global strategy development and implementation process. Issues covered include: • Internal and external environmental analyses; • Cross-cultural communication; • Structural considerations; • Leadership and motivation; • Foreign market entry, mergers, alliances and acquisitions. Upper-level undergraduate and postgraduate students of global business will appreciate this accessible guide to a highly complex endeavor, as will practicing managers in global organizations seeking a ready reference. Instructors will also value the outline of a semester-long project keyed to the book, developed and tested by the author.

STRATEGY FOR THE GLOBAL MARKET

THEORY AND PRACTICAL APPLICATIONS

Routledge In the twenty-first century, the global community constantly strives to bring structure and order to the world through strategic means. From the highest levels of governments and militaries to multilateral institutions, NGOs, and corporations, a strategy for the future of a company, region, country, or even the world is tantamount to success. Yet few understand what strategy actually is and how it can be developed, planned, and implemented. Strategy for the Global Market combines a fundamental study of the theory of strategy with its practical applications to provide a new approach to the global emerging market. Due to the technological transformations in communications and transportation, and the birth and development of both the global community and the global marketplace over the past twenty years, the world's population and corporations are in much closer contact with their counterparts across the globe than ever before. This has led to increasing competition and even rivalries. Understanding the strategic environment, as well as solving problems either through amicable means or conflict, requires the powerful instrument of strategy to remain efficient and to triumph. Features of this book include: Methodology and practical recommendations for all stages of developing and implementing strategy. A comprehensive guide with explanations and descriptions, for the preparation and orderly compilation of all necessary strategy documents. Real-world examples taken from corporate, government, and military strategizing practices in emerging market countries and the global marketplace. This book should be on the desk of every national, regional, and military leader, corporate executive, manager, and student of strategy.

GLOBAL BRAND STRATEGY

WORLD-WISE MARKETING IN THE AGE OF BRANDING

Springer Steenkamp introduces the global brand value chain and explains how brand equity factors into shareholder value. The book equips executives with techniques for developing strategy, organizing execution, and measuring results so that your brand will prosper globally. What sets strong global brands apart? First, they generate more than half their revenue and most of their growth outside their home market. Secondly, their brand equity is responsible for a massive percentage of their firm's market value. Third, they operate as single brands everywhere on the planet. We find them in B2C and B2B industries, among large and small companies, and among established companies and new businesses. The stewards of these brands have a set of skills and knowledge that sets them apart from the typical corporate marketer. So what's their secret? In a world that is globalizing, but not yet globalized, how do you build a powerful global brand that resonates universally but also accommodates local nuances? How do you ensure that it is dynamic and flexible enough to change at market speed? World-class marketing expert Jan-Benedict Steenkamp has studied global brands for over 25 years on six continents. He has distilled their practices into eight tools that you can start using today. With case studies from around the world, Steenkamp's book is provocative and timely. Global Brand Strategy speaks to three types of B2C and B2B managers: those who want to strengthen already strong global brands, those who want to launch their brands globally and get results, and those who need to revive their global brand and stop the bleeding.

FRAMEWORKS FOR MARKET STRATEGY

EUROPEAN EDITION

Routledge Frameworks for Market Strategy helps students understand how to develop and implement a market strategy and how to manage the marketing process. Marketing activity is the source of insight on the market, customers, and competitors and lies at the core of leading and managing a business. To understand how marketing fits into the broader challenge of managing a business, Capon and Go address marketing management both at the business and functional levels. The book moves beyond merely presenting established procedures, processes, and practices and includes new material based on cutting-edge research to ensure students develop strong critical thinking and problem-solving skills for success. In this European edition, Capon and Go have retained the strong framework of the book, but have updated the cases, examples, and discussions to increase the book's relevance for students outside the USA. Key features include: • A strong strategic focus, teaching students how to analyze markets, customers, and competitors to plan, execute, and evaluate a winning market strategy • Practical examples from a range of contexts, allowing students to develop the skills necessary to work in for-profit, public, or non-profit firms • Emphasis on understanding the importance of working across organizational boundaries to align firm capabilities • Full chapters devoted to key topics,

including brand management, digital marketing, marketing metrics, and ethical as well as social responsibilities • Focus on globalization with a chapter on regional and international marketing • Multiple choice, discussion, and essay questions at the end of each chapter Offering an online instructor's manual and a host of useful pedagogy – including videos, learning outcomes, opening cases, key ideas, exercises, discussion questions, a glossary, and more – this book will provide a solid foundation in marketing management, both for those who will work in marketing departments, and those who will become senior executives.

TOYOTA'S GLOBAL MARKETING STRATEGY

INNOVATION THROUGH BREAKTHROUGH THINKING AND KAIZEN

Taylor & Francis There are many books on the market that discuss the Toyota Production System but few that insightfully analyze its marketing strategy. Authored by former Toyota marketing executives, this is the first book of its kind to detail how Toyota's thinking habits go beyond the shop floor and influence and guide Toyota's marketing function. Toyota has expanded from a venture enterprise to one of the biggest global enterprises because of its innovative mindset (Toyota thinking habits) using Breakthrough Thinking, which supports a new philosophical approach to problem solving, turning 180 degrees away from conventional thinking. Written by Toyota's former executive managing director and founder of Breakthrough Thinking, Toyota's Global Marketing Strategy: Innovation through Breakthrough Thinking and Kaizen: Explores Toyota's "Breakthrough Thinking" Examines how Toyota conducts information gathering. Illustrates how Toyota builds and maintains its unique business culture Shows how Toyota "goes to the customer" and comprehensively studies how customers use their products Reveals Toyota's cars have become some of the biggest selling models in the USA The authors of this book explore Toyota thinking habits as well as Toyota's global marketing strategy, which, since the 1980sa, has been expanding exponentially. The reader will understand the importance of thinking habits in the workplace and will know how to apply them using Toyota as the prime case study.

STRATEGIES FOR INTERNATIONAL INDUSTRIAL MARKETING (RLE INTERNATIONAL BUSINESS)

THE MANAGEMENT OF CUSTOMER RELATIONSHIPS IN EUROPEAN INDUSTRIAL MARKETS

Routledge This study considers the key strategic issues of the management of customer relationships in international industrial marketing. It is based on extensive original research by the International Marketing and Purchase Group. The book reports on that research, in particular pointing out the differences in approach by different national groups in Europe.

INTERNATIONAL BUSINESS: CONCEPT, ENVIRONMENT AND STRATEGY

Pearson Education India International Business by Sharan is written in a pragmatic way with an inclination on managerial aspect, thus encouraging students to explore international business as a career choice. It deals with the latest topics and development which we are witnessing around the globe. It attempts to impart the core body of knowledge in international business in an interesting and lively manner. This text not only describes the ideas of international business but it also uses contemporary examples, scenarios, and cases to help students effectively put theory into practice.

INTERNATIONAL RETAIL MARKETING

Routledge International Retail Marketing combines a broad thematic overview of the key issues concerning international retail marketing with a series of incisive cases and examples of industry practice from markedly different sectors as fashion, food and healthcare. The authors provide an accessible and wide-ranging outline of the fundamentals of the subject, such as trends in retail marketing, strategy and logistics, and buying and merchandise management within an international perspective. Contributions from Europe, North America and Asia show the dynamics affecting international retailing through a variety of case. Key discussion points are highlighted throughout the text, giving a hands-on focus.

INTERNATIONAL BUSINESS STRATEGY

THEORY AND PRACTICE

Routledge With stagnated demand in many home economies, the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level. However, this process raises a number of questions, such as: can firms use their knowledge of one market in the next? Can firms pursue internationalization on several fronts at the same time? How should firms handle cultural and institutional differences between markets? This textbook provides students with the core research in international business and strategy, including organization, efficiency, external relationships and the challenges found in an increasingly multicultural world. Each part begins with a presentation of the issues and controversies faced in that particular area, followed by a synthesis of the research which provides avenues for future research. To facilitate and encourage further debate and learning, each part also includes at least one original case study. Compiled by two of the World's leading scholars of international business, and supplemented with critical commentaries and a range of integrative case studies, this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond.

MARKETING PLANNING & STRATEGY

A PRACTICAL INTRODUCTION

SAGE We know how eager you are to learn practical workplace skills at university so that you are "job ready" following graduation. In marketing, one of the most practical things you can learn how to do is create a sound marketing plan. This new book guides you concisely through the marketing planning process from start to finish, drawing on examples from large brands like Ikea and Krispy Kreme to digital start-ups like Starling Bank. Features a running case study about a small services business that breaks the marketing plan down into easy to digestible chunks. A dedicated chapter on marketing strategy concepts to help you understand how they link to market, firm or decision-related factors. Self-test questions and scenarios with tasks throughout make for an active learning experience. Practical in its step-by-step approach and inclusion of activities and scenarios and written simply whilst still underpinned by marketing strategy scholarship, this book will help you to develop your marketing decision-making throughout by learning key skills such as how to do a SWOT analysis and how to budget and forecast correctly. Supported by online resources for lecturers including PowerPoint slides, an instructor's manual and a suggested syllabus. Suitable reading for marketing planning and marketing strategy courses.

THE ROUTLEDGE COMPANION TO NON-MARKET STRATEGY

Routledge It is commonplace for today's transnational enterprises to undertake political risk analysis when choosing foreign markets and creating entry strategies. Despite this, non-market elements of corporate strategy are less well researched than the traditional market-based perspectives. Providing comprehensive and leading edge overviews of current scholarship, this Companion surveys the current state of the field and provides a basis for improving our understanding of the non-market environment, encouraging new insights to improve strategies for enhancing a firm's performance and legitimacy. With a foreword by David Baron, the international team of contributors includes Jean-Philippe Bonardi, Bennet Zelner, and Jonathan Doh, who combine to create a book that is essential reading for students and researchers in business, management, and politics, including those interested in business regulation, environmental policy, political risk and corporate social responsibility.

COMPETITIVE SOCIAL MEDIA MARKETING STRATEGIES

IGI Global Consumer interaction and engagement are vital components to help marketers maintain a lasting relationship with their customers. To achieve this goal, companies must utilize current digital tools to create a strong online presence. Competitive Social Media Marketing Strategies presents a critical examination on the integration of social networking platforms into business tactics and the challenges presented by consumers' use of these online communities. Highlighting pivotal issues such as brand management, customer loyalty, and online services, this publication is a pivotal reference source for business managers, professionals, advanced-level students, and consultants interested in the latest research on the use of digital media tools for business opportunities.

EXPORT STRATEGY: MARKETS AND COMPETITION (RLE MARKETING)

Routledge This book offers management students and managers new insights by approaching exporting from the perspective of marketing planning, rather than the mechanics of export practice. The author evaluates the widely recommended strategy of key market concentration, showing its weaknesses and the flaws in the supporting evidence. The book provides the reader with a framework for making an explicit and informed choice between the real market options faced in practical export situations, which takes into account the many company and market factors shaping such strategies. Closely related to market strategy is the competitive base for a company's exporting, particularly in balancing price and non-price forms of competition, and this is assessed in the second part of the book.

INTERNATIONAL BUSINESS STRATEGY IN COMPLEX MARKETS

Edward Elgar Publishing In this revised second edition, Hans Jansson develops and applies an international business strategy framework to contemporary complex global markets. This cutting-edge textbook explores the major challenges associated with doing business in complex and turbulent emerging markets and how MNCs in mature markets execute strategies to meet these challenges.

GLOBAL MARKETING MANAGEMENT

Wiley Global Education The 7th Edition of Global Marketing Management prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment. The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment.

CIM HANDBOOK OF STRATEGIC MARKETING

Taylor & Francis The CIM Handbook of Strategic Marketing targets senior executives responsible for shaping and managing the company's strategic direction. The strategic dimensions of marketing management are emphasised along with the critical importance of matching the company's capabilities with genuinely attractive market sectors. The Handbook's strategic perspective and pragmatic outlook pervade the text and underpin its practical foundations. The rise of global competition and continuous innovation have redefined market structures, reshaped industries and given customers unprecedented value and choice. In this era of customer sovereignty there is a tremendous amount of pressure on organizations to adopt the principles of the marketing concept and to develop a much

sharper strategic focus. *The CIM Handbook of Strategic Marketing* is a reference source to guide effective marketing practice. It provides supportive material for managers and employees who are building their marketing competence by attending training programmes, and includes contributions from leading academics - such as, Peter Doyle, Malcolm McDonald, Nigel Piercy. The book amounts to a firm blueprint written by leading marketing thinkers for designing and implementing effective marketing strategies and improving business performance. Colin Egan is Professor of Strategic Management at Leicester Business School. Michael J Thomas is Professor of Marketing at the University of Strathclyde Business School.

RESEARCH IN INTERNATIONAL MARKETING

Routledge This book considers problems which can be serious obstacles in international marketing but which are much less difficult in domestic marketing, such as cultural differences; the establishing and maintaining of relationships with customers' and the special problems for firm strategy and organisation arising from the internationalisation process.
