## The Writing Revolution

## A Guide to Advancing Thinking Through Writing in All Subjects and Grades

John Wiley & Sons "HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can

turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

## Brave Irene

### A Picture Book

Farrar, Straus and Giroux (BYR) This ebook includes audio narration. This winning heroine will inspire every child to cheer her on as she ventures through a bitter cold snowstorm in William Steig's classic Brave Irene Brave Irene is Irene Bobbin, the dressmaker's daughter. Her mother, Mrs. Bobbin, isn't feeling so well and can't possibly deliver the beautiful ball gown she's made for the duchess to wear that very evening. So plucky Irene volunteers to get the gown to the palace on time, in spite of the fierce snowstorm that's brewing-- quite an errand for a little girl. But where there's a will, there's a way, as Irene proves in the danger-fraught adventure that follows. She must defy the wiles of the wicked wind, her most formidable opponent, and overcome many obstacles before she completes her mission. Brave Irene is a 1986 New York Times Book Review Best Illustrated Book of the Year. NARRATED by MERYL STREEP.

## Treating NVLD in Children

### Professional Collaborations for Positive Outcomes

Springer Science & Business Media **Children with nonverbal learning disabilities (NVLD) have needs that can take many forms and may, over time, require consultation and collaboration with professionals from several fields. Given that multiple specialists may be involved in working with children with NVLD - as well as the array of treatment variables - even seasoned practitioners may find themselves in confusing situations. Treating NVLD in Children takes a developmental view of how the problems and needs of young people with nonverbal learning disabilities evolve and offers a concise guide for professionals who are likely to contribute to treatment. Expert practitioners across specialties in psychology, education, and rehabilitative therapy explain their roles in treatment, the decisions they are called on to make, and their interactions with other professionals. Collaborative interventions and teamwork are emphasized, as are transitions to higher learning, employment, and the adult world. Among the book's key features are: A new four-subtype model of NVLD, with supporting research. A brief guide to assessment, transmitting results, and treatment planning. Chapters detailing the work of psychologists, therapists, coaches, and others in helping children with NVLD. Material specific to improving reading, writing, and mathematics. Overview of issues in emotional competency and independent living. An instructive personal account of growing up with NVLD. Treating NVLD in Children: Professional Collaborations for Positive Outcomes is a key resource for a wide range of professionals working with children, including school and clinical child psychologists; educational psychologists and therapists; pediatricians; social workers and school counselors; speech and language therapists; child and adolescent psychiatrists; and marriage and family therapists.**

## Virtual Educational Therapy

### A Case Study of Clinical Supports and Advocacy

Taylor & Francis **Virtual Educational Therapy presents a board-certified educational therapist's year-long case study of clinical supports and advocacy for a student with learning disabilities who is attending school remotely during the COVID-19 pandemic. With online and blended learning, now the norm in K-12 education, educational therapists need new models of intervention, treatment, and relationship-building for their child-age clients. This book offers detailed single-case research focused on a middle-school student who is learning virtually while challenged with ADHD as well as visual and verbal memory issues, but who is nonetheless found ineligible for special education services. Across eight chapters, author and renowned educational therapist Marion E. Marshall describes the neuropsychological principles, research-based techniques, personal interactions, clinical approaches, and advocacy efforts that led to a vulnerable student's significant gains in academic skills and outcomes.**

## The 16-Word Diet

### A Survival Guide for Dieters

Createspace Independent Publishing Platform **The 16-Word Diet is a once-in-a-generation book - a survival guide for people who are tired of miracle diets and magic pills, and who want common-sense solutions to the complex problems of obesity. Written by mathematician and weight loss expert Jay Wiener, The 16-Word Diet explodes dozens of popular myths about dieting and replaces them with just sixteen words - the simple keys to losing weight permanently and living a longer, healthier life. Here are a few of the many topics covered, written with the author's remarkable gifts for wisdom and laughter: On Maintenance: Losing weight is hard work, but maintaining a weight loss is hand-to-hand combat. If you don't learn how to maintain before you start to diet, you will be clobbered. On Goal Setting: Most dieters never choose reasonable goals. Worse, they do no planning before they start, unless you count reading the directions on a bottle of enchanted diet pills as planning. On Fad Diets: The Raw Food Diet is a typical fad. Dieters aren't allowed to cook their food. Raw vegetables are fine with me, but... Raw pork? Raw chicken? Those dieters may get thinner, but who wants to kiss them? On Binge Eating: I was a binge-eater for twenty years. The most important thing to understand is this: you can stop. Not immediately, of course, but you can learn how to turn massive overeating into mini-binges, and then into micro-binges, and happily live that way forever. On Bad Obesity Research: They studied the effects of diet on ED by asking men to remember how often they had ED. Seriously? I can remember how often I've slept in an igloo with Jennifer Lawrence, but not much else. On Temptation: Tempted to indulge in a chocolate croissant at Starbucks? Think of all the teenage baristas who breathed on that croissant before you started to eat it. On Exercise: You hate exercise. Too bad. If you're serious about losing weight, then stop reading and go for a walk. Buy this book when you come back. The 16-Word Diet. The most important new diet book in a generation - and fun to read. \*\*\*\*\* From the Introduction: People who succeed at losing weight and keeping it off share a secret: they understand that losing weight is not about food. It's about every part of your life. And that's why this book is so different from other 'diet' books. It doesn't focus on what you eat; it focusses on how you can live a slimmer, healthier life for the rest of your life. What you eat is an important part of your life, but not the only part. To be successful, you**

need new skills that will help you live a healthy life at a significantly lower weight. How do you prepare before you start to diet? What are the most common mistakes people make when starting a diet? How do you choose between low-fat and high-fat diets? What makes us slip after months of success? How can we recover? What is the true value of exercise? How can you handle weight-loss plateaus? How should you manage vacations and holidays? Seven topics (there are many others) and only one is about food - because dieting is about so much more than what you eat. The 16-Word Diet is a rare book. It can change your life.

## Divinity

## Realm of Annihilation: Book Four

[Createspace Independent Publishing Platform](#) **The Final Book In The Divinity Saga The Earth is breaking open. The wall between the Spirit and Human realm has begun to shatter, allowing darkness to seep in and converge like an epidemic. The End Has Begun... Even after setting everything in motion by attacking Morning Star first, Cam`ael finally has everything that he's ever wanted in his existence; Starling's love and a family. Cam`ael's happiness is short-lived when he's finally given the harsh and inexplicable truth about why Starling has always been such a unique Chosen. A Fiery Will... Shortly after giving birth, Starling begins to realize what must be done in order to save the world and the future of their children. But having made the the promise to Cam`ael of never sacrificing herself for him, how can she risk it? While the Elders and other warriors see her as a traitor, her friends begin to see her as something more. In every battle and every war there will be sacrifices and betrayals, but if darkness prevails- light will cease to exist.**

## Tropical Depression

[CreateSpace](#) **"As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zemelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.**

## Life After the Death of Our Child

[Createspace Independent Publishing Platform](#) Terrie and Doug Oxtal gave their lives to a dream. After over 35 years of marriage the result of their devotion to four children and each other, life was perfect until the day they left the hospital with only their youngest son Andrew's jacket. The unspeakable grief that took over their lives is captured in letters written to Andrew where the love spills on to every page. The journey is there, the love is there, the sense of loss is there between the lines of shock and pain, with a true understanding of compassion. The Oxtal family knows Andrew has gone home, and they live with him in their hearts, until they meet again. For those who have suffered the loss of a child, this mother's letters will take you to a place so familiar they won't make you feel alone. For those who have not lost a child, this book will take you to a place where love is all that matters.

### Meandering Melodies

### Out of the Fast Lane

[CreateSpace](#) Meandering Melodies will take you back to the 60's, 70's, and 80's and share what it was like to be a part of a neighborhood in Carroll County located in Delphi, Indiana, that had lots of children, a simple way of life, what we did for fun and what it was like to be part of a "Plain People" growing up among other "Plain People." Meandering Melodies will also share what life is like among the "Plain People" today in 2013 in Carroll County. Expect to be delighted, thrilled, and encouraged as we not only take a walk down memory lane together but also explore living life "out of the fast lane" in today's world. Experiences that will at times make you laugh and cry as we learn together how simple joys of yesterday and simple joys of today can create a symphony that lasts a lifetime! Most of us can remember a time when life was not so busy. A simpler time when we enjoyed a visit with a neighbor or a walk in the park. . . A time when we had no concern about being a certain place at a certain time doing certain things... A time when fast food was not really all that fast and the computer age had barely begun. . . A time when life was busy but did not seem hectic or fast-paced. . . Sometimes we even look back with nostalgic longing and wish to return to times like this. Times when we'd like to get "out of the fast lane.." Today finds many people living life in the fast lane where life is in constant motion and meticulous plans are made to ensure their success in the modern world. There is always some place to go and people to meet. Yet they are intrigued by certain lifestyles and fascinated by those who seem to manage living a simple life "out of the fast lane." In the past few years many books have been written and movies made showcasing the Amish, Mennonites, and other Plain People and their simple lifestyles. People wonder about the differences. People wonder what their lifestyle is really like. People wonder what it is like to be a part of a plain church and plain people. They have all sorts of questions about what it is like not to have cars, or telephones, or electricity. They wonder why they dress the way they do and do the things they do. They wonder how people can live like this?! It seems to them that life is lived "out of the fast lane" among Plain People. Or is this only an illusion? I grew up among

Plain People on a farm in Carroll County nestled between two hills. Bachelor Run flowed merrily through our farm forming the southern boundary of our property. Folks called the road at the top of the south hill the Crooked Road. It went straight for several miles out of Delphi, then made a sharp curve, and after several more curves, you ended up in Flora. Our house was in the valley below this first curve. This first curve was a notorious place for wrecks; which I shall write more about later! My Dad built our house against the bank of the north hill. At the very top of the north hill was a very old cemetery called the Nettle Cemetery. I don't recall anyone ever being buried there. I also don't recall ever playing there. I do remember mowing the grass along the fence that separated our property. One of my favorite spots, my very own idyllic hide-a-way, was close to this fence. I went there often to think and write and lay in the grass on beautiful summer days. Most of our neighbors were members of what we called the Horse-and-Buggy Church. Their official name was Old Brethren German Baptist. They used to be a part of our fellowship before they split off from the Old German Baptist Brethren in 1921 as a result of differences about cars, electricity, and telephones. When was the last time you experienced life "out of the fast lane?"

## Forge Your Own Path

### One Goal at a Time

[Createspace Independent Publishing Platform](#) Forging your own path is framework to read, learn and mold from. It's part of the blueprint that you use to map out the adventure of a life time. It's knowing that even the best laid out plans, sometimes fail. It's embracing the challenges and detours along the way. But it is not the know it all answer to solving your problems, another possible solution to forge your own path. More than anything else, it's becoming who you are, by undoing who you think you should be. It's defining your own rules and follow your own ideas, because that next one could change your life.
