Just Evil The Evil Trilogy Book One *Kit Griffin has finally overcome a painful childhood at the hands of her mother, former actress Alana Stevens. No longer living in the grasp of the cold, tyrannical woman, Kit's life is finally on track. That is, until Alana is found brutally murdered on Mother's Day, pulling Kit back to the dark horrors of her past. To make matters worse, the police consider Kit the prime suspect. Jake Boston is an old family friend and the man Kit has loved since she was a teen. He's fighting his own demons as a suspect in his wife's murder two years earlier. Despite his past, he's determined to win Kit over once and for all. But before that can happen they need to convince the police there's a killer working his way down a list with cold-hearted vengeance in mind. Forced to delve into Alana's dark past, Jake and Kit uncover a forty-year-old double murder leading them straight to the door of a legal dynasty. Soon they find out just how far the heirs will go to keep the past buried.* **Mystic Falls** *Createspace Independent Publishing Platform Welcome to Coyote Wells, a town with a storied history, full of quirky characters, hidden secrets, sometimes dark and deadly. In the Divine trilogy finale, the heat is tripled when CFBI Agent Jasi McLellan must rescue Emily, the ghost girl that haunts her dreams; expose her own mother's killer; and uncover a murderer that preys on the weak at Sanctuary, a controversial cult nestled in the woods near Mission, BC. Something insidious lurks behind the safe haven of Sanctuary's wrought iron gates. Led by the charismatic Father Jeremiah, the cult's idyllic lifestyle seems perfect on the outside. But a lethal hunter is on the prowl, and in a carefully executed game of cat and mouse, the body count rises. Along with Victim Empath Natassia Prushenko, Psychometric Empath Ben Roberts and Special Consultant Brandon Walsh, Jasi follows three trails of clues that lead to one terrifying conclusion: home is not always the safest place on earth. Reviews: "An excellent last installment to this psychic mystery/thriller series! Fast-paced action from cover to cover!" —Dale Mayer, international bestselling author of the Psychic Vision series "Dark and compelling with details so vivid the reader can smell the smoldering corpse as he follows Pyro-Psychic, Jasi McLellan, who has the ungodly ability to enter the mind of a serial arsonist. This Canadian FBI psychic team moves like wildfire in the hands of consummate thriller author, Cheryl Kaye Tardif." —Barbara Silkstone, international bestselling author of Miami Mummies "You'll find yourself rooting for Jasi, Brandon, Natassia, and Ben as the Top-Secret PSI team comes face to face with the depths of human evil in Divine Sanctuary. The story unfolds with Tardif's signature razor-taut pacing as she sets her likable protagonists against the charismatic leader of a disturbing cult where all is not as it seems, and the shattering revelations that await them will leave Jasi's life changed forever. Hunt this one down and read it!" —Paul Draker, international bestselling author of Pyramid Lake Divine Trilogy: Book 1 - Divine Intervention Book 2 - Divine Justice Book 3 - Divine Sanctuary **The Color of Heaven** Julianne MacLean "A box of tissues should be included in the purchase price of this book.... I finished THE COLOR OF HEAVEN in a matter of hours, but I've no doubt the read and the lessons imparted through Sophie's story will stay with me... probably forever. THE COLOR OF HEAVEN is an incredibly poignant and unbelievably gripping novel, deserving Romance Junkies' highest rating." **FIVE BLUE RIBBONS** - Chris at Romance Junkies A deeply emotional tale about Sophie Duncan, a successful columnist whose world falls apart after her daughter's unexpected illness and her husband's shocking affair. Teaching How to Create Rigorous and Engaging Learning Experiences ASCD It's no secret that in today's complex world, students face unparalleled demands as they prepare for college, careers, and active citizenship. However, those demands won't be met without a fundamental shift from traditional, teacher-centered instruction toward innovative, student-centered teaching and learning. For schools ready to make such a shift, project-based learning (PBL) offers a proven framework to help students be better equipped to tackle future challenges. Project Based Teachers encourage active questioning, curiosity, and peer learning; create learning environments in which every student has a voice; and have a mastery of content but are also comfortable responding to students' questions by saying, "I don't know. Let's find out together." In this book, Suzie Boss and John Larmer build on the framework for Gold Standard PBL originally presented in *Setting the Standard for Project Based Learning* and explore the seven practices integral to Project Based Teaching: Build the Culture Design and Plan Align to Standards Manage Activities Assess Student Learning Scaffold Student Learning Engage and Coach For each practice, the authors present a wide range of practical strategies and include teachers' reflections about and suggestions from their classroom experiences. This book and a related series of free videos provide a detailed look at what's happening in PBL classrooms from the perspective of the Project Based Teacher. Let's find out together. A copublication of ASCD and Buck Institute for Education (BIE). **The Bones of Others** Some monsters live in your head. Not this one. Brutalized as a

young girl by a vile sexual predator, Skye Cree is a survivor. Guided by the visions of her mystical spirit guide to the whereabouts of abducted girls, she uses her unique abilities to turn her horrifying past into a positive force for justice. Fighting the demons that have haunted her for years, she trusts only in herself-until she falls hard for a man for the first time in her life. Now, discovering her abductor is back with a vengeance, she becomes locked in a deadly race against time to stop the horrors of an evil human-trafficking ring that threatens to tear her world-and her newfound love apart.

Oz in Perspective Magic and Myth in the L. Frank Baum Books McFarland When moviegoers accompany Dorothy through the gates of the Emerald City, they may think they have discovered all there is to see of Oz—but as real friends of the Wizard know, more lies behind the curtain. The Wonderful Wizard of Oz, on which the 1939 film was based, was only the first of 14 Oz books. Together these works constitute a series rich in allusions to a broad range of literary traditions, including fairy tale, myth, epic, the picaresque novel, and visions of utopia. Reflecting on L. Frank Baum's entire series of full-length Oz books, this study introduces readers to the great folklorist who created not only Dorothy and friends, but countless wonderful characters who still await discovery. Close analysis of each book invites readers to search Baum's fascinating stories for meaning and mythical quality. Progressing chronologically through the canon, the author discusses literary devices and important thematic implications in each book, arguing that Baum wrote for the pleasure of both children and adults, both to provide entertainment and to teach moral lessons. Of particular significance is the argument, sustained over several chapters, that Baum modeled his Oz books on classic mythical patterns, rewriting Oz history in nearly every book to produce a different set of backgrounds and a different conception of utopia for his imaginary kingdom. This variety of backgrounds and archetypes gives Baum's books a truly universal appeal. Examinations of his non-Oz books and his other Oz works, such as *Little Wizard Stories of Oz* and *The Woggle-Bug Book*, illuminate the discussion of the Oz novels.

Hollywood Highbrow From Entertainment to Art Princeton University Press Today's moviegoers and critics generally consider some Hollywood products—even some blockbusters—to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies—and not just European ones—deserved to be considered art.

The 8-Hour Diet Watch the Pounds Disappear Without Watching What You Eat! *Rodale Books A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.*

The Persian Boy *Open Road Media A New York Times–bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls “a shining light.” The Persian Boy centers on the most tempestuous years of Alexander the Great’s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king’s life abound. The result is a riveting account of a great conqueror’s years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes Fire from Heaven and Funeral Games. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel*

Starlight Dunes *The mystery of the past, the present, the future ... the answers can be found in the dunes. Welcome back to Pelican Pointe. Archaeologist River Amandez comes to Pelican Pointe to excavate and catalogue a long-buried Chumash*

Together the two will lean on each other for strength and courage. They soon discover the dunes holds the answers to more than the past. **Unchained Mind Powerful Life Changing Thoughts on Peace, Love, and Success** AuthorHouse I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love. **Hidden Moon Bay** Starting over takes a heart of courage. Staying alive takes two. Fleeing into the night along a dark coastal road, Hayden Ryan is determined to grab hold of a new life, free of the clutches of a ruthless Russian mobster-her former boss. But when she meets the ruggedly handsome deputy sheriff of sleepy Pelican Pointe, starting over grows ever more complicated. Fighting for freedom, yet trapped between a suspicious cop and a burning desire to be with him, can she survive with a price on her head? **The Ludlow Ladies' Society** Black & White Publishing Ltd From the bestselling author of *The Ballroom Café* and *The Judge's Wife* comes a new story of friendship, resilience and compassion, and how women support each other through the most difficult times. Connie Carter has lost everyone and everything dear to her. Leaving her home in New York, she moves to a run-down Irish mansion, hoping to heal her shattered heart and in search of answers: how could her husband do the terrible things he did? And why did he plough all their money into the dilapidated Ludlow Hall before he died, without ever telling her? At first Connie tries to avoid the villagers, until she meets local women Eve and Hetty who introduce her to the Ludlow Ladies' Society, a crafts group in need of a permanent home. Connie soon discovers Eve is also struggling with pain and the loss of having her beloved Ludlow Hall repossessed by the bank and sold off. Now, seeing the American Connie living there, the hurt of losing everything is renewed. Can these women ever be friends? Can they ever understand or forgive? As the Ludlow Ladies create memory quilts to remember those they have loved and lost, the secrets of the past finally begin to surface. But can Connie, Eve and Hetty stitch their lives back together? Praise for Ann O'Loughlin: "The Ludlow Ladies' Society brought me to a beautiful place and into a circle of friends

Sydney 1945 The war is over, the fight begins. The war is over and so are the jobs (and freedoms) of tens of thousands of Australian women. The armaments factories are making washing machines instead of bullets and war correspondent Tilly Galloway has hung up her uniform and been forced to work on the women's pages of her newspaper - the only job available to her - where she struggles to write advice on fashion and make-up. As Sydney swells with returning servicemen and the city bustles back to post-war life, Tilly finds her world is anything but normal. As she desperately waits for word of her prisoner-of-war husband, she begins to research stories about the lives of the underpaid and overworked women who live in her own city. Those whose war service has been overlooked; the freedom and independence of their war lives lost to them. Meanwhile Tilly's waterside worker father is on strike, and her best friend Mary is struggling to cope with the stranger her own husband has become since being liberated from Changi a broken man. As strikes rip the country apart and the news from abroad causes despair, matters build to a heart-rending crescendo. Tilly realises that for her the war may have ended, but the fight is just beginning... PRAISE 'A richly crafted novel that graphically depicts life during those harrowing years.
