EVIDENTLY YOURS

Ever get the feeling of that constant thought of someone on your mind? You've liked her a long time and she's all you ever think about. Everything about her that you know is perfect and her smile is always in your mind, but her smile is also the only thing that cheers you up. You wonder if she wants you and if she does you're the happiest guy on earth, but if she doesn't you know there's no one else you could ever want so much. I'm a fool in love with you and I can't quite explain why; you make me feel great every time that I see you and you are the only one in this world that matters. You're everything from nothing I've never ever truly known and you're the smile in my dreams. All the time I feel alone. This is my love poetry . . . at its finest - Dominic Clemow.
