COMPLETE GERMAN

By the end of the course, the learner should be at Common European Framework level (CEFR) B2, and able to interact with fluency and spontaneity, produce clear, concise conversational speech, and have a solid vocabulary.

LEAVING BERLIN

A NOVEL

Simon and Schuster New York Times Notable Book * Named one of NPR and Wall Street Journal's Best Books of the Year * The acclaimed author of *The Good German* “deftly captures the ambience” (The New York Times Book Review) of postwar East Berlin in his “thought-provoking, pulse-pounding” (Wall Street Journal) New York Times bestseller—a sweeping spy thriller about a city caught between political idealism and the harsh realities of Soviet occupation. Berlin, 1948. Almost four years after the war’s end, the city is still in ruins, a physical wasteland and a political symbol about to rupture. In the West, a defiant, blockaded city is barely surviving on airlifted supplies; in the East, the heady early days of political reconstruction are being undermined by the murky compromises of the Cold War. Espionage, like the black market, is a fact of life. Even culture has become a battleground, with German intellectuals being lured back from exile to add credibility to the competing sectors. Alex Meier, a young Jewish writer, fled the Nazis for America before the war. But the politics of his youth have now put him in the crosshairs of the McCarthy witch-hunts. Faced with deportation and the loss of his family, he makes a desperate bargain with the fledgling CIA: he will earn his way back to America by acting as their agent in his native Berlin. But almost from the start things go fatally wrong. A kidnapping misfires, an East German agent is killed, and Alex finds himself a wanted man. Worse, he discovers his real assignment—to spy on the woman he left behind, the only woman he has ever loved. Changing sides in Berlin is as easy as crossing a sector border. But where do we draw the lines of our moral boundaries? At betrayal? Survival? Murder? Joseph Kanon’s compelling thriller is a love story that brilliantly brings a shadowy period of history vividly to life.

LEARN GERMAN WITH STORIES: CAFÉ IN BERLIN - 10 SHORT STORIES FOR BEGINNERS

LearnOutLive Newly arrived in Berlin, a young man from Sicily is thrown headlong into an unfamiliar urban lifestyle of unkempt bachelor pads, evanescent romances and cosmopolitan encounters of the strangest kind. How does he manage the new language? Will he find work? Experience daily life in the German capital through the eyes of a newcomer, find out about the country and its people, and learn German effortlessly along the way! This book is designed to help beginners make the leap from studying isolated words and phrases to reading (and enjoying) naturally flowing German texts. Using simplified sentence structures and a very basic vocabulary, this collection of German short stories for beginners is carefully crafted to allow even novice learners to appreciate and understand the intricacies of coherent German speech. Each chapter comes with a complete German-English dictionary, with a special emphasis on collocative phrases (high frequency word combinations), short sentences and expressions. By working with these “building blocks” instead of just single words, learners can accelerate their understanding and active usage of new material and make the learning process more fluid and fun.

BECOMING FLUENT IN GERMAN

150 SHORT STORIES

Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

IN THE GARDEN OF BEASTS

LOVE, TERROR, AND AN AMERICAN FAMILY IN HITLER'S BERLIN

Crown Pub The best-selling author of *Devil in the White City* documents the efforts of first American ambassador to Hitler's Germany William E. Dodd to acclimate to a residence in an increasingly violent city where he is forced to associate with the Nazis while his daughter pursues a relationship with Gestapo chief Rudolf Diels.

UNDERGROUND IN BERLIN

A YOUNG WOMAN'S EXTRAORDINARY TALE OF SURVIVAL IN THE HEART OF NAZI GERMANY

Little, Brown A thrilling piece of undiscovered history, this is the true account of a young Jewish woman who survived World War II in Berlin. In 1942, Marie Jalowicz, a twenty-year-old Jewish Berliner, made the extraordinary decision to do everything in her power to avoid the concentration camps. She removed her yellow star, took on an assumed identity, and disappeared into the city. In the years that followed, Marie took shelter wherever it was offered, living with the strangest of bedfellows, from circus performers and committed communists to convinced Nazis. As Marie quickly learned, however, compassion and cruelty are very often two sides of the same coin. Fifty years later, Marie agreed to tell her story for the first time. Told in her own voice with unflinching honesty, *Underground in Berlin* is a book like no other, of the surreal, sometimes absurd day-to-day life in wartime Berlin. This might be just one woman's story, but it gives an unparalleled glimpse into what it truly means to be human.

GERMAN FOR EVERYONE JUNIOR 5 WORDS A DAY

LEARN AND PRACTISE 1,000 GERMAN WORDS

Penguin PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 German words - five words a day. Over the course of a year, *German for Everyone Junior: Five Words a Day* teaches new vocabulary to children who are starting to learn German. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. *Five Words a Day* first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, *Five Words a Day* is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.

KIZZY ANN STAMPS

Candlewick Press Taking things in stride is not easy for Kizzy Ann, but with her border collie, Shag, stalwart at her side, she sets out to live a life as sweet as syrup on cornbread. In 1963, as Kizzy Ann prepares for her first year at an integrated school, she worries about the color of her skin, the scar running from the corner of her right eye to the tip of her smile, and whether anyone at the white school will like her. She writes letters to her new teacher in a clear, insistent voice, stating her troubles and asking questions with startling honesty. The new teacher is supportive, but not everyone feels the same, so there is a lot to write about. Her brother, James, is having a far less positive school experience than she is, and the annoying white neighbor boy won't leave her alone. But Shag, her border collie, is her refuge. Even so, opportunity clashes with obstacle. Kizzy Ann knows she and Shag could compete well in the dog trials, but will she be able to enter? From Jeri Watts comes an inspiring middle-grade novel about opening your mind to the troubles and scars we all must bear — and facing life with hope and trust.

LANGUAGE HACKING GERMAN

Quercus It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

WALKING IN BERLIN

A FLANEUR IN THE CAPITAL

MIT Press The first English translation of a lost classic that reinvents the flaneur in Berlin. Franz Hessel (1880-1941), a German-born writer, grew up in Berlin, studied in Munich, and then lived in Paris, where he moved in artistic and literary circles. His relationship with the fashion journalist Helen Grund was the inspiration for Henri-Pierre Roche's novel Jules et Jim (made into a celebrated 1962 film by Francois Truffaut). In collaboration with Walter Benjamin, Hessel reinvented the Parisian figure of the flaneur. This 1929 book—here in its first English translation—offers Hessel's version of a flaneur in Berlin. In *Walking in Berlin*, Hessel captures the rhythm of Weimar-era Berlin, recording the seismic shifts in German culture. Nearly all of the essays take the form of a walk or outing, focusing on either a theme or part of the city, and many end at a theater, cinema, or club. Hessel deftly weaves the past with the present, walking through the city's history as well as its neighborhoods. Even today, his walks in the city, from the Alexanderplatz to Kreuzberg, can guide would-be flaneurs. *Walking in Berlin* is a lost classic, known mainly because of Hessel's connection to Benjamin but now introduced to readers of English. *Walking in Berlin* was a central model for Benjamin's Arcades Project and remains a classic of “walking literature” that ranges from Surrealist perambulation to Situationist “psychogeography.” This MIT Press edition includes the complete text in translation as well as Benjamin's essay on *Walking in Berlin*, originally written as a review of the book's original edition. “An absolutely epic book, a walking remembrance.” —Walter Benjamin

LEARN GERMAN THE FAST AND FUN WAY

UNLOCKING GERMAN WITH PAUL NOBLE

HarperCollins UK Ever tried to learn German and found it too hard? Bestselling language coach Paul Noble has a quick and easy way to get you back on track with his unique tried-and-tested method.

BEFORE THE DELUGE

PORTRAIT OF BERLIN IN THE 1920S, A

Harper Collins A fascinating portrait of the turbulent political, social, and cultural life of the city of Berlin in the 1920s.

GLOBAL MEDIA STUDIES

AN ETHNOGRAPHIC PERSPECTIVE

Routledge Global Media Studies explores the theoretical and methodological threats that are defining global media studies as a discipline. Emphasizing the connection of globalisation to local culture, this collection considers the diversity of modes of reception, reception contexts, uses of media content, and the performative and creative relationships that audiences develop with and through the media. Through ethnographic case studies from Brazil, Denmark, the UK, Japan, Lebanon, Mexico, South Africa, Turkey and the United States, the contributors address such questions as: what links media consumption to a lived global culture; what role cultural tradition plays globally in confronting transnational power; how global elements of mediated messages acquire class; and regional and local characteristics.

NO COUNTRY FOR OLD MEN

Vintage This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

BERLIN STORIES

New York Review of Books A *New York Review Books* Original In 1905 the young Swiss writer Robert Walser arrived in Berlin to join his older brother Karl, already an important stage-set designer, and immediately threw himself into the vibrant social and cultural life of the city. *Berlin Stories* collects his alternately celebratory, droll, and satirical observations on every aspect of the bustling German capital, from its theaters, cabarets, painters' galleries, and literary salons, to the metropolitan street, markets, the Tiergarten, rapid-service restaurants, and the electric tram. Originally appearing in literary magazines as well as the feuilleton sections of newspapers, the early stories are characterized by a joyous urgency and the generosity of an unconventional guide. Later pieces take the form of more personal reflections on the writing process, memories, and character studies. All are full of counter-intuitive images and vignettes of startling clarity, showcasing a unique talent for whom no detail was trivial, at grips with a city diving headlong into modernity.

GERMAN MADE SIMPLE

LEARN TO SPEAK AND UNDERSTAND GERMAN QUICKLY AND EASILY

Crown Learning German Has Never Been Easier! LEARN NATURAL ENGLISH THROUGH STORYTELLING

8 STORIES FOR INTERMEDIATE & ADVANCED LEARNERS

CreateSpace Tired of worksheets and grammar books? Lean back and learn natural English with these authentic stories designed to improve your vocabulary and boost your reading-comprehension skills! This collection of stories for English learners is built to create authentic learning situations and experiences of natural English "in the wild". Each story is written by a different author who uses the language slightly differently, just like in real life. All authors are native speakers or highly skilled English teachers from all over the world including the United States, Ireland, England, Tunisia, Brazil, Morocco and Mexico. Each story is presented in three parts: first, there is the story itself, followed by a section explaining difficult or unusual vocabulary, and last but not least, a section with questions designed to help improve comprehension training.

FATHERLAND

Harper Collins Twenty years after Germany's victory in World War II, while the entire country prepares for the U.S. president's visit, Berlin Detective Xavier March attempts to solve the murder of a high-ranking Nazi commander. Reprint.

BLITZED

DRUGS IN NAZI GERMANY

Penguin UK The sensational German bestseller on the overwhelming role of drug-taking in the Third Reich, from Hitler to housewives. 'Bursting with interesting facts' *Vice* 'Extremely interesting ... a serious piece of scholarship, very well researched' Ian Kershaw The Nazis presented themselves as warriors against moral degeneracy. Yet, as Norman Ohler's gripping bestseller reveals, the entire Third Reich was permeated with drugs: cocaine, heroin, morphine and, most of all, methamphetamines, or crystal meth, used by everyone from factory workers to housewives, and crucial to troops' resilience - even partly explaining German victory in 1940. The promiscuous use of drugs at the very highest levels also impaired and confused decision-making, with Hitler and his entourage taking refuge in potentially lethal cocktails of stimulants administered by the physician Dr Morell as the war turned against Germany. While drugs cannot on their own explain the events of the Second World War or its outcome, Ohler shows, they change our understanding of it. *Blitzed* forms a crucial missing piece of the story.

GERMAN MADE SIMPLE

Crown Explains the rudiments of German grammar and provides vocabulary exercises for self-study.

GO, WENT, GONE

New Directions Publishing An unforgettable German bestseller about the European refugee crisis: "Erpenbeck will get under your skin" (Washington Post Book World) *Go, Went, Gone* is the masterful new novel by the acclaimed German writer Jenny Erpenbeck, "one of the most significant German-language novelists of her generation" (The Millions). The novel tells the tale of Richard, a retired classics professor who lives in Berlin. His wife has died, and he lives a routine existence until one day he spies some African refugees staging a hunger strike in Alexanderplatz. Curiosity turns to compassion and an inner transformation, as he visits their shelter, interviews them, and becomes embroiled in their harrowing fates. *Go, Went, Gone* is a scathing indictment of Western policy toward the European refugee crisis, but also a touching portrait of a man who finds he has more in common with the Africans than he realizes. Exquisitely translated by Susan Bernofsky, *Go, Went, Gone* addresses one of the most pivotal issues of our time, facing it head-on in a voice that is both nostalgic and frightening.

GERMAN SHORT STORIES FOR BEGINNERS: 30 CAPTIVATING SHORT STORIES TO LEARN GERMAN & GROW YOUR VOCABULARY THE FUN WAY!

Bilingual German **30 German Short Stories for Complete Beginners** One of the smartest ways to improve fluency is to read stories in your chosen language. Finding appropriate literature can be tough when you're just starting out, but this collection of 30 short stories is a fun and entertaining way of learning German vocabulary and grammar. Each story is around 300 words, making them very quick reads without overwhelming you. Crafted for beginners, this is ideal for newcomers who are trying to approach fluency in a natural way. **Rapidly Learn New Vocabulary** Classes often emphasize the most proper way of speaking and writing a language, but that's rarely found with native speakers. These stories will help you learn how German is commonly written and conveyed with natural dialogues and expressions. Following each story is a list of interesting words used in the story along with an English translation. No more reaching for an German-to-English dictionary when encountering uncommon words. **Grasp the Grammar** Each story has a mixture of simple dialogue, descriptive sentences and everything in-between. This allows you to pick up how sentences are commonly written along with how to describe scenery, items and people, giving you an overall and detailed way of understanding the written language. **Reading and Listening Skills** Each story is only 300 words, giving you an engaging yet simple story that you can quickly read through. We also supply you with a free audio file so that you can follow along and understand how each word is said and how the sentences should be read. This is narrated by a native German speaker, ensuring every inflection is correct. With this book you'll get: 30 short stories--each story just 300 words long, 110 pages 60 minutes of audio from a native German speaker Their English translation after each paragraph If you want to improve your reading fluency as quickly and naturally as possible, then this book is ideal. Not only that, but each story is interesting, and you can read them in a matter of minutes.
