KEY=LETTERS - ALEXANDER WERNER

Letters From Burma

Penguin UK Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi In these astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings Freedom from Fear.

Letters From Burma

Penguin UK Drawn from her imprisonment by Burma's military junta, a collection of writings by the leader of Burma's National League for Democracy and the winner of the 1991 Nobel Peace Prize offers a portrait of Burmese culture and a program for political reform. Original.

Freedom from Fear

And Other Writings

Penguin Freedom from Fear - collected writings from the Nobel Peace prize winner Aung San Suu Kyi Aung San Suu Kyi's collected writings - edited by her late husband, whom the ruling military junta prevented from visiting Burma as he was dying of cancer - reflects her greatest hopes and fears for her fellow Burmese people, and her concern about the need for international co-operation in the continuing fight for Burma's freedom. Bringing together her most powerful speeches, letters and interviews, this remarkable collection gives a voice to Burma's 'woman of destiny', whose fate remains in the hands of her enemies. Recipient of the Nobel Peace Prize and the Sakharov Prize for Freedom of Thought, and leader of Burma's National League for Democracy, Aung San Suu Kyi is one of the world's greatest living defenders of freedom and democracy, and an inspiration to millions worldwide. This book sits alongside Nelson Mandela's memoir Long Walk to Freedom. 'This book is bound to become a classic for a new generation of Asians who value democracy even more highly than Westerners do, simply because they are deprived of the basic freedoms that Westerners take for granted' The New York Times 'Aung San Suu Kyi's extraordinary achievement has been to confront the regime peacefully, reasonably and persuasively... [in] one of the most laudable continuing acts of political courage' Financial Times 'Such is the depth of passion and learning that she brings to her writings about national identity and its links with culture and language that she has attracted the admiration of intellectuals around the world' Sunday Times Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of Letters from Burma.

The Lady and the Peacock

The Life of Aung San Suu Kyi

The Experiment Nobel Peace Prize Laureate Aung San Suu Kyi—known to the world as an icon for democracy and nonviolent dissent in oppressed Burma, and to her followers as simply “The Lady”—has recently returned to international headlines. Now, this major new biography offers essential reading at a moment when Burma, after decades of stagnation, is once again in flux. Suu Kyi's remarkable life begins with that of her father, Aung San. The architect of Burma's independence, he was assassinated when she was only two. Suu Kyi grew up in India (where her mother served as ambassador), studied at Oxford, and worked for three years at the UN in New York.

In 1972, she married Michael Aris, a British scholar. They had two sons, and for several years she lived as a self-described "housewife"—but she never forgot that she was the daughter of Burma's national hero. In April 1988, Suu Kyi returned to Burma to nurse her sick mother. Within six months, she was leading the largest popular revolt in the country's history. She was put under house arrest by the regime, but her party won a landslide victory in the 1990 elections, which the regime refused to recognize. In 1991, still under arrest, she received the Nobel Peace Prize. Altogether, she has spent over fifteen years in detention and narrowly escaped assassination twice. Peter Popham distills five years of research—including covert trips to Burma, meetings with Suu Kyi and her friends and family, and extracts from the unpublished diaries of her co-campaigner and former confidante Ma Thanegi—into this vivid portrait of Aung San Suu Kyi, illuminating her public successes and private sorrows, her intellect and enduring sense of humor, her commitment to peaceful revolution, and the extreme price she has paid for it.

Aung San Suu Kyi

Fearless Voice of Burma

Twenty-First Century Books A biography of the Burmese leader who won the Nobel Peace Prize in 1991 while under house arrest.

Perfect Hostage

A Life of Aung San Suu Kyi, Burma's Prisoner of Conscience

Simon and Schuster Burma is a country where, as one senior UN official puts it, "just to turn your head can mean imprisonment or death." Aung San Suu Kyi is considered to be Burma's best hope for freedom, and, because of her unwavering commitment to nonviolent resistance to the country's brutal military junta, she has been under house arrest since 1989. Elected Prime Minister, she was prevented from taking office, but despite failing health, vilification at the hands of the Burmese media, and actual imprisonment in one of the world's most appalling jails, Suu Kyi has persevered in a campaign of nonviolent protest as unflagging as those of Gandhi, King, and Mandela, which earned her the Nobel Peace Prize in 1991. In Perfect Hostage, the most thorough biography of Suu Kyi to date, Justin Wintle tells both the story of the Burmese people and the story of an ordinary person who became a hero. "She's my hero."—Bono "In physical stature she is petite and elegant, but in moral stature she is a giant."—Archbishop Desmond Tutu, 1984 Nobel Peace Prize Recipient "It is time for all respectable members of the international community to put weight behind their words and take active measures to secure the freedom of Aung San Suu Kyi and the Burmese people."—Senator John McCain

The Voice of Hope

The Nobel Peace Prize laureate and leader of Burma's struggle for democracy discusses her political and Buddhist pursuits

The Hidden History of Burma: Race, Capitalism, and the Crisis of Democracy in the 21st Century

W. W. Norton & Company How did one of the world's "buzzy hotspots" (Fodor's 2013) become one of the top ten places to avoid (Fodor's 2018)? Precariously positioned between China and India, Burma's population has suffered dictatorship, natural disaster, and the dark legacies of colonial rule. But when decades of military dictatorship finally ended and internationally beloved Nobel laureate Aung San Suu Kyi emerged from long years of house arrest, hopes soared. World leaders such as Barack Obama ushered in waves of international support. Progress seemed inevitable. As historian, former diplomat, and presidential advisor, Thant Myint-U saw the cracks forming. In this insider's diagnosis of a country at a breaking point, he dissects how a singularly predatory economic system, fast-rising inequality, disintegrating state institutions, the impact of new social media, the rise of China next door, climate change, and deep-seated feelings around race, religion, and national identity all came together to challenge the incipient democracy. Interracial violence soared and a horrific exodus of hundreds of thousands of Rohingya refugees fixed international attention. Myint-U explains how and why this happened, and details an unsettling prognosis for the future. Burma is today a fragile stage for nearly all the world's problems. Are democracy and an economy that genuinely serves all its people possible in Burma? In clear and urgent prose, Myint-U explores this question—a concern not just for the Burmese but for the rest of the world—warning of the possible collapse of this nation of 55 million while suggesting a fresh agenda for change.

Aung San Suu Kyi

A Biography

Potomac Books, Inc. The leader of Burma's democracy movement, Aung San Suu Kyi, has joined Nelson Mandela, Martin Luther King Jr., Mahatma Gandhi, and the Dalai Lama in the global pantheon of those whose lives are dedicated to freedom. Throughout the world, she is associated with a peaceful struggle for democracy and human rights. But what is she really like? What drives her to make such enormous personal sacrifices for her country? Jesper Bengtsson presents a portrait of one of today's most significant political activists.

He chronicles her background as the daughter of Burma's liberation hero Aung San, the years she spent in England and New York, and her return to Burma in the 1980s. First placed under house arrest by the military junta in 1989, she spent fifteen of the subsequent twenty-one years in captivity, separated from her husband and two children. Throughout that period, she remained a unifying figure and activist for Burma's democracy movement. Awarded the Nobel Peace Prize in 1991, she saw her reputation and her international stature grow the longer she was under house arrest. Upon her release in November 2010, she immediately took up her work with the democracy movement and proved that she remains the most important political force in Burma. Aung San Suu Kyi's ability to affect people and repressive regimes reflects not only her personal charisma and courage but also her devotion to one of the great issues of our times: What is necessary for democracy to evolve from a deeply authoritarian system?

Empowered Black Girl

Joyful Affirmations and Words of Resilience

Mango Media Inc. *Inspirational Affirmations from Fabulous Black Female Trailblazers* Fievre's tips for affirmations and other positive strategies are the tools her readers will be able to utilize in their lives. It's time for us Black girls and Black women to be empowered, and I'm glad we have Fievre to show us the way." —Monique Jones, author of *The Book of Awesome Black Americans Even strong, fearless, and badass Black girls and Black women need affirmations. Now more than ever, we need to practice the art of self-care and give our minds and bodies the TLC they deserve. Author of Badass Black Girl and Happy, Okay? M.J Fievre brings you inspirational words of wisdom through fabulous Black female trailblazers who have changed the world, including Audre Lorde, Lupita Nyong'o and Angela Davis. Take a deep breath. The Moral Democracy

The Political Thought of Aung San Suu Kyi

Wydawnictwo Naukowe Scholar Aung San Suu Kyi spoke passionately about non-violence, she wrote involved articles about compatibility of democracy with Buddhism and she won the hearts and minds of so many with her call for the freedom from fear (...) It seemed - for more than two decades - that Suu Kyi was a perfect, non-Western propagator of democracy, human rights, rule of law (...) Yet a deeper analysis reveals that Suu Kyi intellectually, indeed, has been a democrat all along, but a Burmese democrat (...) Suu Kyi understands democracy in a Buddhist way and she reasons about politics using Buddhist ideas, idioms and concepts (...) This Buddhist dominance of her political thought had several consequences, the most important one being that her approach to politics has first and foremost been a moral one (...) her vision of democracy (and of politics in general) is a moral vision. It is something I propose to call "the moral democracy." The same reason that made her famous and admired worldwide, now contributed to her fall from grace. For too many outside Burma/Myanmar it is impossible to understand how Suu Kyi - yesterday's global personification of good and morality - can now silently endorse crimes against humanity conducted in her country and accept forced relocation of 700 thousand people. A cynic would quote Bertrand Russell's words ("we have two kinds of morality side by side: one which we preach but do not practice and another which we practice but seldom preach") and add a commentary that it applies especially to politicians. One, however, may offer a more favourable explanation: that Suu Kyi represents a tragic clash of ideas, including moral ideas, with political reality. Whatever the case, it was morality that made her famous, it was the same moralistic attitude that contributed to her removal from international Olympus and it is this moral understanding of politics that is the hallmark of her political thought, which is here to stay for longer, as political ideas last longer than changing political circumstances and fashions. From the Preface *The dramatic fall from grace of Burma's human rights icon Aung San Suu Kyi shocked the world. Michał Lubina's magisterial account of Aung San Suu Kyi's political education demystifies the behavior in power of this otherwise enigmatic leader. This is the indispensable book for anyone who wants to understand the mind of one of the world's most controversial women. Prof. Salvatore Babones, University of Sydney Dr. Michał Lubina, known in Poland for portraying Aung San Suu Kyi not as a human rights activist, but as a realist politician in the very footsteps of her father, now comes out with his research to the international audience. Following the example of Mahbubani's *Can Asian Think?* Lubina shows the intellectual and philosophical tradition of Myanmar through the case study of Suu Kyi's political thought. It's a unique undertaking that presents Suu Kyi from an unexpected angle: as a theoretician and political thinker or sage. Both the scope of research done and the material presented are very impressive and rather unique, even on international scene. Prof. Bogdan Góralczyk, University of Warsaw, Former Ambassador to Myanmar This book is a well-documented and well-constructed, multilayered, complex, analytical work based on very rich research, interviews with Suu Kyi and personal observations of the Author, who displays unquestioned analytical skills. As such the book represents a pioneer work in Burmese studies. Prof. Agnieszka Kuszewska, Jagiellonian University in Cracow None of the numerous books and articles that I have read about*

Daw Aung San Suu Kyi dissects her political thoughts and background as thoroughly as the book written by Dr. Michał Lubina. He shows the political construction of her character, her struggle, her idealism, her sources of inspiration and her weaknesses. It is a necessary publication to read in order to understand historical and contemporary policymaking in today's Burma. Dr. Marion Sabrié, University of Rouen Normandy

The Rebel of Rangoon

A Tale of Defiance and Deliverance in Burma

Hachette UK One of Kirkus Reviews Best Books of 2015 An epic, multigenerational story of courage and sacrifice set in a tropical dictatorship, The Rebel of Rangoon captures a gripping moment of possibility in Burma (Myanmar) Once the shining promise of Southeast Asia, Burma in May 2009 ranks among the world's most repressive and impoverished nations. Its ruling military junta seems to be at the height of its powers. But despite decades of constant brutality-and with their leader, the Nobel Peace Prize-laureate Aung San Suu Kyi, languishing under house arrest-a shadowy fellowship of oddballs and misfits, young dreamers and wizened elders, bonded by the urge to say no to the system, refuses to relent. In the byways of Rangoon and through the pathways of Internet cafes, Nway, a maverick daredevil; Nigel, his ally and sometime rival; and Grandpa, the movement's senior strategist who has just emerged from nineteen years in prison, prepare to fight a battle fifty years in the making. When Burma was still sealed to foreign journalists, Delphine Schrank spent four years underground reporting among dissidents as they struggled to free their country. From prison cells and safe houses, The Rebel of Rangoon follows the inner life of Nway and his comrades to describe that journey, revealing in the process how a movement of dissidents came into being, how it almost died, and how it pushed its government to crack apart and begin an irreversible process of political reform. The result is a profoundly human exploration of daring and defiance and the power and meaning of freedom.

The Daughter

A Political Biography of Aung San Suu Kyi

As the Rohingya crisis exploded, observers of Myanmar were shocked to see Aung San Suu Kyi, champion for the causes of liberal democracy and human rights, stand by as atrocities tore apart the western reaches of her country. The Daughter is an in-depth exploration of this icon-turned-leader and of the people, ideas, and experiences that have shaped her political identity. What emerges is not a shift in ideology but a consistent picture of the contrasts and multidimensionality that have defined her--prisoner and leader, principled resistor and pragmatic politician, the Lady and Mother Suu. Translated and updated from the original German, The Daughter is essential reading for professionals, journalists, and other observers seeking to understand Aung San Suu Kyi's role in Myanmar.

From the Land of Green Ghosts

A Burmese Odyssey

Harper Perennial In 1988, Dr. John Casey, a professor visiting Burma, meets a waiter in Mandalay with a passion for the works of James Joyce, and the encounter changes both their lives. Pascal, a member of the Kayan Padaung tribe, was the first member of his community to study English at a university. Within months of his meeting with Dr. Casey, Pascal's world lay in ruins. Burma's military dictatorship forces him to sacrifice his studies, and the regime's brutal armed forces murder his lover. Fleeing to the jungle, he becomes a guerrilla fighter in the life-or-death struggle against the government. In desperation, he writes a letter to the Englishman he met in Mandalay. Miraculously reaching its destination, the letter leads to Pascal's rescue and his enrollment in Cambridge University, where he is the first Burmese tribesman ever to attend. From the Land of Green Ghosts unforgettably evokes the realities of life in modern-day Burma and one man's long journey to freedom despite almost unimaginable odds.

The Voice of Hope

Conversations with Alan Clements

Random House Aung San Suu Kyi is known for her courageous stand for democracy and human rights inside Burma (now Myanmar). Forced to endure many years of house arrest by the military junta, she continues to act as a focus for change inside a country that is ruled by o

The Lizard Cage

Random House Beautifully written and taking us into an exotic land, Karen Connelly's debut novel The Lizard Cage is a celebration of the resilience of the human spirit. Teza once electrified the people of Burma with his protest songs against the dictatorship. Arrested by the Burmese secret police in the days of mass protest, he is seven years into a twenty-year sentence in solitary confinement. Cut off from his family and contact with other prisoners, he applies his acute intelligence, Buddhist patience, and humor to find meaning in the interminable days, and searches for news in every being and object that is grudgingly allowed into his cell. Despite his isolation, Teza has a profound influence on the people around him. His very existence challenges the brutal authority of the jailers, and his steadfast spirit inspires radical change. Even when Teza's criminal server tries to compromise the singer for his own gain, Teza befriends him and risks falling into the trap of forbidden conversation, food, and the most dangerous contraband of all: paper and pen. Yet, it is through Teza's relationship with Little Brother, a twelve-year-old orphan who's grown up inside the walls, that we ultimately come to understand the importance of hope and human connection in the midst of injustice and violence. Teza and the boy are prisoners of different orders: only one of them dreams of escape and only one of them will achieve it—their extraordinary friendship frees both of them in utterly surprising ways.

Mental Culture in Burmese Crisis Politics

Aung San Suu Kyi and the National League for Democracy

ILCAA An examination of the current political crisis in Burma, and in particular its Buddhist and socio-psychological aspects.

A Savage Dreamland

Journeys in Burma

Bloomsbury Publishing The first of its kind: an exploration of one of the most mysterious countries in the world, as told by one of the first outsiders to access the country in its entirety For almost fifty years Burma was ruled by a paranoid military dictatorship and isolated from the outside world. A historic 2015 election swept an Aung San Suu Kyi-led civilian government to power and was supposed to usher in a new golden era of democracy and progress, but Burma remains unstable and undeveloped, a little-understood country. Nothing is straightforward in this captivating land that is home to a combustible mix of races, religions and resources. A Savage Dreamland: Journeys in Burma reveals a country where temples take priority over infrastructure, fortune tellers thrive and golf courses are carved out of war zones. Setting out from Yangon, the old capital, David Eimer travels throughout this enigmatic nation, from the tropical south to the Burmese Himalayas in the far north, via the Buddhist-centric heartland and the jungles and mountains where rebel armies fight for autonomy in the longest-running civil wars in recent history. The story of modern Burma is told through the voices of the people Eimer encounters along the way: former political exiles, the squatters in Yangon's shanty towns, radical monks, Rohingya refugees, princesses and warlords, and the ethnic minorities clustered along the country's frontiers. In his vivid and revelatory account of life, history, culture and politics, David Eimer chronicles the awakening of a country as it returns to the global fold and explores a fractured nation, closed to foreigners for decades. Authoritative and ground-breaking, A Savage Dreamland: Journeys in Burma is set to be a modern classic of travel writing.

A Daughter's Memoir of Burma

Columbia University Press Wendy Law-Yone was just fifteen when Burma's military staged a coup and overthrew the civilian government in 1962. The daughter of Ed Law-Yone, the daredevil founder and chief editor of The Nation, Burma's leading postwar English-language newspaper, she experienced firsthand the perils and promises of a newly independent Burma. On the eve of Wendy's studies abroad, Ed Law-Yone was arrested and The Nation shut down. Wendy herself was briefly imprisoned. After his release, Ed fled to Thailand with his family, where he formed a government-in-exile and tried, unsuccessfully, to foment a revolution. Exiled to America with his wife and children, Ed never gave up hope that Burma would one day adopt a new democratic government. Though he died disappointed, he left in his daughter's care an illuminating trove of papers documenting the experiences of an eccentric, ambitious, humorous, and determined patriot, vividly recounting the realities of colonial rule, Japanese occupation, postwar reconstruction, and military dictatorship. This memoir tells the twin histories of Law-Yone's kin and his country, a nation whose vicissitudes continue to intrigue the world.

Miss Burma

A Novel

Grove Press "Craig wields powerful and vivid prose to illuminate a country and a family trapped not only by war and revolution, but also by desire and loss." —Viet Thanh Nguyen, Pulitzer Prize-winning author Miss Burma tells the story of modern-day Burma through the eyes of Benny and Khin, husband and wife, and their daughter Louisa. After attending school in Calcutta, Benny settles in

Rangoon, then part of the British Empire, and falls in love with Khin, a woman who is part of a long-persecuted ethnic minority group, the Karen. World War II comes to Southeast Asia, and Benny and Khin must go into hiding in the eastern part of the country during the Japanese occupation, beginning a journey that will lead them to change the country's history. Years later, Benny and Khin's eldest child, Louisa, has a danger-filled, tempestuous childhood and reaches prominence as Burma's first beauty queen soon before the country falls to dictatorship. As Louisa navigates her newfound fame, she is forced to reckon with her family's past, the West's ongoing covert dealings in her country, and her own loyalty to the cause of the Karen people. Based on the story of the author's mother and grandparents, *Miss Burma* is a captivating portrait of how modern Burma came to be and of the ordinary people swept up in the struggle for self-determination and freedom. "At once beautiful and heartbreaking . . . An incredible family saga." —Refinery29 "Miss Burma charts both a political history and a deeply personal one—and of those incendiary moments when private and public motivations overlap." —Los Angeles Times

There Are Two Sexes

Essays in Feminology

Columbia University Press Antoinette Fouque cofounded the Mouvement de Libération des Femmes (MLF) in France in 1968 and spearheaded its celebrated *Psychanalyse et Politique*, a research group that informed the cultural and intellectual heart of French feminism. Rather than reject Freud's discoveries on the pretext of their phallogentrism, Fouque sought to enrich his thought by more clearly defining the difference between the sexes and affirming the existence of a female libido. By recognizing women's contribution to humanity, Fouque hoped "uterus envy," which she saw as the mainspring of misogyny, could finally give way to gratitude and by

associating procreation with women's liberation she advanced the goal of a parity-based society in which men and women could write a new human contract. The essays, lectures, and dialogues in this volume finally allow English-speaking readers to access the breadth of Fouque's creativity and activism. Touching on issues in history and biography, politics and psychoanalysis, Fouque recounts her experiences running the first women's publishing house in Europe; supporting women under threat, such as Aung San Suu Kyi, Taslima Nasrin, and Nawal El Saadaoui; and serving as deputy in the European Parliament. Her theoretical explorations discuss the ongoing development of feminology, a field she initiated, and, while she celebrates the progress women have made over the past four decades, she also warns against the trends of counterliberation: the feminization of poverty, the persistence of sexual violence, and the rise of religious fundamentalism.

Aung San Suu Kyi

Gareth Stevens Publishing LLLP Explores the life and career of the Burmese political activist who won the Nobel Peace Prize in 1991.

Brothers of the Gun

A Memoir of the Syrian War

One World A bracingly immediate memoir by a young man coming of age during the Syrian war, an intimate lens on the century's bloodiest conflict, and a profound meditation on kinship, home, and freedom. A NEW YORK TIMES NOTABLE BOOK • LONGLISTED FOR THE NATIONAL BOOK AWARD • "This powerful memoir, illuminated with Molly Crabapple's extraordinary art, provides a rare lens through which we can see a region in deadly conflict."—Bryan Stevenson, author of *Just Mercy* In 2011, Marwan Hisham and his two friends—fellow working-class college students Nael and Tareq—joined the first protests of the Arab Spring in Syria, in response to a recent massacre. Arm-in-arm they marched, poured Coca-Cola into one another's eyes to blunt the effects of tear gas, ran from the security forces, and cursed the country's president, Bashar al-Assad. It was ecstasy. A long-bottled revolution was finally erupting, and freedom from a brutal dictator seemed, at last, imminent. Five years later, the three young friends were scattered: one now an Islamist revolutionary, another dead at the hands of government soldiers, and the last, Marwan, now a journalist in Turkish exile, trying to find a way back to a homeland reduced to rubble. Marwan was there to witness and document firsthand the Syrian war, from its inception to the present. He watched from the rooftops as regime warplanes bombed soldiers; as revolutionary activist groups, for a few dreamy days, spray-painted hope on Raqqa; as his friends died or threw in their lot with Islamist fighters. He became a journalist by courageously tweeting out news from a city under siege by ISIS, the Russians, and the Americans all at once. He saw the country that ran through his veins—the country that held his hopes, dreams, and fears—be destroyed in front of him, and eventually joined the relentless stream of refugees risking their lives to escape. Illustrated with more than eighty ink drawings by Molly Crabapple that bring to life the beauty and chaos, *Brothers of the Gun* offers a ground-level reflection on the Syrian revolution—and how it bled into international catastrophe and global war. This is a story of pragmatism and idealism, impossible violence and repression, and, even in the midst of war, profound acts of courage, creativity, and hope. "A book of startling emotional power and intellectual depth."—Pankaj Mishra, author of *Age of Anger* and *From the Ruins of Empire* "A revelatory and necessary read on one of the most destructive wars of our time."—Angela Davis

The Lady and the Generals

Aung San Suu Kyi and Burma's Struggle for Freedom

Random House She was a heroine of our time, a winner of the Nobel Peace Prize, a symbol of supreme courage in the face of tyranny. Then, in 2010, Burma's generals opened the door a chink: Aung San Suu Kyi was released from house arrest, and her country began to change. Suu Kyi's acclaimed biographer, Peter Popham, describes what happened next. Travelling across the country, meeting aristocrats, monks and politicians, freedom fighters, punks and rebels, he shows how hope has slowly returned to the lives of ordinary Burmese. He also examines the fate of the hill tribes, and how the world's politicians and businessmen are striving for influence. But with greater openness, long-suppressed prejudices have burst into the open: intolerant Buddhist preachers have whipped up the latent hostility of the Burmese against people of other races and beliefs, especially the Muslim Rohingya. When Aung San Suu Kyi was elected to parliament, she began to negotiate with the military. Yet she has declined to take a firm stand on minority rights - to the dismay of many in the West. *The Lady and the Generals* offers a trenchant and compelling portrait of this fascinating country and asks where Burma and Suu Kyi herself - with her bravery, her brilliance and her limitations - are heading next. Praise for *The Lady and the Peacock*: 'What a gift to our world and what a splendid telling of [Aung San Suu Kyi's life]. We are deeply indebted to Peter Popham for such a superb account' - Archbishop Desmond Tutu 'Sensitive and moving' - Sunday Times 'Beautifully written and compelling in every aspect' - Joanna Lumley 'Warm and objective...will not be bettered for a long time' - Independent on Sunday

Beneath Your Beautiful

On the outside, Huntley Morgan is your typical girl-next-door, with her long blonde hair and piercing blue eyes, and that's exactly what she wants people to see. Her name exposes her to the demons of her past but remembering her reason for moving across the country to start over is what keeps her alive. For the first time since the brutal murder of her mother, Huntley allows herself to care about the people around her. Grayson Carter has everything a 21yr old College Senior could wish for - he's the star of Whitley University's football team, he has a different girl willing to be in his bed every night and a supportive family. For years he has managed keep his family together and hide their dark secrets from the small town of Breckinridge, Alabama. When Huntley and Grayson meet, a force so

*strong pulls them together in a hurricane of feelings neither of them could have ever anticipated. Huntley and Grayson try to stay away from each other, but when Huntley's demons seek her out, their pasts become the biggest storm of all. Will they learn to trust each other and build a new future together or will they simply do nothing to prevent history from repeating itself?**Content Warning: Contains Language & Mature Situations. +17*

A Political Biography of Aung San Suu Kyi

A Hybrid Politician

Routledge This book is the first political biography of Aung San Suu Kyi covering both her years in opposition and all her years in power from 2016 onwards. It offers a new interpretation of Aung San Suu Kyi by presenting a balanced and thorough account of Suu Kyi's policies. In the last 30 years there has not been a person in global politics who has risen so high and fallen so low – and so quickly – as Aung San Suu Kyi. Using postcolonial theory and introducing the new concept of 'a hybrid politician', this book explains apparent inconsistencies of Suu Kyi's agenda. It demonstrates that Suu Kyi considers herself a democrat and yet, rules autocratically. Immersed in her country's tradition of policymaking, she has at the same time been influenced by foreign concepts, both Western and Asian. Drawing on first-hand research, including talks with Suu Kyi, conversations with her supporters and rivals, observations of Suu Kyi's behaviour during intergovernmental talks as well as an extensive number of sources and fieldwork in Myanmar, the author argues that Suu Kyi's case shows both the strengths and limits of hybridity. This brings Suu Kyi priceless political assets such as visibility, recognition and support while proving that such a model of leadership has its restrictions. A timely biography of the Nobel Peace Prize Laureate as she appears at the International Court of Justice to defend her country against charges of genocide committed against the Rohingya Muslim minority, this book will be of interest to students and researchers of Myanmar politics, Southeast Asian politics, Asian politics, Political Science more generally, Postcolonial Studies, Cultural Studies and Leadership Studies.

Theoretical and Textual Approaches to Contemporary Humanitarian Narrative

Myanmar's Enemy Within

Buddhist Violence and the Making of a Muslim 'Other'

Zed Books Ltd. For decades Myanmar has been portrayed as a case of good citizen versus bad regime – men in jackboots maintaining a suffocating rule over a majority Buddhist population beholden to the ideals of non-violence and tolerance. But in recent years this narrative has been upended. In June 2012, violence between Buddhists and Muslims erupted in western Myanmar, pointing to a growing divide between religious communities that before had received little attention from the outside world. Attacks on Muslims soon spread across the country, leaving hundreds dead, entire neighbourhoods turned to rubble, and tens of thousands of Muslims confined to internment camps. This violence, breaking out amid the passage to democracy, was spurred on by monks, pro-democracy activists and even politicians. In this gripping and deeply reported account, Francis Wade explores how the manipulation of identities by an anxious ruling elite has laid the foundations for mass violence, and how, in Myanmar's case, some of the most respected and articulate voices for democracy have turned on the Muslim population at a time when the majority of citizens are beginning to experience freedoms unseen for half a century.

Myanmar's Political Transition and Lost Opportunities (2010–2016)

ISEAS-Yusof Ishak Institute This book is about the politics of Myanmar under the reformist president Thein Sein. After taking office in March 2011, Thein Sein initiated the bloodless Myanmar Spring. He was able to transform Myanmar into a more transparent and dynamic society, bring Aung San Suu Kyi and other opposition activists into the political process, initiate a peace process with the ethnic armed organizations, reintegrate Myanmar into the international community after five decades of isolation, and, most importantly, for the first time since the country regained independence in 1948, he was able to enact the peaceful transfer of power from one elected government to another. But Thein Sein also lost opportunities to deliver what the people anticipated, and he failed to bring his USDP party to victory in the 2015 election. This book is not about the successes of the Thein Sein administration. Rather, it

examines the reasons behind the lost opportunities in the transition to democracy. It draws on the author's experiences as a member of Thein Sein's cabinet as well as on extensive interviews with other cabinet members and politicians involved in the crucial events that took place between 2010 and 2016. The book is a must-read for anyone interested in this critical period of change for Myanmar.

The Female Voice of Myanmar

Khin Myo Chit to Aung San Suu Kyi

Cambridge University Press *The Female Voice of Myanmar* seeks to offer a female perspective on the history and political evolution of Myanmar. It delves into the lives and works of four of Myanmar's remarkable women who set aside their lives to answer the call of their country: Khin Myo Chit, who spoke about latent sexual politics in pre-Independent Burma; Ludu Daw Amar, who as the editor of the leftist *Ludu Daily*, was deemed anti-establishment and was witness to the socialist government's abortive efforts at ethnic reconciliation; Ma Thida, whose writing bears testimony to the impact the authoritative military rule had on the individual psyche; and Aung San Suu Kyi, who has re-articulated Burmese nationalism. This book breaks new ground in exploring their writing, both published and hitherto unexamined, some in English and much in Burmese, while the intimate biographical sketches offer a glimpse into the Burmese home and the shifting feminine image.

The War Diaries of Weary Dunlop

Penguin Group Australia This extraordinary first-hand account of Sir Edward 'Weary' Dunlop's experiences as senior medical officer in the infamous prisoner-of-war camps in Java and on the Burma-Thailand Railway, is not only an account of great historical significance but also a testament to the ability of the human spirit to overcome the most unbearably cruel conditions. 'I have the testimony of hundreds of Australians who had served with me and who accompanied Weary to Burma and Siam that he was both their inspiration and the main instrument of their physical and spiritual survival.' Laurens Van Der Post 'His experiences - and the manner in which he handled them - are what have made Weary Dunlop one of our most loved and most respected countrymen.' *Herald Sun* 'Sir Edward's care and concern for his men and his unbreakable spirit made him a living legend.' *Sunday Times*

Icon of Evil

Hitler's Mufti and the Rise of Radical Islam

Routledge A chilling, fascinating, and nearly forgotten historical figure is resurrected in this riveting work that links the fascism of the last century with the terrorism of our own. Written with vigor and extraordinary access to primary sources in several languages, *Icon of Evil* is the definitive account of the man who, during World War II, was called "the fuhrer of the Arab world" and whose ugly legacy lives on today. With new and disturbing details, David G. Dalin and John F. Rothmann show how al-Husseini ingratiated himself with his hero, Adolf Hitler, becoming, with his blond hair and blue eyes, an "honorary Aryan" while dreaming of being installed as Nazi leader of the Middle East. Al-Husseini would later recruit more than 100,000 Muslims in Europe to fight in divisions of the *Waffen-SS*, and obstruct negotiations with the Allies that might have allowed four thousand Jewish children to escape to Palestine. Some believe that al-Husseini even inspired Hitler to implement the Final Solution. At war's end, al-Husseini escaped indictment at Nuremberg and was harbored in France. *Icon of Evil* chronicles al-Husseini's postwar relationships with such influential Islamic figures as the radical theoretician Sayyid Qutb and Saddam Hussein's powerful uncle General Khairallah Talfah and his crucial mentoring of the young Yasser Ararat. Finally, it provides compelling evidence that al
