The Remarkable Ordinary

How to Stop, Look, and Listen to Life

Zondervan Learn to see God's remarkable works in the everyday ordinary of your life. Your remarkable life is happening right here, right now. You may not be able to see it--your life may seem predictable and your work insignificant until you look at your life as Frederick Buechner does. Named "the father of today's spiritual memoir movement" by Christianity Today, Frederick Buechner reveals how to stop, look, and listen to your life. He reflects on how both art and faith teach us how to pay attention to the remarkableness right in front of us, to watch for the greatness in the ordinary, and to use our imaginations to see the greatness in others and love them well. Pay attention, says Buechner. Listen to the call of a bird or the rush of the wind, to the people who flow in and out of your life. The ordinary points you to the extraordinary God who created and loves all of creation, including you. Pay attention to these things as if your life depends upon it. Because, of course, it does. As you learn to pay attention to your life and what God is doing in it, you will uncover the plot of your life's story and the sacred opportunity to connect with the Divine in each moment.

Hearing from God

A Daily Devotional

Createspace Independent Publishing Platform Many daily devotionals are in very small, bite-sized installments that you can read in three minutes or less. This may be very appropriate for people who are always on the go, and are doing so at God's leading. But such tiny tidbits, while they may be very good and very true, are still pretty small, and as such, have insufficient room to get very deep. As such, they are barely spiritual hors d'oeuvres, let alone a hearty spiritual meal of "strong meat." If you have a bit more time, this devotional is a good alternative. It goes into greater depth and breadth in the Scriptural support and elaboration. You may notice that the list of Scripture references at the bottom of each day's entry is longer than you have seen in other daily devotionals. This is deliberate: You'll be blessed if you read all the Scriptures for each day's devotional, even if two or three passages seem to say the same thing-when the Bible makes similar statements but expresses them slightly differently, the various nuances of meaning are significant and enlightening; they are not merely accidental. There is amazing depth in the Scriptures. . .

Mind Your Thoughts

Mind Your Thoughts is a book that will help you quiet and focus your thoughts so you speak directly to your unconscious state of being in a language the mind understands. Meditation is nothing more than relaxation, and in a meditative state, your conscious can relax and allow you to speak directly to the unconscious. The unconscious is in charge of your life, even though you allow your conscious to be in control. If you want to experience change in your life, you need to learn to bypass the conscious control which can be described as critical, analytical, and most of all judgmental. Meditating through relaxation is how you reprogram your unconscious with new concepts and information. The unconscious learns by applying this information against the storage of all your memories, experiences, reactions, and emotions. Also, the unconscious is much more accepting of change because it processes information without judgment. You will see both mental and physical changes resulting from this process. Practice with the thoughts in this book; your unconscious will understand even if your conscious seems confused. Mind your thoughts and experience a human metamorphosis from the inside out. The purpose of meditation is to quiet the mind. Meditation removes the clutter of thoughts from everyday life, and also helps you to get in touch with your higher consciousness. It does take practice, so do not become discouraged. Set aside 45 minutes each evening before you go to sleep. Sit in a quiet room, in a comfortable and relaxed position wearing loose clothing. Close your eyes and take a deep breath in through your nose and let it out slowly through your mouth. With each breath in, clear your mind of all thoughts, and feel your body relax. Repeat this 9 times before beginning. This book contains 81 thoughts for you to meditate on. There are 9 sets of 9 thoughts each. Start with Set One and allow 5 minutes of meditation for each thought. After your initial warm up of 9 deep breaths, read the first thought of the first set. Close your eyes and continue your deep breathing as you reflect on the thought and what it may mean to you and your life. Think of nothing else. Repeat this with each thought until you complete Set One. It will take you at least 9 evenings to get through all of the sets in the book. You may want to repeat a set over and over again before moving on to the next set. Eventually, you will have your favorite thoughts that you will want to dedicate your meditations on. Most people enjoy thoughts of wisdom, but rarely take the time to internalize them enough to be life changing. Practice mindfulness in life and create ripples that will forever change your life. This is not an instructional book on the art of meditation.

Life Is So Daily!

A 365 Day Walk with the Word

Createspace Independent Publishing Platform Life Is So Daily! A 365 Day Walk With The Word By Pastor Cecil A. Thompson In the 1970's I was on the ministerial staff of a large church. At one of our weekly staff meetings, the Senior Pastor announced that he wanted to start daily devotionals. Each staff member was to write seven devotionals which would be printed and distributed to the congregation each Sunday. Unfortunately, the project only lasted a short while because staff members complained that it was impossible to produce material for seven days. Thirty years later, September 15, 2000, I was pastoring a small congregation and requested the members email addresses. The number of responses surprised me so I sent them a short devotional message. Once again the response surprised me. They wanted me to send more! As I prayed about the commitment it would require on my part, the Lord prompted me to use this method to share His Word through my life experiences. The Daily E Votional was born. At the outset I sent out a new message seven days a week. Some of my spiritual counselors advised me to reduce it to five days a week or I would not have the energy to sustain it. I listened and limited the E Votionals to five days a week. The other change I made was to shorten the messages. Can I let you in on a little secret? It is much easier to write much than to write little. I eventually tried to cut back to a single page and encapsulate the message within four paragraphs. I also discovered that people like stories, which reminded me that Jesus used stories as the basis for much of His teaching. He painted word pictures that allowed the people to visualize His message. I have had a very unique work history all the way from driving a milk delivery truck, to jet aircraft mechanic, to police officer, to juvenile probation officer, to Air Force Personnel Officer, to Missile Launch Officer, to Nuclear Safety Officer, to Criminal Justice Planner and, through almost all of it, a preacher and teacher of God's Word. This book provides a full year of selected Daily E Votionals to assist you in making each day more meaningful in serving the Lord. My desire for each of us is that we will allow every situation in our life an opportunity to serve the Lord. May God bless you, Dear Hearts! Pastor Cecil

I As

Createspace Independent Publishing Platform Conscious Life Energy is the substance of the world and the Absolute is the source of the substance. The unity prior to duality, yet immanent in it, is the shapeless root. It is That which does not depend on Consciousness, yet makes Consciousness possible. It is That wherein and whereof every 'I' appears and disappears. It is inconceivable for whoever attempts to conceive it. It is so clear that it is hard to see. Everything is this One displaying Itself in the multiplicity, this dance of interdependent counterparts, of presumed separate subjective self, presumed separate world, and presumed separate God. Phenomenal absence is 'I'. Everything is 'I-as'.

Brandt Tobler Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

How does it feel to be here and there - at the same time? Maxwell Greyson refers to himself as a project manager but really only makes use of that title in an attempt to mask his ridiculousness, which is something that has plagued him all of his life. He unwittingly embarks on a quest to find what he's always sought. He finds it, or rather he finds something, but doesn't know exactly how to process it or what to do with it. What ensues is a journey that starts at zero and ends up near the edge of the multiverse. Or is it the other way around?

Speaking to the Soul

Daily Readings for the Christian Year

Church Publishing, Inc. The flourishing website known as the Episcopal Café (www.episcopalcafe.org) produced by the Diocese of Washington attracts several thousand visitors a day. Its popular column "Speaking to the Soul," which contains a concise, well-developed spiritual reflection for every day of the year, draws from many different sources, including scripture, church history, saints' biographies, books of prayers, liturgies, and ancient and contemporary theologians and spiritual writers. This daily reader grew out of that column. It follows the Episcopal Church's liturgical seasons and includes observation of major feast days as well as saints' days. The reading for a particular saint's day might be taken from the saint's writings, prayers, or biography, or might develop a theme such as martyrdom or growth in the spirit. Other readings focus on particular emphases of the seasons (the Incarnation during Advent and Christmas; spiritual disciplines during Lent); or speak more generally to the Christian life (prayer, discipleship, ministry, the sacraments, conflict and reconciliation, and so on). Readings are taken from every century of the church's life, with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties, joys, and concerns of the church today. Excerpts are long enough to give a satisfying and complete context of the writer's intended meaning.

Ordinary Glory: Finding Grace in the Commonplace

Christian Faith Publishing, Inc. With eloquence, candor, and simplicity, Dane Fowlkes turns the pages of his own story and allows the reader to peek over his shoulder and into his heart. In these spiritual and autobiographical reflections, this celebrated communicator

relates carefully chosen experiences from his life as son, father, grandfather, husband, minister, and writer-for the purpose of illustrating the weight of glory in ordinary human experience. "Glory abounds in the ordinary if you know where to look; grace is always present tense." Fowlkes has led anything but a dull existence-from initiation into an African tribe in northern Kenya where he is known as Jilo, a name that means "season of celebration," to living near Gandhi's ashram on the Sabarmati River-yet he has learned to discern and celebrate God's grace in the commonplace. Fowlkes's words reveal the presence of God in the midst of daily life. He embraces difficult questions and garden-variety experiences as equally essential components of our lives, rather than as enemies that seek to destroy us or bore us to tears. "Only those who stumble in the dark fully appreciate the miracle of light." Reflecting Fowlkes's gift for storytelling and his minister's heart, Ordinary Glory will inspire laughter, hope, and transform the way we view the unremarkable moments that fill much of our lives. Turn the pages and rediscover what it means to be thoughtful about grace. See why this newly published writer will be quoted by Americans for generations to come.
