Hay shows you that you "can do it"—that is, change and improve virtually every aspect of your life—by understanding and using affirmations correctly. Louise explains that every thought you think and every word you speak is an affirmation. Even your self-talk, your internal dialogue, is a stream of affirmations. You're affirming and creating your life experiences with every word and thought. Your beliefs are merely habitual thinking patterns that you learned as a child, and many of them work very well for you. But other beliefs may be limiting your ability to create the very things you say you want. You need to pay attention to your thoughts so that you can begin to eliminate the ones creating experiences that you don't want. As Louise discusses topics such as health, forgiveness, prosperity, creativity, relationships, job success, and self-esteem, you'll see that affirmations are solutions that will replace whatever problem you might have in a particular area. By the end of this book, you'll be able to say "I can do it" with confidence, knowing that you're on your way to the wonderful, joy-filled life you deserve. **Power Thoughts** [Hay House, Inc](#) "This little book is filled with positive affirmations. Every thought you think and every word you speak is an affirmation. So why not choose to use only positive affirmations to create a new way of thinking, acting, and feeling?...By reading these affirmations—one a day, several at a time, or just by opening the book at random—you're taking the first step toward building a more rewarding life...I know you can do it!" - Louise L. Hay **The Power Is Within You** [Hay House, Inc](#) "Louise Hay writes to your soul—where all healing begins. I love this book... and I love Louise Hay." — Dr. Wayne W. Dyer In **The Power Is Within You**, Louise L. Hay expands her philosophies of loving the self through: • learning to listen and trust the inner voice; • loving the child within; • letting our true feelings out; • the responsibility of parenting; • releasing our fears about growing older; • allowing ourselves to receive prosperity; • expressing our creativity; • accepting change as a natural part of life; • creating a world that is ecologically sound; • where it's safe to love each other'; • and much more. She closes the book with a chapter devoted to meditations for personal and planetary healing. **Everyday Positive Thinking** [ReadHowYouWant.com](#)

A collection of positive thoughts from Louise L. Hay and others. **All is Well Heal Your Body with Medicine, Affirmations, and Intuition** [Hay House, Inc](#) "Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from **Heal Your Body. All Is Well** brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, **All Is Well** separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life. **Trust Life Love Yourself Every Day with Wisdom from Louise Hay** [Hay House, Inc](#) 365 affirmations and reflections drawn from the inspirational work of Louise Hay. **Queen of the New Age . . . Heal Your Mind Your Prescription for Wholeness through Medicine, Affirmations, and Intuition [Hay House, Inc](#) "A much-needed guidebook . . . a treasure chest of insights." — Caroline Myss, M.D. "[A] brilliant new work . . . profound healing advice." — Brian L. Weiss, M.D. Many of us grapple with how to stay happy, calm, and focused in a world that seems to get more complex by the minute. How do we keep our wits about us, our mood stable, and our memory intact when our brains and bodies are bombarded with information and influences from every side? This one-of-a-kind resource combines cutting-edge science with compassion and wisdom to offer answers we can really use. Heal Your Mind continues the three-pronged healing approach that Dr. Mona Lisa Schulz and Louise Hay pioneered together in All Is Well: Heal Your Body with Medicine, Affirmations, and Intuition. Here, it's applied to aspects

of the mind ranging from depression, anxiety, and addiction to memory, learning, and even mystical states. You'll learn what's going on in your brain and body when you feel sad, angry, or panicked; you have trouble focusing, reading, or remembering; a past trauma is clouding your mind in the present; and more. And in each chapter, you'll get a "virtual healing experience" through case studies in the All Is Well Clinic, where Dr. Mona Lisa uses medical intuition to pinpoint issues in a wide range of prototypical client histories and she and Louise offer solutions and affirmations to help restore well-being. Today, we tend to think our minds and bodies need an endless array of expensive, ever-changing pharmaceutical interventions. In truth, medicines are just one approach to healing the mind; nutritional supplements also support mind-body health; and affirmations restore us to balance by changing the way we think. *Heal Your Mind* puts all these tools at your disposal to help you choose your own path. *The Times of Our Lives* [Hay House, Inc](#) The true experiences that are featured in this book, introduced by best-selling author Louise L.
