STUDY GUIDE FOR THE PROFESSIONAL LICENSURE OF MINING AND MINERAL PROCESSING ENGINEERS, 8TH EDITION

Society for Mining, Metallurgy, and Exploration Prepare for your Professional Engineer exam with this 8th edition of SME's study guide. This handy workbook lets you know what to expect and provides the opportunity to practice your test-taking skills. The text covers what licensing can do for you, outlines the engineering licensure process, highlights the steps to licensure, summarizes the application process, and provides test-taking strategies specific to the PE exam. The text also includes a chapter on ethics for professional engineers and details the rules of professional conduct from the National Council of Examiners for Engineering and Surveying (NCEES). The Study Guide provides the important references that should be studied for the PE exam as well as a list of other helpful resources. Perhaps the most useful element is a sample test, including the solutions, that is similar in content and format to the actual Principles and Practice of Engineering licensure exam. Although the practice exam cannot include all the possible subject matter that may appear on the actual exam, you'll find it beneficial to practice answering the types of questions that will appear on the test. The Society for Mining, Metallurgy & Exploration (SME) advances the worldwide mining and minerals community through information exchange and professional development. SME plays a central role in the licensure process for professional engineers through its Professional Engineers Exam Committee and its affiliation with NCEES.

LIMITED LIABILITY ENTITIES

A STATE BY STATE GUIDE TO LLCs, LPS AND LLPS

Wolters Kluwer The foremost authority on state laws governing limited liability companies, limited partnerships, and limited liability partnerships. This resource covers choice of entity, formation, admission, dissociation, dissolution, wind up, tax treatment; statutory and case sources are brought together in an accessible manner. By Bradley T. Borden, Robert J. Rhee *Limited Liability Entities: State by State Guide to LLCs, LPs and LLPs* is the country's foremost authority on the state laws governing limited liability companies, limited partnerships, and limited liability partnerships. It contains expert analysis and commentary by two of the nation's most renowned experts in this area of the law and compiles statutory and case sources in an accessible manner. Authors Bradley Borden and Robert Rhee provide seven annual updates to this product, making it the most timely and comprehensive work of its kind. Volume 1 provides a comprehensive overview of limited liability entities. It begins with a detailed review of the history and evolution of limited liability entities. It then provides an in-depth examination of the general state-law principles that govern limited liability entities, using the uniform limited liability entity laws as a basis for the discussion. Volume 1 also provides comprehensive coverage of the tax treatment of limited liability entities. Starting with Volume 2, the treatise provides in-depth coverage of the respective state laws that govern limited liability entities. For each state, the treatise provides commentary about the state law, including discussion of relevant case rulings. In these commentaries and when appropriate, comparisons are made to other state law and the uniform laws. These volumes also reproduce the relevant state laws that govern limited liability entities. Volume 2 covers the states of Alabama through Colorado Volume 3 covers the states of Connecticut through Hawaii Volume 4 covers the states of Idaho through Kentucky Volume 5 covers the states of Louisiana through Minnesota Volume 6 covers the states of Mississippi through New Hampshire Volume 7 covers the states of New Jersey through Ohio Volume 8 covers the states of Oklahoma through South Dakota Volume 9 covers the states of Tennessee through Vermont Volume 10 covers the states of Virginia through Wyoming

QUALIFYING TO DO BUSINESS IN ANOTHER STATE: THE CSC® 50-STATE GUIDE TO QUALIFICATION, 2017 EDITION
