THE LOVE AND RESPECT EXPERIENCE

A HUSBAND-FRIENDLY DEVOTIONAL THAT WIVES TRULY LOVE

Thomas Nelson A Devotional Unlike Any Other! Through the millions of products sold on Love & Respect, Emerson Eggerichs has transformed marriages around the world with his biblically based approach to understanding the love that she most desires and the respect that he desperately needs. Now, in this long-awaited release, Emerson has created an experience for couples that is effective, flexible and life-changing. To build this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect. On one occasion the couple will be talking about how to stop the Crazy Cycle or keep it at bay. The very next devotional will talk about a concept built upon the Rewarded Cycle, which stresses the ultimate purpose for marriage. And the next may have both people talking about ways to use the Energizing Cycle in their efforts to love and respect each other. Some may ask, "Why 52 and not 365, like other couples devotionals I have seen?" The author's research shows that married couples don't want to deal with that much material, that often. Therefore, the specific devotionals, which can be done weekly or at any chosen pace, are specifically guided to what couples say they most need. And this is a husband-friendly devotional, having been written and designed in such a way that the husband can feel comfortable in the entire process. With this wealth of new material and video devotionals available online to support the product, The Love & Respect Experience will be indispensable to anyone wishing to better their marital relationship.

THE WAY HE DIRECTS OUR STEPS AND FREES US TO DIRECT OUR OWN

B&H Publishing Group Should you take the job? Quit the job? Begin a relationship? End a relationship? Move? Plant roots? How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible itself reveals the clue--a secret hidden in plain sight. Before launching his Love & Respect marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll help others find that freedom too.

BEFORE YOU HIT SEND

PREVENTING HEADACHE AND HEARTACHE

Thomas Nelson When will we learn? With every sunrise we are given plenty of new examples of people "Hitting Send" and soon regretting it. Social media means what it says: it is social! Our methods of communication today allow for something to potentially be broadcast to everyone from Pekin, Illinois to Peking, China. But it's not only Twitter fanatics who can find themselves in trouble. Every single one of us is capable of falling prey to this growing plague. Every day we have the potential of both verbal and written blunders. It makes no difference if we are talking to a stranger over a meat counter, chatting on a cell phone with our mother, or sending an e-mail to a coworker; we can and do miscommunicate and people can and do get the wrong idea. When we don't pause long enough to think before speaking or writing, it commonly yields a misunderstanding and leads to a clash. We end up being the person who said, "You know that sphere of the brain that stops you from saying something that you shouldn't? Well, I don't have one of those." This book is about preventing that misunderstanding and allowing for understanding. Said another way, preempting people from getting the wrong idea and enabling them to get the right idea! We all need work in this area in far more ways than just glancing through a checklist. From external examples to internal turmoil, Before You Hit Send is about the four things we must think through before communicating. In all things we wish to say or write, we would be wise to ask ourselves, Is it true? Is it kind? Is it necessary? Is it clear? When we ask and answer these four questions honestly, we will be thinking wisely before we speak. But to explore this fully, we need to find out a whole lot more about ourselves and uncover why we consciously and subconsciously get into these communication disasters to begin with. You may be surprised what you discover about yourself. Shall we begin?

THRIVING IN LOVE AND MONEY

5 GAME-CHANGING INSIGHTS ABOUT YOUR RELATIONSHIP, YOUR MONEY, AND YOURSELF

Baker Books Over 90 percent of couples experience some level of tension around money. In fact, money issues are the number one stressor in relationships. So many books try to fix the surface problems, such as how to budget and what to prioritize when it comes to finances, but the issues go much deeper than just a simple spreadsheet. How do men and women view money differently? What do most couples fight about? How can they get on the same page? What questions should men/women ask their significant others before marriage? There are emotional and spiritual components to finances that most couples ignore. How can you agree on a budget if you disagree with each other on the basic purpose of money? Thriving in Love and Money is based on original research Shaunti and Jeff Feldhahn have conducted to get to the heart of these issues. And just as they did with their bestselling books For Women Only and For Men Only, they will use this research to provide the answers and insights you need to break the tension and provide the unity you're looking for. Let this book deepen your understanding of each other, leading to clear communication, peace as a couple, and better financial decision-making. Also available: video curriculum and workbook.

LOVE AND RESPECT IN THE FAMILY

THE RESPECT PARENTS DESIRE; THE LOVE CHILDREN NEED

Thomas Nelson Children need love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschooler to teen, plus how to motivate them to obey and how to deal with them when they don't. In the Bible, God has spoken specifically to parents on how to parent. This book is about that revelation.

THIS IS HOW YOUR MARRIAGE ENDS

A HOPEFUL APPROACH TO SAVING RELATIONSHIPS

HarperCollins A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, This Is How Your Marriage Ends exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of The Subtle Art of Not Giving a F*ck, and the practical insights of The 5 Love Languages, This is How Your Marriage Ends helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of dysfunction and destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship.

MAD ABOUT US

MOVING FROM ANGER TO INTIMACY WITH YOUR SPOUSE

Baker Books Gary and Carrie Oliver have written a practical book to help couples focus their passion in ways that lead to trust, understanding, and intimacy. They want Christian couples to develop Christ-centered marriages, and that includes dealing with issues that prevent intimacy such as fear, frustration, and anger. They demonstrate how the energy--or passion--of the God-given emotion anger can actually be harnessed in ways that build and strengthen a marriage relationship and free couples from one of Satan's most destructive weapons--unhealthy anger. "For more than a quarter of a century Dr. Gary Oliver has pioneered and served the needs of pre-married and married couples nationwide. I know Gary to be a good man and an authentic man who has faithfully loved and cared for the needs of his wife, Carrie, as she has battled cancer for the last couple of years. There is no greater statement of a man's life than the private love and commitment that he shows for his wife."--Dennis Rainey "Dr. Gary Oliver is not only my key mentor in life, but the person who actually helped me really understand what's beneath the power of anger and what you can do about it."--Gary Smalley

Little, Brown This magnificent novel transports readers to the world of a prominent Boston family summing on the New Hampshire coast, and to the social orbit of a spirited young woman who falls into a passionate, illicit affair with an older man, with cataclysmic results. The Fortune Rock's Quartet collects four of Anita Shreve's most beloved novels—Fortune's Rocks, The Pilot's Wife, Sea Glass, and Body Surfing—for the first time. The novels highlight Shreve's ability to illuminate women's lives across different eras and share a delightful detail: they are all set in the same coastal New England home, one that has inspired Shreve for over a decade. Any house with age to it can tell a million stories about the families who have lived there, and Shreve has been quoted as saying, "You could base an entire life's work on the people who come in and out of a house." Fortune's Rocks depicts a spirited young woman at the turn of the 20th century who falls into a passionate, illicit affair with an older man. In Sea Glass, a young couple's new marriage is rocked to the core by the 1929 stock market crash. The Pilot's Wife brings us to the present day, where Kathryn is unprepared for the late-night knock that lets her know her husband has been killed in a plane crash. Sydney, the heroine of Body Surfing has already been once divorced and once widowed by the age of 29, and finds the fragile existence she has rebuilt for herself threatened when two brothers vie for her affections. "There's something addictive about Shreve's tales," according to USA Today, and this quality is on full display in the critically acclaimed novels of The Fortune Rock's Quartet. No one writes more compellingly than Anita Shreve about marriage, family, the depths of our strength and resolve, and the supreme courage that it takes to love.
