EBOOK: MANAGERIAL ACCOUNTING - GLOBAL EDITION

McGraw Hill We are pleased to present this Global Edition, which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting, and performance evaluation. Many of the real-world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.

CORNERSTONES OF MANAGERIAL ACCOUNTING

Cengage Learning Equip your students with the managerial accounting knowledge they need to become influential business leaders with the unique integrated learning system in CORNERSTONES OF MANAGERIAL ACCOUNTING, 6E. Based on extensive research, the CORNERSTONES approach presents materials the way today's students learn. The step-by-step CORNERSTONES approach helps students establish a strong foundation before moving forward. Students master the basics more quickly so they can transition to analyzing and applying concepts. Rather than focusing on concepts in isolation, the text presents accounting as a system—emphasizing how the end result changes based on how the numbers affect each other. CORNERSTONES OF MANAGERIAL ACCOUNTING's well-rounded approach helps students master basic managerial accounting concepts, explore the interrelationships of key variables, make sound decisions based on careful analysis, and apply their skills to business situations. MANAGERIAL ACCOUNTING: THE CORNERSTONE OF BUSINESS DECISION-MAKING

Cengage Learning MANAGERIAL ACCOUNTING, 7E shows readers how managerial accounting plays an essential role in helping today's managers make effective business decisions for their companies. This edition has been revised with an emphasis on showing students "Here's How It's Used." This unique learning approach along with relevant examples encourages and enables students to develop a deeper understanding of managerial accounting and its implications for business. Readers learn why managerial accounting is important, what it is, where managerial information comes from and how it is best used to make strong business decisions. This edition even explores emerging topics of interest to today's readers, such as sustainability, quality cost, lean accounting, international accounting, enterprise risk management, and forensic and fraud accounting. FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS

Cengage Learning *FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS*, Ninth Edition, is packed with decades of academic and real-world accounting experience. This text provides the appropriate blend of academic rigor with step-by-step learning and decision-making models that reach today's students and equip them with the skills they need to be effective decision makers and future business leaders. Instead of an abstract approach to accounting, *FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS* takes students through recognizable focus companies and their specific financial data and business strategies, imparting students with real-life experience and a model to hone the skills necessary to making important decisions. This edition features three key models that provide students with a more structured approach to understanding financial data and how it is used to make sound business decisions. The Transaction Analysis Model helps students see the effects an economic event has on the accounting equation and financial statements. The Financial Decision Framework focuses on ratio analysis and financial decisions, and the Ethical Decision Model helps students apply ethical judgment when applying accounting principles. *FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS*, Ninth Edition, will not only help your students learn and understand core accounting rules and procedures but it will also give them a framework through which they can apply their knowledge to make effective business decisions.
