KEY=MANUAL - SPENCE TURNER

The Startup Owner's Manual

The Step-By-Step Guide for Building a Great Company

John Wiley & Sons More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- **Avoid the 9 deadly sins that destroy startups' chances for success**
- **Use the Customer Development method to bring your business idea to life**
- **Incorporate the Business Model Canvas as the organizing principle for startup hypotheses**
- **Identify your customers and determine how to "get, keep and grow" customers profitably**
- **Compute how you'll drive your startup to repeatable, scalable profits.**

The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

The Algorithm Design Manual

Springer Science & Business Media This newly expanded and updated second edition of the best-selling classic continues to take the "mystery" out of designing algorithms, and analyzing their efficacy and efficiency. Expanding on the first edition, the book now serves as the primary textbook of choice for algorithm design courses while maintaining its status as the premier practical reference guide to algorithms for programmers, researchers, and students. The reader-friendly **Algorithm Design Manual** provides straightforward access to combinatorial algorithms technology, stressing design over analysis. The first part, **Techniques**, provides accessible instruction on methods for designing and analyzing computer algorithms. The second part, **Resources**, is intended for browsing and reference, and comprises the catalog of algorithmic resources, implementations and an extensive bibliography. **NEW** to the second edition:

- Doubles the tutorial material and exercises over the first edition
- Provides full online support for lecturers, and a completely updated and improved website component with lecture slides, audio and video
- Contains a unique catalog identifying the 75 algorithmic problems that arise most often in practice, leading the reader down the right path to solve them
- Includes several **NEW** "war stories" relating experiences from real-world applications
- Provides up-to-date links leading to the very best algorithm implementations available in C, C++, and Java

CEO Manual

Start a Business, Be a Boss!

Createspace Independent Publishing Platform After the success of the urban-entrepreneur classic **Hood Millionaire: How To Hustle & Win Legally!**, self-made millionaires **Mike Enemigo** and **Sav Hustle** team back up to bring you the latest edition of the **Hood Millionaire** series -- **CEO Manual: Start A Business, Be A Boss!** In this latest collection of game laying down the art of "hoodpreneurship", you will learn such things as: **5 Core Steps To Starting Your Own Business!** **5 Common Launch Errors You Must Avoid!** **How To Write A Business Plan!** **How To Legally Protect Your Assets From "Them"!** **How To Make Your Business Fundable, Where To Get Money For Your Start-up Business, and even How To Start A Business With No Money!** You will learn **How To Drive Customers To Your Website, How To Maximize Marketing Dollars, Contract Secrets for the savvy boss, and much, much more!** And as an added bonus, we have included over **200 Business Resources**, from government agencies and small business development centers, to a secret list of small-business friendly banks that will help you get started! Hood Millionaire

How to Hustle and Win Legally

Createspace Independent Publishing Platform Hustlin' is a way of life in the hood. We all have money motivated ambitions, not only because we gotta eat, but because status is oftentimes determined by one's own salary. To achieve what we consider financial success, we often invest our efforts into illicit activities -- we take penitentiary chances. This leads to a life in and out of prison, sometimes death -- both of which are counterproductive to gettin' money. But there's a solution to this, and I have it... Hood Millionaire: How to Hustle & Win Legally is the official hustler's handbook for block bleeders and go-getters to learn how to hustle and win legally in their quest for wealth and prosperity. Produced by self-made millionaire prisoner Mike Enemyo and self-made hood millionaire Sav Hustle, this book will give you the secrets to success. You will get the closely guarded game on subjects like: The 20 Secret Habits of Self-Made Millionaires; How to Make a Fortune Selling Real Estate...That You Don't Own!; How to Fatten Your Pockets Using Amazon; How to Sell Water to a Whale; How to Start Your Own Independent Rap Label in Just 9 Steps. You will learn How One Hustler Made 20 Million Dollars, and You Can, Too; and How a Teen Averages \$2,800 a Month From a Little-Known Secret. All of this and much, much more! Stop taking UNNECESSARY changes. Increase your odds of success today by learning what it is "they" don't want YOU to know and start gettin' REAL money. Join the movement and become the next self-made millionaire in your hood!

The Linux Command Line

A Complete Introduction

No Starch Press You've experienced the shiny, point-and-click surface of your Linux computer—now dive below and explore its depths with the power of the command line. The Linux Command Line takes you from your very first terminal keystrokes to writing full programs in Bash, the most popular Linux shell. Along the way you'll learn the timeless skills handed

down by generations of gray-bearded, mouse-shunning gurus: file navigation, environment configuration, command chaining, pattern matching with regular expressions, and more. In addition to that practical knowledge, author William Shotts reveals the philosophy behind these tools and the rich heritage that your desktop Linux machine has inherited from Unix supercomputers of yore. As you make your way through the book's short, easily-digestible chapters, you'll learn how to:

- * Create and delete files, directories, and symlinks
- * Administer your system, including networking, package installation, and process management
- * Use standard input and output, redirection, and pipelines
- * Edit files with Vi, the world's most popular text editor
- * Write shell scripts to automate common or boring tasks
- * Slice and dice text files with cut, paste, grep, patch, and sed

Once you overcome your initial "shell shock," you'll find that the command line is a natural and expressive way to communicate with your computer. Just don't be surprised if your mouse starts to gather dust. A featured resource in the Linux Foundation's "Evolution of a SysAdmin"

The Ultimate Sniper

An Advanced Training Manual for Military and Police Snipers

paladin Press Through revised text, new photos, specialised illustrations, updated charts and additional information sidebars, The Ultimate Sniper once again thoroughly details the three great skill areas of sniping; marksmanship, fieldcraft and tactics.

The 48 Laws Of Power

Profile Books **THE MILLION COPY INTERNATIONAL BESTSELLER** Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) **PLAYBOY:** Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? **JAY-Z:** I would say that it's from still being able to relate to people. It's natural to lose yourself when you have

success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

Feminist Fight Club

An Office Survival Manual for a Sexist Workplace

HarperCollins Part manual, part manifesto, a humorous yet incisive guide to navigating subtle sexism at work—a pocketbook *Lean In* for the BuzzFeed generation that provides real-life career advice and humorous reinforcement for a new generation of professional women. It was a fight club—but without the fighting and without the men. Every month, the women would huddle in a friend's apartment to share sexist job frustrations and trade tips for how best to tackle them. Once upon a time, you might have called them a consciousness-raising group. But the problems of today's working world are more subtle, less pronounced, harder to identify—and, if Ellen Pao is any indication, harder to prove—than those of their foremothers. These women weren't just there to vent. They needed battle tactics. And so the fight club was born. Hard-hitting and entertaining, *Feminist Fight Club* blends personal stories with research, statistics, infographics, and no-bullsh*t expert advice. Bennett offers a new vocabulary for the sexist workplace archetypes women encounter everyday—such as the Maninterrupter who talks over female colleagues in meetings or the Himitator who appropriates their ideas—and provides practical hacks for navigating other gender landmines in today's working world. With original illustrations, *Feminist Mad Libs*, a *Negotiation Cheat Sheet*, as well as fascinating historical research and a kit for “How to Start Your Own Club,” *Feminist Fight Club* tackles both the external (sexist) and internal (self-sabotaging) behaviors that plague today's women—as well as the system that perpetuates them.

Hormone Repair Manual

Every woman's guide to healthy hormones after 40

Macmillan Publishers Aus. 'The book my patients have been waiting for.' Dr Peta Wright, gynaecologist and women's health advocate **The Hormone Repair Manual is a must-have guide to understanding and overcoming the symptoms of perimenopause and menopause. Naturopath Lara Briden, author of the international bestseller Period Repair Manual, has more than 20 years' experience in women's health. Her fresh approach aims to overturn the stigma of perimenopause and menopause and show women that: - many symptoms are temporary and manageable - emotional challenges can present an opportunity to thrive - a focus on health during this period can bring benefits for years to come. Addressing common symptoms such as hot flushes, insomnia, mood changes, migraines, weight gain, low libido and heavy periods, Lara offers practical solutions of diet, lifestyle, nutritional supplements and tips for how to speak to your doctor about hormone therapy. The Hormone Repair Manual is backed by evidence-based research and case studies and is a reassuring guide to soothing, nourishing and strengthening your body, mind and spirit during this time of change. PRAISE FOR HORMONE REPAIR MANUAL 'This lively, clear and supportive book provides positive and helpful information that many women need as they approach perimenopause and beyond.'** Jerilynn C. Prior MD, author of *Estrogen's Storm Season* 'Essential reading for all women over 40, and their doctors!' Dr Natasha Andreadis, fertility specialist and host of the Fanny Mechanic podcast 'Evidence-based natural solutions for optimising women's health and wellbeing in their 40s, 50s and beyond' Dr Fatima Khan, Menopause Specialist

Back Pain Relief in 90 Seconds!

The Pain Free Approach to Resetting the Nervous System and Releasing Muscle Spasms

Neuromuscular Therapy/Scs The pain-free approach to resetting the nervous system and releasing muscle spasms From Neuromuscular Therapist Gadi Kaufman comes the long awaited book about how to relieve back pain using the pain-free approach called Strain Counterstrain Technique. In Back Pain Relief in 90 Seconds, you will learn important information about lower back pain that you have not been told by the

previous practitioners. For example, did you know that the majority of lower back pain does not actually originate in the lower back muscles themselves? In other words, when you feel lower back pain, the true source of that pain can often be traced to muscles and joints in the front of the body. Yes, that's right: those tired and overused muscles in the front of the body can radiate severe pain to the lower back. This lower back pain quickly becomes chronic due to a chain reaction that occurs which limits mobility, twists and torques the spine, rotates the pelvis, and compresses hip sockets on both sides of the body. At the center of this chain reaction is a painful muscle spasm, which means the muscle has essentially shut down and stopped contracting and releasing. If this muscle spasm is left untreated, your lower back pain can persist for years. But now you can do something about it. In *Back Pain Relief in 90 Seconds*, you will learn how to use the passive and pain-free Strain Counterstrain Technique to release persistent muscle spasms and relieve your lower back pain -- in the comfort of your own home, and with no more equipment than your sofa or a chair. This technique is extremely gentle and doesn't require spinal manipulations or uncomfortable maneuvers or deep tissue massage. You can relieve your pain without harsh medications, and without any additional pain during the process. *Back Pain Relief in 90 Seconds* is not another book of exercises and stretching. This technique will manipulate the autonomic nervous system and switch off the muscle spasm (which is being controlled by the nervous system). Relieving this pain is all about the nervous system. If you don't allow the nervous system to reset, then the spasm will not release. Muscles are dependent on the nervous system. As the author Gadi Kaufman famously says: "The nervous system is the boss! The muscles are the employees!" The step-by-step instructions and illustrations in *Back Pain Relief in 90 Seconds* focus on the specific muscles that are known contributors to lower back pain including: Psoas, Iliacus, Rectus Abdominus, Abdominal Obliques, Quadratus Lumborum, Piriformis, and more. With these 10 positional releases, you can begin to live again without lower back pain, which is something everyone deserves.

Megaballs

Createspace Independent Publishing Platform I've got 99 problems but money ain't one. Though a sister with cotton candy for brains, a spatula-wielding six-year-old niece with a British accent, and the mysterious businessman who left me that damn ticket are all currently vying for the top spot. When I became the sole winner of a \$270 million Megaball jackpot, thanks to a sexy stranger who left a lottery ticket instead of paying for his meal, my entire world flipped upside-down. Now, with money-sucking vultures, douchebags by the dozens, and a horde of total hotties just waiting to get their mangy paws on my newfound fortune, I set out to locate the man who gifted me the winning ticket--to properly thank him. However, when I finally find the cocky, self-absorbed business tycoon,

Teague Goodman, I'm not sure whether I want to slap him... or ring his MEGABALLS.

The Money Manual

Underground Cash Secrets Exposed!

Becoming a millionaire is equal parts what you make, and what you don't spend -- AKA save. All Millionaires and Billionaires have mastered the art of not only making money, but keeping the money they make (remember Donald Trump's tax maneuvers?), as well as establishing credit so that they are loaned money by banks and trusted with money from investors: AKA OPM -- other people's money. And did you know there are millionaires and billionaires just waiting to GIVE money away? It's true! These are all very-little known secrets "they" don't want YOU to know about, but that I'm exposing in my new book! Inside this book you will learn: How To Establish AAA Credit in JUST 45 days! How To Legally NOT Pay Your Debt! A Secret Insider's Method to Paying Off Credit Cards up to 900% FASTER! How to Make ANY Expense Tax Deductible! How To Use Bankruptcy for PROFIT! How To Get FREE Money from the Bank! How To Buy a Home Inexpensively! The Real Secrets to Getting Loans, Leases and Mortgages! All of this, and much, MUCH more! Be enlightened and change your financial future TODAY!

Rant of a Retailer

True Stories from a Retail Manager

Createspace Independent Publishing Platform Rant of a Retailer outlines the true-life adventures of Macy May Marcus, a seasoned department store manager, complete with insane customers, worse employees, and one horrendous boss. This is a non-fiction humor book on the trials and the (mild) triumphs of working in retail. According to The Wall Street Journal, roughly one of every 10 Americans is employed in the retail sector. This means 30 million of you readers will be able to relate to Macy's stories of agonized fitting room explosions and the horrors of the holidays. All stories are 100% true: every crazy, silly, disastrous, bumbling, lunatic story comes straight from the linoleum-covered racetrack of a major big-box retail store. With Chapters like, "Crazy Customers Make It All Worthwhile", "Returns, or Seriously? You're Really Returning This?", or "Loss Prevention, or Don't Steal! (But if You Do, You Won't Get Caught)", plus a bonus chapter on how to actually get what you want from bored, burnt-out,

unmotivated retail employees. This is a laugh-out-loud, must-have manual for anyone who works - or shops - retail!

Dry Heat

A Novel

Elhuevopublishing Dry Heat is the debut novel by indie author Steven Eggleton. A dirty, angry, and often painfully funny read, Dry Heat explores the angst and confusion people in their early twenties frequently feel. Written in Eggleton's skeptical, sardonic, and bluntly frank narrative voice, the book chronicles a little over a year in the life of Vincente Vasquez, a disillusioned grocery-store clerk living in Tucson, Arizona. Chiefly concerned with escaping the drudgery of work, social equality, and the pursuit of sex; Dry Heat is a visceral and raw novel that's sure to leave an impression.

The Art of Deception

Controlling the Human Element of Security

John Wiley & Sons The world's most infamous hacker offers an insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security experts worldwide. Now, in The Art of Deception, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he illustrates just how susceptible even the most locked-down information systems are to a slick con artist impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address

the human element of security.

The Inner Game of Tennis

The Classic Guide to the Mental Side of Peak Performance

Random House Master your game from the inside out! With more than 800,000 copies sold since it was first published thirty years ago, this phenomenally successful guide has become a touchstone for hundreds of thousands of people. Not just for tennis players, or even just for athletes in general, this handbook works for anybody who wants to improve his or her performance in any activity, from playing music to getting ahead at work. W. Timothy Gallwey, a leading innovator in sports psychology, reveals how to

- focus your mind to overcome nervousness, self-doubt, and distractions
- find the state of “relaxed concentration” that allows you to play at your best
- build skills by smart practice, then put it all together in match play

Whether you're a beginner or a pro, Gallwey's engaging voice, clear examples, and illuminating anecdotes will give you the tools you need to succeed. “Introduced to The Inner Game of Tennis as a graduate student years ago, I recognized the obvious benefits of [W. Timothy] Gallwey's teachings. . . . Whether we are preparing for an inter-squad scrimmage or the National Championship Game, these principles lie at the foundation of our program.”—from the Foreword by Pete Carroll

Bird by Bird

Some Instructions on Writing and Life

Anchor From the acclaimed New York Times bestselling author: An essential volume for generations of writers young and old. The twenty-fifth anniversary edition of this modern classic will continue to spark creative minds for years to come. For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott's hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne's father—also a writer—in the iconic passage that gives the book its title: “Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and

pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.'"

Tropical Depression

CreateSpace "As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

The Magic of Believing

The Classic Guide to Unlocking the Power of Your Mind

Courier Dover Publications "One of the greatest inspirational and motivational books ever written." — Norman Vincent Peale In this bestselling self-help book, a successful businessman reveals the secrets behind harnessing the unlimited energies of the subconscious. Millions of readers have benefited from these visualization techniques, which show you how to turn your thoughts and dreams into actions that can lead to enhanced income, happier relationships, increased effectiveness, heightened influence, and improved peace of mind. World War I veteran Claude M. Bristol (1891-1951) wrote *The Magic of Believing* to help former soldiers adjust to civilian life. A pioneer of the New Thought movement and a popular motivational speaker, Bristol addressed those in all walks of life, from politicians and leaders to performers and salespeople. His timeless message of the powers of focused thinking and self-affirmation remains a vital source of inspiration and a practical path to achievement.

This Thing Between Us

Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playboy reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother after losing her parents, she knows what its like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realises Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?

General Catalogue of Printed Books to 1955

Introduction to Information Retrieval

Cambridge University Press Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic

concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

Fiat Uno Service and Repair Manual

Haynes Publishing

Skills of an Effective Administrator

Harvard Business Review Press While there is a widespread belief that some people are born to lead, the existence of an 'ideal manager' is almost entirely a myth. Basic skills - the ones that most employees can learn - are often more important than personality traits. In *Skills of an Effective Administrator*, Robert L. Katz identifies the three fundamental abilities companies should seek to develop in their managers. Find out for yourself how these vital skills can be put to work today. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Penetration Testing

A Hands-On Introduction to Hacking

No Starch Press Penetration testers simulate cyber attacks to find security weaknesses in networks, operating systems, and applications. Information security experts worldwide use penetration techniques to evaluate enterprise defenses. In *Penetration Testing*, security expert, researcher, and trainer Georgia Weidman introduces you to the core skills and techniques that every pentester needs. Using a virtual machine-based lab that includes Kali Linux and vulnerable operating systems, you'll run through a series of practical lessons with tools like Wireshark, Nmap, and Burp Suite. As you follow along with the labs and launch attacks, you'll

experience the key stages of an actual assessment—including information gathering, finding exploitable vulnerabilities, gaining access to systems, post exploitation, and more. Learn how to: -Crack passwords and wireless network keys with brute-forcing and wordlists -Test web applications for vulnerabilities -Use the Metasploit Framework to launch exploits and write your own Metasploit modules -Automate social-engineering attacks -Bypass antivirus software -Turn access to one machine into total control of the enterprise in the post exploitation phase You'll even explore writing your own exploits. Then it's on to mobile hacking—Weidman's particular area of research—with her tool, the Smartphone Pentest Framework. With its collection of hands-on lessons that cover key tools and strategies, *Penetration Testing* is the introduction that every aspiring hacker needs.

The Screwtape Letters

Zondervan In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

Barking Goats and the Redneck Mafia

Bertie Byrd Fortney never thought she'd be spending her wedding night in a maternity ward. But her best friend went into labor right in the middle of the conga line at Bertie and Arch's wedding reception, and it wasn't until her friend's son made his entrance into the world that Bertie, her husband, and her stepdaughter could leave on their motor home honeymoon. The trip's trials, however, leave Bertie wondering if a honeymoon is some kind of test a woman must pass before becoming a wife. To add to her tribulations, Bertie returns to Bertie's Garage and Towing to find Linc, her tow truck driver, is being threatened by the Redneck Mafia. The mob boss has told Linc to return to Atlanta to marry his daughter, or he will move him there himself, one body part at a time. And then Bertie is taken hostage by a man who has taught his goats to bark and his twins to talk. A mistake on both counts, in Bertie's not-so-humble opinion. Finally, a bizarre accident involving an elderly drunken citizen Linc mistakes as a hit man, a golf cart, a trip to the hospital, and a positive pregnancy test has tongues wagging in Sweet Meadow, Georgia. Did Bertie really get knocked up on a golf cart by her tow truck driver? Will Bertie be able to douse the rumors? Will she be able to save her faithful employee from the mob? More importantly, will she pass the wife test?

Hallowed Halls

Center Point "When Dr. Joy Gilbert is fired, she returns to her small town home to find her former fiancée single, her mother struggling financially and physically, and the 15-year-old daughter of her former boss stowed away in her back seat"--

Books in Print

Includes authors, titles, subjects.

Louis Van Gaal

Dutch Courage

CreateSpace Louis van Gaal is a paradox from top to toe. This is the man who, when unveiled as Bayern Munich manager in 2009, described himself like this: "I am what I am; self-confident, arrogant, dominant, honest, industrious, innovative." Former players have described him as "scary," as a "volcano." The former Barcelona president described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me." Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young Dutch charges were finally beaten on penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums. Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting tale which supporters of Ajax, Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of Fergie's Finest: Sir Alex Ferguson's

Greatest Manchester United x11, and The Pride of all Europe: Manchester United's Greatest Seasons in the European Cup. PRAISE FOR THE BOOK
"From Ajax to Man United, via Bayern Munich, Andrew J Kirby plots the rise of this indomitable, complex figure with verve and great insight. Despite not being a Manchester United fan, Van Gaal's extreme personality has long intrigued me. Kirby captures it on the page with an uncanny accuracy. This book is exhaustively researched, and offers great psychological insights into the man, as well as the world of football. Most books about football are poor- Kirby's is an exception, and is written with a ferocious intellect that matches its subject matter. A must-read for fans of United, and those of us interested in this colossus of football." - Guy Mankowski, author of 'How I Left the National Grid' **PRAISE FOR ANDREW J KIRBY'S SPORTSWRITING** "The author knows his stuff," Angela Bowman, Manchester United fan "The perfect gift for the red devil in your life!" Sam Sharp, Manchester United fan "A good read for United fans young and old," AJ Hellina, Amazon reader "A must read for any red," Scott the Red, Republik of Mancunia on Fergie's Finest

Interpreting Chronic Illness

The Convergence of Traditional Chinese Medicine, Homeopathy, and Biomedicine

"In exploring the parallel modalities of two great healing systems, Traditional Chinese Medicine and homeopathy, the author describes where they converge in regard to diagnosis, theory, and treatment outcome. He offers a map that brings together the lenses of biomedicine, TCM, and homeopathy to bear conjointly on the problem of chronic illness."--

Meeting Rich

A Liturgy. a Legacy. a Man with a Guitar in My Living Room

Createspace Independent Publishing Platform In 1997, the world was rocked with the news of Rich Mullins' passing. Christians everywhere paused their lives to mourn the loss. Radio stations paid tributes. Newspapers dedicated articles. Friends, family members, fans and fellow

musicians came together to remember this man that had impacted their lives. I was with my family when I heard. I was standing in our driveway. It seemed strange, because just a few hours prior, I saw Rich Mullins alive, leaving our house. My last conversation with him took place the night before in our living room. I still hadn't yet wrapped my mind around the fact that this legend had somehow come to stay at our house. Now... he was gone? The world listened in sad silence, trying to find out what they could. We listened too, and knew there were details to the story the world wouldn't hear. Years have gone by, and I've always felt compelled to write down the story of Rich, staying in our home for the last three weeks of his life as a guest. I know how good things can be forgotten, and I haven't wanted to forget how this has impacted me. Not long ago I picked up a pen. I knew that I probably never would if I didn't simply make a move. I began to write down what I remembered. Now, I want to share with you what this story has meant to me. Welcome to Meeting Rich. A liturgy. A legacy. A man with a guitar in my living room. "It is a beautiful description of the great and complex man Rich was". - Michael Aukofer
