The book examines both the theory of participation and what lessons can be learnt from specific European examples. It explores in what manner and to what extent the provisions for participation in the European Landscape Convention have been followed up and implemented. It also presents and compares different experiences of participation in selected countries from northern, southern, eastern and western Europe, and provides a critical examination of public participation in practice. However, while the book's focus is necessarily on Europe, many of the conclusions drawn are of global relevance. The book provides a valuable reference for researchers and advanced students in landscape policies and management, as well as for professionals and others interested in land-use planning and environmental management. **A SECRET SORROW Harlequin Comics** Harlequin / SB Creative After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations. **The Routledge Handbook of Muslim Iberia** Routledge This handbook offers an overview of the main issues regarding the political, economic, social, religious, intellectual and artistic history of the Iberian Peninsula during the period of Muslim rule (eighth-fifteenth centuries). A comprehensive list of primary and secondary sources attests the vitality of the academic study of al-Andalus (= Muslim Iberia) and its place in present-day discussions about the past and the present. The contributors are all specialists with diverse backgrounds providing different perspectives and approaches. The volume includes chapters dealing with the destiny of the Muslim population after the Christian conquest and with the posterity of al-Andalus in art, literature and different historiographical traditions. The chapters are organised in the following sections: Political history, concentrating on rulers and armies Social, religious and economic groups Intellectual and cultural developments Legacy and memory of al-Andalus Offering a synthetic and updated academic treatment of the history and society of Muslim Iberia, this comprehensive and up-to-date collection provides an authoritative and interdisciplinary guide. It is a valuable resource for both specialists and the general public interested in the history of the Iberian Peninsula, Islamic and Medieval studies. **Manual for Spiritual Warfare** TAN Books A fierce war rages for your soul. Are you ready for battle? Like it or not, you are at war. You face a powerful enemy out to destroy you. You live on the battlefield, so you can't escape the conflict. It's a spiritual war with crucial consequences in your everyday life and its outcome will determine your eternal destiny. You must engage the Enemy. And as you fight, you need a Manual for Spiritual Warfare. This guide for spiritual warriors will help you recognize, resist, and overcome the Devil's attacks. Part One, "Preparing for Battle," answers these critical questions: • Who is Satan, and what powers does he have? • What are his typical strategies? • Who fights him alongside us in battle? • What spiritual weapons and armor do we possess? • How do we keep the Enemy out of our camp? Part Two, "Aids in Battle," provides you these essential resources: • Teaching about spiritual warfare from Scripture and Church documents • Scripture verses for battle • Wisdom and inspiration from saints who fought Satan • Prayers for protection, deliverance, and victory • Rosary meditations, hymns, and other devotions for spiritual combat St. Paul urges us to "fight the good fight of the faith" (1 Tim 6:12). Take this Manual for Spiritual Warfare with you into battle. The beautiful Premium UltraSoft gift edition features sewn binding, ribbon marker and silver edges. **Ostracoda in the Earth Sciences** Elsevier Science Limited Ostracods belong to a group of microfossils found in nearly all types of aquatic environments. These microcrustaceans, characterized by a bivalved, calcitic carapace, are used to reconstruct ancient environments. For example, they can help to provide information on palaeoclimates, palaeogeography, the formation of deep oceans, sea level changes, etc. This book endeavours to bring about a greater understanding of their usefulness in many aspects of geological sciences, and provides suggestions for future research. It is principally intended for the non-specialist, and shows many applications of ostracods to help solve geological problems and phenomena. Topics reviewed assume no prior knowledge of palaeontology, and thus terminology is kept simple. There is an exhaustive index, and an appendix supplying additional references on significant sources of information on ostracods. This book aims to deliver information on ostracods to those people not usually interested in the literature of palaeontology and also to awaken an interest in the Ostracoda by referring to more specialized articles published elsewhere. **Marketing for Hospitality and Tourism** Prentice Hall For courses in Hospitality Marketing, Tourism Marketing, Restaurant Marketing, or Hotel Marketing. Original illustrations help guide readers through the text."-- **The Dialectics of Orientalism in Early Modern Europe** Springer Uniting twelve original studies by scholars of early modern history, literature, and the arts, this collection is the first that foregrounds the dialectical quality of early modern Orientalism by taking a broad interdisciplinary perspective. Dialectics of Orientalism demonstrates how texts and images of the sixteenth and seventeenth century from across Europe and the New World are better understood as part of a dynamic and transformative orientalist discourse rather than a manifestation of the supposed dichotomy between the 'East' and the 'West.' The volume's central claim is that early modern orientalist discourses are fundamentally open, self-critical, and creative. Analyzing a varied corpus—from German and Dutch travelogues to Spanish humanist treatises, French essays, Flemish paintings, and English diaries—this collection thus breathes fresh air into the critique of Orientalism and provides productive new perspectives for the study of east-west and indeed globalized exchanges in the early modern world. **Mark Twain's Letters from Hawaii** University of Hawaii Press Presents twenty-five letters written from Hawaii by Mark Twain in 1866 while he was working as a roving reporter for the Sacramento "Union," newspaper in which he shares his observations on the industry, people, scenery, climate, culture, society, and other aspects of life in the islands. **PHP & MySQL: The Missing Manual** "O'Reilly Media, Inc."
