**The Mark of Athena (The Heroes of Olympus, Book Three)** [Disney Electronic Content](#) In The Son of Neptune, Percy, Hazel, and Frank met in Camp Jupiter, the Roman equivalent of Camp Halfblood, and traveled to the land beyond the gods to complete a dangerous quest. The third book in the Heroes of Olympus series will unite them with Jason, Piper, and Leo. But they number only six--who will complete the Prophecy of Seven? The Greek and Roman demigods will have to cooperate in order to defeat the giants released by the Earth Mother, Gaea. Then they will have to sail together to the ancient land to find the Doors of Death. What exactly are the Doors of Death? Much of the prophecy remains a mystery. . . . With old friends and new friends joining forces, a marvelous ship, fearsome foes, and an exotic setting, The Mark of Athena promises to be another unforgettable adventure by master storyteller Rick Riordan. **The Staff of Serapis** [Disney Electronic Content](#) In this adventure, Annabeth encounters more oddities in the subway than usual, including a two-headed monster and a younger blond girl who reminds her a little of herself. This is the story fans have asked for, in which Annabeth Chase teams up with Sadie Kane. The demigod daughter of Athena and the young magician from Brooklyn House take on a larger-than-life foe from the ancient world. Perhaps even more disturbing than the power-hungry god they encounter is the revelation that he is being controlled by someone—someone all too familiar to Sadie. As a special bonus, the first chapter of THE BLOOD OF OLYMPUS, the final book in the Heroes of Olympus series, is included. **The Lightning Thief** [Disney Electronic Content](#) Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, The Lightning Thief. **Red Pyramid, The (The Kane Chronicles, Book 1)** [Disney Electronic Content](#) Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series. **Heroes of Olympus: The Son of Neptune** [Disney Electronic Content](#) Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk. **Sea of Monsters, The (Percy Jackson and the Olympians, Book 2)** [Disney Electronic Content](#) After a summer spent trying to prevent a catastrophic war among the Greek gods, Percy Jackson finds his seventh-grade school year unnervingly quiet. His biggest problem is dealing with his new friend, Tyson—a six-foot-three, mentally challenged homeless kid who follows Percy everywhere, making it hard for Percy to have any "normal" friends. But things don't stay quiet for long... **The Sword of Summer** Magnus Chase has seen his share of trouble. Ever since that terrible night two years ago when his mother told him to run, he has lived alone on the streets of Boston, surviving by his wits, staying one step ahead of the police and truant officers. On **Heroes of Olympus: The Complete Series (Books 1, 2, 3, 4, 5)** [Penguin UK](#) Now available for the first time: all five novels from the amazing Heroes of Olympus series, collected in one stunning digital edition. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time. **Antigoddess Tor Teen** The Goddess War begins in Antigoddess, the first installment of the new series by acclaimed author of Anna Dressed in Blood, Kendare Blake. Old Gods never die... Or so Athena thought. But then the feathers started sprouting beneath her skin, invading her lungs like a strange cancer, and Hermes showed up with a fever eating away his flesh. So much for living a quiet eternity in perpetual health. Desperately seeking the cause of their slow, miserable deaths, Athena and Hermes travel the world, gathering allies and discovering enemies both new and old. Their search leads them to Cassandra—an ordinary girl who was once an extraordinary prophetess, protected and loved by a god. These days, Cassandra doesn't involve herself in the business of gods—in fact, she doesn't even know they exist. But she could be the key in a war that is only just beginning. Because Hera, the queen of the gods, has aligned herself with other of the ancient Olympians, who are killing off rivals in an attempt to prolong their own lives. But these anti-gods have become corrupted in their desperation to survive, horrific caricatures of their former glory. Athena will need every advantage she can get, because immortals don't just flicker out. Every one of them dies in their own way. Some choke on feathers. Others become monsters. All of them rage against their last breath. The Goddess War is about to begin. Told in the funny, irreverent style readers have come to expect from Percy, ( I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. Call Me Athena: Girl from Detroit is a beautifully written novel in verse loosely based on author Colby Cedar Smith's paternal grandmother. The story follows Mary as the American-born daughter of Greek and French immigrants living in Detroit in the 1930s, creating a historically accurate portrayal of life as an immigrant during the Great Depression, hunger strikes, and violent riots. Mary lives in a tiny apartment with her immigrant parents, her brothers, and her twin sister, and she questions why her parents ever came to America. She yearns for true love, to own her own business, and to be an independent, modern American woman—much to the chagrin of her parents, who want her to be a “good Greek girl.” Mary’s story is peppered with flashbacks to her parents’ childhoods in Greece and northern France; their stories connect with Mary as they address issues of arranged marriage, learning about independence, and yearning to grow beyond one’s own culture. Though Call Me Athena is written from the perspective of three profoundly different narrators, it has a wide-reaching message: It takes courage to fight for tradition and heritage, as well as freedom, love, and equality. **Odyssey Sea of Thieves: Athena's Fortune** [Simon and Schuster](#) Long ago, at the height of the Golden Age of Piracy, the infamous pirate Ramsey and his shipmates sacrificed everything to embark on an impossible journey into the Sea of Thieves. [731]-739. **Reconceiving Infertility Biblical Perspectives on Procreation and Childlessness** [Princeton University Press](#) A more complete picture of how procreation and childlessness are depicted in the Bible In the Book of Genesis, the first words God speaks to humanity are "Be fruitful and multiply." From ancient times to today, these words have been understood as a divine command to procreate. Fertility is viewed as a sign of blessedness and moral uprightness, while infertility is associated with sin and moral failing. Reconceiving Infertility explores traditional interpretations such as these, providing a more complete picture of how procreation and childlessness are depicted in the Bible. Closely examining texts and themes from both the Hebrew Bible and the New Testament, Candida Moss and Joel Baden offer vital new perspectives on infertility and the social experiences of the infertile in the biblical tradition. They begin with

perhaps the most famous stories of infertility in the Bible—those of the matriarchs Sarah, Rebekah, and Rachel—and show how the divine injunction in Genesis is both a blessing and a curse. Moss and Baden go on to discuss the metaphorical treatments of Israel as a "barren mother," the conception of Jesus, Paul's writings on family and reproduction, and more. They reveal how biblical views on procreation and infertility, and the ancient contexts from which they emerged, were more diverse than we think. *Reconceiving Infertility* demonstrates that the Bible speaks in many voices about infertility, and lays a biblical foundation for a more supportive religious environment for those suffering from infertility today. **Kalamazoo County and the Civil War** [Arcadia Publishing](#) More than 3,000 Kalamazoo County men served in the Union forces during the Civil War. They fought in the most horrific battles from Blackburn's Ford to Appomattox, and 396 did not return home. The war tested the area not just on the battlefield but in its collective back yard and, at times, its front yard. A peace rally held by local Democrats was interrupted by Lincoln supporters who viewed the Democrats as traitors. Residents reacted jubilantly to the capture of Richmond, the Confederate capital, and mourned the assassination of Lincoln, who had visited the village of Kalamazoo before the war. As veterans, the former combatants left behind indelible reminders of their sacrifice. Local historian Gary L. Gibson uncovers long-lost stories, many never before told, of Kalamazoo County during and after America's bloodiest conflict. **The Throne of Fire** [Disney Electronic Content](#) In this exciting second installment of the three-book series, Carter and Sadie, offspring of the brilliant Egyptologist Dr. Julius Kane, embark on a worldwide search for the Book of Ra, but the House of Life and the gods of chaos are determined to stop them. **The Storm Runner** [Turtleback Contemporary Practice in Clinical Chemistry Academic Press](#) Contemporary Practice in Clinical Chemistry, Fourth Edition, provides a clear and concise overview of important topics in the field. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. The fact that it's easier to handle her feelings for Ian Wainwright if there's a continent between them is just a coincidence. When Friday arrives in Oslo, there are so many mysteries to solve. Is someone trying to keep Binky and Princess Ingrid apart? How can a painting leave a museum when all the doors are sealed? And will Melanie persuade Friday to go to the royal ball without wearing a brown cardigan?
