It's a secret he's kept from the knights he's fought beside, from the ladies who bat their lashes at him, and from his closest companion, Prince Reynold. If it were to get out, he'd be banished to the Mawrcraig Mountains along with the rest of his kind, but the kingdom of men is the only one he's ever known, and his heart lives in the stone halls of those who'd count him an enemy.When the old king dies and Prince Reynold takes the throne, two visitors from the north throw Tristram into the middle of the ancient conflict between dragons and men. They put him on a collision course with the king's shadow, Bet Kyston, a dangerous assassin who may want him dead or may want more of Tristram than he'd ever thought to give.With the eyes of dragons upon him and a threat from the north creeping toward the home he loves, Tristram must weigh his allegiances before his dual legacies tear him apart. **Taken by the Dragon King Dragon Shifter Paranormal Romance BBW King Book** Tamsin Baker Steamy, dragon shifter, paranormal romance with a guaranteed happily ever after by Amelia Shaw. About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magickal class all their own. Warning: Contains yummy, hot, mischievous MacGregors who are almost certainly up to no good on their quest to find true love. And Uncle Raibeart. Praise For Kisses and Curses 5 Stars! "The kilt-clad MacGregors are up to no good, and it's freaking awesome! LOVED THIS BOOK!" Robyn Peterman, NY Times & USA Today bestselling author of snarky, sexy, funny contemporaries and paranormals (2019) 5 Stars! "These sexy Scottish warlocks might have finally met their match...and it's the most hilarious villain ever." Mandy M. Roth, New York Times bestselling author (2019) 5 Stars! "I love Michelle M. And yet it is Medraut, Arthur's cousin, who is pushed too hard and too far, as now, traitors sworn to Medraut's side begin to arise from within the ranks of Arthur's army--traitors too small to threaten Arthur's power now. In the aftermath of battle, it is time for the Bear to return to his land of birth, to Siluria, and there seek out the last living souls of his mother's people; those who survive from their battles against Arthur's father, Uthyr Pendragon. Bridging the gap between the medieval and early modern eras, Teofilo Ruiz focuses on the travels and festivities of Philip II, exploring the complex relationship between power and ceremony, and offering a vibrant portrait of Spain's cultural and political life. Ruiz covers a range of festival categories: carnival, royal entries, tournaments, calendrical and noncalendrical celebrations, autos de fe, and Corpus Christi processions. He probes the ritual meanings of these events, paying special attention to the use of colors and symbols, and to the power relations articulated through these festive displays. Ruiz argues that the fluid and at times subversive character of medieval festivals gave way to highly formalized and hierarchical events reflecting a broader shift in how power was articulated in late medieval and early modern Spain. Yet Ruiz contends that these festivals, while they sought to buttress authority and instruct different social orders about hierarchies of power, also served as sites of contestation, dialogue, and

resistance. A King Travels sheds new light on Iberian festive traditions and their unique role in the centralizing state in early modern Castile. **Dragon Masters Volume 12 in the Draoihe Saga** Ophelia Kee Dragon Masters Blue and Torch have been inseparable friends for centuries.
