Growing Yourself Up

How to bring your best to all of life's relationships

Exisle Publishing To be human is to be in relationships. We can't survive without them but it's in relationships that we can so easily get unravelled. Some relationships just seem to do us in. Either we feel like we lose ourselves or feel burnt out from futile efforts to make things right for another. In our relationships we can experience the very best of ourselves and the very worst. The message of Growing Yourself Up is that you can't separate understanding the individual from understanding relationships. All of life's relationships are integral to increasing self-awareness and maturity. And it's not necessarily the comfortable relationships that promote personal growth. In this 2nd edition of the bestselling book, Jenny examines how to help others without fostering dependency, and how to determine what kind of help you or others want from therapists. This is in response to the many lay and professional people who have found this book valuable personally and want to know how to help others grow. Drawing from Bowen family systems theory, the book takes you on a journey through each stage of life to see predictable patterns of relationships and to show how to use this knowledge to make purposeful adjustments in yourself; as well as lending a mature helping hand to others. The result is a sturdier self, sturdier relationships and a refreshing new way to view life's challenges and opportunities.

Twelve Years a Slave

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Gospel & the Zodiac

The Secret Truth About Jesus

ABRAMS "Darlison elucidates the zodiac's significant place in the Gospels, most specifically in the Book of Mark . . . An intriguing leap into faith" (Kirkus Reviews). For millennia the world has been driven by the differences between the great patriarchal religions. Western civilization—or Christendom, as it was once called—received its values and its confidence from a belief in God, the Father, and Jesus, his only son. But what if this conviction were founded on an error? Who is the man in the factually inconsistent Gospel stories? And who is the man who makes a brief appearance carrying a jar of water? This extraordinary study by a Unitarian minister suggests that Jesus never existed historically; he was simply a representation of an astrological theology—a representation, simply put, of the zodiac sign of Aquarius. In The Gospel & the Zodiac, Rev. Bill Darlison demonstrates that all the other signs are present too, in perfect zodiacal order. The Gospel story is not the product of historians or eyewitnesses, but an older, mystical text produced by an ancient, esoteric school as a guide to the Age of Pisces. Every bit as revelatory and controversial as it sounds, The Gospel & the Zodiac will shake up the religious

status quo, and in doing so, provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together. “Darlison begins by looking at different scholarly approaches to the gospels, then outlines his astrological interpretation logically and lucidly, matching the zodiacal signs to the narrative of Mark.” —Fortean Times

After Kurukshetra

Three Stories

Berg Publishers With the ancient epic Mahabharat as her source, and the battle of Kurukshetra as a central motif, Mahasweta Devi weaves three stories in which we visit unexpected alleys and by-lanes of the traditional epic saga, and look at events from the eyes of women marginalized, dispossessed, dalit. Their eyes condemn the wanton waste and inhumanity of war. This Kurukshetra is not the legendary Dharmayuddha of the popular imagination but rather a cold-blooded power game sacrificing countless human lives. How do the women s quarters of the palace, a colourless place of shadowy widowhood, appear to five peasant women whose lives are no less shattered by the Kurukshetra massacre, but who are used to dealing with trauma in a more robust manner? How does their outlook on life and survival influence the young pregnant princess who is abruptly plunged into the half-life of uppercaste widowhood? How does a lower caste serving woman, who was brought in to service king Dhritarashtra when his queen was with child, view her half-royal offspring and his decision to perform the last rites for a father who never acknowledged him as a son? How does an ageing Kunti, living out her last years in the forest, come to terms with her guilt over her unacknowledged son, Karna? And, having finally voiced her shame aloud, how then does she face up to a crime she has not even remembered: the murder of a family of nishad forest dwellers? These tales, brewed in the imagination of a master story-teller, make us look at the Mahabharata with new eyes, insisting as they do on the inclusion, within the master narrative, of the fates and viewpoints of those previously unrepresented therein: women and the underclass. MAHASWETA DEVI is one of India s foremost writers. Her powerful, satiric fiction has won her recognition in the form of the Sahitya Akademi (1979), Jnanpith (1996) and Ramon Magsaysay (1996) awards, the title of Officier del Ordre Des Arts Et Des Lettres (2003) and the Nonino Prize (2005), amongst several other literary honours. She was also awarded the Padmasree in 1986, for her activist work amongst dispossessed tribal communities. ANJUM KATYAL is as an editor who has also translated several plays and short stories.
