KEY=MUCHAMORE - NOEMI FULLER

Maximum Security

Simon and Schuster In order to contact his parent, an illegal weapons dealer, CHERUB comes up with a plan to break the son out of his maximum security prison, but the plan is complicated and will require all their collective skills.

CHERUB: Maximum Security

Hachette Children's Over the years, CHERUB has put plenty of criminals behind bars. Now, for the first time ever, they've got to break one out ... Under American law, kids convicted of serious crimes can be sentenced as adults. Two hundred and eighty of these child criminals live in the sunbaked desert prison of Arizona Max. In one of the most dangerous CHERUB missions ever, James Adams has to go undercover inside Arizona Max, befriend an inmate and then bust him out. CHERUB kids are trained professionals, working in everyday situations. Their essential advantage: adults never suspect that children are spying on them. For official purposes, these children do not exist.

Divine Madness

Book 5

Hodder Children's Books CHERUB exists for the simplest of reasons: even a master criminal doesn't suspect that the kid next door is a spy. When CHERUB uncovers a link between eco-terrorist group Help Earth and a wealthy religious cult known as The Survivors, James Adams is sent to Australia on an infiltration mission. It's his toughest job so far. The Survivors' outback headquarters are completely isolated, and the cult's brainwashing techniques mean James is under massive pressure to conform. This time he's not just fighting terrorists. He's got to battle to keep control of his own mind. For official purposes, these children do not exist.

The Killing

Simon and Schuster CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Leona is a small-time crook with big money. When the cops call in CHERUB, James's mission looks entirely routine: make nice with Leon's kids, dig up some leads, and infiltrate his home. But when James suddenly unravels a much larger plot, the mission becomes anything but ordinary. Unfortunately, the only person who might know the truth is a reclusive eighteen-year-old boy -- who happens to have died more than a year ago.

A Bone from a Dry Sea

Open Road Media On a prehistoric shore, a young girl fights to help her tribe survive She is at home in the ocean, as comfortable in the water as she is on dry land. The child's people have made their homes by the bay for as long as anyone can remember, diving for mussels and any other food the ocean will serve to them. They have no language; they have no names. Although they know love and jealousy and pride, they are not quite human—not yet. This child of the sea will show them the way. Two million years later, Vinny is visiting her father at an archaeological site in Africa when they discover the remains of that forgotten tribe of cliff dwellers. Across the ocean of time, these two young women will find a connection, an inexplicable bond that builds slowly but arrives with all the power of a tidal wave. This ebook features an illustrated personal history of Peter Dickinson including rare images from the author's collection.

The Recruit

Book 1

Hodder Children's Books The first title in the number one bestselling CHERUB series! James hits rock bottom before he's offered a new start in an intriguing organisation ... A terrorist doesn't let strangers in her flat because they might be undercover police or intelligence agents, but her children bring their mates home and they run all over the place. The terrorist doesn't know that one of these kids has bugged every room in her house, made copies of all her computer files and stolen her address book. The kid works for CHERUB. CHERUB agents are aged between ten and seventeen. They live in the real world, slipping under adult radar and getting information that sends criminals and terrorists to jail. For official purposes, these children do not exist. Praise for the CHERUB series: 'Punchy, exciting, glamorous and, what's more, you'll completely wish it was true' - Sunday Express 'Crackling tension and high-octane drama' - Daily Mail 'A really good book that you could re-read over and over again' - Guardian 'Pacy writing, punchy dialogue and a gripping plot, it's got it all' - Daily Express 'Fast-moving action ... and cool gadgets!' - The Times Visit cherubcampus.com - the essential internet destination, packed with exclusive content and with in-depth biographies of CHERUB characters, out-takes and bonus stories.
