Practical Study Guide for an International MBA: Real Course Assignments, Real Answers and Actual Submitted Research Papers

Core Subjects: International A This study guide gives MBA students around the world what they need most--examples of the kinds of assignments they will face in their MBA program. This guide covers the topics of accounting, economics and finance with an international focus. The author provides actual questions and research assignment topics he encountered in his international MBA program. More importantly, the answers to each question and the research papers he submitted are also included, along with an analysis of each writing. As the author found most MBA students are unfamiliar with academic writing and proper APA formatting, those topics are also covered in this book, with numerous, ready-to-use examples given. While other MBA guides tell you what to study, this book is a road map to completing your assignments on time, with style and with practical insider knowledge. The author is an educator with over 20 years of teaching experience and over 10 years of teacher training experience. He has worked and lived long-term in Japan and Malaysia, and has facilitated more than 150 workshops and presentations on education topics in a handful of Asian countries. He understands the field of teaching and he knows what teachers are looking for in assignments at the graduate level. This study guide was created to help all students--whether native English speakers or non-native English

speakers--successfully navigate their MBA studies with confidence and satisfaction. Arihant Publications India limited
