"In **Lead Like an Entrepreneur**, Thornberry has cracked the code on how to replicate the successful behaviors of entrepreneurial leaders....Should be required reading for companies that desire to inject world-class entrepreneurial IQ into the DNA of their company cultures." -- John Kilcullen, President and Publisher, Billboard and former Chairman and CEO of IDG Books "In an age where sustainable competitive advantage is increasingly difficult to achieve, this book provides a platform upon which to build it....I recommend this book to anyone responsible for developing and improving leadership in their company." --Peter Wright, Vice President of Human Resources, Refining & Marketing, British Petroleum, PLC "Developing entrepreneurial leaders is the key to finding hidden value in any organization. Learn how to create or rekindle the entrepreneurial spirit in your organization, and all of your stakeholders will benefit." --Gary Acinapura, President, Alcoa Exteriors **Lead Like An Entrepreneur** reveals how to harness the creativity and innovative thinking that is typical of entrepreneurs and use it as a solution to the organizational sluggishness that affects so many established companies. Author Neal Thornberry, faculty director at Babson College--renowned for its entrepreneurial education program--explains how to become an entrepreneurial leader, as well as how to identify, attract, and support this new class of corporate leader. Fostering this type of risk-taking leadership creates substantial benefits because it takes only a few such people within an organization to make significant differences to the top and bottom lines. Promote the entrepreneurial spirit in your organization by: Integrating leadership and management within an entrepreneurial framework Identifying new business opportunities with high growth potential Focusing human energy on value-creating activities Identifying and developing the four types of entrepreneurial leaders--explorers, miners, accelerators, and integrators Attracting and supporting entrepreneurial leaders through focused management development programs Featuring in-depth profiles and success stories from some of today's top companies, including IBM, Siemens, 3M, IDG, Sodexo, P&G, Intel, General Electric, and many others, this essential guide will help you overcome bureaucratic impediments and cultivate the leaders of tomorrow, putting your business on a direct path of growth, renewed energy, and spectacular success. **Innovation and Entrepreneurship A Competency Framework** *Routledge* This book presents a new model, the competency framework, for students, innovators,

entrepreneurs, managers, and anyone who wants to better understand the dynamic world of innovation and entrepreneurship. Focused on both the individual and strategic organizational level, this book is about people and the competencies each person needs to learn to be successful in creating a more dynamic future. Matthews and Brueggemann's framework for innovation and entrepreneurship competencies empowers individuals to excel at innovation and new venture creation. It provides a practical guide and clear and concise understanding of the knowledge, skills, attitudes, and experiences that are needed to increase imagination, creativity, innovation and new venture creation capability. Innovation and Entrepreneurship will be attractive for students of entrepreneurship, innovation, management and cross-disciplinary classes, such as design thinking. Presented in a modular format, Innovation & Entrepreneurship informs the future direction of people and technology, as well as the educational systems producing the next generation of innovators and entrepreneurs. Based on extensive academic research, this book is organized into two sections: Twelve innovation elements and twelve competency categories. The elements are the foundation and the competency categories are the building blocks that inform our path toward a more precise understanding of how innovation and entrepreneurship plays an important role in economic development and our daily lives.
