**Teaching and Assessing Social Justice Art Education Power, Politics, and Possibilities** Taylor & Francis This incisive and wholly practical book offers a hands-on guide to developing and assessing social justice art education for K-12 art educators by providing theoretically grounded, social justice art education assessment strategies. Recognizing the increased need to base the K-12 curriculum in social justice education, the authors ground the book in six social justice principles—conceptualized through art education—to help teachers assess and develop curriculum, design pedagogy, and foster social justice learning environments. From encouraging teachers to be upstanders to injustice to engaging in decolonial action, this book provides a thorough guide to facilitating and critiquing social justice art education and engaging in reflexive praxis as educators. Rich in examples and practical application, this book provides a clear pathway for art educators to connect social justice art education with real-life educational assessment expectations: 21st-century learning, literacy, social skills, teacher performance-based assessment, and National Core Art Standards, making this text an invaluable companion to art educators and facilitators alike **Good Girls Don't Get Fat** Harlequin Based on Dr. Robyn Silverman's groundbreaking research at Tufts University, and filled with searingly honest young voices, Good Girls Don't Get Fat: – Decodes the ripple effects of actions that damage our girls—and provides tools to help stop them. – Shines light on the positive influence of women who embrace body types of any size—and explains how to model the right behavior. – Shows how girls, whatever their size, can own their strengths, trust their power and accomplish amazing things. **West by Southwest The Umbrella Man's Final Flights** iUniverse The author, 81, a retired English teacher, decides to leave his several volunteer tasks for the community to fly west from Abington, Pennsylvania, 12 miles north of Philadelphia, to visit a granddaughter in Las Vegas, Nevada; a sister in Portland, Oregon; an older son in San Francisco, California; and a younger son in Austin, Texas, and the people these 4 live with. He is sure that these travels the 2nd half of August 2007 will be his final flights. After 3 weeks of visiting his family, the author returns home to his 3 volunteer tasks, tutoring 6 Korean women in correct English writing, delivering Meals on Wheels, and working 3 mornings for 3 days in Abington Hospital. He makes plans to spend 10 days in New York City the end of September to attend several Metropolitan operas and several Broadway shows. Before 2007 ends, his older son's daughter makes him a great-grandfather. The author looks forward to his Las Vegas granddaughter's wedding in Atlantic City in June 2008 and to the presidential election November 4. He becomes a great-grandfather for the 2nd time just before Barack Obama is elected President of the United States. **Imperfect: A Cancer Surgeon's Journey** Lulu.com In this engrossing and heart-tugging memoir, Dr. Irwin tells the story of his life: from gardening with his grandmother as a young child, through a tormented and dysfunctional upbringing to the trials and tribulations of self-funded educational pursuit resulting in national prominence as a cancer surgeon. Irwin's penchant for introspective self-analysis is readily apparent as he details his rise through academia and the corporate ladder of big hospital administration. **It Happened on the Way to War A Marine's Path to Peace** A&C Black This is a book about two forms of service that may appear contradictory: war-fighting and peacemaking, military service and social entrepreneurship. In 2001, Marine officer-in-training Rye Barcott cofounded a nongovernmental organization with two Kenyans in the Kibera slum of Nairobi. Their organization-Carolina for Kibera-grew to become a model of a global movement called participatory development, and Barcott continued volunteering with CFK while leading Marines in dangerous places. It Happened on the Way to War is a true story of heartbreak, courage, and the impact that small groups of committed citizens can make in the world. **Conflict in History, Measuring Symmetry, Thermodynamic Modeling and Other Work** AuthorHouse This book should revolutionize the study of history, symmetry and economic modeling. History is dominated by one pattern, over different scales; symmetry is based on counting the number of pairs of equal distances; and social-science extends from Josiah Willard Gibbs' thermodynamic models. **The Opposite of Invisible** Laurel Leaf Alice and Jewel have been best friends since grade school. Together, they don't need anyone else, and together they blend into the background of high school. Invisible. To Alice, Jewel is the opposite of invisible. Jewel is her best friend who goes to indie concerts and art shows with her. Jewel scoffs at school dances with her. Alice is so comfortable around Jewel that she can talk to him about almost anything. But she can't tell him that she likes the cool, popular Simon. And then Simon asks her to the school dance the same day that Jewel kisses her for the first time. Still, she can't say no to Simon. He seems like the easy choice, the one she's attracted to, the one she's ready for. But will it mean losing Jewel? In a bright debut novel set against the lively backdrop of Seattle, Alice must learn the difference between love and a crush, and what it means to be yourself when you're not sure who that is yet. **The Old MAIORESCUNIANS** Europa Edizioni A book that is read with interest and pleasure, a fascinating universe that encapsulates the author's feelings, a compendium of images, scents and melodies. A collection of memories collected over the years. A tribute to "Ion Miorescu" of Giurgiu, a model school, with great teachers and a rich history. Written on the 150th anniversary of its foundation. Cosmin Stefan Georgescu was born in the town of Giurgiu, Romania, on the 28th of December 1971. From an early age he was fascinated by words. He liked listening to his parents reading him bedtime stories, he used to learn a lot of poems by heart and recite them proudly. His first models were his parents, both of them teachers. However, Cosmin did not follow in his parents' footsteps. He decided to become a doctor. He graduated from "Carol Davilla" Medical University in Bucharest in 1997. In 1996 he passed USMLE exam (USA) and in 2000 he passed TOFEL exam. In 2001 he started working as a doctor in his hometown. In his free time, he worked for the local television, organized cultural and charitable events. He is a member of the Society of Physician Writers in Romania. In 2015 he went to France and ever since he has been living and working there. He wrote and published the following books in Romania and UK: - The Kiss that Severs Us poems Publishing House Presco 1994; - Advice I Would Give to No One aphorisms Publishing House Litera Ortodoxa 2011; - Aphorisms Made at Giurgiu Publishing House Cronos 2015; - The Tin Ring poems Publishing House Rotipo 2019; - Letters to God returned to sender Publishing House Europe Books 2020 UK; - Conseils que je ne donnerais à personne - aphorismes - Les Editions Baudelaire 2020, France. He has won the following awards: - Romanian Prize "Sentimental Twilight" Literary revue, aphorisms 2020; - The Critics' Prize with the work "Letters to God return to sender" of the Switzerland Literary Prize 2021. **Lessons from the Mountain** Kensington Books For nine seasons, Mary McDonough was part of one of the most beloved families in television history. Just ten years-old when she was cast as the pretty, wholesome middle child Erin, Mary grew up on the set of The Waltons, alternately embracing and rebelling against her good-girl onscreen persona. Now, as the first cast member to write about her experiences on the classic series, she candidly recounts the joys and challenges of growing up Walton...In this strikingly honest book, McDonough shares the story of her overnight transformation from a normal kid in a working class, Irish Catholic family, to a Hollywood child star. She reveals intimate memories of life in and around that idyllic Virginia farmhouse (really a Warner Brothers back lot in Burbank)-sneaking off to steal candy from Ike Godsey's store; developing crushes on guest stars; trying to crack up cast members during takes; and most of all, forming a tight-knit second family who played, worked, hugged, and squabbled together. But in the years that followed the show's long run, as McDonough tried to reinvent herself, she found herself battling depression and personal insecurities amplified by her celebrity. Gradually she gained the courage to stand up not just for herself, but in true Waltons tradition-for others, taking on a new role as an activist for women's body image issues. Touching, funny, sometimes heartbreaking, and always illuminating, Lessons from the Mountain is the story of everything Mary McDonough learned on her journey over-and beyond-that famous mountain. Advance Praise for Lessons from the Mountain"I can't wait to read my Walton sister Mary McDonough's memoir! Her intelligence, wit and insight guarantee that she will tell her story and ours in a moving and delightful way. Also, her status as a successful child performer qualifies her on the fascinating subject of children in show business." Richard Thomas"She's a radiant woman whose truth comes from within...if I had to pick one word that described Mary Beth, it would be resilience." --Earl Hamner, Creator of The Waltons"Mary has had the courage to face her fears and pain, and consequently is living a richer, fuller life. That's Mary, full of life!" --Michael Learned"Many child star stories are about addiction and run-ins with the law. Here is an inspiring story of a young woman who has chosen to take the high road and turn struggles into triumph. Mary's spirit shines through in all she does; her commitment to work, friends, and difficult personal issues. Waltons fans will treasure an opportunity to see the woman behind the pretty face of one of their favorite family members, and even non-Waltons watchers will cheer her perseverance." --Judy Norton "Mary's story is compelling for many different reasons; she was raised in a very conservative and religious household, and thrust into "Hollywood." The changes in our society in the 70's were remarkable and Mary went on a personal odyssey and self-discovery that took her through very turbulent times. I have kept in contact with my "little sister" over the years and she always seems to impress me. On a personal side, I like the "child stars gone good" story that so many of us are, and Mary is one of my oldest and dearest friends." --Eric Scott"A fascinating look at what it's like to grow up in front of and beyond the cameras." --Eve Plumb"Somewhere inside that frightened, shy, freckle-faced little girl, who just wanted to please everyone, to just be "good enough," seethed the heart of brave activist, willing to take on all comers in her fight to save women's lives. Mary starts out writing a heartfelt "love letter" to her Waltons co-stars and fans. (no whining here, there's not an ungrateful bone in her body!) But no sooner has she finished happily regaling us with her "behind the scenes" Waltons tales, and the moral lessons she took to heart along the way, she reveals the terrifying challenges that forced her to become more "Erin Brockovich" than "Erin Walton"! For someone who started out as a sweet little girl afraid to speak up, it certainly is a pleasure to hear her shout from the top of the mountain now! --Alison Arngim, New York Times Best Selling Author of "Confessions of A Prairie Bitch""Mary is a whole lot more than Erin on The Waltons. This book shows how she's handled all the highs and lows with grace." --George Clooney **A Letter to My Father** Xlibris Corporation A Letter to My Father is an extraordinary autobiography of a young black man growing up in a loving and supportive close-knit family, who finds himself struggling through what he sees as the minefields established by the racial and oppressive nature of White America. As the title denotes, "A Letter To My Father" is a revealing conversation of a son to his father. However, the father is deceased and the letter conveys to him what happened to their family after his death. The author shares his personal memories, as well as those conveyed to him by his mother, brother, and extended family. He writes his father about a loving and caring mother and her struggle to raise their two sons alone; and about a big brother who protects him and tries to become the father they both were without. The book in its unique format, tells of a young man's experiences while growing up in the streets of Philadelphia, PA, surrounded by racial images and trying to find his place in a struggle for political and economic equality against the odds of being black, poor and uneducated in the 1960's. When his search leads him to the black nationalist ideology of the Nation of Islam, he becomes involved in both community activism and crime. Soon this results in his being arrested, charged, and convicted for one of the most heinous crimes ever committed. The case became known as the Washington, D.C. Hanafi Muslim Murders, and although he would eventually be acquitted, he still found himself trapped in, and swallowed up by a repressive, and counterproductive prison system. As the result of governmental manipulations, he is convicted in the jail-house murder of a government informant, and left to deal with the harsh and brutal realities of prison life. While desperately trying to maintain a positive relationship with his wife and children, he educates himself, helps to establish literacy programs for other prisoners, becomes a teacher, and involves himself in the fight for prison reform. In writing "A Letter To My Father," the author acknowledges personal responsibility for how his life turns out. He also reveals society's role in arresting the economic, social, and political development of black people in America. Through the eyes of a young black fatherless male, he expresses the frustrations he felt as a member of an outcast minority, who after realizing history's lie, sets out to deal with it in a world full of confused and misguided concepts. The book ends with the deaths of his beloved mother and brother. After being incarcerated for over 26 years, and always having their love and support, he has to deal with and accept the loss of both of them in a six-week span. While he reaffirms his fight

for freedom, he realizes that not only has his mother and brother taught him how to stand firm and face the harsh realities of life, but also how to stand firm and face the inevitable reality of death. **Alexander L. George: A Pioneer in Political and Social Sciences With a Foreword by Dan Caldwell** Springer Alexander L. George was one of the most productive and respected political scientists of the late twentieth century. He and his wife, Juliette George, wrote one of the first psychobiographies, and Professor George went on to write seminal articles and books focusing on political psychology, the operational code, foreign policy decisionmaking, case study methodology, deterrence, coercive diplomacy, policy legitimacy, and bridging the gap between the academic and policymaking communities. This book is the first and only one to contain examples of the works across these fields written by Alexander George and several of his collaborators. • This is a collection of Alexander L. George's works from the major fields to which he contributed. • There are biographical essays by his wife and co-author (Juliette L. George), daughter (Mary George Douglass), former student (Dan Caldwell), and professional colleague (Janice Gross Stein). • There are 25 photographs of Alexander L. George and his family which have not previously been published. **Living with Schizophrenia** Taylor & Francis This volume traces the modern critical and performance history of this play, one of Shakespeare's most-loved and most-performed comedies. The essay focus on such modern concerns as feminism, deconstruction, textual theory, and queer theory. **Day Zero** Harlequin Don't miss the exhilarating new novel from the author of Fat Girl on a Plane, featuring a fierce, bold heroine who will fight for her family and do whatever it takes to survive. Fans of Susan Beth Pfeffer's Life As We Knew It series and Rick Yancey's The 5th Wave series will cheer for this fast-paced, near-future thrill ride. If you're going through hell...keep going. Seventeen-year-old coder Jinx Marshall grew up spending weekends drilling with her paranoid dad for a doomsday she's sure will never come. She's an expert on self-heating meal rations, Krav Maga and extracting water from a barrel cactus. Now that her parents are divorced, she's ready to relax. Her big plans include making it to level 99 in her favorite MMORPG and spending the weekend with her new hunky stepbrother, Toby. But all that disaster training comes in handy when an explosion traps her in a burning building. Stuck leading her headstrong stepsister, MacKenna, and her precocious little brother, Charles, to safety, Jinx gets them out alive only to discover the explosion is part of a pattern of violence erupting all over the country. Even worse, Jinx's dad stands accused of triggering the chaos. In a desperate attempt to evade paramilitary forces and vigilantes, Jinx and her siblings find Toby and make a break for Mexico. With seemingly the whole world working against them, they've got to get along and search for the truth about the attacks—and about each other. But if they can survive, will there be anything left worth surviving for? **Lessons from Doctor Lowell** Tate Publishing Do you realize how much of an impact you have as a parent? Do you have a parent who helped shape and mold who you are today? Dealing with hard-hitting issues like death, blending families, and achieving overall life satisfaction, Barb Furman Hall recounts the life of her esteemed father as she blazes a trail through her own existence. She candidly discusses the influences her father had, and she talks openly about the emotions behind having a step-mother. Sourcing strength from the deeply-rooted Christian life her father led, Barb recounts invaluable lessons about her own childhood to adulthood. She then parlays those ideas into applications for a wider audience to take advantage of. Dr. Lowell was a beloved individual and created a legacy that extends much farther than even Barb realized. Join Barb Furman Hall as she explores that legacy and develops her own life with Lessons From Dr. Lowell. **Honor My Father** Austin Macauley Publishers Honor My Father is a true story of how college men came to the US Navy as reservists, instructed by the officers from Annapolis, and teamed together. It brings their many personal stories of interactions with my dad (Air Defense Commander), serving on two destroyers (USS Bancroft & USS Goodrich) with the naming of their actual crew members. My story honors these silent, humble heroes. Thirty Benson-class destroyers were built from 1938 to 1943 and were the most vulnerable in the sea, protecting the fleet. The officers and crews earned 174 Battle Star Citations, one Presidential Citation and two Navy Unit Commendations posthumously. The last section of my true story about Dad, Comedy of Adolescence; describes how as a new professor, working on his Ph.D. this writer entered his teenage years while the two of us moved from the city of Chicago to the small town of Athens, Ohio. After his war experiences, he experienced nothing like the big guns going off in his ear until the hard pounding drums from my new rock and roll band! **The Color of Heaven Series Boxed Set (Books 1-3)** Julianne MacLean Enjoy the first three books in the bestselling Color of Heaven series in this delightful collection. "The Color of Heaven" is pure reading pleasure. MacLean's well-paced, fluid prose takes readers through the full expression of family and love. Family drama, the pain of loss, the hope of new beginnings, and falling deeply for the new man--it's all in focus in this women's fiction series." —JustKindleBooks **THE COLOR OF HEAVEN - Book 1** A deeply emotional tale about Sophie Duncan, a successful columnist whose world falls apart after her daughter's unexpected illness and her husband's shocking affair. When it seems nothing else could possibly go wrong, her car skids off an icy road and plunges into a frozen lake. There, in the cold dark depths of the water, a profound and extraordinary experience unlocks the surprising secrets from Sophie's past, and teaches her what it means to truly live...and love. Full of surprising twists and turns and a near-death experience that will leave you breathless, this story is not to be missed. **THE COLOR OF DESTINY - Book 2** Eighteen years ago a teenage pregnancy changed Kate Worthington's life forever. Faced with many difficult decisions, she chose to follow her heart and embrace an uncertain future with the father of her baby and her devoted first love. At the same time, in another part of the world, sixteen-year-old Ryan Hamilton makes his own share of mistakes, but learns important lessons along the way. Twenty years later, Kate's and Ryan's paths cross in a way they could never expect, which makes them question the possibility of destiny. Even when all seems hopeless, could it be that everything happens for a reason, and we end up exactly where we are meant to be? **THE COLOR OF HOPE - Book 3** Diana Moore has led a charmed life. She's the daughter of a wealthy senator and living a glamorous city life, and is confident her handsome live-in boyfriend is about to propose. But everything is turned upside down when she learns of a mysterious woman who lives and works nearby – a woman who is her exact mirror image. Diana is compelled to discover the truth about this woman's identity, but the truth leads her down a path of secrets, betrayals, and shocking discoveries about her past. These discoveries follow her like a shadow. Then she meets Dr. Jacob Peterson—a brilliant cardiac surgeon with an uncanny ability to heal those who are broken. With his help, Diana embarks upon a journey to restore her belief in the human spirit, and recover a sense of hope - that happiness, and love, may still be within reach for those willing to believe in second chances. **A Destiny Found** H. M. Gooden When Robin's dad goes missing, she discovers more than she expects to find when she begins searching for clues. Suddenly, she's in the middle of a dangerous hunt for a missing book, complicated by a handsome CSIS agent with his own secrets. They'll have to let go of everything they believe in order to get to the bottom of this mystery. If they don't, they just may not make it home. **On the Other Side of Empty** Dorrance Publishing The darkest times sometimes have a way of bringing people together. After the death of her mother, Annabelle Parker reconnects with her father, whom she has not spoken to or heard from since her parents' divorce. After moving from Texas to Massachusetts, Annabelle realizes the life she once knew is over. Fighting her urge to withdraw from the people around her, she launches herself into a busy academic career at Harvard. Although still preoccupied with her mother's death, she attempts to build new relationships and find an inner strength her mother has always encouraged. He first appears as a cruel and egotistical maniac: Damon Chase. Forced to take his class, Annabelle battles with her hatred for this man as all of her female peers swoon at his feet. As the past begins to reveal itself, Annabelle finds herself falling for a man with more secrets than she ever imagined... **How Peculiar Can One Get?** Lulu.com **Chip Off the Ice Block Murder** Llewellyn Worldwide It's the dead of winter in Minnesota, and Shay O'Hanlon can't wait to close up her coffee shop and get out of town with her girlfriend, Minneapolis cop JT Bordeaux. But when she receives a call informing her that her dad is missing, Shay's plans for a romantic getaway are put on ice. Figuring her dad is on one of his periodic benders, Shay is shocked to learn that his gun has been used in a murder. With the dead man found in a giant ice cube unable to provide any answers, Shay and her quirky friends are bound and determined to find her father—and the real killer—before the trail turns cold. Praise: "Jessie Chandler's latest Shay O'Hanlon adventure is as sharp as a frigid winter day. A body in a block of ice meant for the Winter Carnival Ice Palace is just the beginning of this wild luge ride as Shay sorts through the clues to clear her father of murder. Like a luge, there are twists and turns throughout, but Jessie saves the biggest twist for (quite literally) the last few seconds. Highly recommended."—John Gaspard, author of The Eli Marks Mysteries **Breaking Trail A Climbing Life** Houghton Mifflin Harcourt The personal story of the first American woman climber to attempt Mount Everest describes her transformation from an overprotected Chicago youth to the leader of women climbing teams, describing her successful ascents of Mount McKinley and Annapurna and her receipt of a Gold Medal from the Society of Women Geographers. Reprint. **Julie** Evergreen Farm \*A New York Times bestseller\* ----- Will the dam hold? Julie Wallace has always wanted to write. Trying to escape the Great Depression, Julie's father buys the Alderton Sentinel, a small-town newspaper in flood-prone Alderton, Pennsylvania, and moves his family there. As flash floods ominously increase, Julie's investigative reporting uncovers secrets that could endanger the entire community. Julie, the newspaper, and her family are thrown into a perilous standoff with the owners of the steel mills as they investigate the conditions of the immigrant laborers. As the Alderton Sentinel and Julie take on a more aggressive role to reform these conditions, seething tensions come to a head. When a devastating tragedy follows a shocking revelation, Julie's courage and strength are tested. Will truth and justice win, or will Julie lose everything she holds dear? **Quiet Hero Secrets from My Father's Past** Simon and Schuster When a father reveals his haunting past, a daughter takes an incredible journey of self-discovery . . . Emmy® award-winning journalist, TV host, and New York Times bestselling author Rita Cosby has always asked the tough questions in her interviews with the world's top newsmakers. Now, in a compelling and powerful memoir, she reveals how she uncovered an amazing personal story of heroism and courage, the untold secrets of a man she has known all her life: her father. Years after her mother's tragic death, Rita finally nerved herself to sort through her mother's stored belongings, never dreaming what a dramatic story was waiting for her. Opening a battered tan suitcase, she discovered it belonged to her father—the enigmatic man who had divorced her mother and left when Rita was still a teenager. Rita knew little of her father's past: just that he had left Poland after World War II, and that his many scars, visible and not, bore mute witness to some past tragedy. He had always refused to answer questions. Now, however, she held in her hand stark mementos from the youth of the man she knew only as Richard Cosby, proud American: a worn Polish Resistance armband; rusted tags bearing a prisoner number and the words Stalag IVB; and an identity card for an ex-POW bearing the name Ryszard Kossobudzki. Gazing at these profoundly telling relics, the well-known journalist realized that her father's story was one she could not allow him to keep secret any longer. When she finally did persuade him to break his silence, she heard of a harrowing past that filled her with immense pride . . . and chilled her to the bone. At the age of thirteen, barely even adolescent, her father had seen his hometown decimated by bombs. By the time he was fifteen, he was covertly distributing anti-Nazi propaganda a few blocks from the Warsaw Ghetto. Before the Warsaw Uprising, he lied about his age to join the Resistance and actively fight the enemy to the last bullet. After being nearly fatally wounded, he was taken into captivity and sent to a German POW camp near Dresden, finally escaping in a daring plan and ultimately rescued by American forces. All this before he had left his teens. This is Richard Cosby's story, but it is also Rita's. It is the story of a daughter coming to understand a father whose past was too painful to share with those he loved the most, too terrible to share with a child . . . but one that he eventually revealed to the journalist. In turn, Rita convinced her father to join her in a dramatic return to his battered homeland for the first time in sixty-five years. As Rita drew these stories from her father and uncovered secrets and emotions long kept hidden, father and daughter forged a new and precious bond, deeper than either could have ever imagined. **The Blessing Giving the Gift of Unconditional Love and Acceptance** Thomas Nelson In this revised and updated edition, learn how the biblical gift of "The Blessing" is key to a child's self-worth and emotional well-being. Children of every age long for the gift of The Blessing—the unconditional love and approval that comes from a healthy relationship with their parents. This life-changing gift for Christian parents and their children, essential for instilling a deep sense of worthiness and unshakable emotional well-being, contains five essential elements: Meaningful touch A spoken message Attaching high value Picturing a special future An active commitment Offering solid, practical advice and a fresh perspective on making this gift a bigger part of our families, The Blessing powerfully communicates these biblically based elements as necessary to prepare children for positive future relationships, including their relationship with a loving God. New to this updated edition are: Giving The Blessing to others in your circle of influence Practical application tools and stories of how this is lived out Insight and help for those who didn't receive The Blessing How to create a lifestyle of blessing others If you have missed out on the approval of your parents, the final chapters are for you. They include help for those who grew up without their own parent's blessing and provide ideas for blessing events. **Remembering to Forget A Story of Shaken Faith** Covenant Books, Inc. Remembering to Forget: A Story of Shaken Faith is the story of my life, shared with bold honesty. Vulnerable journal entries and rich biblical teaching are artfully interwoven to reveal how I was transformed from a lost girl to the daughter of a King, how I endured many trials, and ultimately came to a place of restoration. My story is full of unexpected extremes, which will bring you to tears, make you laugh, and cause you to consider life in new ways. So find a comfortable place to sit and allow me to draw you into the pages of my journey. **My Dad's Got Mojo** John Wiley & Sons Want to be the best dad ever in the eyes of your kids? It's easier than you think! This inspiring, easy-to-read book from the best-selling author of Who Stole My Mojo? shows you how to set the right tone, example and environment for your kids to give them the very best introduction to life. That's the difference between being a good dad and being an outstanding dad - a dad with mojo. My Dad's Got Mojo is the book for regular guys who want to raise happier, healthier and more creative kids. If you want to be the best dad you can be, start thinking differently, have fun, laugh and get your mojo going! **My Father is a Book A Memoir of Bernard Malamud** Catapult Bernard Malamud was one of the most accomplished American novelists of

the postwar years. From the Pulitzer Prize winner *The Fixer* as well as *The Assistant*, named one of the best "100 All-Time Novels" by Time Magazine—to mention only two of the more than a dozen published books—he not only established himself in the first rank of American writers but also took the country's literature in new and important directions. In her signature memoir, Smith explores her renowned father's life and literary legacy. Malamud was among the most brilliant novelists of his era, and counted among his friends Philip Roth, Saul Bellow, Theodore Roethke, and Shirley Jackson. Yet Malamud was also very private. Only his family has had full access to his personal papers, including letters and journals that offer unique insight into the man and his work. In her candid, evocative, and loving memoir, his daughter brings Malamud to vivid life. **Never Tell Our Business to Strangers A Memoir** Villard When Jennifer Mascia is five years old, the FBI comes for her father. At that moment Jenny realizes that her family isn't exactly normal. What follows are months of confusion marked by visits with her father through thick glass, talking to him over a telephone attached to the wall. She and her mother crisscross the country, from California to New York to Miami and back again. When her father finally returns home, months later, his absence is never explained—and Jenny is told that the family has a new last name. It's only much later that Jenny discovers that theirs was a life spent on the lam, trying to outrun the law. Thus begins the story of Jennifer Mascia's bizarre but strangely magical childhood. An only child, she revels in her parents' intense love for her—and rides the highs and lows of their equally passionate arguments. They are a tight-knit band, never allowing many outsiders in. And then there are the oddities that Jenny notices only as she gets older: the fact that her father had two names before he went away—in public he was Frank, but at home her mother called him Johnny; the neat, hidden hole in the carpet where her parents keep all their cash. The family sees wild swings in wealth—one year they're shopping for Chanel and Louis Vuitton at posh shopping centers in Los Angeles, the next they're living in one room and subsisting on food stamps. What have her parents done? What was the reason for her father's incarceration so many years ago? When Jenny, at twenty-two, uncovers her father's criminal record during an Internet search, still more questions are raised. By then he is dying of cancer, so she presses her mother for answers, eliciting the first in a series of reluctant admissions about her father's criminal past. Before her mother dies, four years later, Jenny is made privy to one final, riveting confession, which sets her on a search for the truth her mother fought to conceal for so many years. As Jenny unravels her family's dark secrets, she must confront the grisly legacy she has inherited and the hard truth that her parents are not—and have never been—who they claimed to be. In the face of unimaginable tragedy, Jenny will ultimately find an acceptance and understanding just as meaningful and powerful as her parents' love. In a memoir both raw and unwavering, Jennifer Mascia tells the amazing story of a life lived—unwittingly—with criminals. Full of great love and enormous loss, *Never Tell Our Business to Strangers* will captivate and enthrall, both with its unrelenting revelations and its honest, witty heart. **Dear Jay, Love Dad Bud Wilkinson's Letters to His Son** University of Oklahoma Press College football fans need no introduction to Bud Wilkinson, but few of them know the great University of Oklahoma football coach as a devoted father. In *Dear Jay, Love Bud*, Jay Wilkinson, Bud's younger son, shares forty-seven letters his father wrote to him while he was in college and graduate school. Spanning the early to mid-1960s, these letters reveal Bud's deep love for his son, as well as the philosophy and values that led to his remarkable success in sports and in life. Beginning with the first letter Bud wrote when Jay left home, this collection shows a father guiding his son toward his own path while stressing the importance of service to others. The embodiment of the scholar-athlete, Bud mixes encouragement with intellectual discussions. When Jay reads American philosopher William James for a class at Duke University, his father, a serious student of literature, reads the book, too, and uses its insights to help Jay deal with the challenges of his freshman year. Bud writes about his own challenges, as well, including his debate over whether to accept the Kennedy administration's invitation to head the President's Council on Physical Fitness. Jay's comments about each of these letters provide context and further insight. By the time Jay becomes a graduate student at the Episcopal Theological School, the correspondence turns toward religion and politics, as Bud reflects on the philosophical issues of the day and on his unsuccessful run for the U.S. Senate in 1964. His belief that the greatest leaders are not always the most popular made him an unlikely politician even then, but a wonderful role model and interlocutor for his son. Bud's thoughts on ethics in business and politics are as inspiring today as when he wrote them a half-century ago. **He Threw the Elephant in the Bayou Covenants Made and Covenants Broken: Stories and Poems about the Journey of Faith** Wipf and Stock Publishers *He Threw the Elephant in the Bayou* will bring warmth to your heart and a smile to your face. Jody Seymour's stories, drawn from his memory bank of childhood days growing up in the country between Biloxi and Ocean Springs, Mississippi, and a few from later years, will draw you in and remind you of earlier times in your own life as well. Many of the stories call to mind the reality that we all make and break covenants. You will also find a new collection of Jody's poems that focus on the journey of faith. Some relate to seasons of the church year and others to specific Bible stories. All will give you insight and a new way of seeing these old themes. **The Last Days** Forge Books *The Last Days* is a stunning political thriller from New York Times bestselling author, Joel C. Rosenberg Osama bin Laden is dead. Saddam Hussein is buried. Baghdad lies in ruins. Now the eyes of the world are on Jerusalem as Jon Bennett—a Wall Street strategist turned senior White House advisor—his beautiful CIA partner Erin McCoy and the U.S. Secretary of State arrive in the Middle East to meet with Palestinian leader Yasser Arafat. On the table: a dramatic and potentially historic Arab-Israeli peace plan, of which Bennett is the chief architect. At the heart of the proposed treaty is the discovery of black gold deep underneath the Mediterranean—a vast and spectacular tract of oil and natural gas that could offer unprecedented riches for every Muslim, Christian, and Jew in Israel and Palestine. With the international media closely tracking the story, the American message is as daring as it is direct: Both sides must put behind them centuries of bitter, violent hostilities to sign a peace treaty. Both sides must truly cooperate on drilling, pumping, refining, and shipping the newly found petroleum. Both sides must work together to develop a dynamic, new, integrated economy to take advantage of the stunning opportunity. Then—and only then—the United States will help underwrite the billions of dollars of venture capital needed to turn the dream into reality. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Cruising Through Research Library Skills for Young Adults** Libraries Unlimited Offers ideas on educating high school students in how to use standard library reference tools, identify a topic, take notes, and outline and write a research paper and bibliography **Riding Shotgun Women Write about Their Mothers** Minnesota Historical Society With honesty and extraordinary self-knowledge, 21 accomplished authors illuminate the mother-daughter relationship—intimate, complicated, loving, and flawed—with humor and clarity. **Scribbler of Dreams** Houghton Mifflin Harcourt Despite her family's long feud with the Crutchfields, seventeen-year-old Kaitlin falls in love with Bram Crutchfield and weaves a tangled web of deception to conceal her identity from him. **How I Changed My Mind about Women in Leadership Compelling Stories from Prominent Evangelicals** Zondervan Academic This book features a number of autobiographical accounts as to how various persons have come to change their minds about women in leadership. Well-known Evangelical leaders—individuals and couples, males and females from a broad range of denominational affiliation and ethnic diversity—share their surprising journeys from a more or less restrictive view to an open inclusive view that recognizes a full shared partnership of leadership in the home and in the church based on gifts not gender. This book offers a positive vision for the future of women and men together as partners of equal worth without competitiveness in the work of equipping this and the next generation of Christian disciples for the 'work of ministry' and service in the Kingdom of God. **Sun Struck** Lulu.com **Ethnic Heritage in Mississippi The Twentieth Century** Univ. Press of Mississippi Throughout its history, Mississippi has seen a small, steady stream of immigrants, and those identities—sometimes submerged, sometimes hidden—have helped shape the state in important ways. Amid renewed interest in identity, the Mississippi Humanities Council has commissioned a companion volume to its earlier book that studied ethnicity in the state from the period 1500-1900. This new book, *Ethnic Heritage in Mississippi: The Twentieth Century*, offers stories of immigrants overcoming obstacles, immigrants newly arrived, and long-settled groups witnessing a revitalized claim to membership. The book examines twentieth-century immigration trends, explores the reemergence of ethnic identity, and undertakes case studies of current ethnic groups. Some of the groups featured in the volume include Chinese, Latino, Lebanese, Jewish, Filipino, South Asian, and Vietnamese communities. The book also examines Biloxi as a city that has long attracted a diverse population and takes a look at the growth in identity affiliation among people of European descent. The book is funded in part by a "We the People" grant from the National Endowment for the Humanities. **Cryo Kid Drawing a New Map** iUniverse *Cryo Kid: Drawing a New Map* is an exploration inspired by true experience. Written with insightful humor and a sense of wonder from the perspective of a seventy-something grandmother, it is educational, positive, and eye-opening. The author, Corinne Heather Copnick (Grandma), explores the exponential transformation that has taken place in families in her lifetime, as well as the infertility crisis currently experienced by career women who waited too long to have children. Her own granddaughter, the Cryo Kid of the title, seven years old in 2007, came into being through an anonymous donor from a sperm bank. Against the backdrop of three cities, Montreal, Toronto, and Los Angeles, *Cryo Kid* is written in several voices (narrators): the author, her daughter, the granddaughter (a gifted child who adds so much joy to their lives), and the sperm donor. It describes the experiences of two of Grandma's daughters, who conceived through assisted-reproduction technology (sperm donors), explores the generational changes in Grandma's own family, and details the remarkable discovery of siblings across the country, as well as the unexpected participation of the donor. The last chapter concerns well-researched future possibilities in assisted reproductive technology. (The word "cryo" is short for cryogenics.) corinne@timesolvers.com **Captivity or Freedom** Xlibris Corporation This book is about the journey of a woman lonely, troubled and in pain most of her life. Living in a world of turmoil she tosses and turns through life's cycles. As she got older each year of life became more challenging and she felt even more confused, hurt and alone. Psychiatrist, medications, group meetings, society/work situations nor family, nor friends can answer life's questions about her beginning or present state. Seeking, but not being able to find answers through any other source as she became a woman of age she began longing for and searching for those answers. Will she finally find the answers she needs to get her through each moment, each day, each year.. As she continues her journey through life she started looking for answers as to why so much pain? Why was she so different from the rest of the world? **Jack Toffey's War A Son's Memoir** Fordham Univ Press An account of one man's journey to know a father who went to war in 1942 and never came back weaves together memory, history, and his father's letters home to tell the story of what happened to his father.
