THE VIDEO GAMES GUIDE

1,000+ ARCADE, CONSOLE AND COMPUTER GAMES, 1962-2012, 2D ED.

McFarland The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design—from the very earliest (1962's Spacewar) through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

GAMESHARK ULTIMATE CODES 2007

HEATED

A MOST WANTED NOVEL

Bantam NEW YORK TIMES BESTSELLER • For fans of Release Me comes a series of three enigmatic and powerful men, and the striking women who can bring them to their knees. I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. Heated is intended for mature audiences. FIRST TIME IN PRINT: THE BONUS STORY "TAKE ME" Praise for Heated "A steamy story with a dark edge. Recommended for those seeking crime drama with spice."—Library Journal "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her Most Wanted series goes a long way toward solidifying that claim. Her characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more."—RT Book Reviews "The plot is complex, the characters engaging, and J. Kenner's passionate writing brings it all perfectly together."—Harlequin Junkie "In Julie Kenner's typical masterful storytelling, nothing is as it seems. We are taken deeply into the plot twists and the danger of this . . . journey. The chemistry first felt by both Tyler and Sloanne during their first encounter roars into an all-consuming fire neither one can put out. . . . Take the same journey I did and you will not be disappointed!"—As You Wish Reviews

BLACK HOLES AND TIME WARPS

EINSTEIN'S OUTRAGEOUS LEGACY

W. W. Norton & Company Examines such phenomena as black holes, wormholes, singularities, gravitational waves, and time machines, exploring the fundamental principles that control the universe.
