**Never Give In! Winston Churchill's Speeches A&C Black** A great statesmen, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. **Never Give In!** celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume **Never Give In!** provides a powerful testimony to one of the great public figures of the 20th century. **Never Give In! The Best of Winston Churchill's Speeches Hyperion** Winston Churchill was the most eloquent and expressive statesman of his time. It was as an orator that Churchill became most completely alive, and it was through his oratory that his words made their greatest and most enduring impact. While the definitive collection of Churchill's speeches fills eight volumes, here for the first time, his grandson, Winston S. Churchill, has put together a personal selection of his favorite speeches in a single, indispensable volume. He has chosen from his grandfather's entire output and thoughtfully introduces each selection. The book covers the whole of Churchill's life, from the very first speech he made to those of his last days. It includes some of Churchill's best-known speeches as well as some that have never before been published in popular form. Today, Sir Winston Churchill is revered as an indomitable figure and his wisdom is called upon again and again. Reading these speeches, from

the perspective of a new century, we can once again see Sir Winston Churchill's genius and be moved and inspired by his words. **Never Give in The Extraordinary Character of Winston Churchill** *Cumberland House Publishing* A study of Winston Churchill's leadership and character focusing on his childhood, marriage and family life, and spiritual beliefs. **Never Give In! The Best of Winston Churchill's Speeches** *Vintage* Winston Churchill 'mobilized the English language and sent it into battle'. President John F. Kennedy conferring Honorary US Citizenship, April 1963 Winston Churchill was the most eloquent and expressive statesman of his age. When Britain stood alone and all but defenceless, with his resolute and pugnacious tone and puckish sense of humour he inspired his fellow- countrymen to resist, to fight and to conquer. While the definitive collection of Churchill's speeches fills eight volumes, here, his grandson, Winston S. Churchill, has put together a personal selection of his favourite speeches in a single volume. He has chosen from his grandfather's entire output covering the whole of Churchill's life, from his maiden speech to his last days. It includes Churchill's best- known speeches as well as some that have never been published in popular form. **Churchill by Himself In His Own Words** *Rosetta Books* Quotations by the great statesman who helped lead Britain through two world wars: "Magisterial . . . Should be in the library of every Churchill aficionado" (American Spectator). We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender . . . Millions have been moved by these words—and by the hundreds of speeches given by Winston S. Churchill to rally the British public, spur its government to armament against Hitler, and defend the causes for which he believed. **Churchill by Himself** is the first collection of quotations from a leader who had as much talent for wit as he had for inspiration and exhortation. Edited by renowned Churchill scholar Richard Langworth, this volume is the definitive collection of important quotes from one of the twentieth century's most persuasive and brilliant orators, whose writings earned him a Nobel Prize in Literature in 1953. **Never Surrender Winston Churchill and Britain's Decision to Fight Nazi Germany in the Fateful Summer of 1940** *Simon and Schuster* "WWII scholar John Kelly triumphs again" (Vanity Fair) in this remarkably vivid account of a key moment in Western history: The critical six months in 1940 when Winston Churchill debated whether England should fight Nazi Germany—and then decided to "never surrender." London in April, 1940, is a place of great fear and conflict. The Germans have taken Poland, France, Holland, Belgium, and Czechoslovakia. The Nazi war machine now menaces Britain, even as America remains uncommitted to providing military aid. Should Britain negotiate with Germany? The members of the War Cabinet bicker, yell, and are divided. Churchill, leading the faction to fight, and Lord Halifax, cautioning that prudence is the way to survive, attempt to usurp one another by any means possible. In **Never Surrender**, we feel we are alongside these complex and imperfect men, determining the fate of the British Empire,

and perhaps, the world. Drawing on the War Cabinet papers, other government documents, private diaries, newspaper accounts, and memoirs, historian John Kelly tells the story of the summer of 1940. Kelly takes readers from the battlefield to Parliament, to the government ministries, to the British high command, to the desperate Anglo-French conference in Paris and London, to the American embassy in London, and to life with the ordinary Britons. We see Churchill seize the historical moment and ultimately inspire his government, military, and people to fight. Kelly brings to life one of the most heroic moments of the twentieth century and intimately portrays some of its largest players—Churchill, Lord Halifax, Hitler, FDR, Joe Kennedy, and others. *Never Surrender* is a fabulous, grand narrative of a crucial period in World War II and the men and women who shaped it. “For lovers of minute-by-minute history, it’s a feast” (Huffington Post). *Churchill The Power of Words* *Da Capo Press* A collection of the best and most quoted speeches and writings of Nobel Prize-winner Winston Churchill Winston Churchill knew the power of words. In speeches, books, and articles, he expressed his feelings and laid out his vision for the future. His wartime writings and speeches have fascinated generation after generation with their powerful narrative style and thoughtful reflection. Martin Gilbert, Churchill's official biographer, has chosen passages that express the essence of Churchill's thoughts and describe—in his own inimitable words—the main adventures of his life and the main crises of his career. From first to last, they give insight into his life, how it evolved, and how he made his mark on the British and world stage. *Forty Ways to Look at Winston Churchill* A Brief Account of a Long Life *Random House Trade Paperbacks* A WALL STREET JOURNAL SUMMER PICK A WASHINGTON POST BESTSELLER Warrior and writer, genius and crank, rider in the British cavalry’s last great charge and inventor of the tank, Winston Churchill led Britain to fight alone against Nazi Germany in the fateful year of 1940 and set the standard for leading a democracy at war. With penetrating insight and vivid anecdotes, Gretchen Rubin makes Churchill accessible and meaningful to twenty-first-century readers by analyzing the many contrasting views of the man: he was an alcoholic, he was not; he was an anachronism, he was a visionary; he was a racist, he was a humanitarian; he was the most quotable man in the history of the English language, he was a bore. Like no other portrait of its famous subject, *Forty Ways to Look at Winston Churchill* is a dazzling display of facts more improbable than fiction. It brings to full realization the depiction of a man too fabulous for any novelist to construct, too complex for even the longest narrative to describe, and too significant ever to be forgotten. *Churchill Speaks* Winston S. Churchill in Peace and War : Collected Speeches, 1897-1963 *Atheneum* The Wicked Wit of Winston Churchill *Michael O'Mara Books* Sir Winston Churchill remains a British hero, lauded for his oratorical skill. He wrote histories, biographies, memoirs, and even a novel, while his journalism, speeches and broadcasts run to millions of words. From 1940 he inspired and united the British people and

guided their war effort. Behind the public figure, however, was a man of vast humanity and enormous wit. His most famous speeches and sayings have passed into history but many of his aphorisms, puns and jokes are less well-known. This enchanting collection brings together hundreds of his wittiest remarks as a record of all that was best about this endearing, conceited, talented and wildly funny Englishman. Also available in the series are collections from Shakespeare, *To Be or Not To Be*, and Oscar Wilde, *I Can Resist Everything Except Temptation*. *Nineteen Eighty-Four* *epubli* "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. *The Speeches of Winston Churchill Penguin Books* From the time of his election to the House of Parliament until his last weeks as Prime Minister in 1955, Winston Churchill was never at a loss for words. In this volume are all the well-known phrases - blood, toil, tears and sweat - their finest hour and the iron curtain. *His Finest Hour A Biography of Winston Churchill Simon and Schuster* "An absorbing tale focused on the incredible survival of England through the desperate days of 1940-41 . . . flows much like a novel." —Publishers Weekly More than fifty years after his death, Winston Churchill is still one of the most iconic figures in British history, if not world history. As a young man he was a maverick journalist; his many positions in politics before 1940 marked him as a courageous but foolhardy man. Yet it is Churchill's record in war, which has recently been questioned, that confirms his genius as a military commander and national leader—someone who understood the dangers of Nazi Germany before 1939 and someone uniquely capable to lead the empire through the turmoil of the Second World War. Christopher Catherwood argues that it was Churchill's stand in 1940-41 that saved Britain and that only he was able to bring together the

allies that eventually defeated Hitler in 1945. In *His Finest Hour*, Catherwood has produced a challenging yet lively reassessment. From “a master at explaining complex historical issues in an admirably clear way,” this is a “fascinating account of Churchill’s career . . . a very human portrait” (Alexander McCall Smith). “Covers his heroic exploits in India, the Sudan, the Boer War, and WWI, and intersperses them with his roller coaster political life.” —Publishers Weekly *God & Churchill How the Great Leader's Sense of Divine Destiny Changed His Troubled World and Offers Hope for Ours NavPress* When Winston Churchill was a boy of sixteen, he already had a vision for his purpose in life. “This country will be subjected somehow to a tremendous invasion . . . I shall be in command of the defences of London . . . it will fall to me to save the Capital, to save the Empire.” It was a most unlikely prediction. Perceived as a failure for much of his life, Churchill was the last person anyone would have expected to rise to national prominence as prime minister and influence the fate of the world during World War II. But Churchill persevered, on a mission to achieve his purpose. *God and Churchill* tells the remarkable story of how one man, armed with belief in his divine destiny, embarked on a course to save Christian civilization when Adolf Hitler and the forces of evil stood opposed. It traces the personal, political, and spiritual path of one of history’s greatest leaders and offers hope for our own violent and troubled times. More than a spiritual biography, *God and Churchill* is also a deeply personal quest. Written by Jonathan Sandys (Churchill’s great-grandson) and former White House staffer Wallace Henley, *God and Churchill* explores Sandys’ intense search to discover his great-grandfather—and how it changed his own destiny forever. *Never Surrender A Novel of Winston Churchill Sourcebooks, Inc.* From Michael Dobbs, author of the book that inspired the smash hit Netflix series *House of Cards*, *Never Surrender* finds newly-elected Prime Minister Winston Churchill in a personal confrontation with Adolf Hitler. The battle begins on Friday, May 10, 1940, when Hitler launches a devastating attack that within days will overrun France, Holland and Belgium and bring Britain to its knees at Dunkirk. *Never Surrender* examines Churchill's courage and defiance and his ability to lead a nation during three of the most crucial weeks in its history. Without the physical forces necessary to stave off German attack, Churchill uses the force of words to stand in Hitler's way, to show that no accords will be made. Dobbs is at his best in *Never Surrender*, a novel about the remarkable courage and defiance needed to save a nation at risk. Praise for Michael Dobbs, bestselling author of *House of Cards*, the book that inspired the Netflix series starring Kevin Spacey: “Dobbs is an author who can bring historical happenings to life.” —The Times “Dobbs has done a brilliant job in evoking the drama and despair of Britain hovering on the edge of the abyss.” —Sunday Express *The Character and Greatness of Winston Churchill Hero in a Time of Crisis Cumberland House Publishing* Winston Churchill was one of the most extraordinary leaders of the twentieth century. What enabled him to stand so steadfastly when all those around him seemed to turn back in

fear? What enabled him to inspire whole nations to endure the unendurable and to achieve the unachievable when all those around him had already surrendered all hope? *The Character and Greatness of Winston Churchill* is a remarkable study of Churchill's leadership skill and answers these questions and more. The result is an account that is no less inspiring today than it was three-quarters of a century ago when the great man's shadow fell large across the world stage. According to Henry Kissinger, "Our age finds it difficult to come to grips with Churchill. The political leaders with whom we are familiar generally aspire to be superstars rather than heroes. The distinction is crucial. Superstars strive for approbation; heroes walk alone. Superstars crave consensus; heroes define themselves by the ... future they see it as their task to bring about. Superstars seek success as a technique for eliciting support; heroes pursue success as the outgrowth of their inner values." Winston Churchill was a hero. *Churchill's Hour A Novel of Defiance* *Sourcebooks, Inc.* From Michael Dobbs, author of the book that inspired the smash hit Netflix series *House of Cards*, *Churchill's Hour* is a stunning novel that brings Prime Minister Winston Churchill to life during the midst of WWII. It is 1941, a year of desperation for England as it is battered by the war. Churchill has only one hope, that the U.S. will come to his country's aid, but Roosevelt is unwilling to do so because America is wedded to isolationism. The political difficulties Churchill faces are compounded by a very personal dilemma. Pamela, the wife of his dissolute son, Randolph, has fallen in love with FDR's special envoy to England, Averill Harriman. With England threatened by a German invasion and a desperate Russia devastated by the advancing Nazi onslaught, Churchill must convince America that his cause is theirs. The secret of how he does so is so damning he will take the knowledge to his grave. Following his acclaimed Churchill novels *Never Surrender* and *Churchill's Triumph*, Dobbs' powerful reimagining makes England's feisty prime minister jump off the page. Includes bonus reading group guide. Praise for Michael Dobbs, bestselling author of *House of Cards*, the book that inspired the Netflix series starring Kevin Spacey: "Churchill as nature intended: Dobbs captures his famous subject with artistry. With every stroke of his brush, he etches the character deeper into the memory. It is beautifully done."—*Sunday Telegraph* "Riveting and controversial... Dobbs has the gift of taking you inside his subject's head."—*Glasgow Evening Times* "Michael Dobbs has always had an uncanny feel for current affairs... This is a typically masterful page-turner."—*Hampstead and Highgate Express* "Intriguing political drama from a master of the genre."—*Irish Independent* "An insightful look back in time - Four Stars."—*Sunday Express* "Michael Dobbs weaves history and imagination into a gripping read. His two previous Churchill novels were bestsellers. This one will join them."—*CHOICE* magazine "The voice of Churchill rings true... As an insightful, thought-provoking portrait of one man's personal courage and unshakeable conviction, it succeeds magnificently."—*Yorkshire Post* "Dobbs lifts the lid on the greatest Briton, exposing his strengths, weaknesses,

foibles - right down to his table manners - in a way that makes the read utterly compelling... By any standards, this is a remarkable book."—Aberdeen Press and Journal "Entertaining and insightful, it shows how the leader's loyalty towards the cause affected his personal life, and threatened to rip apart his family."—Northern Echo

**Wealth, War and Wisdom** *John Wiley & Sons* An intriguing look at how past market wisdom can help you survive and thrive during uncertain times

**In Wealth, War & Wisdom**, legendary Wall Street investor Barton Biggs reveals how the turning points of World War II intersected with market performance, and shows how these lessons can help the twenty-first-century investor comprehend our own perilous times as well as choose the best strategies for the modern market economy. Through these pages, Biggs skillfully discusses the performance of equities in both victorious and defeated countries, examines how individuals preserved their wealth despite the ongoing battles, and explores whether or not public equities were able to increase in value and serve as a wealth preserver. Biggs also looks at how other assets, including real estate and gold, fared during this dynamic and devastating period, and offers valuable insights on preserving one's wealth for future generations. With clear, concise prose, Biggs Reveals how the investment insights of truly trying times can be profitably applied to modern day investment endeavors

**Follows the performance of global markets against the backdrop of World War II Offers many relevant lessons-about life, politics, financial markets, wealth, and survival-that can help you thrive in the face of adversity**

**Wealth, War & Wisdom** contains essential insights that will help you navigate modern financial markets during the uncertain times that will increasingly define this new century.

**Little Book of Churchill: In His Own Words** *Little Book Of* The best of Churchill's words in a pocket-sized volume.

**NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** The New York Times Book Review \* Time \* Vogue \* NPR \* The Washington Post \* Chicago Tribune \* The Globe & Mail \* Fortune \* Bloomberg \* New York Post \* The New York Public Library \* Kirkus Reviews \* LibraryReads \* PopMatters

On Winston Churchill's first day as prime minister, Adolf Hitler invaded Holland and Belgium. Poland and Czechoslovakia had already fallen, and the Dunkirk evacuation was just two weeks away. For the next twelve months, Hitler would wage a relentless bombing campaign, killing 45,000 Britons. It was up to Churchill to hold his country together and persuade President Franklin Roosevelt that Britain was a worthy ally--and willing to fight to the end. In *The Splendid and the Vile*, Erik Larson shows, in cinematic detail, how Churchill

taught the British people "the art of being fearless." It is a story of political brinkmanship, but it's also an intimate domestic drama, set against the backdrop of Churchill's prime-ministerial country home, Chequers; his wartime retreat, Ditchley, where he and his entourage go when the moon is brightest and the bombing threat is highest; and of course 10 Downing Street in London. Drawing on diaries, original archival documents, and once-secret intelligence reports--some released only recently--Larson provides a new lens on London's darkest year through the day-to-day experience of Churchill and his family: his wife, Clementine; their youngest daughter, Mary, who chafes against her parents' wartime protectiveness; their son, Randolph, and his beautiful, unhappy wife, Pamela; Pamela's illicit lover, a dashing American emissary; and the advisers in Churchill's "Secret Circle," to whom he turns in the hardest moments. *The Splendid and the Vile* takes readers out of today's political dysfunction and back to a time of true leadership, when, in the face of unrelenting horror, Churchill's eloquence, courage, and perseverance bound a country, and a family, together. **Winston S. Churchill: Finest Hour, 1939-1941** *Rosetta Books* The sixth volume in the official biography: "A milestone, a monument, a magisterial achievement" (Andrew Roberts, author of *The Storm of War*). Starting with the outbreak of war in September 1939 and ending with the Japanese attack on Pearl Harbor in December 1941, this volume in the epic biography of Winston S. Churchill draws on remarkably diverse material: from the War Cabinet and other government records to Churchill's own archive and diaries and letters of his private secretariat to the recollections of those who worked most closely with him. On the day Hitler invaded Poland, Churchill, aged sixty-four, had been out of office for ten years. Two days later, he became First Lord of the Admiralty, in charge of British naval policy and at the center of war direction. In May 1940 he became prime minister, leading his nation during a time of grave danger and setbacks. His first year and a half as prime minister included the Dunkirk evacuation, the fall of France, the Battle of Britain, the Blitz, the Battle of the Atlantic, the struggle in the Western Desert, and Hitler's invasion of Russia. By the end of 1940, Britain under Churchill's leadership had survived the onslaught and was making plans to continue the war against an enemy of unlimited ambition and ferocious will. One of Churchill's inner circle said: "We who worked with Churchill every day of the war still saw at most a quarter of his daily tasks and worries." Martin Gilbert has pieced together the whole, setting in context much hitherto scattered and secret evidence, in order to give an intimate and fascinating account of the architect of Britain's "finest hour." "The most scholarly study of Churchill in war and peace ever written." —Herbert Mitgang, *The New York Times* **My Early Life A Roving Commission** *Leo Cooper Books* This memoir was first published in 1930 and describes the author's school days, his time in the Army, his experiences as a war correspondent and his first years as a member of Parliament. **Never Give Up! Relentless Determination to Overcome Life's Challenges** *FaithWords* Drawing on her own experiences

of trauma and difficulties, renowned Bible teacher and bestselling author Joyce Meyer shares her expertise on how to grow and live a happy and joyous life. Joyce Meyer is probably better equipped than anyone when it comes to never giving up. She overcame an abused childhood, a bad marriage and extremely limited opportunities to become one of the most popular author/speakers in the world. JoyceMeyerMinistries was the first ministry in America to be headed by a woman, and it's one of the largest in the world. If anyone knows how to hold on to a dream and realize it, it's her. Packed with examples of people who pursued their goals relentlessly, the book profiles nearly fifty individuals who prevailed against all odds. From the builder of the Brooklyn Bridge to the chemists who invented Post-It notes we meet people like Bessie Coleman, an African-American who had to go to flight school in Paris in order to learn how to fly. But she did, becoming the first woman in America to earn her pilot's license in 1920. Download the free Joyce Meyer author app. Churchill and Orwell *The Fight for Freedom Penguin* A New York Times bestseller! A New York Times Book Review Notable Book of 2017 A dual biography of Winston Churchill and George Orwell, who preserved democracy from the threats of authoritarianism, from the left and right alike. Both George Orwell and Winston Churchill came close to death in the mid-1930's—Orwell shot in the neck in a trench line in the Spanish Civil War, and Churchill struck by a car in New York City. If they'd died then, history would scarcely remember them. At the time, Churchill was a politician on the outs, his loyalty to his class and party suspect. Orwell was a mildly successful novelist, to put it generously. No one would have predicted that by the end of the 20th century they would be considered two of the most important people in British history for having the vision and courage to campaign tirelessly, in words and in deeds, against the totalitarian threat from both the left and the right. In a crucial moment, they responded first by seeking the facts of the matter, seeing through the lies and obfuscations, and then they acted on their beliefs. Together, to an extent not sufficiently appreciated, they kept the West's compass set toward freedom as its due north. It's not easy to recall now how lonely a position both men once occupied. By the late 1930's, democracy was discredited in many circles, and authoritarian rulers were everywhere in the ascent. There were some who decried the scourge of communism, but saw in Hitler and Mussolini "men we could do business with," if not in fact saviors. And there were others who saw the Nazi and fascist threat as malign, but tended to view communism as the path to salvation. Churchill and Orwell, on the other hand, had the foresight to see clearly that the issue was human freedom—that whatever its coloration, a government that denied its people basic freedoms was a totalitarian menace and had to be resisted. In the end, Churchill and Orwell proved their age's necessary men. The glorious climax of Churchill and Orwell is the work they both did in the decade of the 1940's to triumph over freedom's enemies. And though Churchill played the larger role in the defeat of Hitler and the Axis, Orwell's reckoning with the menace of

authoritarian rule in *Animal Farm* and 1984 would define the stakes of the Cold War for its 50-year course, and continues to give inspiration to fighters for freedom to this day. Taken together, in Thomas E. Ricks's masterful hands, their lives are a beautiful testament to the power of moral conviction, and to the courage it can take to stay true to it, through thick and thin. Churchill and Orwell is a perfect gift for the holidays!

**Winston Churchill Never Give In, Never Give In, Never, Never, Never, Never - in Nothing, Great Or Small, Large Or Pretty - Never Give in Except to Convictions of Honor and Good Sense** ▶▶ □ "Share it with your friends" Winston Churchill : Classic Notebook, "Never give in, never give in, never, never, never, never - in nothing, great or small, large or pretty - never give in except to convictions of honor and good sense." . || Back || 6 x 9 inch || 108 pages thick Churchill Warrior How a Military Life Guided Winston's Finest Hours *Casemate* A "truly exceptional" account of how Churchill's experiences in the armed forces helped him lead Britain to victory in World War II (Booklist). No defense minister in modern times has faced the challenges that Winston Churchill did during the Second World War. Fortunately, he had a unique and intimate inside knowledge of all three services, which allowed him to assess their real needs—a crucial task when money, material resources, and, especially, manpower were reaching their limits. Churchill Warrior looks at how Churchill gained his unique insight into war strategy and administration through his experiences after joining the army in 1896, and the effect this had on his thinking and leadership. Each period—before, during, and after the First World War, and in the Second World War—is divided into four parts: land, sea, and air warfare and combined operations. The conclusion deals with the effect of these experiences on his wartime leadership. From a Sunday Times–bestselling author, this is a grand narrative that begins with the Marlborough toy soldiers and the army class at Eton, then leads us through those early military and journalistic experiences, the fascinating trials and lessons of the First World War, and the criticism and tenacity culminating in the ultimate triumph of the Second. It explores how some of Churchill's earliest innovations were to bear fruit decades later and how his uncompromising, uniquely informed hands-on approach, and his absolute belief in combined forces in Normandy, led to a systemic victory against the odds. Their Finest Hour *Houghton Mifflin Harcourt* The former British prime minister describes his first year in office in 1940 and the problems he faced with World War II Honor in the Modern World *Interdisciplinary Perspectives Rowman & Littlefield* This book brings together some of the foremost researchers of honor to debate honor's meaning and its compatibility with liberalism, democracy, and modernity. Contributors examine honor past to present, from masculine and feminine perspectives, and in North American, European, and African contexts. Churchill Walking with Destiny *Penguin* NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 "Unarguably the best single-volume

biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain's savior." —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of *Napoleon* and *The Last King of America*. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In *Churchill*, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction. *Blood, Toil, Tears and Sweat* Winston Churchill's Famous Speeches *Weidenfeld & Nicolson* Winston Churchill was one of the most eloquent and expressive statesmen of his time, pouring forth words in polished speeches that aimed to inspire, exhort, persuade, bully and cajole. This selection of Churchill's oratory demonstrates the development of Churchill's style from the laboriously crafted utterings of the young MP, to the moment when, as Prime Minister in 1940, he mobilized the English language and sent it into battle. Unsuccessful speeches characteristic of earlier stages of his career and personality are also included. *The Mackay MBA of Selling in the Real World* *Penguin* Harvey Mackay is a legend--and now he's back with the sum total of decades of sales know-how, teaching go-getters how to make the sale and hit the numbers, day in and day out. His advice is rooted in road-tested, real-world experiences and include new tips on the Web, LinkedIn and Facebook. As a lifelong student of the sales game, Mackay has spent decades collecting secrets, wisdom, and anecdotes. He features his Mackay Morals--life lessons such as: • Big shots are just little shots who kept shooting. • Helping someone up won't pull you down--and could very easily pull them to your side. • Be like the turtle: If he didn't stick his neck out, he wouldn't get anywhere at all. There is no one better to show you how to be a high-

energy, determined, creative sales dynamo than Harvey Mackay. **Franklin and Winston An Intimate Portrait of an Epic Friendship** *Random House Trade Paperbacks* **NEW YORK TIMES BESTSELLER** The most complete portrait ever drawn of the complex emotional connection between two of history's towering leaders Franklin Roosevelt and Winston Churchill were the greatest leaders of "the Greatest Generation." In *Franklin and Winston*, Jon Meacham explores the fascinating relationship between the two men who piloted the free world to victory in World War II. It was a crucial friendship, and a unique one—a president and a prime minister spending enormous amounts of time together (113 days during the war) and exchanging nearly two thousand messages. Amid cocktails, cigarettes, and cigars, they met, often secretly, in places as far-flung as Washington, Hyde Park, Casablanca, and Teheran, talking to each other of war, politics, the burden of command, their health, their wives, and their children. Born in the nineteenth century and molders of the twentieth and twenty-first, Roosevelt and Churchill had much in common. Sons of the elite, students of history, politicians of the first rank, they savored power. In their own time both men were underestimated, dismissed as arrogant, and faced skeptics and haters in their own nations—yet both magnificently rose to the central challenges of the twentieth century. Theirs was a kind of love story, with an emotional Churchill courting an elusive Roosevelt. The British prime minister, who rallied his nation in its darkest hour, standing alone against Adolf Hitler, was always somewhat insecure about his place in FDR's affections—which was the way Roosevelt wanted it. A man of secrets, FDR liked to keep people off balance, including his wife, Eleanor, his White House aides—and Winston Churchill. Confronting tyranny and terror, Roosevelt and Churchill built a victorious alliance amid cataclysmic events and occasionally conflicting interests. *Franklin and Winston* is also the story of their marriages and their families, two clans caught up in the most sweeping global conflict in history. Meacham's new sources—including unpublished letters of FDR's great secret love, Lucy Mercer Rutherford, the papers of Pamela Churchill Harriman, and interviews with the few surviving people who were in FDR and Churchill's joint company—shed fresh light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle. Hitler brought them together; later in the war, they drifted apart, but even in the autumn of their alliance, the pull of affection was always there. Charting the personal drama behind the discussions of strategy and statecraft, Meacham has written the definitive account of the most remarkable friendship of the modern age. **Churchill's Shadow: The Life and Afterlife of Winston Churchill** *W. W. Norton & Company* **A New York Times Notable Book of the Year** A major reassessment of Winston Churchill that examines his lasting influence in politics and culture. Churchill is generally considered one of the greatest leaders of the twentieth century, if not the greatest of all, revered for his opposition to appeasement, his defiance in the face of German bombing of England, his political prowess, his deft aphorisms, and

his memorable speeches. He became the savior of his country, as prime minister during the most perilous period in British history, World War II, and is now perhaps even more beloved in America than in England. And yet Churchill was also very often in the wrong: he brazenly contradicted his own previous political stances, was a disastrous military strategist, and inspired dislike and distrust through much of his life. Before 1939 he doubted the efficacy of tank and submarine warfare, opposed the bombing of cities only to reverse his position, shamelessly exploited the researchers and ghostwriters who wrote much of the journalism and the books published so lucratively under his name, and had an inordinate fondness for alcohol that once found him drinking whisky before breakfast. When he was appointed to the cabinet for the first time in 1908, a perceptive journalist called him "the most interesting problem of personal speculation in English politics." More than a hundred years later, he remains a source of adulation, as well as misunderstanding. This revelatory new book takes on Churchill in his entirety, separating the man from the myth that he so carefully cultivated, and scrutinizing his legacy on both sides of the Atlantic. In effervescent prose, shot through with sly wit, Geoffrey Wheatcroft illuminates key moments and controversies in Churchill's career—from the tragedy of Gallipoli, to his shocking imperialist and racist attitudes, dealings with Ireland, support for Zionism, and complicated engagement with European integration. Charting the evolution and appropriation of Churchill's reputation through to the present day, Churchill's Shadow colorfully renders the nuance and complexity of this giant of modern politics. *Secrets of the Blessed Quiet Meditations for Troubled Souls WestBow Press* No one ever promised life had to be fair, but does it have to hurt so much? Is there any hope that this pain will ever end? Wherever Jesus went, he was surrounded by a multitude of hurting peoplefolks that needed someone to care about and for them. He saw them as harassed, scattered sheep in desperate need of a shepherd. To each of us, he has brought hope for deliverance, healing from our sorrows, and forgiveness for our sins. Whether we investigate the heartbeat of the Psalmists, the trials of the patriarchs, or the pains of the apostles, we find people who faced the abuse life arbitrarily hurls our way. These saints found healing through their relationship with their God. They wrote fearlessly of their experiences so we might learn from them. *Secrets of the Blessed* takes us on a journey of faith through our pain. There is truly hope for a blessed, happy life when we learn to believe God even when he seems unfair to us. There really are no secrets, but there are nuggets of wisdom we can mine from Gods Word. *Winston's War A Novel of Conspiracy Sourcebooks, Inc.* From Michael Dobbs, author of the book that inspired the smash hit Netflix series *House of Cards*, comes *Winston's War*, a thrilling novel about the dawn of WWII and Winston Churchill's rise to power. At the beginning of WWII, Neville Chamberlain believes he has bought "peace for our time" from Adolph Hitler, who has just seized Czechoslovakia's Sudetenland. The English are alarmed by the huge German army, while the

soldiers that would defend London don't even have steel helmets. For many, compromise and appeasement seem to be England's best defense. But there are a few leaders who don't agree. Among them is Winston Churchill, who understands that the relentless march of fascism will be democracy's death knell. In October 1938, Churchill pleads his case in the press to the BBC's Guy Burgess. One of these two will become the most revered man of his time, and the other will be known as the greatest of traitors. This stunning novel brings to life the surprising political intrigues that set the stage for World War II, and brings alive the passionate, grumpy, whiskey-drinking Winston Churchill, as he inspires his fellow countrymen to take on the world's mightiest army. Includes bonus reading group guide Praise for Michael Dobbs, bestselling author of *House of Cards*, the book that inspired the Netflix series starring Kevin Spacey: "An intriguing tale of espionage and treason... this is a work to enthrall."—Daily Mail "An author who can bring historical happenings so vitally back to life and made all the more impressive by being historically accurate in every respect."—Times of London "A fascinating tale of conspiracy, blackmail, and treachery."—Irish Independent "Dobbs takes us so far inside the mind of Winston Churchill that we feel as though we actually are him."—Booklist "Dobbs infuses dramatic tension, inventive plots, and heady pacing in the narration of a British icon's noblest hours."—Publishers Weekly "Dobbs has done a brilliant job in evoking the drama and despair of Britain hovering on the edge of the abyss."—Sunday Express

**Winston Churchill's Speeches Never Give In!** Winston Churchill 'mobilized the English language and sent it into battle'. President John F. Kennedy conferring Honorary US Citizenship, April 1963 Winston Churchill was the most eloquent and expressive statesman of his age. When Britain stood alone and all but defenceless, with his resolute and pugnacious tone and puckish sense of humour he inspired his fellow-countrymen to resist, to fight and to conquer. While the definitive collection of Churchill's speeches fills eight volumes, here, his grandson, Winston S. Churchill, has put together a personal selection of his favourite speeches in a single volume. He has chosen from his grandfather's entire output covering the whole of Churchill's life, from his maiden speech to his last days. It includes Churchill's best-known speeches as well as some that have never been published in popular form. *Speak Like Churchill, Stand Like Lincoln* 21 Powerful Secrets of History's Greatest Speakers *Crown* Turn any presentation into a landmark occasion "I love this book. I've followed Humes's lessons for years, and he combines them all into one compact, hard-hitting resource. Get this book on your desk now."—Chris Matthews, *Hardball* Ever wish you could captivate your boardroom with the opening line of your presentation, like Winston Churchill in his most memorable speeches? Or want to command attention by looming larger than life before your audience, much like Abraham Lincoln when, standing erect and wearing a top hat, he towered over seven feet? Now, you can master presentation skills, wow your audience, and shoot up the corporate ladder

by unlocking the secrets of history's greatest speakers. Author, historian, and world-renowned speaker James C. Humes—who wrote speeches for five American presidents—shows you how great leaders through the ages used simple yet incredibly effective tricks to speak, persuade, and win throngs of fans and followers. Inside, you'll discover how Napoleon Bonaparte mastered the use of the pregnant pause to grab attention, how Lady Margaret Thatcher punctuated her most serious speeches with the use of subtle props, how Ronald Reagan could win even the most hostile crowd with carefully timed wit, and much, much more. Whether you're addressing a small nation or a large staff meeting, you'll want to master the tips and tricks in *Speak Like Churchill, Stand Like Lincoln. Their Finest Hour* The Churchill Myths *Oxford University Press* This is not a book about Winston Churchill. It is not principally about his politics, nor his rhetorical imagination, nor even about the man himself. Instead, it addresses the varied afterlives of the man and the persistent, deeply located compulsion to bring him back from the dead, capturing and explaining the significance of the various Churchill myths to Britain's history and current politics. The authors look at Churchill's portrayal in social memory. They demonstrate the ways in which politicians have often used the idea of Churchill as a means of self-validation - using him to show themselves as tough and honest players. They show the man dramatized in film and television - an onscreen persona that is often the product of a gratuitous mixing of fact and fantasy, one deliberately shaped to meet the preferences of the presumed audience. They discuss his legacy in light of the Brexit debate - showing how public figures on both sides of the Leave/Remain debate were able to use elements of Churchill's words and character to argue for their own point-of-view. *Warrior Politics Why Leadership Demands a Pagan Ethos* *Random House* "The side that knows when to fight and when not will take the victory. There are roadways not to be traveled, armies not to be attacked, walled cities not to be assaulted." —Sun-Tzu We live in dangerous times, when a new kind of leadership is required. Visionary and ruthlessly strategic, *Warrior Politics* extracts the best of the wisdom of the ages for modern leaders who are faced with the complex life-and-death challenges of today's world—and determined to win. Sun-Tzu urges leaders to "plan and calculate like a hungry man." Machiavelli defines a policy not by its excellence but by its outcome. Churchill derives his greatness from his imagination of history. Livy shows that the vigor to face down adversaries must ultimately come from pride in our own past achievements. "Never mind if they call your caution timidity, your wisdom sloth, your generosity weakness," he writes. "It is better that a wise enemy should fear you than that foolish friends should praise." "Men often oppose a thing merely because they have no agency in planning it," Alexander Hamilton says, "or because it may have been planned by those whom they dislike." Replete with maxims, warnings, examples from history, and shrewd recommendations, *Warrior Politics* wrests from the past the lessons we need to arm ourselves for the present. It offers an

**invaluable template for any decision-maker—in foreign policy or in business—faced with high stakes and inadequate knowledge of a mine-filled terrain. As we gear ourselves up for a new kind of war, no book is more prescient, more shrewd, or more essential.**
