## No Prince Charming

Waterhouse Press "I was truly captivated with the relationship and how it grew in the best, and yet flawed way." ~White Hot Reads Once upon a time, a girl attended a big party at the palace, met a prince, and they fell in love... My name is Claire Montgomery, and I'm no princess. I'm a fighter. I've worked hard to earn my place with one of the largest public relations companies in the country, and I'm on the verge of one of the most important victories of my career. We've been called to Stone Global Corporation to clean up the family's filthiest laundry, and I'm on my game. I'm ready. But am I ready for Killian Stone? They say it's never too late to live happily ever after... I'm Killian Stone. They call me the Enigma of the Magnificent Mile. Elite tycoons want into my bank account, and their wives and daughters want into my pants. They'll do anything for a piece of the enigma—until a crack in our castle is too large to ignore. I'm thrilled. This scandalous fissure distracts everyone's attention from the bigger secret I'm hiding. But when Claire Montgomery walks through my door, I'm captivated. For the first time in my life, I long to shed the enigma. To share...my secret.

## No Longer Lost

Waterhouse Press "A strong installment to a delightfully steamy series." ~Library Journal Lost... Lovesick has never been in my vocabulary, but now that Maclain Stone has entered my world, I'm practically dying of heartache. And there's nobody to blame but myself. But his brushoff has made me never want to see his sexy, smug face again. When a stalker forces me from my home and lands me on Mac's front door—and into the warmth of his bed—I can't avoid the truth any longer. I'm in love with him. I need him. I'm lost without him... Found... What the hell was I thinking, falling in love with a stubborn spitfire like Taylor Mathews? For the first time in my life, a woman is driving me insane with need. If I can win her back, I vow to never let her out of my sight again. Though it takes the threat of a maniac to drive her into my arms, I'm not letting opportunity pass me by, and everyone needs to learn this woman is mine—especially the woman herself. Without each other, we're nothing. But together... We're no longer lost.

## No More Masquerade

Waterhouse Press LLC Behind every good man...is the love of an even better woman. Those were just pretty words before I met Claire Montgomery. Before my fairy queen burst into my life, I wasn't able to recognize the bastard in my morning mirror. But her love has given me the strength to face the imposter—even embrace him. With Claire by my side, I'm the king I always wanted to be, the Killian Stone I always dreamed of becoming. Which means, for once, I want the mask guarding my secret to stay right where it is. If you want the grown-up fairy tale...learn to love the dark side. Profound sentiment. I wish I could get on board with it, but the prince in pinstripes has other ideas. Life has been a dream since Killian burst into the ball offering the perfect fit—his heart and mine. But the treasures he bestows have become his armor, hiding the man I yearn to know. I refuse to open his little velvet box until he opens himself, letting me see every last dark hallway of his soul.

Last winter, I learned a secret that Andrea Asher has hidden from me since my birth-by another woman. And my real father? Josiah Stone, one of the world's richest men. Dream come true, right? There's a lot of baggage attached to that answer. And now, Michael Pearson wants to help me open it. Michael. My six-foot-three, golden god of a dilemma. He's patient, indulgent-and don't get me started on his passion-but he wants too much. He wants all the secrets. What would he say if he knew my birthright was only the start of my life's mess? What would he do if he learns ... I'm no perfect princess? Someday, my princess will come ... The apple never falls far from the tree? Depends on who you ask. I'm Michael Pearson. Son of an apple farmer. First family member to graduate college, move to the big city, and work for one of the

most prestigious PR firms in the country. I'm the success, the star- And the sap who's fallen for the boss's daughter. So technically, Margaux isn't Andrea's daughter anymore. Her facade thickens every day, making me more determined to learn what magic kiss will set her free, so she can finally see the truth ... I don't want her to be perfect. I just want her to be mine.

## Circe

Little, Brown "A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, Buzzfeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.
