Against the Stream

A Buddhist Manual for Spiritual Revolutionaries

Harper Collins Buddha was a revolutionary. His practice was subversive; his message, seditious. His enlightened point of view went against the norms of his day—in his words, "against the stream." His teachings changed the world, and now they can change you too. Presenting the basics of Buddhism with personal anecdotes, exercises, and guided meditations, bestselling author Noah Levine guides the reader along a spiritual path that has led to freedom from suffering and has saved lives for 2,500 years. Levine should know. Buddhist meditation saved him from a life of addiction and crime. He went on to counsel and teach countless others the Buddhist way to freedom, and here he shares those life-changing lessons with you. Read and awaken to a new and better life.

The Crushing Depths (Coastal Guardians Book #2)

Baker Books When an accident claims the life of an oil-rig worker on the first drilling platform off the North Carolina coast, Coast Guard investigators Rissi Dawson and Mason Rogers are sent to take the case. Tensions surrounding the oil rig are high and the death has everyone on edge. Environmental activists are threatening to do whatever it takes to stop the structure from being completed, while rumors are

being whispered about ancient curses surrounding this part of the ocean. Mounting evidence shows the death may not have been an accident at all. Was he killed by one of the activists or, perhaps more frighteningly, a member of his own crew? Rissi and Mason have to sort through not only a plethora of suspects, but also their own past and attraction to each other. Just as the case seems like it'll break open, worse news arrives. A tropical storm has turned their way and soon they're cut off from any rescue--and right where the killer wants them. It's a race to discover his identity before he eliminates the threat they pose.

Flying Safety

The Noah Equation

Lulu Press, Inc During World War II rumors surfaced of a strange aircraft that crashed in the Black forest in Germany. The bizarre bell-shaped object was unlike anything the German scientist had ever seen. In a letter sent directly to Adolf Hitler the unusual vehicle was described as being "not of this world." During the chaos at the end of the war the technology was lost. Lying hidden for over 70 years its location is being revealed to billionaire industrialist Marcus Blackwell by of all people an old preacher. Silas McComb is coming out of retirement for one last task before the Lord takes him home. He will hand over not only the location of the alien technology but one of the most dangerous items on this earth since the Ark of the Covenant. Marcus will have to call on his staff; a young pilot that has no idea what he's getting into and a former assassin that's never relied on anyone but herself. For humanity's sake they have to put God's plan into action even if it is the last thing they do.

RED

The Ultimate Guide to Using the Revolutionary Camera

Peachpit Press With the release of the RED ONE™ digital cinema camera, the possibility of recording stunning, cinematic-quality images with an affordable camera became a reality. Now that the industry has embraced the nascent technology and added new tools and workflows, filmmakers—from independents on up—are leading the charge on establishing new rules. Here to guide newcomers and RED veterans alike, popular trainer and filmmaker Noah Kadner picks up where the manual leaves off. You've got the basic operations down and now you'll learn how to use the camera in a production environment and discover the various options in post. Using a clear, objective approach, he offers best-practice advice on utilizing RED's

proprietary tools, explains the workflows for Final Cut Studio, Avid, and Premiere Pro, and gives workaround solutions where needed. Well-known filmmakers and industry leaders share their own bleeding-edge production methodologies throughout, offering a rare view into this exciting new world of filmmaking. Here are just a few things you'll learn to do: •Build a RED package that fits your budget •Set up for sound recording and learn which audio tools to use •Achieve the optimal exposure using RED's onboard tools and external gear •Edit your footage with step-by-step instructions for Avid, Final Cut Pro, and Premiere Pro •Work color correction into your HD, film, or Web projects •Prep your project for output and archive your footage •Learn from pros such as Rodney Charters, ASC (DP, 24), Simon Duggan, ACS (DP, Knowing), Albert Hughes (Director, The Book of Eli), and many others using RED •Stay up-to-date and download additional resources at the companion Web site at www.peachpit.com/red "If you want to dive in and starting using the RED, look no further. This book is the next best thing to having a top-notch production crew with RED experts working by your side." —Arthur Albert, Director of Photography, ER "An essential guide loaded with knowledge, I recommend it as the first purchase for any filmmaker who is thinking about owning or currently owns the RED." —Rodney Charters, ASC, Director of Photography, 24 "If you're planning to shoot with the RED camera, this is the book to get!" —Rob Cohen, Director, The Fast and the Furious "Noah Kadner takes the best practices of using the RED camera and shares them with the rest of us in this indispensable guide." —Simon Duggan, ACS, Director of Photography, Live Free or Die Hard, Knowing "Written in an easy-to-follow style, yet thorough in covering everything from production to postproduction to making money from your investment, this is a book that should be on every filmmaker's desk and in their kit bag." —Norman Hollyn, Film Editor, Instructor, and author of The Lean Forward Moment "If you want to see how the pros are using the RED camera, you need this book." —Nancy Schreiber, ASC, Cinematographer, Every Day

Something to Talk About

MJ Fredrick When you're trying to stay below the radar in a small town that thrives on gossip, you probably don't want to break up with your football coach boyfriend and fall in love with your best friend's widower within the same month. And heaven help you if you befriend the psychic who's just moved nearby and your AWOL mother returns after a fourteen-year absence. Ellie Morgan is tired of playing second string to the football team coached by her boyfriend of three years. She ends their relationship, much to the dismay of the town's citizens, who worry a heartbroken coach will ruin their chance for a championship team. Rumors of a romance with Noah Weston, her best friend's widower, buzz when an accident on the beach causes him to bring her to the local clinic in his arms. The rumors disturb her, but also make her think about Noah in a way she hasn't before. Even comments that she's trying to slide into the void left by her best friend's death can't kill her fantasies, now as rampant as the rumor mill. Noah Weston is emerging from his grief a year and a half after his wife's death. Ellie Morgan draws him with her energy and positive attitude. As their friendship progresses, though, he wonders if he can risk loving and losing everything again, and she wonders if she can handle taking second place, this time

to a ghost.

The Happily Ever After Bundle

MJ Fredrick A collection of three full-length contemporary romance novels *Where There's Smoke* Lauren Stokes put a lid on her attraction toward her best friend Seth Escamilla years ago. She'd never be his type of woman, so why torture herself? When sexual awareness strikes during a friendly football game, she's stunned. He's guilty for injuring her and looks after her, but Lauren resorts to wisecracking to distance herself from him. Seth's confused by the new emotions swamping him. This is Lauren, his best friend, someone he has fun with, not someone he has fun with! He doesn't plan to settle down, and he won't risk their friendship when they have no future. They resist the new attraction, and the efforts of their families to push them together. When a wedding loosens their inhibitions, keeping the new aspect of their relationship a secret is harder than they would have thought. *Something to Talk About* When you're trying to stay below the radar in a small town that thrives on gossip, you probably don't want to break up with your football coach boyfriend and fall in love with your best friend's widower within the same month. And heaven help you if you befriend the psychic who's just moved nearby and your AWOL mother returns after a fourteen-year absence. *Ellie Morgan* is tired of playing second string to the football team coached by her boyfriend of three years. As their friendship progresses, though, he wonders if he can risk loving and losing everything again, and she wonders if she can handle taking second place, this time to a ghost. *What (Not) to Expect When You're Expecting* Bailey Summers is very good at taking care of herself. So good, in fact, that she shuts others out with very little effort. But when her brother and his partner want a child, she pushes out of her comfort zone and offers to be their surrogate. It's just nine months out of her life, right? Right. Because of course when she's struggling with morning sickness, she encounters the hottest man she's ever met. To make matters worse, he's the new bartender at her popular bar. Rick Cassidy comes with his own complications. He's a middle school teacher taking a summer job as a bartender to help out his brother's family. His brother is in a rehab hospital after colliding with a drunk driver, and Rick is trying to help them make ends meet. He's just out of a relationship himself, with a woman who couldn't handle him spending so much time caring for his brother. So what's he doing eyeballing his boss, the boss of a job he needs? But late nights, close quarters and second-trimester hormones overrule better judgement, and complications intertwine. This is definitely not what they were expecting.

F-86 Sabre Pilot's Flight Operating Manual

Lulu.com Built as both a fighter-interceptor and fighter-bomber, the F-86 Sabre (sometimes called the Sabrejet) was one of the most widely-produced fighters of the Cold War. In December of 1950, three squadrons of Sabres were rushed into combat in Korea, where they dueled North Korean, Chinese and Russian pilots flying the MiG-15. By the time the war was over, F-86 pilots achieved a stunning victory ratio - destroying nearly 800 enemy aircraft with a loss of only 76 Sabres. The nimble jet also saw combat in the Taiwan Strait Crisis and the Indo-Pakistan Wars of 1965 and 1971. Originally printed by North American and the U.S. Air Force, this F-86 Flight Operating Manual taught pilots everything they needed to know before entering the cockpit. Classified "Restricted," the manual was recently declassified and is here reprinted in book form. This facsimile has been reformatted and color images appear in black and white. Care has been taken to preserve the integrity of the text.

Dealing with Difficult Customers

How to Turn Demanding, Dissatisfied, and Disagreeable Clients Into Your Best Customers

Red Wheel/Weiser Ignore a valid complaint and you could be the next viral sensation for all the wrong reasons. But give in to every demand and you may be consumed with the often petty complaints of your worst customers and wind up pandering to them with freebies, discounts, and special attention. That will cost you time and money, and perhaps worse, do little or nothing to solve the root problem. Dealing with Difficult Customers will show you: How to stop using gimmicks and trick promotions to encourage repeat business and the alternatives that will keep your customers salivating for more. How "Hungry Hippos" and "Problem Children" are sapping your employees time and energy and what to do about them. The behaviors that turn great customers into dissatisfied critics and how to change them.

Living with No Excuses

The Remarkable Rebirth of an American Soldier

Center Street Military hero and beloved Dancing with the Stars alum Noah Galloway shares his life story, and how losing his arm and leg in combat forced him to relearn how to live--and live to the fullest. Inspirational, humorous, and thought provoking, Noah Galloway's LIVING WITH NO EXCUSES sheds light on his upbringing in rural Alabama, his military experience, and the battle he faced to overcome losing two limbs during Operation Iraqi Freedom. From reliving the early days of life to his acceptance of his "new normal" after losing his arm and leg in combat, Noah reveals his ambition to succeed against all odds. Noah's gripping story is a shining example that with laughter, and the right amount of perspective, you can tackle anything. Whether it be overcoming injury, conquering the Dancing with the Stars ballroom, or taking the next steps forward in life with his young family - Noah demonstrates how to live life to the fullest, with no excuses.

The History of Massage

An Illustrated Survey from around the World

Simon and Schuster The first comprehensive history of massage. • Written by Robert Noah Calvert, the founder of Massage Magazine. • Includes 200 black-and-white illustrations. • The definitive resource for all students and professionals in the fields of massage and bodywork. From the people of ancient Greece to the tribes of the Pacific Ocean, massage has been a significant element in medicine, midwifery, folk healing, and athletics. Yet the rich presence of healing touch is rarely manifest in the

telling of human history. Now, for the first time, Robert Noah Calvert offers a comprehensive history of massage that spans the globe. Starting with the healing art's ancient foundations, Calvert's History of Massage leads us through Greek temples and Middle Eastern bathhouses, Chinese martial arts traditions and Native American sweat lodges, to discover the significant role of touch therapy in the life of the world's people. With rich use of anecdote and illustrated text, the author details the cross-cultural healing and sensual applications of massage, the development of massage technologies, and the emerging trends of massage in the twenty-first century. The History of Massage is groundbreaking work that should not be missed by anyone interested in massage and its benefits for healing.

Evergreen

Cultivate the Enduring Customer Loyalty That Keeps Your Business Thriving

AMACOM Your company would not be where it's at today without your loyal customers. And yet how much time is spent toward improving and increasing value among your steady core versus the time--and money!--spent on obtaining new leads, getting through closed doors, and eventually realizing you've been beating a dead horse that is not going to win any races for you? Why do so many companies take valuable time and resources away from focusing on their heartbeat and go off on mad pursuits of hypotheticals that have already proven to have a remarkably low ROI? Evergreen exposes this nonsensical chase for what it is: a brief spike in metrics and an ongoing revenue drain, as one-time customers fail to return. It then proposes that the better solution is to shift resources from attracting new customers to engaging the base--every company's path to stable growth, season after season. The entertaining stories and action steps weaved throughout these pages reveal how anyone can:

- Cultivate the 3Cs of evergreen companies: character, community, and content
- Build loyalty programs that turn satisfied customers into enthusiastic advocates
- Nurture profitable customers while pruning those who sap time and money
- Inject authenticity into social media communications
- Invert the expectations gap that can drive customers away

No matter the business--whether it is a tech software giant or a mom-and-pop laundromat, customer retention is the key to sustaining success. Evergreen will help you turn satisfied customers into enthusiastic advocates and steady profits.

Spinward Fringe Broadcast 16

Randolph Lalonde As Jacob Valent leads the Merciless and the rest of his battlegroup across The Cluster to assess threats against the Fleet, Alice Valent starts making good on the promise she made to an alliance of rebel captains to steal at least one recently finished Order of Eden Advanced Destroyer right from the shipyard. All the while the leader of the Justicars, an elite battalion of Order of Eden Knights, searches for her. His primary mission is to capture her for Admiral Scanlon. The Order's grip on planet Rodus will either start to slip or tighten depending on whether or not Alice's ambitious plans work out. All could be lost if she fails to realize that she's being hunted before it's too late.
