**Not Another Bad Date Harper Collins** What does a gal have to do to get a good date in this town? Adele Harris can't even begin to answer that question. She's had so many lousy dates that she's sure she's cursed. Why else would every man she goes out with suddenly act like he's lost his mind—and his manners? Adele thought life couldn't get any more confusing . . . until she learns the marriage of her seemingly Miss Perfect sister is on the rocks. So she goes back to their hometown to give her a shoulder to cry on, only to run smack into Zach Zemaitis . . . the one who got away. Texans love God, family, and football, though not always in that order Zach, a former pro star, knows all about football. As for the other two, well, he's doing his best. But when Adele comes charging back into his life—still all lush curves and beautiful, big blue eyes—he wonders if his best is good enough. After all, he did her wrong. Can a woman with her track record ever really believe that he's serious this time . . . or is he destined to be another bad date? **I'm In No Mood For Love Harper Collins** What is Clare Wingate doing? One minute she's suffering in a pretty-in-pink gown she'll never wear again, and the next thing she knows it's morning . . . and she has the nastiest hangover of her life. To make matters worse, she's wearing nothing but a spritz of Escada and lying next to Sebastian Vaughan . . . her girlhood crush turned sexy, globe-hopping journalist. Somewhere between the toast and the toss of the bouquet she'd gotten herself into a whole lot of trouble. Clare had the right to go wild—after all, she'd been knocked off her dyed-to-match shoes after finding her own fiancé in a compromising position with the washing machine repairman. Clearly her society wedding is off. But Sebastian pushed all the wrong

buttons—and some of the right ones, too. Clare is in no mood for love—not even for lust—and wants to forget about Sebastian and his six-pack abs ASAP. But he isn't in the mood to go away, and his kiss is impossible to forget. Ugly Love A Novel Simon and Schuster From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Rules get shattered. Love gets ugly. The Plot A Novel Celadon Books \*\* NEW YORK TIMES BESTSELLER! \*\* The Tonight Show Summer Reads Winner \*\* A New York Times Notable Book of 2021 \*\* "Insanely readable." —Stephen King Hailed as "breathtakingly suspenseful," Jean Hanff Korelitz's The Plot is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he's teaching in a third-rate MFA program and struggling to maintain what's left of his self-respect; he hasn't written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn't need Jake's help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-respecting writer would do with a story like that—a story that absolutely needs to be told. In a few

short years, all of Evan Parker's predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief, it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the idea for his "sure thing" of a novel? What is the real story behind the plot, and who stole it from whom? With **One More Look at You WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN** When Forbes Branson was a young man ready for something new. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.
