One Tuesday Morning / Beyond Tuesday Morning Compilation Limited Edition Zondervan Based on the tragedy of the Twin Towers ... twopowerful novels of heroism, loss, and redemption by New York Times bestselling author Karen Kingsbury **ONE TUESDAY MORNING** The last thing Jake Bryan knew was the sound of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God. **BEYOND TUESDAY MORNING** Determined to find meaning in her grief three years after the terrorist attacks on New York City, FDNY widow Jamie Bryan pours her life into volunteer work at a small memorial chapel across from where the Twin Towers once stood. There, unsure and feeling somehow guilty, Jamie opens herself to the possibility of love again. But, in the face of a staggering revelation, only the persistence of a tenacious man, questions from Jamie's curious daughter, and words from her dead husband's journal can move Jamie beyond one Tuesday morning ... toward life. **One Tuesday Morning & Beyond Tuesday Morning Harper Collins** Jamie Bryan will do anything to help her beloved husband regain his memory in "One Tuesday Morning". In "Beyond Tuesday Morning" Jamie opens herself to the possibility of love. **Beyond Tuesday Morning Zondervan** The hope-filled sequel to the bestselling One Tuesday Morning. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. "Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl." **Remember Tuesday Morning Zondervan** A wall went up around Alex Brady's heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. He and his trusty K9 partner, Bo, are determined to eliminate evil in the world and prevent tragedies like 9-11. Then the worst fire season in California's history erupts, and Alex faces the ultimate challenge to protect the community he serves. An environmental terrorist group is targeting the plush Oak Canyon Estates. At the risk of losing his job, and his soul, Alex is determined to infiltrate the group and put an end to their corruption. Only the friendship of Clay and Jamie Michaels—and the love of a dedicated young woman—can help Alex drop the walls around his heart and move forward into the future God has for him. **Every Now and Then Zondervan** A wall went up around Alex Brady's heart when his father, a New York firefighter, died in the Twin Towers. Family *Tyndale House Publishers, Inc.* After finding his firstborn son, John Baxter looks for a way to tell his other children, while a Hollywood trial reunites Dayne Matthews and Katy Hart, but just when love has the chance to win, doubts and scandals push them further apart. **Firstborn** *Del Rey* The Firstborn—the mysterious race of aliens who first became known to science fiction fans as the builders of the iconic black monolith in 2001: A Space Odyssey—have inhabited legendary master of science fiction Sir Arthur C. Clarke's writing for decades. With *Time's Eye* and *Sunstorm*, the first two books in their acclaimed *Time Odyssey* series, Clarke and his brilliant co-author Stephen Baxter imagined a near-future in which the Firstborn seek to stop the advance of human civilization by employing a technology indistinguishable from magic. Their first act was the *Discontinuity*, in which Earth was carved into sections from different eras of history, restitched into a patchwork world, and renamed Mir. Mir's inhabitants included such notables as Alexander the Great, Genghis Khan, and United Nations peacekeeper Bisesa Dutt. For reasons unknown to her, Bisesa entered into communication with an alien artifact of inscrutable purpose and godlike power—a power that eventually returned her to Earth. There, she played an instrumental role in humanity's race against time to stop a doomsday event: a massive solar storm triggered by the alien Firstborn designed to eradicate all life from the planet. That fate was averted at an inconceivable price. Now, twenty-seven years later, the Firstborn are back. This time, they are pulling no punches: They have sent a "quantum bomb." Speeding toward Earth, it is a device that human scientists can barely comprehend, that cannot be stopped or destroyed—and one that will obliterate Earth. Bisesa's desperate quest for answers sends her first to Mars and then to Mir, which is itself threatened with extinction. The end seems inevitable. But as shocking new insights emerge into the nature of the Firstborn and their chilling plans for mankind, an unexpected ally appears from light-years away. **Where Yesterday Lives** *Multnomah* At thirty-one, Ellen Barrett has already won a Pulitzer prize. Sadly, though, her skill as a journalist far surpasses her ability to sort out her troubled past, so she's less than eager to return to picturesque Petoskey, Michigan, for her beloved father's funeral. When she most needs comfort, her husband is distant and her siblings antagonistic -- and the solace an old sweetheart offers is almost too much to resist. In the end, going home to the shores of Little Traverse Bay is an emotional and spiritual journey for Ellen -- a rediscovery of what is truly important and eternal in her life. **Unlocked A Love Story** *Zondervan* Before You Take a Stand ... You Got to Take a Chance. Holden Harris is an eighteen-year-old locked in a prison of autism. Despite his quiet ways and quirky behaviors, Holden is very happy and socially normal—on the inside, in a private world all his own. In reality, he is bullied at school by kids who only see that he is very different. Ella Reynolds is part of the "in" crowd. A cheerleader and star of the high school drama production, her life seems perfect. When she catches Holden listening to her rehearse for the school play, she is drawn to him ... the way he is drawn to the music. Then, Ella makes a dramatic discovery—she and Holden were best friends as children. Frustrated by the way Holden is bullied, and horrified at the indifference of her peers, Ella decides to take a stand against the most privileged and popular kids at school. Including her boyfriend, Jake. Ella believes miracles can happen in the unlikeliest places, and that just maybe an entire community might celebrate from the sidelines. But will Holden's praying mother and the efforts of Ella and a cast of theater kids be enough to unlock the prison that contains Holden? This time, friendship, faith, and the power of a song must be strong enough to open the doors to the miracle Holden needs. **When We Were Young A Novel** *Simon and Schuster* From #1 New York Times bestselling author Karen Kingsbury comes a classic story about second chances, featuring the beloved Baxter family and a young father who finds his whole world turned upside down on the eve of his divorce.
