Instant Genius How to Think Like a Genius to Be One Instantly! *Instant Series Publication* The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius": * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime. * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking. * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas. * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself. **Ghosts I Have Met and Some Others** *Createspace Independent Publishing Platform* Richards, F. T. (Frederick Thompson), 1864-1921.... Arthur Burdett Frost (January 17, 1851 - June 22, 1928), usually cited as A. B. Frost, was an American illustrator, graphic artist and comics writer. He was also well known as a painter. Frost's work is well known for its dynamic representation of motion and sequence. Frost is considered one of the great illustrators in the "Golden Age of American Illustration". Frost illustrated over 90 books and produced hundreds of paintings; in addition to his work in illustrations, he is renowned for realistic hunting and shooting prints..... Peter Sheaf Hersey Newell (March 5, 1862 - January 15, 1924) was an American artist and writer. He created picture books and illustrated new editions of many children's books..... John Kendrick Bangs (May 27, 1862 - January 21, 1922) was an American author, humorist, editor and satirist. Biography: He was born in Yonkers, New York. His father Francis Nehemiah Bangs was a lawyer in New York City, as was his brother, Francis S. Bangs. He went to Columbia College from 1880 to 1883 where he became editor of Columbia's literary magazine, Acta Columbia, and

contributed short anonymous pieces to humor magazines. After graduation in 1883 with a Bachelor of Philosophy degree in Political Science, Bangs entered Columbia Law School but left in 1884 to become Associate Editor of Life under Edward S. Martin. Bangs contributed many articles and poems to the magazine between 1884 and 1888. During this period, Bangs published his first books. In 1888 Bangs left Life to work at Harper's Magazine, Harper's Bazaar and Harper's Young People, though he continued to contribute to Life. From 1889 to 1900 he held the title of Editor of the Departments of Humor for all three Harper's magazines and from 1899 to 1901 served as active editor of Harper's Weekly. Bangs also served for a short time (January-June 1889) as the first editor of Munsey's Magazine and became editor of the American edition of the Harper-owned Literature from January to November 1899. In 1894, Bangs ran for the office of mayor of Yonkers, New York, but was defeated. He also was a member of the Board of Education in Yonkers. He left Harper & Brothers in 1901 and became editor of the New Metropolitan magazine in 1903. In 1904 he was appointed editor of Puck, perhaps the foremost American humor magazine of its day. In this period, he revived his earlier interest in drama. In 1906 he switched his focus to the lecture circuit. During the period between 1901 and 1906, Mr. Bangs was known to have spent at least parts of his summers at the Profile House in Franconia, New Hampshire. He owned one of the 20 connected cottages adjacent to the large hotel, which he sold to Cornelius Newton Bliss in August 1906. As a satirical writer, he was also known in the "Profile Cottage" circles as a jokester and prankster and was frequently the jovial topic of hotel guests and cottage owners alike. In 1918, he lectured for the Young Men's Christian Association and allied troops on the battle front in France during World War I. In 1886, he married Agnes L. Hyde, with whom he had three sons. Agnes died in 1903. Bangs then married Mary Blakeney Gray of New York in 1904. In 1907 they moved from Yonkers to Ogunquit, Maine. John Kendrick Bangs died from stomach cancer in 1922 at age fifty-nine, in Atlantic City, New Jersey.....

Board Member Orientation The Concise and Complete Guide to Nonprofit Board Service *Createspace Independent Pub Finally!* Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of

advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1. Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands

between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet. **Scorched Souls The Complete Saga** Createspace Independent Publishing Platform The Scorched Souls Saga, Books 1-4, Firetrap, Firefight, Firestorm, and Fireworks all in one volume. "If the Scorched Souls Saga was a cocktail, it would be one part Overboard, the 1987 movie classic, starring Kurt Russell and Goldie Hawn, mixed well with the FX hit TV series, Sons of Anarchy, with a twist of 50 Shades." Olympia Olsen I don't know who I am. I don't know where I am. What I do know: I don't trust Boone Richards, my supposed husband. It doesn't matter how damn sexy he is; I refuse to give in to his demands. How could I marry someone like him? A biker who acts like a caveman on steroids and calls me his "old lady." What the-? Our kids, this life, this MC...it's all wrong. I don't belong. The problem is, I can't remember anything. If this really is my life, it's no wonder I want to forget. Did I mention someone is trying to kill me, and Boone is the one person standing between me and a fiery death? Boone Richards What started out as a way to get even has turned into so much more. I want to touch her. Taste her. Own her. I want to make Olympia mine. If I do, and she remembers, things are gonna go from bad to worse. The club is my life, my brothers are my family. I can't afford to be sidetracked by a woman, but it's hard not be distracted with her looking like that, talking like that, and shaking her sweet ass like that. What I do know: taking Olympia has changed everything, including me. Protecting her from a murdering arsonist has become my obsession. I'll destroy anyone who tries to hurt her. Please be advised: The entire Scorched Souls Series is for readers 18 and older due to sexual content, violence, language, and dark subject matters. You have been warned. There are BDSM elements in all four books.

Remembering What I Forgot Createspace Independent Publishing Platform You may remember visiting a grandparent or elder friend who lived in a nursing home memory unit. When you were a child you may recall sights, sounds, and smells that caused you to feel uneasy. Step into any one of today's 16,000 long-term care facilities across the US, and suddenly those memories reemerge. Nurse Supervisor K. Allen tells of the emotional investments found while working with seniors inside the Van Gogh, a large upscale urban assisted living complex. Located at its core is found a locked memory care unit, the Rembrandt, where he and his heroic support team struggle to comfort those suffering from Alzheimer's and other types of Dementia. Emotionally rich and deeply moving. Remembering What I Forgot tells of a day in the life of a memory unit nurse and the unimaginable obstacles faced by today's health care workers. A first of its kind, the story provides its reader with a rare glimpse into "life on a memory unit" including the emotional torment experienced by visitors who witness their loved one slip into ever increasing apathy and confusion. In its truest sense a love story of the need to cope and how to find hope when someone we love suddenly cannot remember well and is handed a diagnosis of Dementia. Insightful, humorous and heartfelt, Remembering What I Forgot conveys a message of inspiration and helps us connect with those in the final chapter of their life. Let us not forget them.

How to Protect Yourself from 'Pretend' Friend Requests and Email Scams We are living in a time when social media and email accounts are continually violated by people who shamelessly use

false identities and malicious intentions to steal personal information, money, good reputations, friends and hearts. They exploit the fact that people are often willing to ignore the warning signs that a friend, acquaintance or business may not be who they claim to be. Author Jo Anne Meekins, a former policies and procedures writer, uses screenshots and real life experiences to illustrate a step-by-step protection process to follow when you receive a friend request. She also shows you how to recognize and report fake profiles and fraudulent emails. "How to Protect Yourself from 'Pretend' Friend Requests & Email Scams" implores you to be proactive in protecting yourself and friends from these threats by paying attention to the red flags and doing your due diligence. As the saying goes, "Better safe than sorry!"

Xaymaca A Dream Is Born. Createspace Independent Publishing Platform An African Princess was stolen, shipped, sold and thrust into slavery in the land they called "Xaymaca." In shock, she observed this new cruel world. At times, unwilling to believe her present reality, she went through the motions of hard labour and severe abuse with no resistance. However, she was noticed by some of the children on the plantation especially by Marcus. He knew she was the catalyst they needed to bring about a long awaited change. A change his friends, Sam, William, Paul and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them. With this African princess, their dream would finally come true. "Xaymaca Part 1" is

the beginning of a short story series of the enslaved Caribbean children named after Jamaican national heroes as they pursue freedom. **Orb Gary Tarulli** Three months outbound from Earth and the starship Desio approaches its planetary destination, her crew eager to commence a mission of scientific discovery. Kyle Lorenzo, however, has a personal reason for being on board--an inner conflict that will ultimately propel him to explore not only of the furthest reaches of an enigmatic ocean world but the nebulous recesses of his inner psyche. During the long and isolating interstellar journey a physical relationship develops between Kyle and the ship's physician, Kelly Takara. That part is easy. Understanding the reasons for avoiding the emotional commitment desired by Kelly is harder. So, too, is trying to penetrate the mind of Larry Melhaus, the mission's brilliant and reclusive physicist - a failure to communicate made exponentially more troublesome when the scientist's disturbing behavior begins to threaten the crew. While Kyle struggles to comprehend himself and Melhaus, the ship's crew, led by their strong-willed commander, Bruce Thompson, attempt to fathom a planet where none of the precepts of science seem to apply. A world where every preconceived notion of what constitutes life must be re-examined and challenged. Two journeys: One inward, one outward. Culminating at the same destination. **Thoughtful Dementia Care Understanding the Dementia Experience** *Createspace Independent Pub* Ghent-Fuller offers insights into emotional reactions and practical suggestions based on deep understanding of the way people with dementia view many situations. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a spilt of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans. the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now. **Overcoming Me I Am a Work in Progress** God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn.
