In China in 1911, all the women of good families follow this ancient tradition. But Ailin loves to run away from her governess and play games with her male cousins. Knowing she will never run again once her feet are bound, Ailin rebels and refuses to follow this torturous tradition. As a result, however, the family of her intended husband breaks their marriage agreement. And as she enters adolescence, Ailin finds that her family is no longer willing to support her. Chinese society leaves few options for a single woman of good family, but with a bold conviction and an indomitable spirit, Ailin is determined to forge her own destiny. Her story is a tribute to all those women whose courage created new options for the generations who came after them. **See the Cities of the World Coloring Book #56 Nyhavn** Number of pages: 25 Number of images: 24 Book dimensions: 21.59 x 27.94cm **Christmas Color By Number Coloring Book For Kids 50 Color By Numbers Christmas Coloring Pages for Kids 50 Color By Numbers Christmas Coloring Pages for Kids Relaxing Coloring Pages.** Every page you color will pull you into a relaxing world where your responsibilities will seem to fade away... NYU Press** Leading scholars examine China's global strategic plans, from Hong Kong to military power, to economic dominance. Over the past few decades, China has increasingly challenged the global influence of the United States. In China's Grand Strategy, David B. H. Denoon brings together a group of eminent scholars to explain China's rapid ascendance on the world stage, as well as its future implications for global politics. Contributors address the military, economic, diplomatic, and internal political factors shaping China's strategy, in addition to highlighting Beijing's objectives in different parts of the world, such as Central Asia, Africa, and the Middle East. Ultimately, they explore the promise and perils of China's rapidly changing political ambitions, showing how the country has made its mark on the twenty-first century. China's Grand Strategy provides insight into China's quest to become a global leader, particularly at a time when the future of both China and the US remain uncertain in the context of current crises like the coronavirus pandemic, the ongoing protests in Hong Kong, and escalating tension between top leaders and officials. This book cannot predict the future for China or the US, but the insights offered can help make sense of where we have been and where we are going. **Clio's Turmoil Digitization Vs Sacredness.: A Pamphlet.** This is a short pamphlet-like book that describes the current state of computer technology and its' impact upon the Humanities.
