---

Panasonic microwave instruction manual for use with NN-CF770M.

---

### **COOKING FOR ONE**

---

---

#### **SCALED RECIPES, NO-WASTE SOLUTIONS, AND TIME-SAVING TIPS**

---

America's Test Kitchen Discover the joy of cooking for yourself with more than 160 perfectly portioned, easy-to-execute recipes, flexible ingredient lists to accommodate your pantry, and ideas for improvising to your taste. Taking care to prepare a meal for yourself is a different experience than cooking for others. It can be a fun, casual, and (of course) delicious affair, but there are challenges, from avoiding a fridge full of half-used ingredients to ending up with leftovers that become boring after the third reheat. Cooking for One helps you make cooking for yourself special without becoming a chore with unfussy yet utterly appealing meals that rely on ingredients you already have on hand, like Garam Masala Pork Chop with Couscous and Spinach and Weeknight Chicken Cacciatore. Don't have exactly the right ingredients? Never fear--with a "Kitchen Improv" box on every page, we offer ideas for altering the dish so it works for you. And for those weeks you didn't make it to the supermarket, we use a "Pantry Recipe" icon to clearly mark recipes that rely entirely on our checklist for a well-stocked pantry. We show you when it's worth making two servings (but never more) with our "Makes Leftovers" icon, and suggest how to transform those leftovers into a whole new meal. (We love our Spice-Rubbed Flank Steak with Celery Root and Lime Yogurt Sauce served over

arugula as a hearty salad the next day.) Ingredients themselves often lead you to another exciting meal--when you're left with half an eggplant from Simple Ratatouille, we direct you to Broiled Eggplant with Honey-Lemon Vinaigrette as the perfect way to use it up. And if the thought of a sink full of dishes keeps you out of the kitchen, there are plenty of appealing one-pan dinners like Sheet Pan Sausages with Sweet Potatoes, Broccoli Rabe, and Mustard-Chive Butter or Couscous with Shrimp, Cilantro, and Garlic Chips that are here to save the day.

---

## **PANASONIC DIMENSION 4 COOKERY BOOK AND OPERATING INSTRUCTIONS**

---

### **MODELS NN-C897W/897C, NN-C877W/877C**

### **MESSY MINIMALISM**

---

### **REALISTIC STRATEGIES FOR THE REST OF US**

---

Broadleaf Books Think minimalism means a perfectly curated, always tidy

home? Think again. Drowning in tides of toys, overflowing closets, and a crazy schedule, Rachelle Crawford assumed you had to be naturally organized to keep a tidy living space. Then she found minimalism: the messy, real-life kind, that is less about perfection and more about purpose. Thus began a journey toward decluttering her home, calendar, and soul. With empathy, grace, and humor, Crawford--who curates the popular Abundant Life with Less site--shares doable ways to own less and live more fully. Laying out practical strategies for reducing waste, curbing consumption, decluttering, and finding lots more joy, Crawford offers no-nonsense solutions for the rest of us. Learn to become a more conscious consumer, create a capsule wardrobe, inspire family members to join you, free up more time for the things that matter, and create a tidy(ish) home. The messy minimalist way is a no-judgment zone, one in which we learn sustainable habits and grace-based practices. It's about living lightly on the earth and making room for purpose. Becoming a messy minimalist is not about turning into someone else; it's about clearing away clutter and expectations to unearth who you really are. It's about carrying fewer things so that we find ourselves holding onto what truly matters.

## **BAKE WITH SHIVESH**

---

Harper Collins This is not your regular cookbook. Food styling has become a skill many want to master, but don't know how. Popular food blogger and maverick baker Shivesh Bhatia is here to help. Twenty-two-year-old Shivesh enjoys a massive following on his blog and Instagram. Brands love him and so do people. In *Bake with Shivesh*, the ace baker reveals foolproof tips on food styling that can be easily followed at home, in your kitchen, with tools you already own. He also talks about his favourite styling techniques, and what works or doesn't on different social media platforms. This is a book for everyone looking to elevate the way they present food, to help boost their blogs and businesses, and to make food look as good as it tastes.
