**White Paper on Family Planning Cassell's Illustrated Family Paper Background Paper on Family Life, Family Relationships, and Friends Equality for Families A Position Paper on Family Issues Regarding Non-traditional Households ; Prepared for the New Jersey State Legislature The Harriet Jacobs Family Papers UNC Press Books** Although millions of African American women were held in bondage over the 250 years that slavery was legal in the United States, Harriet Jacobs (1813-97) is the only one known to have left papers testifying to her life. Her autobiography, *Incidents in the Life of a Slave Girl*, holds a central place in the canon of American literature as the most important slave narrative by an African American woman. Born in Edenton, North Carolina, Jacobs escaped from her owner in her mid-twenties and hid in the cramped attic crawlspace of her grandmother's house for seven years before making her way north as a fugitive slave. In Rochester, New York, she became an active abolitionist, working with all of the major abolitionists, feminists, and literary figures of her day, including Frederick Douglass, Lydia Maria Child, Amy Post, William Lloyd Garrison, Susan B. Anthony, Harriet Beecher Stowe, Fanny Fern, William C. Nell, Charlotte Forten Grimke, and Nathan Parker Willis. Jean Fagan Yellin has devoted much of her professional life to illuminating the remarkable life of Harriet Jacobs. Over three decades of painstaking research, Yellin has discovered more than 900 primary source documents, approximately 300 of which are now collected in two volumes. These letters and papers written by, for, and about Jacobs and her activist brother and daughter provide for the thousands of readers of *Incidents*--from scholars to schoolchildren--access to the rich historical context of Jacobs's struggles against slavery, racism, and sexism beyond what she reveals in her pseudonymous narrative. Accompanied by a CD containing a searchable PDF file of the entire contents, this collection is a crucial launching point for future scholarship on Jacobs's life and times. **Beaumont papers. Letters relating to the family of Beaumont, of Whitley, Yorkshire, from the fifteenth to the seventeenth centuries Dalcassian Publishing Company Selections from the Family Papers Preserved at Caldwell William Penn. An Historical Biography, Founded on Family and State Papers. 2nd Ed Wilhelm Herzberg's Jewish Family Papers (1868) Interdisciplinary Readings of a Forgotten Bestseller Walter de Gruyter GmbH & Co KG Wilhelm Herzberg's novel Jewish Family Papers, which was first published under a pseudonym in 1868, was one of the bestselling German-Jewish books of the nineteenth century. Its numerous editions, reviews, and translations - into Dutch, English, and Hebrew - are ample proof of its impact. Herzberg's Jewish Family Papers picks up on some of the most central contemporary philosophical, religious, and social debates and discusses aspects such as emancipation, antisemitism, Jewishness and Judaism, nationalism, and the Christian religion and culture, as well as gender roles. So far, however, the novel has not received the scholarly attention it so assuredly deserves. This bilingual volume is the first attempt to acknowledge how this outstanding source can contribute to our understanding of German-Jewish literature and culture in the nineteenth century and beyond. Through interdisciplinary readings, it will discuss this forgotten bestseller, embedding it within various contemporary discourses: religion, literature, emancipation, nationalism, culture, transnationalism, gender, theology, and philosophy. Memorials of the Montgomeries, earls of Eglinton [family papers, ed., with biogr. notices] by W. Fraser Family Papers A Sephardic Journey Through the Twentieth Century Farrar, Straus and Giroux** Named one of the best books of 2019 by The Economist and a New York Times Book Review Editors' Choice. A National Jewish Book Award finalist. "A superb and touching book about the frailty of ties that hold together places and people." --The New York Times Book Review An award-winning historian shares the true story of a frayed and diasporic Sephardic Jewish family preserved in thousands of letters For centuries, the bustling port city of Salonica was home to the sprawling Levy family. As leading publishers and editors, they helped chronicle modernity as it was experienced by Sephardic Jews across the Ottoman Empire. The wars of the twentieth century, however, redrew the borders around them, in the process transforming the Levys from Ottomans to Greeks. Family members soon moved across boundaries and hemispheres, stretching the familial diaspora from Greece to Western Europe, Israel, Brazil, and India. In time, the Holocaust nearly eviscerated the clan, eradicating whole branches of the family tree. In *Family Papers*, the prizewinning Sephardic historian Sarah Abrevaya Stein uses the family's correspondence to tell the story of their journey across the arc of a century and the breadth of the globe. They wrote to share grief and to reveal secrets, to propose marriage and to plan for divorce, to maintain connection. They wrote because they were family. And years after they frayed, Stein discovers, what remains solid is the fragile tissue that once held them together: neither blood nor belief, but papers. With meticulous research and care, Stein uses the Levys' letters to tell not only their history, but the history of Sephardic Jews in the twentieth century. **Papers Connected with the Affairs of Milton and His Family John F.
