Baker, State Supt. Public Schools Henri's Scissors with audio recording* *Simon and Schuster* Step into the colorful world of Henri Matisse and his magnificent paper cutouts in this biography by acclaimed picture book creator Jeanette Winter. In a small weaving town in France, a young boy named Henri-Emile Matisse drew pictures everywhere, and when he grew up, he moved to Paris and became a famous artist who created paintings that were adored around the world. But late in life a serious illness confined him to a wheelchair, and amazingly, it was from there that he created among his most beloved works—enormous and breathtaking paper cutouts. Based on the life of Henri Matisse, this moving and inspirational picture book biography includes a note from the author, dynamic quotes from Matisse himself, and an illuminating look at a little-known part of a great artist's creative process. **Teaching The American Primary Teacher Teachers Magazine Progress and Patriotism A Course of Study in History Problems for the Primary and Intermediate Grades and the Junior High School The New Practical Reference Library Moderator-topics Meeting the Needs of the Handicapped A Resource for Teachers and Librarians** *Greenwood* Articles from educational journals published between 1973 and 1979 explore a variety of topics concerning the problems, education, and vocational training of physically, mentally, and emotionally handicapped children **Kindergarten and First Grade Statistics of Land-grant Colleges and Universities Children's Occupations** Ideas to help children learn through play by becoming inventors and artists.
