PAPER TOWNS

A&C Black Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

THE RAIN DRAGON RESCUE

Little, Brown Books for Young Readers Someone or something is stealing from the peaceful residents of Buttonville. But is the thief from the real world...or the imaginary one? Ben and Pearl are about to find out. When they report for duty at Dr. Woo's, Mr. Tabby hands them a bucket and a shovel -- for the collection and proper disposal of dragon droppings -- and directs the apprentices to the hospital's roof. Soon, they come face-to-snout with the dragon that lives there and find a pile of proof that he is the thief. Before Ben and Pearl can persuade the dragon to stop stealing, an emergency call comes in from the Imaginary World. The rain dragon has been injured! But with Dr. Woo out of town and Mr. Tabby busy with percolating pixies, time is running out. Will Ben and Pearl finally get a chance to travel to the Imaginary World? Even if it means breaking Dr. Woo's rules? Even if it means they might never come back? Suzanne Selfors delivers a wild journey filled with mythical creatures and zany adventures that are anything but imaginary. This book includes bonus writing, art, and science activities that will help readers discover more about the mythological creatures featured in *The Rain Dragon Rescue*. These activities are designed for the home and the classroom. Enjoy doing them on your own or with friends!

TAILORED APPROACHES TO SELF-LEADERSHIP

A BITE-SIZE APPROACH USING PSYCHOLOGY AND NEUROSCIENCE

Taylor & Francis This book provides a uniquely adaptable approach to develop awareness (of self, others and one's environment) of self-leadership through real behavioral change. Through neuroscience, psychology and behavioral science approaches, each chapter will help readers make their learning and development personal and take it to a deeper level. With a tip of the hat to the gamebook format where you choose your adventure, readers are encouraged to take an original online self-assessment quiz to determine the challenges and priorities they are presently facing. The quiz then provides a suggested reading order of chapters to address these growth areas. Each of the 18 chapters explores a different theme related to self-leadership and are written in such a way that one can read them in any order. Filled with practical activities, reflective questions and personal anecdotes, Bosnick encourages readers to understand behavior from the "inside-out" of neuroscience and how the brain works, while also keeping an eye on the "outside-in:" how we understand others and how others see us. Combining research-backed principles with tried-and-tested exercises, this is a book tailored for leaders of all levels, professionals in a transitory phase of their career, as well as those just starting out in the working world.

HISTORICAL PAINTING TECHNIQUES, MATERIALS, AND STUDIO PRACTICE

PREPRINTS OF A SYMPOSIUM, UNIVERSITY OF LEIDEN, THE NETHERLANDS, 26-29 JUNE 1995

Getty Publications Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangka. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

MODEL CONTRACT TERMS AND CONDITIONS WITH ANNOTATIONS AND CASE SUMMARIES

ABOUT THIS BOOK This book assists the reader and provides value in three ways: First, model contract language in the form of commercial terms and conditions are provided. Second, the contract language is annotated with explanations and suggestions for each of the key articles. Third, summaries of actual litigated cases are provided in synopsis form. This triple combination of language, annotations and key case synopses all work together to instruct and enlighten the reader. **WHAT OTHERS HAVE SAID ABOUT THIS BOOK** "This book is a superb tool for anyone who relies upon contracts in their business dealings..." Nick Conca, Esq. Chief Claims Officer, Markel Corporation "The authors have hit the ball out of the park! They have crafted an easy to read and easy to understand contracts primer that all supply / demand chain professionals will embrace..." Dan Klepacki, MBA, BS Engineering Adjunct Professor - Rutgers Business School and Senior Industry Advisor Rutgers SCM Program "This book should be required reading for any Project Manager..." Frank V. Cielo, PMP Head of Operational Excellence KEMA Laboratories Chalfont DNV GL Energy "After having read Model Contract Terms and Conditions With Annotations and Case Studies, by Paul Humbert and Robert Mastice, I hope that this treatise becomes a standard manual in any situation where personnel have to develop and draft contracts in any business setting..." Glenn A. Montgonery, Esq., B.A., M.A., J.D. Montgomery, Chapin & Fetten, P.C. "Finally, a concise, annotated source of model contract terms and conditions with case summaries and citations prepared by those with actual, hands-on experience with complex project management transactions..." Glen Clark, Esq. Managing Partner Riker Danzig, Esqs. "The authors' practical experience and technical knowledge combine to provide a valuable guide for executives in the industry. This book contains valuable, real-world framework for successful capital project execution..." Guy Cipriano, P.E. President-El Associates "Authors Paul Humbert and Robert Mastice do an exquisite job of simplifying and decomposing a complex topic in a pragmatic way..." Charlie White Entrepreneur & Principal Partner Thwakk, Inc "Contracts make the commercial world go round. The authors have done a stellar job of demystifying the contracting process, and what can be intimidating "legal" terms and conditions..." James A. Silva VP Solution & Business Development HD Supply - Power Solutions "Paul Humbert and Robert Mastice have written an invaluable resource for any business person or attorney who deals with commercial contracts. They provide section by section explanations of the purpose of, and rationale for, a wide range of common commercial contract provisions. Their commentary is illuminating for anyone who deals with those types of provisions. I have practiced law for more than 35 years. I wish that a resource like this had been available to me when I began to practice. I recommend it wholeheartedly to anyone, lawyer or non-lawyer, who would like to increase his or her understanding of commercial contracts." Richard Cogen, Esq. Partner Nixon Peabody, LLP **OTHER BENEFITS OF THIS BOOK** This book also facilitates the creation of a project or transaction specific Contract Management Plan. ("CMP"). A CMP is essentially an internal document prepared by either the Company or the Contractor for use by their respective employees in managing the transaction that is the subject of the Contract. The CMP is not shared with the other party since it deals exclusively with the internal considerations and mechanics associated with one party's administration and management of its rights and responsibilities under the Contract. The CMP supplements the Contract and also permits a documented methodology for applying lessons learned from past transactions.
