To save the city will take a miracle, but what it has is Orhan. THE EMPEROR OF WINE

THE RISE OF ROBERT M. PARKER, JR., AND THE REIGN OF AMERICAN TASTE

Harper Collins The first book to chronicle the rise of Robert M. Parker, Jr., the world's most influential and controversial wine critic, who, over the last twenty-five years, has dominated the international wine world and embodied the triumph of American taste. This is the story of how an American lawyer raised on Coca-Cola caused a revolution in the way wines around the globe are made, sold, and talked about. To his legions of fans, Parker is a cross between Julia Child and Ralph Nader -- part enthusiastic sensualist and part consumer crusader. To his many enemies, he is a self-appointed wine judge bent on reducing the meaning of wine to a two-digit number. The man who now rules the world of wine has been the focus of both adulation and death threats. He rose to his pinnacle of power by means of the traditional American virtues of hard work, determination, and integrity -- coupled with an unshakeable ego and a maniacal obsession with a beverage that aspires to a seductive art form: fine wine. Parker's influential bimonthly newsletter, *The Wine Advocate*, with more than 45,000 subscribers across the United States and in more than thirty-seven countries, exerts the single most significant influence on consumers' wine-buying habits and trends in America, Europe, and the Far East, and impacts the way wine is being made in every wine-producing country in the world, from France to Australia. Parker has been profiled in countless magazines and newspapers around the world and most of his dozen books have been best sellers in the United States and abroad. Yet, despite the world's attention and unending acclaim, Robert Parker stands at the center of a heated controversy. Is he a

passionate lover of wine who, more than anyone else, is responsible for its vastly improved quality, or is he, as others claim, waging a war against centuries of tradition and in the process killing the soul of wine? The Emperor of Wine tackles the myriad questions that swirl about Parker and reveals how he became both worshipped and despised, revered as an infallible palate by some and blamed by others for remaking the world's wine industry into a single global market, causing prices to skyrocket, and single-handedly reshaping the taste of wine to his own preference. Elin McCoy met Robert Parker in 1981 when she was his first magazine editor, and she has followed his extraordinary rise ever since. In telling Parker's story, McCoy gives readers an unmatched, authoritative insider's view of the eccentric personalities, bitter feuds, controversies, passions, payoffs, and secrets of the wine world, explaining how wine reputations are made, how and why wine critics agree and disagree, and tracking the startling ways wines are judged, promoted, made, and sold today. This fascinating portrait of a modern-day cultural colossus shows how a world that once was the province of gentlemen's clubs and the pastime of stuffed shirts turned into a sensual hobby for the middle class, creating a luxury industry bent on making money on a worldwide scale -- and how one man has revolutionized the way the world thinks about wine.

BLACK BROTHER, BLACK BROTHER

Little, Brown Books for Young Readers From award-winning and bestselling author, Jewell Parker Rhodes comes a powerful coming-of-age story about two brothers, one who presents as white, the other as black, and the complex ways in which they are forced to navigate the world, all while training for a fencing competition. Framed. Bullied. Disliked. But I know I can still be the best. Sometimes, 12-year-old Donte wishes he were invisible. As one of the few black boys at Middlefield Prep, most of the students don't look like him. They don't like him either. Dubbing him "Black Brother," Donte's teachers and classmates make it clear they wish he were more like his lighter-skinned brother, Trey. When he's bullied and framed by the captain of the fencing team, "King" Alan, he's suspended from school and arrested. Terrified, searching for a place where he belongs, Donte joins a local youth center and meets former Olympic fencer Arden Jones. With Arden's help, he begins training as a competitive fencer, setting his sights on taking down the fencing team captain, no matter what. As Donte hones his fencing skills and grows closer to achieving his goal, he learns the fight for justice is far from over. Now Donte must confront his bullies, racism, and the corrupt systems of power that led to his arrest. Powerful and emotionally gripping, *Black Brother, Black Brother* is a careful examination of the school-to-prison pipeline and follows one boy's fight against racism and his empowering path to finding his voice.

THE PLOT

A NOVEL

Celadon Books ** NEW YORK TIMES BESTSELLER! ** The Tonight Show Summer Reads Winner ** A New York Times Notable Book of 2021 ** "Insanely readable." —Stephen King Hailed as "breathtakingly suspenseful," Jean Hanff Korelitz's *The Plot* is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he's teaching in a third-rate MFA program and struggling to maintain what's left of his self-respect; he hasn't written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn't need Jake's help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-respecting writer would do with a story like that—a story that absolutely needs to be told. In a few short years, all of Evan Parker's predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief, it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the idea for his "sure thing" of a novel? What is the real story behind the plot, and who stole it from whom?
